## Independent Auditor's Report

To the Plan Administrator  
Mary Rutan Health Association of Logan County  
Employees' Pension Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the financial statements of Mary Rutan Health Association of Logan County Employees' Pension Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Plan Administrator  
Mary Rutan Health Association of Logan County  
Employees' Pension Plan

### ***Basis of Accounting***

We draw attention to Note 2 to the modified cash basis financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2 and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of modified cash basis financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

### ***Auditor's Responsibilities for the Audits of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

To the Plan Administrator  
Mary Rutan Health Association of Logan County  
Employees' Pension Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Supplemental Schedule Required by ERISA***

The supplemental schedule of assets held at end of year (modified cash basis) as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**December 31, 2023 and 2022**

### **Note 1 - Description of the Plan**

The following description of Mary Rutan Health Association of Logan County Employees' Pension Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a defined contribution plan covering substantially all employees of Mary Rutan Health Association of Logan County and members of its controlled group, consisting of Mary Rutan Hospital; Mary Rutan Foundation; and Logan View, Inc. (collectively, the "Association"), not participating in the Public Employee Retirement System (PERS). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees are eligible to participate after reaching 21 years of age and completing one year of credited service, as defined in the plan agreement.

Effective May 1, 2018, the Plan was amended to exclude the following employees from eligibility to participate in the Plan:

- Clinical physicians
- Logan View, Inc. pool nurses
- CRNAs
- Employees who normally work less than 20 hours per week unless they worked more than 1,000 hours in any previous plan year

#### ***Contributions***

Contributions to the Plan are invested as directed by the participant in any one or more investment alternatives. The Association contributes 7.82 percent of the first \$70,000 of each eligible participant's compensation and 12.12 percent of any compensation in excess of \$70,000. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

#### ***Participant Accounts***

American United Life Insurance Company (AUL) maintains individual accounts for each participant for the deposit of contributions and earnings thereon. Earnings on plan assets are distributed based upon the participants' pro rata share of the total account balances.

Allocations of expenses are based on a participant's compensation or account balance, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Vesting***

A participant is 100 percent vested in employer contributions and earnings thereon after five years of credited service, as defined in the plan agreement.

#### ***Payment of Benefits***

Upon retirement, a participant may elect to receive either a lump-sum payment or monthly retirement benefit for life, which may continue to a spouse or other beneficiary upon the employee's death. If a participant terminates employment, he or she shall be entitled to a lump-sum payment or monthly benefit beginning on his or her normal retirement date, as described in the plan agreement. The Plan also allows participants to select other optional forms of payments.

#### ***Forfeitures***

Forfeited benefits are used to reduce future employer contributions.

**December 31, 2023 and 2022**

### **Note 2 - Summary of Significant Accounting Policies**

#### ***Basis of Presentation***

The accompanying financial statements have been prepared on the modified cash basis of accounting. Under the modified cash basis of accounting, investments are recorded at fair value or contract value, while contributions and investment income are recognized when received rather than when earned, and benefit payments are recognized when paid rather than when related obligations are incurred.

#### ***Investment Valuation***

The Plan's investments are stated at fair value except as noted below. The fully benefit-responsive general insurance contract is valued at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

The pooled separate accounts are valued at net asset value per share or its equivalent of the funds, which is based on the fair value of the funds' underlying assets and primarily consist of mutual funds and equity securities. There are no redemption restrictions or unfunded commitments on these investments. These investments are managed pooled separate accounts that invest in equity and debt securities. The investments may include common stocks, corporate bonds, mutual funds, and U.S. and non-U.S. municipal securities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### ***Administrative Expenses***

The Association paid certain administrative expenses of the Plan during the year ended December 31, 2023.

#### ***Use of Estimates***

The preparation of modified cash basis financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the amounts reported in the modified cash basis financial statements and accompanying notes. Actual results could differ from those estimates.

#### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the modified cash basis financial statements.

#### ***Subsequent Events***

The modified cash basis financial statements and related disclosures include evaluation of events up through and including August 23, 2024, which is the date the financial statements were available to be issued.

### **Note 3 - Certified Information**

American United Life Insurance Company holds the Plan's investments and executes all investment transactions. The investment balances and related income and losses included in the accompanying modified cash basis financial statements and supplemental schedule of assets held at end of year - modified cash basis are based solely on information certified by AUL. Additionally, the Plan invests in certain investments managed by AUL or its affiliates, which qualify as party-in-interest transactions, as defined under ERISA guidelines.

### **Note 4 - Tax Status**

The Plan has received a determination letter from the Internal Revenue Service indicating that the Plan, as designed, is qualified for tax-exempt treatment under the applicable section of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

### **Note 5 - Plan Termination**

Although it has not expressed an intent to do so, the Association has the right under the Plan to discontinue its contributions at any time and terminate the Plan, subject to the provisions under ERISA. In the event of the Plan's termination, all participants' accounts shall become fully vested and nonforfeitable with respect to amounts credited to such participants' accounts. American United Life Insurance Company shall make full provisions to pay pension benefits to which annuitants and their beneficiaries are entitled, but only to the extent such provision has not previously been made. Participants may elect to purchase an immediate annuity or receive a cash distribution.

### **Note 6 - General Insurance Contracts**

The Plan has benefit-responsive investment contracts with American United Life Insurance Company. AUL maintains the contributions in a general insurance account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Interest rates are established and declared for new contributions that will be received in a calendar quarter. Interest crediting rates are reviewed on an annual basis for resetting but may not be less than 1.50 percent. When establishing interest crediting rates for this product, AUL considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid over time. There are no events that allow the issuer to terminate the contract and that require the plan sponsor to settle an amount different than contract value paid either within 90 days or over time.
