INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Andre-Boudin Bakeries 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to the participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule included in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Andre-Boudin Bakeries 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The Andre-Boudin Bakeries 401(k) Plan (the Plan) was established by Andre-Boudin Bakeries, Inc., also known as Boudin Bakery, effective January 1, 1986, to provide participants with a method to fund their retirement on a tax-deferred basis. The Plan, as amended and restated, most recently as of October 23, 2023, provides retirement benefits to eligible employees of Andre-Boudin Bakeries Inc. and its wholly-owned subsidiaries (collectively, the Company). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan under Sections 401(a) and 401(k) and related provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan sponsor and Plan administrator. The Plan is administered by Company employees. Reliance Trust Company (Reliance) serves as the Plan's trustee and ADP Retirement Services (ADP) serves as the Plan's record keeper. Reliance holds, invests and reinvests Plan assets in the interest and direction of the participants and their beneficiaries. The Company has engaged UBS Financial Services Inc. as an investment advisor to assist the Plan in selecting the investment options offered to the participants and monitoring investment performance.

Eligible Participants:

Employees, as defined by the Plan agreement, age 21 or older, after three consecutive months and a minimum of 250 hours of service, may participate in the Plan on the first day of the month following all eligibility requirements being satisfied. Certain union, leased, and nonresident employees are excluded from participating in the Plan.

Contributions:

Participants are permitted to make voluntary pre-tax salary deferrals and after-tax contributions up to 90% of their annual compensation, as defined in the Plan agreement. Participants who have reached the age of 50 may also elect to withhold additional "catch-up" contributions under the Code. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans (rollovers), excluding rollovers of after-tax contributions, subject to Code regulations.

Andre-Boudin Bakeries 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Contributions: (continued)

The Plan provides for automatic enrollment on the date participants become eligible to participate in the Plan. The automatic salary deferral contribution for eligible participants is 3% of their compensation, unless participants request a different amount to be contributed or formally decline participation. Participants may adjust their deferral rate or discontinue their contributions at any time.

The Company may make discretionary matching and non-elective contributions to the Plan, as determined by the Company's Board of Directors. In 2023, the Company made matching contributions of \$75,310 equal to 25% of each participant's contribution up to 2% of participant eligible compensation.

The Company has not made any non-elective contributions to the Plan through December 31, 2022.

Contributions are subject to certain limitations under the Code.

Participant Accounts:

Participant accounts are credited with participant contributions, Company contributions, rollovers, and an allocation of the Plan's earnings or losses. Allocations are based on participant earnings or account balances, in accordance with Plan provisions. The benefit to which participants are entitled is the benefit that can be provided from the participant vested accounts.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. Participants may authorize transfers among investment options at any time.

Vesting:

Participants are fully (100%) vested in their contributions, plus actual earnings (less any losses) thereon. The Company's discretionary matching contributions, and Company non-elective contributions, if any, plus actual earnings (less any losses), would vest 25% after one year of service, 50% after two years of service, 75% after three years of service, and 100% after four years of service.

Andre-Boudin Bakeries 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Forfeitures:

Forfeitures of non-vested Company contributions may be used to reduce future Company contributions or to pay Plan expenses. The Plan used \$4,470 of forfeitures to pay Company matching contributions and \$4,496 to pay administrative expenses in 2023. There were \$555 forfeitures available as of December 31, 2023 (\$420 as of December 31, 2022).

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement.

Participants may borrow up to one-half of their vested account balance, not to exceed \$50,000, less the highest outstanding note balance during the previous twelve-month period, for a period not to exceed five years, except for notes used to purchase a primary residence for which terms up to ten years may be granted. Participant notes are evidenced by a written note, secured by the balance in the participant's vested account and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator under the note policy. The interest rates on notes outstanding as of December 31, 2023 range from 5% to 9.50%. Repayment of principal and interest is generally made through payroll deductions.

Note receivable transactions with participants s qualify as party-in-interest transactions also qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA

Liability for Corrective Distributions:

Liability for corrective distributions represents contributions made by certain participants that must be refunded in order for the Plan to be in compliance with applicable non-discrimination tests. The December 31, 2022 liability of \$21,729 was refunded in 2023. The December 31, 2023 liability of \$36,445 was refunded in 2024.

Andre-Boudin Bakeries 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Payment of Benefits:

On termination of service, benefits are paid in a lump-sum cash distribution equal to the value of the participant's vested account balance, in partial withdrawals, or in regular installment payments of the participant's choice. Account balances below \$5,000 for participants no longer employed by the Company may be automatically distributed to individual retirement accounts on behalf of the participants, without participant approval. Benefits are recorded when paid.

Administrative Expenses:

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the Plan's financial statements. Participant accounts are assessed a separate fee for the administration of notes receivable and certain third-party administration fees.

Certain advisory service fees related to the Plan's investments paid by the Plan sponsor are assumed by the Plan and reflected in these financial statements. All other administrative expenses related to the Plan are paid by the Plan sponsor and not reflected in these financial statements.

Risks and Uncertainties:

The Plan offers a variety of investment options to participants. Investments are exposed to various risks, such as interest rate, market fluctuation, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible changes in risk in the near term could materially affect participant account balances and the amounts reported in the financial statements.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions and to terminate the Plan at any time, subject to provisions of ERISA. In the event of a Plan termination, participants would become fully vested in their accounts and distributions would be made to participants as described in the Plan agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's financial statements are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments:

Investments consist of mutual funds and a money market fund. These funds are valued at the net asset value (NAV) of shares held by the Plan at year end, as quoted in active markets.

Fair Value Measurement:

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability as of the measurement date. The three-level hierarchy prioritizes within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with those instruments.

The three-level hierarchy for fair value measurement is defined as follows:

Level I: Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level II: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level III: Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement: (continued)

A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant at the fair value measurement.

The Plan's investments are recorded at fair value and classified as Level I within the fair value hierarchy as of December 31, 2023 and 2022.

Income Recognition:

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual method of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes gains and losses on the Plan's investments bought, sold or held during the year.

3. Information Prepared and Certified by Reliance

Reliance, as the Plan's trustee, has certified the fair value of the following assets held as of December 31, 2023 and 2022, and the net income for the year ended December 31, 2023, that were used in the preparation of the financial statements and supplemental schedule. The following table summarizes the certified information.

	December 31,	
	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 6,023,012	\$ 4,578,842
Notes receivable from participants	<u>38,608</u>	<u>23,544</u>

Notes to Financial Statements

4. Income Tax Status

The Plan is a pre-approved plan offered by ADP. The Internal Revenue Service (IRS) has determined and informed ADP by a letter dated October 6, 2020, that the plan submitted for review was qualified under applicable provisions of the Code. The Plan has been amended since receipt of the letter. The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and related state statutes and is, therefore, qualified and the trust that forms a part of the Plan is exempt from federal and state income taxes.

GAAP requires Plan management to evaluate income tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the income tax positions taken by the Plan, and has concluded, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

5. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 6,025,175	\$ 4,580,657

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2023:

Less: Liability for corrective distributions as of December 31, 2022	<u>(21,729)</u>
