INDEPENDENT AUDITOR'S REPORT

To Plan Management & Participants of
RLS Managed Services, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of **RLS Managed Services, LLC 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of **December 31, 2023 and 2022**, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of RLS Managed Services, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information, as described in *Note 5* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of RLS Managed Services, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RLS Managed Services, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RLS Managed Services, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RLS Managed Services, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of *Schedule H, Line 4i: Schedule of Assets (Held at End of Year)* for the Plan year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RLS MANAGED SERVICES, LLC 401(k) PLAN

Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN

The following description of **RLS Managed Services, LLC 401(k) Plan** (the Plan) provides only general information. Participants should refer to the Plan agreement for more complete description of the Plan provisions.

General

The Plan is a defined contribution plan covering all full-time employees of RLS Logistics & Affiliated Companies who have completed at least two months of service and are age eighteen or older. Newly eligible participants may enter the Plan on the first day of the month or the first day of the subsequent month after eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments & Transfer

Effective January 14, 2022, in addition to the name change of the Plan from RLS 401(k) Plan to RLS Managed Services, LLC 401(k) Plan, the Plan was amended and restated, and a new custodian, contract administrator and recordkeeper were appointed. During conversion from the previous custodian, contract administrator and recordkeeper of Great-West Life & Annuity Insurance Company (GWLA) d/b/a Empower Retirement, LLC (Empower) to John Hancock Life Insurance Company (JHLIC) there was a blackout period beginning January 14, 2022 through January 29, 2022. During this period each participant's existing account balance was transferred to one or more investment options as described within the Plan sponsor's notice to the Plan's participants. Consequently, funds could not be applied to the employee-selected funds with the custodian or withdrawn from the Plan until the custodian could accurately complete the conversion. During this period, employee contributions continued to be made through payroll deductions, and the contributions were deposited and held in the Plan's income fund until the completion of the blackout period. At the end of the blackout period, such funds were transferred to participant directed fund elections managed by the new custodian or if the participant did not make any new elections, the Plan sponsor and investment advisor completed a mapping of the previous investment options to the new investment options provided by JHLIC.

Additionally, effective May 1, 2022, the Plan was amended and restated in order to comply with the Internal Revenue Service (IRS) legislative remedial amendment cycle. A legislative restatement is required on pre-approved plan documents every six years in order to maintain tax qualified status of the plan. Several discretionary changes were made in conjunction to the restatement, including but not limited to eligible employees, entry requirements and entry date and compensation, among others. The amended and restated Plan documents are sent to the IRS to review and approve, which provides assurances that the approved language meets the requirements of the Internal Revenue Code (IRC). Participants of the Plan now have the option to contribute to the plan in the form of pre-tax deferrals and Roth deferrals.

Contributions

Each year, active and eligible participants may elect to contribute a portion of eligible compensation to be withheld from each payroll as a pre-tax deferral or as a Roth deferral. Participants may contribute the lesser of 100% of eligible compensation or the maximum amount allowed by law, which was \$22,500 and \$20,500 (i.e., Code 402(g) and 415) for Plan years 2023 and 2022, respectively, as defined by the IRS. The amount of eligible compensation that a participant decides to defer into the Plan as a pre-tax deferral will be contributed on a pre-tax basis, meaning that the Plan contributions will not be taxed until they are withdrawn from the Plan. Roth deferrals are contributed to the Plan from amounts that have already been treated as taxable income.

Participants who have attained age 50 prior to the end of the Plan year are eligible to make catch-up contributions. The catch-up contribution limit for Plan years 2023 and 2022 was \$7,500 and \$6,500, respectively, as defined by the IRS. These catch-up contributions are eligible for matching contributions from the employer. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

RLS MANAGED SERVICES, LLC 401(k) PLAN

Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers approximately sixty different funds as investment options for participants and does not include an automatic enrollment or deferral provision. Once an eligible participant elects to enroll in the Plan, they are immediately 100% vested in their contributions plus actual earnings thereon. The Plan allows the employer to match up to 50% of each participant's contribution, subject to the maximum amount of 4% of eligible compensation.

Vesting in the Plan's contribution portion of accounts plus actual earnings thereon is based on years of continuous service (1,000 service hours = 1 year of vesting eligibility) requirements as shown below under the subheading *Vesting*. The employer may make discretionary matching contributions based on the percentage of compensation deferred into the Plan by each participant. The discretionary percentage or dollar amount is determined by the employer on a uniform basis for all participants. The employer may also make qualified nonelective contributions in order to satisfy special nondiscrimination rules that apply to the Plan. If excess contributions are made to the Plan, the participant must take out the excess amount, plus any earnings thereon by March 15 of the subsequent Plan year. The excess amount is taxable to the participant in the year it was contributed to the Plan and may be subject to additional taxes if not removed in a timely manner. Life insurance investments are not available under the Plan.

The total allowable amounts contributed by the participant and on behalf of the participant by the employer for the 2023 and 2022 Plan years, is the lesser of \$66,000 (Plan year 2023) and \$61,000 (Plan year 2022) or 100% of the participant's annual eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the employer matching contribution and, (b) the Plan earnings and losses (*until participants who have elected to withdraw have been paid*), and charged with an allocation of administrative expenses by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes Receivable from Participants

Participants may borrow from their investment fund accounts subject to the maximum loan amount of 50% of the participant's vested account balance or \$50,000, reduced by the largest outstanding loan balance within a year prior to the disbursement of current loan. As defined by the Plan, the minimum allowable loan can be no less than \$1,000 and participants may only be granted one loan during any one year period and only one loan may be outstanding at a time. All loans are secured by the participant's nonforfeitable vested account balance and bear an interest rate equal to 1% plus the prime rate, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest payments are to be made at least quarterly and the loan repayment period may not exceed five years, unless the loan qualifies as a home loan used for the participant's principal residence.

