INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustee of
Maxx Properties 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Maxx Properties 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Maxx Properties 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Maxx Properties 401(k) Plan’s ability to continue as a going concern for a period of one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Maxx Properties 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Maxx Properties 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter -

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of Maxx Properties 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a participant-directed defined contribution plan covering all eligible non-union employees of JRD Maxx Properties (the “Company,” the “Employer” or the “Plan Sponsor”). Reliance Trust Company serves as the trustee of the Plan. ADP Retirement Services, a division of ADP, Inc. serves as the Plan’s recordkeeper. The Plan was established effective January 1, 1996, amended on January 1, 2022, amended and restated on April 1, 2022 and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan’s Administrative Committee is comprised of a group of Company executives who oversee the management and investment of the Plan’s assets. The Administrative Committee’s responsibilities include, but are not limited to, maintaining and enforcing the Plan’s investment policy; selecting and monitoring the Plan’s recordkeeper and trustee; maintaining an appropriate selection of investment options under the Plan based on the Plan’s investment policy; and monitoring the performance of the Plan’s investments as well as its service providers.

ELIGIBILITY

Each non-union employee of the Company is eligible to participate in the Plan after the completion of six (6) months of service, as defined in the Plan. Participation in the Plan begins on the first day of the month following completion of the eligibility requirements.

CONTRIBUTIONS

Participants may contribute up to 90% of their annual compensation, as defined in the plan document, up to the annual limit prescribed by the Internal Revenue Code (IRC). The maximum dollar amount of elective salary deferrals for the year ended December 31, 2023 was \$22,500. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions of up to the annual limit prescribed by the IRC. The maximum dollar amount of catch-up contributions for the year ended December 31, 2023 was \$7,500.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Participant contributions are recorded in the period during which the Company makes payroll deductions from the participants' earnings. Participants may also make certain rollover contributions from other qualified plans.

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants may also elect to contribute to the Plan, on an after-tax basis, by designating some or all of their contributions as Roth 401(k) deferrals. These after-tax contributions, plus the earnings accumulated thereon, may be withdrawn tax-free provided the withdrawal is a qualified distribution, as defined in the plan document.

Employer matching contributions are equal to 50% of the first 5% of a participant's elective deferrals. The Company will not match elective deferrals that exceed 5% of a participant's eligible earnings, or a limit, as defined in the Plan. The limit was \$2,500 for the year ended December 31, 2023. The combined contributions by the participant and the Company may not exceed limits prescribed by the IRC. The maximum annual combined contributions for the year ended December 31, 2023 was the lesser of 100% of each participant's annual compensation or the dollar limitation of \$73,500.

Employer profit sharing contributions are a discretionary dollar amount as determined by the Company's Board of Directors. Profit sharing contributions are allocated to all eligible participants in the Plan. For the year ended December 31, 2023, there were no Employer profit sharing contributions made to the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited or charged with contributions, investment income and administrative expenses. Investment income, including realized and unrealized gains and losses, Employer profit sharing contributions and expenses are allocated to participants' accounts based on each participant's account balance within each fund. Participants direct the investment of all employee contributions, Employer matching contributions and Employer profit sharing contributions into various investment options offered by the Plan. Participants may change their investment elections on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MAXX PROPERTIES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Participants become 100% vested in the Company's matching and profit-sharing contributions after three (3) years of service. Participants will also be 100% fully vested in their total account balance upon termination of employment due to death, disability (as defined by the Plan), or attainment of age 65, the Plan's normal retirement age,

FORFEITURES

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account represents a forfeiture, as defined by the Plan. As of December 31, 2023 and 2022, the forfeited balances of non-vested terminated participant's accounts totaled \$24,012 and \$18,014, respectively. These funds may be used to pay administrative expenses or to reduce future Employer contributions. For the year ended December 31, 2023, \$6,187 of non-vested terminated participant's accounts were used to reduce Employer matching contributions to the Plan.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, except for loans used to purchase a participant's principal residence, which have terms of up to 30 years. The loans are secured by the remaining balance in the participant's account and are issued at the prime rate as published in The Wall Street Journal on the 14th of each month, plus two (2) percentage points. The rate of interest stays constant throughout the term of the loan. Principal and interest are repaid ratably through bi-weekly payroll deductions or personal checks from participants.

