We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ashland Foundry and Machine Works, LLC Union Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ashland Foundry and Machine Works, LLC Union Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ashland Foundry and Machine Works, LLC Union Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ashland Foundry and Machine Works, LLC Union Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether

they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental Schedule H, line 4i – Schedule of Assets (Held at Year End) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# ASHLAND FOUNDRY AND MACHINE WORKS, LLC UNION RETIREMENT PLAN

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

### 1. DESCRIPTION OF PLAN

The following description of the Ashland Foundry and Machine Works, LLC Union Retirement Plan (the "Plan") is provided for general information purposes only. Users of these financial statements should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established by Ashland Foundry and Machine Works, LLC ("Ashland") for its union employees and the union employees of Weatherly Casting and Machine Co. ("Weatherly", collectively, the "Plan Sponsor") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan uses the recordkeeping and custodial services of Empower Annuity Insurance Company of America ("Empower").

Contributions - Each year, participants may contribute up to 100% of annual compensation (salary reduction contributions), on a pretax or post tax basis, as defined in the plan document, up to the Internal Revenue Code ("IRC") limits which were \$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively. Catch-up contributions, as allowed under Section 414 of the IRC can also be made by participants who reach age 50 during the plan year. The catch-up contribution limit was \$7,500 and \$6,500 for each of 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

Eligible employees are automatically entered into the Plan the first day of the month following 90 days of employment at a deferral rate of 6%. The Plan calls for annual auto-escalation of 1% up to 10%. Upon enrollment in the Plan, a participant may direct employer and employee contributions to any combination of various investment options. Under the collective bargaining agreement, the Plan Sponsor is required to provide a dollar for dollar match up to a specific amount. For the year ended December 31, 2023, the employer match was up to \$1,500 annually for all eligible employees. Matching contributions are made each payroll period.

Participant Accounts - Each participant's account is credited with the participant's salary reduction contributions, rollover contributions, Company contributions and plan earnings or losses (net of administrative expenses). Allocations are based on the participant's eligible compensation or account balance, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ASHLAND FOUNDRY AND MACHINE WORKS, LLC UNION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Forfeited Accounts - As of December 31, 2023 and 2022 the Plan had \$228 and \$224, respectively, included as forfeitures. Forfeited balances can be used to reduce future Plan Sponsor contributions or pay for plan expenses. During the year ended December 31, 2023 no amounts from forfeited accounts were used to reduce employer contributions or pay Plan expenses.

Notes Receivable from Participants – Participants may borrow from their accounts up to a maximum amount equal to 50% of their vested account balance or \$50,000, whichever is less, and are limited to two outstanding loans. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from one to five years or up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime interest rate plus 2 percent. Principal and interest is paid ratably through payroll deductions.

Administrative Expenses – The Plan Sponsor pays all administrative expenses of the Plan except for certain contract administrative and trustee fees. Such charges not paid by the Plan Sponsor and not covered by Plan forfeitures are allocated directly to the accounts of the participants (generally based on account balance) and are classified as administrative expenses in the statement of changes in net assets available for benefits. Administrative expenses paid by the Plan Sponsor are not included in the financial statements of the Plan.

Vesting – Participants are immediately vested in their salary reduction, Plan Sponsor matching contributions and rollover contributions, plus earnings thereon.

Payment of Benefits – Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment, as defined in the plan document. The Plan provides for normal retirement at age 65. In-service distributions are allowed if the participant has reached age 59-1/2. Participants experiencing financial hardship may withdraw a portion of their account balance as defined in the plan document.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

# ASHLAND FOUNDRY AND MACHINE WORKS, LLC UNION RETIREMENT PLAN

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Use of Estimates – The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Benefit Recording – Benefits are recorded when paid.

Investment Valuation and Income Recognition – The Plan's investments are valued at fair value using quoted market prices, with the exception of the Plan's interest in the Fixed Account, which is reported at contract value and does not differ materially from fair value.

Investments in pooled separate accounts are valued on a net asset value per unit basis which approximates their fair value. The pooled separate accounts are credited with earnings on the underlying investments and charged for Plan benefits paid and deductions for investment expenses, risk, profit, and annual management fees. Redemptions may occur on a daily basis. The use of net asset value as fair value is deemed appropriate as the pooled separate accounts do not have a finite life, unfunded commitments relating to investments, or significant restrictions on redemptions.

