INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Ascend Learning LLC 401(k) Plan
Leawood, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Ascend Learning LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ascend Learning LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ascend Learning LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ascend Learning LLC 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ascend Learning LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ascend Learning LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2023 and delinquent participant contributions for the year the ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Ascend Learning LLC 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of the Ascend Learning LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which is available from the Plan Administrator.

General

The Plan is a defined contribution plan covering all eligible employees of Ascend Learning LLC (the "Company") and its direct and indirect subsidiaries who are age 18 or older. The Plan is a salary reduction plan subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Each year, participants may contribute a percentage of their annual compensation, as defined by the Plan, subject to certain limitations under the Internal Revenue Code ("IRC"). The Plan automatically enrolls eligible participants at a contribution rate of 3% of eligible compensation, unless the eligible participant elects otherwise. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution Plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions not to exceed certain dollar limits established by the IRC. Participants direct the investment of their contributions into various investment options offered by the Plan, and participants may modify their salary deferral elections at the beginning of each payroll period.

The Company may make matching contributions, if any, to be determined annually based on a percentage of employee contributions. The Company matches 50% of employee's first 8% of contributions in each pay period up to a maximum of 4% of their eligible compensation. The Company may make annual discretionary profit-sharing contributions in an amount determined by the board of directors at the end of the Plan year. To be eligible, a participant must complete at least one year of service. There were no profit sharing contributions made by the Company in 2023 or 2022.

Participant accounts

Upon enrollment in the Plan, participants may direct employee contributions, employer matching contributions, and annual discretionary contributions in any of the available investment options. The Plan currently offers various mutual funds investments as investment options for participants. Each participant's account is credited with the participant's contributions, the Company's matching and profit-sharing contributions, and an allocation of Plan earnings and is charged with an allocation of administrative fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Ascend Learning LLC 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. A participant is incrementally vested in the Company's matching and discretionary contributions over three years of credited service. Participants are fully vested at their normal retirement date, disability, or death, regardless of the number of years of participation.

Notes receivable from participants

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the remaining balance in the participant's account and bear interest at rates that range from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

Participant distributions

The full value of the participant's vested account is payable upon termination, death or disability. If the participant's account balance does not exceed \$5,000, a lump-sum distribution, net of tax, is made. If the participant's balance exceeds \$5,000, the participant may elect to defer the distribution to a future date or (a) receive a lump-sum distribution equal to their vested account balance, (b) nonperiodic payments or installment payments, (c) have all of his or her distributions paid in the form of a direct trustee to trustee transfer to another eligible retirement plan designated by the participant. Participants who have attained age 59 ½ and continue to work may elect early withdrawal.

Fully vested participants may also withdraw certain basic contributions thereon only in the event of a financial hardship as defined by the Plan and the IRC.

Forfeitures

Forfeitures of non-vested balances may be used to reduce employer matching contributions and plan expenses. At December 31, 2023 and 2022, remaining forfeitures to be used in future periods were \$5,016 and \$62, respectively. Additions to forfeitures were \$187,694 and \$192,310 for the years ended December 31, 2023 and 2022, respectively. During 2023 and 2022, forfeiture amounts of \$182,740 and \$192,251, respectively, were utilized to reduce employer matching contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates in financial statement presentation

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Ascend Learning LLC 401(k) Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, and trustee. See Note 4 for discussion of fair value measurements. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Administrative expenses are paid by the Plan. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions in accordance with the provisions of the Plan. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Subsequent events

The Plan has evaluated subsequent events through September 13, 2024, the date the financial statements were available to be issued.

3. CERTIFICATION OF INVESTMENT INFORMATION

The Plan's Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company (the "Trustee"), has certified to the completeness and accuracy of the investment and notes receivable from participant information and the related investment earnings, interest and dividends presented in the accompanying statements of net assets available for benefits and the statements of changes in net assets available for benefits as of and for the years ended December 31, 2023 and 2022, and the December 31, 2023, Schedule of Assets (Held at End of Year).

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

4. FAIR VALUE MEASUREMENTS

The fair value framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology included:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

4. FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$153,292,157</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$153,292,157</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$117,057,545</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$117,057,545</u>

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

6. INCOME TAX

The Plan's document is a non-standardized prototype agreement that received a favorable tax opinion letter from the Internal Revenue Service dated June 30, 2020. The Plan has not been amended since receiving the tax opinion letter; thus, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the related trust was tax exempt as of December 31, 2023 and 2022.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRC. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for contract administration services amounted to \$76,911 and \$148,502 for the years ended December 31, 2023 and 2022, respectively.

9. DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company remitted participant contributions totaling \$1,031 late during 2023. These delinquent contributions and related lost earnings were corrected by the Company during 2024.
