INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the Jacobs Entertainment Inc.'s 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Jacobs Entertainment Inc.'s 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JACOBS ENTERTAINMENT, INC.'S 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022, AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. DESCRIPTION OF THE PLAN

The following is a brief description of Jacobs Entertainment, Inc.'s 401(k) Plan (the "Plan"), which is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General—The Plan is a defined contribution plan covering eligible employees of Jacobs Entertainment, Inc. (the "Company") and certain related employees who are members of the controlled group of the Company. Eligible employees include all employees of the Company and such related employees who have completed three months of service and have reached the age of 21. The 401(k) Plan Committee of the Company monitors and oversees the operation and administration of the Plan. Fidelity Management Trust Company (the "Trustee" or "Fidelity") serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions—Each year, participants may contribute not less than 1% and up to 90% of their pretax annual compensation, as defined in the plan document. Additionally, participants have the option to make Roth elective salary reduction contributions to the Plan. The Plan provides that participants who have attained age 50 by the end of the calendar year and who are making deferred contributions to the Plan may also make a catch-up contribution of up to \$7,500 (in 2023). After three months of service, the Company contributes an amount equal to 50% of each participant's elected contribution, not exceeding 5% of the participant's eligible compensation. For purposes of determining matching contributions under the Plan, contributions will include age 50 and over catch-up contributions. In addition to matching contributions, discretionary contributions may be awarded at the option of the Company's Board of Directors. During the year ended December 31, 2023, there were no discretionary contributions. Participants may also contribute eligible rollover distributions from other qualified plans. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

Participant Accounts—Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, allocations of the Company's discretionary contributions, and Plan earnings and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments—Participants direct the investment of their contributions and all Company matching contributions into various investment options offered by the Plan, including mutual funds and stable value funds, which are common collective trust funds, and may change investments and transfer amounts between funds daily. During 2022, the Plan added a new stable value fund, Goldman Sachs Stable Value Collective Trust Institutional Series Class 1. During 2023, the Fidelity Advisor Stable Value Portfolio Fund Class II was liquidated.

Vesting—Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service in accordance with the following schedule:

Years of Continuous Service	Percentage
Less than 1	- %
1	10
2	20
3	40
4	60
5	80
6	100

Notes Receivable from Participants—Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 reduced by the highest outstanding loan balance during the prior twelve month period or 50% of their vested account balance. Borrowings are subject to approval by the Plan’s Trustee, and participants may have only one loan outstanding at any time. The loans are secured by the balance in the participant’s vested account and bear interest at 1% over the prime rate at the time the loan is issued. Principal and interest are paid ratably through regular payroll deductions over the life of the loan. As of December 31, 2023, notes receivable from participants mature through 2029 at interest rates ranging from 4.25% to 9.50%.

Forfeited Accounts—When certain terminations of participation in the Plan occur, the nonvested portion of the participant’s account as defined by the Plan, represents a forfeiture. The plan document permits the use of forfeitures to either reduce future employer contributions or plan administrative expenses for the plan year. However, if a participant is reemployed and fulfills certain requirements, as defined in the plan document, the account will be reinstated. As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$70,910 and \$40,828, respectively. These accounts will be used to reduce future employer matching contributions or Plan administrative expenses. For the year ended December 31, 2023, employer contributions were reduced by \$51,835 from forfeited nonvested accounts.

Payment of Benefits—Upon termination of service with the Company due to death, disability, or retirement, a participant will become fully vested and entitled to a lump-sum amount equal to the value of the participant’s vested interest or any portion in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Participants are also eligible to make hardship withdrawals from their deferred contributions in the event of certain financial hardships.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risk and Uncertainties—The Plan provides various investment options to its participants, including mutual funds and stable value funds, which are common collective trust funds. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the value of the participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition—The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants—Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the plan document.

Contributions—Participant contributions and Company matching contributions are recorded when withheld or when earned, respectively.

Administrative Expenses—Administrative expenses of the Plan are paid by the Company or the Plan as provided in the plan document. Participants pay administrative costs for loans, distributions and qualified domestic relation orders.

All investment management and transaction fees directly related to the Plan investments are paid by the Plan. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Administrative revenues arise when investment managers return a portion of the investment fees to Fidelity. Participant accounts are credited for the administrative revenue allowance that each of the funds generates.