The Fixed Account is a guaranteed interest account has been determined to be a fully benefit-responsive investment contract. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Net appreciation in fair value of investments includes unrealized and realized gains and losses. Capital gain distributions are recorded as dividend income. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis.

Notes Receivable from Participants – Receivable notes are measured at their unpaid principal balance plus any accrued and unpaid interest. Interest income from notes receivable from participants is recognized when accrued based on individual agreements.

Subsequent Events – The Plan Sponsor has evaluated subsequent events occurring through September 17, 2024, the date that the financial statements were available to be issued. No material subsequent events have occurred through that date that required recognition in the financial statements.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

### 3. PARTIES-IN-INTEREST

Empower is a custodian of the assets invested in the pooled separate accounts and the fixed account and is considered a party in interest. The Plan holds notes receivable from participants. Certain fees paid by the Plan for investment management services may be included in net appreciation in fair value of investment, as they are paid through revenue sharing, rather than a direct payment. These transactions are exempt from being prohibited transactions under ERISA.

### 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### 5. AMOUNTS OWED TO PARTICIPANTS WITHDRAWING FROM THE PLAN

There are no amounts owed to participants who have withdrawn from the Plan as of December 31, 2023 or 2022 that have not been paid and therefore included in net assets available for benefits.

### 6. INVESTMENTS

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

### 7. FAIR VALUE MEASUREMENTS

The Plan follows generally accepted accounting principles associated with fair value measurements and disclosure. Generally accepted accounting principles define fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use

ASHLAND FOUNDRY AND MACHINE WORKS, LLC UNION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

Generally accepted accounting principles related to fair value disclosure also establish a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The three levels of inputs that may be used to measure fair value are as follows:

Level 1 - quoted prices in active markets for identical assets or liabilities;

Level 2 - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or

Level 3 - unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The plan sponsor is responsible for the determination of fair value. Accordingly, they perform periodic analysis on the prices received from the pricing services used to determine whether the prices are reasonable estimates of fair value. As a result of these reviews, the plan sponsor has not historically adjusted the prices obtained from the pricing services.

The table below presents the balances of assets and liabilities measured at fair value on a recurring basis by level within the hierarchy:

| December 31, 2023               |         |         |                     |
|---------------------------------|---------|---------|---------------------|
| Level 1                         | Level 2 | Level 3 | Total               |

| Total investments at fair value |         |         | <u>\$ 5,137,258</u> |
| December 31, 2022               |         |         |                     |
| Level 1                         | Level 2 | Level 3 | Total               |
| Pooled separate accounts (a)    |         |         | \$ 4,652,640        |
| Total investments at fair value |         |         | <u>\$ 4,652,640</u> |

ASHLAND FOUNDRY AND MACHINE WORKS, LLC UNION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period. For the years ended December 31, 2023 and 2022, there were no transfers in or out of Level 1, Level 2 or Level 3.

The Plan's valuation methodology used to measure the fair values of pooled separate accounts is based on net asset value ("NAV"), which is based on the fair value of the underlying assets of the account.

8. FIXED ACCOUNT

The Plan provides a Fixed Account investment in the MassMutual Guaranteed Interest Account. Balances are credited with interest at a rate not less than the declared interest rate for the calendar year and are guaranteed to not be less than 1.00%. The declared interest rate as of December 31, 2023 and 2022 was 2.80% for each year.

Participant accounts invested in the Fixed Account are paid out at contract value for participant-initiated transactions such as transfers to other investment options, loans, and other distributions. The Fixed Account account balances are maintained in Empower's general investment account and there are no reserves against the contract value of this account for credit risk of Empower.

As described in Note 2, because the guaranteed interest account is fully benefit-responsive, contract value is the relevant measurement for that portion of the net assets available for benefits attributable to the guaranteed interest account. Contract value as reported by Empower represents participant contributions made under the contract, plus credited interest earnings, less participant withdrawals and administrative expenses.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs

of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

### 9. INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

The following table presents the fair value of investments held at December 31, 2023 and 2022 and the investment activity for the year ended December 31, 2023.

|                                                       | 2023                               | 2022         |

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

### 10. TAX STATUS

The Plan operates under a determination letter dated November 14, 2022, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable

ASHLAND FOUNDRY AND MACHINE WORKS, LLC UNION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or DOL. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.
