Management, having determined it is permissible in the circumstances, has elected to have the audits of Legal Services of the Hudson Valley 403(B) Thrift Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Legal Services of the Hudson Valley 403(B) Thrift Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Legal Services of the Hudson Valley 403(B) Thrift Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform the audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an audit opinion on the effectiveness of the Legal Services of the Hudson Valley 403(B) Thrift Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of the significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Legal Services of the Hudson Valley 403(B) Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter- Supplemental Schedules Requires by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Notes to the Financial Statements
December 31, 2023 and 2022**

Note 1 Description of Plan

The following description of the Legal Services of the Hudson Valley 403(B) Thrift Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Legal Services of the Hudson Valley (the “Organization”). Employees are immediately eligible to make 403(B) contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, participants may contribute up to the Internal Revenue Service dollar limits as defined in the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers forty-seven mutual funds and a money market as investment options for participants. The contributions are subject to certain limitations. The Organization contributes 6% of eligible compensation bi-monthly for employees with one year of eligible service.

Participant’s Individual Accounts

Each participant’s account is credited with the participant’s contribution, Organization’s contribution and Plan earnings, and charged with an allocation of administrative and investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contribution plus actual earnings thereon. Vesting in the Organization’s contribution portion of their account is based on years of service. A participant is 100% vested after five years of credited service or reaching the age of fifty-five.

Forfeited Accounts

Unallocated forfeitures at December 31, 2023 and 2022 were \$0, respectively.

If a participant receives a distribution and the participant resumes employment and coverage under the Plan within five years, the previously forfeited portion of the participant’s account shall be restored to the account on the date of distribution.

Note 1 Description of Plan (Continued)

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, or longer for the purchase of a primary residence. The loans bear interest at commercial bank rates, determined at the time of the loan. Loans currently outstanding bear interest at rates ranging from 4.60% to 5.85%. Principal and interest is paid ratably through bi-monthly payroll deductions.

Loan proceeds are not provided from Plan funds and as a result are not reflected in the financial statements. These proceeds are provided by the Plan Custodian, and are collateralized by the participant's account balance. The total loans outstanding amounted to \$259,713 and \$296,667 as of December 31, 2023 and 2022, respectively.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a uniform monthly annuity or a lump-sum amount equal to the value of the participant's vested interest in their account. For termination of service due to other reasons, a participant will receive the value of their vested interest as a lump-sum distribution.

Funding Policy

The Organization remits employee deferrals and organization contributions to the Plan bi-monthly.

Note 2 Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America except for benefit payments which are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reporting amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**LEGAL SERVICES OF THE HUDSON VALLEY
403(B) THRIFT PLAN**

**Notes to the Financial Statements
December 31, 2023 and 2022**

Note 2 Summary of Significant Accounting Policies (Continued)

Contributions

Participant contributions are recorded when the Organization makes payroll deductions from eligible Plan participants. Employer contributions are accrued in the period in which they become obligations of the Organization.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Professional fees and other administrative expenses are paid by the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 3 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Observable inputs based upon quoted market prices for identical assets or liabilities within active markets.
---------	--

**LEGAL SERVICES OF THE HUDSON VALLEY
403(B) THRIFT PLAN**

**Notes to the Financial Statements
December 31, 2023 and 2022**

Note 3 Fair Value Measurements (Continued)

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. These methodologies were consistently applied to all assets and liabilities carried by the Plan as of December 31, 2023#AFVALUE and 2022.

General Fund Account: Investments in the General Fund Account are liquid and credited with a current interest rate. This investment is comparable to a cash equivalent.

Pooled Separate Accounts: Valued at the Net Asset Value ("NAV") of units held by the Plan at year end. The NAV is determined by dividing the net assets, at fair value, of the fund by the number of units outstanding on the day of valuation. Pooled separate accounts are comprised, primarily, of shares of registered investment companies held through sub-accounts of a separate account of an insurance company. The Plan Administrator has concluded that the NAV reported by the insurance company, approximates fair value of the investments. The investments are redeemable daily at the adjusted NAV under agreements with the insurance company. Due to the nature of the investments, changes in the market conditions, liquidity requirements and the economic environment may significantly affect the NAV of the registered investment companies and, consequently, the fair value of the Plan's investments.

**LEGAL SERVICES OF THE HUDSON VALLEY
403(B) THRIFT PLAN**

**Notes to the Financial Statements
December 31, 2023 and 2022**

Note 3 Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	<u>Fair Value Measurements Using Quoted Prices in Active Markets</u>	
December 31, 2023	Level 1	Total
Investments, in the fair value hierarchy:		
General Fund Account	<u>\$ 1,020,685</u>	\$ 1,020,685
Investments measured at net asset value		<u>14,357,266</u>
Total Assets at Fair Value		<u>\$ 15,377,951</u>

	<u>Fair Value Measurements Using Quoted Prices in Active Markets</u>	
December 31, 2022	Level 1	Total
Investments, in the fair value hierarchy:		
General Fund Account	<u>\$ 1,034,318</u>	\$ 1,034,318
Investments measured at net asset value		<u>10,688,048</u>
Total Assets at Fair Value		<u>\$ 11,722,366</u>

Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Notes to the Financial Statements
December 31, 2023 and 2022

Note 4 Information Prepared and Certified by Trustee

The following information, included in the accompanying financial statements and supplemental schedule, was obtained from data that has been prepared and certified to as complete and accurate by Mutual of America Life Insurance Company ("MOA"), trustee of the Plan, as of and for the years ending December 31:

	2023	2022
Investments, at Fair Value:		
General Fund Account	\$ 1,020,685	\$ 1,034,318
Pooled Separate Accounts	<u>14,357,266</u>	<u>10,688,048</u>
Investments	<u>\$ 15,377,951</u>	<u>\$ 11,722,366</u>
Investment Income	<u>\$ 2,319,700</u>	

Note 5 Related-Party and Party-in-Interest Transactions

Certain Plan investments are shares of pooled separate accounts managed by MOA. In addition, MOA provides record keeping services to the Plan. MOA is the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. These transactions, are not, however, considered prohibited transactions under 29 CFR 408 408(b) of the ERISA regulations.

Note 6 Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their accounts.

Note 7 Tax Status

The Plan Sponsor has adopted a prototype plan, in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). The Plan Administrator timely adopted the restated prototype plan. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in accordance with IRC requirements.

403(B) THRIFT PLAN

Notes to the Financial Statements
December 31, 2023 and 2022

Note 7 Tax Status (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would be sustained upon examination by federal, state and/or local taxing authorities. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 9 Subsequent Events

Management has evaluated subsequent events through September 4, 2024, the date that the financial statements are available for issuance, for disclosure and/or recognition in the financial statements.