Payment of Benefits—Benefit payments to participants are recorded upon distribution. There were no participants who have elected to withdraw from the Plan, but have not yet been paid, as of December 31, 2023 and 2022.

Excess Contributions Payable—The Plan is required to return contributions received during the Plan year in excess of the IRC limits.

Subsequent Events—Subsequent events were evaluated through September 20, 2024, the date the financial statements were available to be issued. No events occurred that require additional disclosure or adjustments to the Plan's financial statements.

3. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Investments are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques—Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual Funds—Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Funds—Common collective trusts that are comprised primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds would sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months’ notification in order to confirm that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level within the fair value hierarchy a summary of the Plan’s investments measured at fair value on a recurring basis as of December 31, 2023 and 2022. In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the investment amounts presented in the statements of net assets available for benefits.

Fair Value Measurements as of December 31, 2023, Using				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 31,617,016	\$ -	\$ -	\$ 31,617,016
Stable value fund measured at net asset value				1,292,543
Total				\$ 32,909,559

Fair Value Measurements as of December 31, 2022, Using				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 27,887,665	\$ -	\$ -	\$ 27,887,665
Stable value funds measured at net asset value				2,058,880
Total				\$ 29,946,545

Transfers between Levels — The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The significance of transfers between levels is evaluated based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended, December 31, 2023 and 2022, there were no transfers between levels.

4. NET ASSET VALUE PER SHARE

The following tables set forth a summary of the Plan's investments whose values were estimated using a reported NAV at December 31, 2023 and 2022.

There are no participant restrictions for these investments; the redemption notice period is applicable only to the Plan.

Fair Value Estimated Using Net Asset Value per Share December 31, 2023					
Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Goldman Sachs Stable Value Collective Trust Institutional Series Class I	\$ 1,292,543	\$ -	Daily	None	None

Fair Value Estimated Using Net Asset Value per Share December 31, 2022					
Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Fidelity Advisor Stable Value Portfolio Fund Class II	\$ 2,024,469	\$ -	Daily	None	None
Goldman Sachs Stable Value Collective Trust Institutional Series Class I	<u>34,411</u>	<u>-</u>	Daily	None	None
Total	<u>\$ 2,058,880</u>	<u>\$ -</u>			

5. CERTIFIED INVESTMENT INFORMATION

The following is a summary of the information regarding the Plan as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information prepared by Fidelity, the trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

	2023	2022
Statements of net assets available for benefits:		
Participant-directed investments—at fair value	\$ 32,909,559	\$ 29,946,545
Notes receivable from participants	827,025	795,297
Statement of changes in net assets available for benefits:		
Investment income:		
Net appreciation in fair value of investments	3,621,150	
Interest and dividends	954,522	
Interest income on notes receivable from participants	48,286	

Supplemental schedule: All investment balances and information included in the supplemental schedule of assets (held at end of year).

Notes 3 and 4: All investment balances and investment information, excluding the level of investments in Note 3, Fair Value Measurements, and the unfunded commitment, redemption frequency, other redemption restrictions, and redemption notice period in Note 4, Net Asset Value Per Share.

6. RELATED PARTY TRANSACTIONS AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and a common collective trust fund managed by Fidelity. Jacobs Entertainment, Inc. is the Plan sponsor and Fidelity is the trustee and recordkeeper, as defined by the Plan, and therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid for investment management services were included as a reduction of the return on each fund. The Plan also issues loans to participants, which are secured by the vested balances in the participant's accounts.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

8. FEDERAL INCOME TAX STATUS

The Plan uses a non-standardized pre-approved plan document sponsored by Fidelity Management & Research Company LLC (“FMR”). FMR received an advisory letter from the Internal Revenue Service (IRS), dated June 30, 2020, which stated that the non-standardized pre-approved document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. The non-standardized pre-approved plan document has been amended since receiving the opinion letter. However, the Plan’s management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The Plan Sponsor believes the Plan has maintained its tax-exempt status. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

9. VOLUNTARY COMPLIANCE RESOLUTION

During 2021, the Company determined that certain entities were inadvertently excluded as participating employers in the plan document, although those employees were participating in the Plan. Plan management took corrective action under the Voluntary Compliance Program (VCP) with the IRS and retroactively amended the plan document. On January 10, 2023, the Plan received approval from the IRS for the VCP filing and the tax-exempt status of the Plan remains appropriate.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2023 and 2022:

	2023	2022
