INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Kleinberg, Kaplan, Wolff & Cohen, P.C. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kleinberg, Kaplan, Wolff & Cohen, P.C. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits [and of accumulated plan benefits] as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits [and of changes in accumulated plan benefits] for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kleinberg, Kaplan, Wolff & Cohen, P.C. 401(k) Profit Sharing Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note B and C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kleinberg, Kaplan, Wolff & Cohen, P.C. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Kleinberg, Kaplan, Wolff & Cohen, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kleinberg, Kaplan, Wolff & Cohen, P.C. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Kleinberg, Kaplan, Wolff & Cohen, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV line 4i - Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

A. Description of Plan

The following description of the Kleinberg, Kaplan, Wolff & Cohen, P.C. 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General.* The Plan is a defined contribution plan covering all full-time employees of Kleinberg, Kaplan, and Wolff & Cohen, P.C (the "Company"), who are age twenty and six months or older and have completed six months of service. The Plan is subject to the provisions of ERISA. An employee becomes a participant effective as of the first day of the plan year or the first day of the 7th month of the plan year coinciding with or next following the date the eligibility requirements were met. The Trustees are responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustees.
2. *Contributions.* Each year, participants of the Plan may elect to reduce their compensation by a specific percentage or dollar amount up to the annual limitation amount, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company contribution to the non-elective component shall be determined from time to time by the Company. Contribution to the non-elective component shall be allocated among all active participants as defined in the Plan. Participants may rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investments of their contributions into various investment options offered by the Plan.
3. *Participant Accounts.* Each participant's account is credited with the elective contribution and/or with the non-elective contribution, and allocation of Plan earnings, and charged with an allocation of expenses as appropriate. Allocations are based on participant earnings, account balances or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be derived from the participant's vested account.
4. *Vesting.* Participants in the elective deferred component are vested immediately in their contributions plus actual earnings thereon. Vesting in the non-elective contribution portion, plus earnings thereon, is based on six years of credited service. A participant starts vesting after two years of service to the Company and is 100 percent vested after six years of credited service.

5. *Notes Receivables from Participants.* A participant may not borrow more than the participant's vested interest in the Plan. Loans are secured by the balance in the participant's account and shall be charged an interest rate equal to 1% above the prime rate. Principal and interest is generally repaid in full or ratably through payroll deductions.
6. *Payment of Benefits.* On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution.
7. On December 31, 2023 and 2022, forfeited nonvested accounts totaled \$22,453 and \$100,788 respectively. These accounts will be used to reduce future employer contributions. In 2023, employer contributions were reduced by \$22,453 from the forfeited nonvested accounts.
8. Investment Fees for December 31, 2023, and 2022 amount to \$30,517, and \$34,017, respectively.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair market value. Published quoted market prices and/or fair market value calculations are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan. For a security or asset that is not listed on an established exchange, the Trustee or the Administrator (if the Trustee is a directed Trustee) may appraise such assets himself (assuming he has the appropriate expertise) or in his discretion, rely on one or more third party appraisers for that purpose and rely on the values established by such appraiser(s). Participant loans are valued at their outstanding balance, which approximate fair value.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

401(k) Profit Sharing Plan
Notes to Financial Statements

Employer and employee receivables amounted to \$1,301,091 and \$978,728, respectively for contributions to the plan investments.

Note: The Elliott International Limited investment is more than 5% of the Plan's assets. Elliott International Limited is a corporation organized under the laws of the Cayman Islands

D. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their account balances.

E. Tax Status

The Company has adopted a non-standardized pre-approved plan document that received an Internal Revenue Service ("IRS") opinion letter dated November 30, 2020, in which the IRS stated that this non-standardized pre-approved plan was qualified under the appropriate sections of the IRC. An employer adopting this non-standardized pre-approved plan is considered to have a Plan qualified under Section 401(a) of the IRC. Once qualified, the plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan Administrator believes that currently the Plan is qualified. No provision for income taxes has been included in the financial statements since the Plan has no unrelated business income tax.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and NYS taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Risks and Uncertainties

The Plan is invested in various mutual funds and other investments. Investments are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

G. Exempt Party-In-Interest

The Plan's investments, including mutual funds and managed funds, are under the custodianship of Fidelity and Elliott International Limited. The Company sponsors the Plan. Sentinel Benefits Group LLC is the third-party administrator. Sentinel Pension Advisors, Inc., is the Plan investment advisor.