Forfeited Accounts

At December 31, 2023 and 2022, unallocated forfeited non-vested accounts totaled \$4,782 and \$1,244 respectively. Forfeited accounts may be used to pay Plan expenses and fees or reduce amounts to be contributed to the Plan by the employer. Plan expenses and fees include, but are not limited to legal, trustee/custodial accounting and recordkeeping services. For the Plan years ended December 31, 2023 and 2022, the Plan used \$510 and \$8,908, of forfeitures to reduce employer contributions, respectively. Additionally, for Plan years ended December 31, 2023 and 2022, the Plan used \$4,945 and \$6,434 to pay administrative fees respectively.

Payment of Benefits

A participant may be entitled to receive an in-service distribution from the Plan prior to termination of employment provided the participant has attained the age of 59 1/2. In the event of a hardship, participants may withdraw money for financial support if certain conditions are satisfied. Qualifying expenses to satisfy conditions for a hardship distribution include:

- 1) Expenses for medical care previously incurred by the participant and/or their spouse and dependents;
- 2) Costs directly related to purchase of principal residence, not including mortgage payments;
- 3) Amounts necessary to prevent eviction and/or foreclosure of principal residence;
- 4) Burial or funeral costs for the deceased participant's parent, spouse, children or other dependents; and
- 5) Tuition, related education fees, and room and board for the next twelve months of post-secondary education for the participant and/or their spouse and dependents.
- 6) Costs for repair of damage of principal residence that would qualify for casualty deduction under the IRC; and
- 7) Costs for disasters arising from federally declared disasters (principal residence or place of employment)

On termination of employment due to death, disability or normal retirement, as defined by the Plan, a participant automatically becomes 100% vested in all accounts and the participant, or in the case of death, the beneficiary may elect to receive either a lump-sum distribution in the amount equal to the value of the participant's vested interest in his or her account, or partial payments over a predetermined period as long as the vested account balance is \$5,000 or greater. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a distribution, which may be subject to other penalties, restrictions, and forfeitures.

At December 31, 2023 and 2022, there were sixty-two (62) terminated and/or retired participants with vested account balances totaling \$1,009,452 that have not been paid and thirty (30) terminated and/or retired participants with vested account balances totaling \$649,223 that have not been paid respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. The plan did not maintain any fully benefit-responsive investment contracts for the years ended December 31, 2023 and 2022, respectively.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation & Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value as disclosed in *Note 8*. Fair value is the price that would be received to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at years-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. At December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on terms of the Plan. At December 31, 2023 and 2022, notes receivable from participants totaled \$194,576 and \$147,984 respectively with the weighted average effective interest rate at Plan's year end of 7.90% and 5.87% respectively.

Excess Contributions Payable to Participants

Amounts payable to participants for the years ended December 31, 2023 and 2022 totaled \$18,646 and \$6,647 respectively. These amounts to be paid is related to contributions in excess of amounts allowed by the IRS and are recorded as a liability, with a corresponding reduction to the current year contributions. The Plan distributed \$18,646 and \$6,647 of 2023 and 2022 excess contributions to the applicable participants prior to March 15 of the subsequent year.

Payment of Benefits

Benefits are recorded when paid to participants.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

The Plan assesses certain fees against individual accounts, rather than against the Plan as a whole when a participant initiate certain transactions or utilize certain plan services. These fees may arise from, among other items, a participant's use of a feature available under the Plan (i.e., participant loans, exercising withdrawal or distribution rights), the addition of a service (i.e., investment advice or brokerage window services), or the application of applicable law (i.e., processing a domestic relations order issued by a court). Expenses paid for by the employer are excluded from the financial statements. At December 31, 2023 and 2022, administrative expenses totaled \$36,856 and \$33,166 respectively.

NOTE 3: PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Upon termination of the Plan, the employer will promptly notify the participant of the effective date of such termination.

NOTE 4: TAX STATUS

The IRS has determined and informed RLS Managed Services, LLC 401(k) Plan by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5: CERTIFIED INVESTMENTS

NOTE 8: FAIR VALUE MEASUREMENTS

The Plan measures fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into the following three broad levels:

Level 1 Inputs: Prices in markets for identical assets and liabilities that can be accessed at the measurement date.

Level 2 Inputs: Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 Inputs: Significant unobservable inputs for the assets or liabilities that are not corroborated by market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2023 and 2022.

John Hancock Pooled Separate Account Sub-Units Invested in:

Registered Investment Companies' Mutual Funds & Exchange Traded Funds: Valued at quoted market prices that represent the net asset value of shares on a market exchange at the end of the trading day. Mutual and exchange traded funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. The registered investment companies' funds are classified as level 1 in the fair value hierarchy.

Collective Trust Fund: John Hancock Stable Value Fund: This investment represents participation units of a collective investment trust for which the net asset value is based on the market value of the underlying investments. The collective trust fund is comprised primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The collective trust fund is classified as level 1 in the fair value hierarchy as suggested by JHLIC.
