INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
RHD Plumbing, Inc. Safe Harbor 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of RHD Plumbing, Inc. Safe Harbor 401(k) Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's elections of ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

ERISA-Required Supplementary Information

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RHD Plumbing, Inc. Safe Harbor 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of accounting - RHD Plumbing, Inc. Safe Harbor 401(k) Plan ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

Accounting estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Subsequent events - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2023 through September 5, 2024, which is the date the financial statements were available to be issued.

Risks and uncertainties - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Key parties of the plan - RHD Plumbing, Inc. is the plan sponsor, employer and plan administrator. The plan entered into an agreement with The Vanguard Group, Inc. ("Vanguard") whereby Vanguard provides retirement plan recordkeeping services to the plan. Vanguard outsources all such services to Ascensus Trust Company and Ascensus LLC, acting as the agent for Ascensus Trust Company. The two Ascensus entities are collectively referred to as "Ascensus". Ascensus is the directed trustee that holds custody of plan assets, the third party administrator that maintains plan documents, tax counsel that performs various compliance tests and recordkeeper that maintains investment and participant records. 401k Investment Professionals, LLC is the plan's investment advisor. Two officers of the plan sponsor act as limited plan trustees.

Investments - The plan sponsor determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among the available investment options. Earnings, including net appreciation (depreciation) in fair value of investments bought, sold and held during the years, are reflected in the statements of changes in net assets available for benefits. Participants should refer to the investment account summaries and prospectuses for more information.

Fair value measurements - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the valuation methodologies used for investments measured at fair value.

Common/collective trust - The plan invests in the Reliance Trust Company Stable Value Fund Collective Investment Trust, which invests entirely in a MetLife group annuity contract. The primary objective of the fund is to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments. The fund is a direct filing entity valued at net asset value ("NAV") based on the underlying unit value as reported by the fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

Notes to Financial Statements

December 31, 2023 and 2022

Mutual funds - The plan invests in mutual funds that are valued at daily quoted market prices as reported by the funds. The mutual funds held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily NAV and are deemed to be actively traded.

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value as set forth below.

Investments at fair value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$4,662,970	\$ -	\$ -	\$4,662,970
Investments in the fair value hierarchy	\$4,662,970	\$ -	\$ -	4,662,970
Investments measured at NAV (a)				20,141
Total investments at fair value				\$4,683,111

Investments at fair value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$3,337,231	\$ -	\$ -	\$3,337,231
Investments in the fair value hierarchy	\$3,337,231	\$ -	\$ -	3,337,231
Investments measured at NAV (a)				13,545
Total investments at fair value				\$3,350,776

- (a) In accordance with GAAP, investments measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using NAV as a practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the plan.

December 31, 2023	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trust	\$20,141	n/a	Daily	12 months
December 31, 2022	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trust	\$13,545	n/a	Daily	12 months

Notes to Financial Statements

December 31, 2023 and 2022

2. DESCRIPTION OF PLAN

The following brief description of the plan is provided for general information purposes only. Participants should refer to the plan documents for a more complete description of the plan's provisions.

General - The plan was adopted effective December 1, 2006 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Eligibility - Employees are eligible to contribute to the plan and receive employer matching contributions once they have completed one year of service and have reached age twenty-one. Employees are allowed to enter the plan immediately once the eligibility requirements are met.

Contributions - Contributions are recorded in the year in which the eligible compensation is paid. Contributions to the plan can be made in the following ways:

- a. Participants may contribute a percentage of their compensation subject to certain limitations (elective deferral contributions). The plan also permits Roth elective deferral contributions.
- b. Rollover contributions are accepted by the plan from other qualified plans.
- c. Employer safe harbor matching contributions are made equal to 100% of the first 3% of compensation that a participant contributes to the plan and 50% of the next 2% of compensation that a participant contributes to the plan, funded weekly to coincide with the employer's payroll.
- d. Additional employer matching or non-elective contributions may be made at the employer's discretion. No such employer contributions have been made to the plan since inception.

Participant accounts - Earnings, including the fair value appreciation (depreciation), are allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account is credited with the participant's elective deferral and rollover contributions and an allocation of the employer's contributions. Participants are allowed to change their investment options on a daily basis and change their deferral percentage each pay period.

Vesting - Participant account balances are 100% vested as of December 31, 2023 due to no additional employer matching or non-elective contributions since plan inception.

Payment of benefits - Benefits are recorded when paid. Benefit payments may commence upon termination of employment, retirement, death or disability. Distributions are generally made in the form of a single lump sum or partial payments. In addition, hardship withdrawals are permitted under certain circumstances. In-service withdrawals can commence upon attaining the age of 59½.

Administrative expenses - Certain administrative expenses of the plan are paid by the employer. Certain other administrative expenses are paid directly from plan assets and recorded as administrative expenses in the accompanying financial statements. Such expenses include participant directed charges for distribution fees and non-participant directed charges for investment advisory and contract administrator fees. Non-participant directed charges are allocated to the participants on an account value basis.

Notes receivable from participants - Participants can take out loans against their accounts with approval of the plan administrator. The minimum loan amount is \$1,000 and the maximum amount is the lesser of one-half of the participant's vested account balance, or \$50,000. Participants may have only one loan outstanding at any given time. As of December 31, 2023, the notes receivable from participants have various repayment schedules through July 2028 with interest from 4.25% to 9.25%. The notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest, which approximates fair value.

Notes to Financial Statements

December 31, 2023 and 2022

3. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the employer has the right to terminate the plan subject to the provisions of ERISA.

4. INCOME TAX STATUS

The plan is operating under an Ascensus non-standardized pre-approved profit sharing plan that received a favorable opinion letter on June 30, 2020. The opinion letter from the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letters for the plan, however, the plan administrator and tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken by the plan that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2023 and 2022. The plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits in progress.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain of the plan's investment options are managed by Vanguard. Vanguard is considered a party-in-interest and, as such, any transactions involving the Vanguard managed funds are considered party-in-interest transactions. Vanguard also receives revenue from other mutual fund service providers for services Vanguard provides to the funds. This indirect compensation is used to offset certain amounts that would otherwise be owed by the plan to Vanguard for its administrative services to the plan. Direct fees paid by the plan to Vanguard were \$12,000 in 2023 and \$13,000 in 2022.

Transactions involving notes receivable from participants also qualify as party-in-interest transactions.

All of the above party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6. INFORMATION CERTIFIED BY THE TRUSTEE

Management has obtained certifications from Ascensus, a qualified institution under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to assets held for investment of the plan is complete and accurate.

- a. Investments held for the plan and the fair values of such as of December 31, 2023 and 2022;
- b. Dividends from investments and net appreciation (depreciation) in fair values of investments during 2023 and 2022;
- c. Contributions to, withdrawals from, purchases, sales and inter-fund transfers between accounts during 2023 and 2022; and
- d. The report of individual participant accounts as of and for the years ended December 31, 2023 and 2022.

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
