INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
The Caldwell Foundation 401(k) Plan

Opinion

We have audited the accompanying financial statements of The Caldwell Foundation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Caldwell Foundation 401(k) Plan as of December 31, 2023 and 2022, and the changes in net assets available for benefits for the year then ended December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Caldwell Foundation 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Caldwell Foundation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Caldwell Foundation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Caldwell Foundation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**THE CALDWELL FOUNDATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 - DESCRIPTION OF PLAN

The following description of The Caldwell Foundation 401(k) Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan, established January 1, 2015 to provide retirement income for the employees of The Caldwell Foundation (Organization). Interns are ineligible to participate in the Plan. Additionally, effective January 1, 2018, part-time, temporary, and seasonal employees are not eligible to participate in the Plan until the date of completion of one year of service, as defined by the Plan as being 12 consecutive months during which at least 1,000 hours of service are completed. All other full-time employees are permitted, beginning on their respective date of employment, to make tax-deferred contributions and after-tax ("Roth") contributions under Section 401(k) of the Internal Revenue Code ("IRC").

The Plan was amended and restated, effective March 1, 2022, to allow participants to elect to have all or a portion of their elective deferrals be treated as Roth deferrals when contributed to the Plan. Furthermore, the Plan now accepts Roth account rollovers into the Plan if from another permitted Roth retirement plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as an ERISA 404(c) plan, which relieves plan fiduciaries of liability for any investment losses that result from investment directions made by plan participants. The Organization's Board of Trustees is responsible for oversight of the Plan. They determine the appropriateness of the Plan's investment offerings and monitor investment performance.

CONTRIBUTIONS

Participants may elect to contribute on a pre-tax or Roth basis from 1% to 75% of compensation, as defined by the Plan, subject to annual deferral limitations specified in the Internal Revenue Code (which was \$22,500 for 2023). Participants may also make eligible rollover contributions. Additionally, participants that are age 50 or over before the end of the Plan year are eligible for catch-up contributions of an additional \$7,500 for 2023.

Compensation is defined as total W-2 earnings, including overtime, bonuses, commissions, section 125 cafeteria plan contributions, and amounts paid in lieu of sick or vacation time. By law, the Plan cannot recognize pay in excess of \$330,000 (for 2023) for all purposes other than for purposes of Employee Pre-Tax Contributions. This dollar limit will be adjusted in future years for cost of living increases.

Each year, the Organization will make a contribution to the Plan in the amount of 3% of compensation for the year (as described above). With respect to employer contributions, the 401(k) Plan satisfies certain "safe harbor" rules, which eliminates the need for most types of nondiscrimination testing. Under the safe harbor approach, contributions to the 401(k) Plan are deemed to satisfy the ADP test applicable to salary deferrals and the ACP test applicable to any employer matching contributions because the 401(k) Plan complies with the following requirements:

- The employer contribution satisfies a prescribed formula imposed by federal law.
- Employer contributions are fully vested and subject to hardship withdrawal restrictions.
- Participants receive an annual notice of their rights and obligations under the Plan. Should the employer discontinue the safe harbor approach, the notice will inform participants of this change. When the 401(k) Plan no longer complies with the safe harbor rule, the Plan must perform and satisfy the applicable nondiscrimination tests.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee contributions as well as employer contributions to investment options provided by the Plan. Participants may modify investment elections or transfer existing account balances on a daily basis, subject to certain limitations specific to funds offered. The Plan offers a variety of investment choices that include a stable value option, a fixed income option, a balanced option, and a selection of equity options. If a participant does not make an investment fund election, all contributions are allocated according to the Moderately Conservative Model Portfolio which is the Qualified Default Investment Alternative as defined by the Pension Protection Act of 2006.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of (1) the Organization's non-elective contribution and (2) Plan earnings and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately fully vested in their voluntary contributions, rollover contributions, employer contributions, and actual earnings thereon.

PAYMENT OF BENEFITS

Participants may elect lump sum or partial distributions upon termination of service due to death, disability, or retirement or upon attainment of age 59 1/2, subject to Internal Revenue Service (IRS) provisions. Terminated employees with participant vested balances of \$5,000 or less are required to take a lump sum distribution. Hardship withdrawals are allowed at any time under the Plan from participant salary deferrals for qualified expenses, subject to satisfaction of certain conditions and approval by the Plan administrator.

PLAN ADMINISTRATION

Certain administrative duties are performed by Milliman, Inc., Plan administrator.

FORFEITED ACCOUNTS

Under the provisions of the Plan, participants are immediately vested in all contributions and earnings on their account. Accordingly, there were no forfeitures as of or during the years ended December 31, 2023 and 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Caldwell Foundation 401(k) Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

INVESTMENT VALUATION AND INCOME RECOGNITION – CONTINUED

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

EXPENSES

Administrative expenses to maintain the Plan are paid directly by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Shareholder servicing fee reimbursements, if any, are allocated to participants on a pro rata basis according to their participation in those funds. Certain expenses are incurred at the participant level and are charged against the respective participant's accounts.

PLAN MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

Plan Management has evaluated subsequent events through September 9, 2024, the date on which the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission (SEC). These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust: The collective trust is composed of investment contracts that are valued at the net asset value (NAV) of the units of the collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Certain investments that are measured at fair value using the NAV per share practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this footnote are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits:

Assets at Fair Value as of December 31, 2023				
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Total			
Mutual funds	\$ 3,092,488	\$ 3,092,488	\$ -	\$ -
Investments measured at NAV:				
Collective investment trust	581,977			
Total	<u>\$ 3,674,465</u>	<u>\$ 3,092,488</u>	<u>\$ -</u>	<u>\$ -</u>
Assets at Fair Value as of December 31, 2022				
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Total			
Mutual funds	\$ 2,837,464	\$ 2,837,464	\$ -	\$ -
Investments measured at NAV:				
Collective investment trust	584,123			
Total	<u>\$ 3,421,587</u>	<u>\$ 2,837,464</u>	<u>\$ -</u>	<u>\$ -</u>

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective investment trust	\$581,977	N/A	Daily	None
December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective investment trust	\$584,123	N/A	Daily	None

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under U.S. Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan's investments are held by Charles Schwab Bank, trustee. As of December 31, 2023 and 2022, there were no investments issued or managed by the trustee.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6 - TAX STATUS

Effective January 1, 2015, the Plan adopted a prototype volume submitter defined contribution plan with the Internal Revenue Code Section 401(k) Cash or Deferred Arrangement (CODA) which received a favorable opinion letter from the IRS dated November 17, 2020. The Plan has been amended since receiving the determination letter. Plan management and tax counsel believe the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of December 31, 2023.

Accounting principles generally accepted in the United States of America require the Plan administrator and Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan has concluded that there are no uncertain tax positions as of December 31, 2023 and 2022. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan's federal returns for the past three years are subject to examination by tax authorities and may change upon examination.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