PAYMENT OF BENEFITS

On termination of service due to death, disability, retirement or other reasons, participants can make an election to have their vested account balance in excess of \$5,000 distributed as either a lump sum or direct rollover, or they may choose to receive installments, request a partial withdrawal, or defer receiving payments until age 70½. Account balances less than \$5,000 are payable in either one lump sum or by a direct rollover as elected by the participant. If the participant does not make an election and the vested balance is greater than \$1,000, the plan administrator will make the distribution in the form of a direct rollover to an individual retirement account (IRA) established by an IRA provider selected by the Company.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

The Plan provides for hardship withdrawals, as set forth in accordance with applicable sections of the IRC not to exceed a participant's actual contributions to the Plan. Participants must show that they are suffering an immediate and heavy financial hardship and that the money cannot be obtained from any other source. Hardship withdrawals are limited to the amount necessary to satisfy the financial need. Circumstances that qualify as an immediate and heavy financial hardship are defined in the plan document. Upon qualification for financial hardship, a participant is entitled to the value of his or her deferral and the vested portion of the Company's contributions, determined as of the valuation date, which is payable immediately in a lump-sum distribution. Due to changes in legislation, effective January 1, 2020, there is no longer a six-month suspension period for participant contributions after the receipt of a hardship distribution.

Each active participant who has attained age 59½ may withdraw any portion of his or her vested account from the Plan without penalty. In the event of financial hardship, active participants, who have not attained age 59½, may withdraw all or any portion of their employee contributions and the vested portion of their matching contributions or non-elective contributions. Active participants, whether or not they have attained age 59½, may withdraw any portion of their rollover contribution without penalty at any time and any age.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"), except for the payment of benefits, which are recorded when paid.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

MAXX PROPERTIES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and trustee (see Note 4 – Fair Value Measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant notes receivable are recorded as deemed distributions based on the terms of the Plan document. The interest rates on outstanding loans range from 5.25% to 10.50% per annum as of December 31, 2023. Outstanding loans as of December 31, 2023 mature at various times through October 2028.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 and 2022 excess contributions to the applicable participants prior to April 15 of the following year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ADMINISTRATIVE EXPENSES

Administrative expenses of maintaining the Plan are primarily paid by the Company and are not included in the accompanying financial statements. Investment related expenses are included in net appreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits. Fees charged to participants for withdrawals and loan initiation are charged directly to the participant's account. For the year ended December 31, 2023, expenses paid by the Plan totaled \$28,337, which are recorded as administrative expenses on the accompanying statement of changes in net assets available for benefits.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year), including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, the trustee of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820 – Fair Value Measurement defines fair value and establishes a framework for measuring fair value through a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

MAXX PROPERTIES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 4 - FAIR VALUE MEASUREMENT (CONTINUED)

The three levels of the fair value hierarchy under ASC 820 are described as follows:

LEVEL 1

Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

LEVEL 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term.

LEVEL 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level of the asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value (there were no changes in the methodologies used on December 31, 2023 and 2022):

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

MAXX PROPERTIES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 4 - FAIR VALUE MEASUREMENT (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value at December 31:

Assets at Fair Value at December 31, 2023				
	Level 1	Level 2	Level 3	Total
Investments, at Fair Value				
Mutual funds	<u>\$13,399,568</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$13,399,568</u>

Assets at Fair Value at December 31, 2022				
	Level 1	Level 2	Level 3	Total
Investments, at Fair Value				
Mutual funds	<u>\$10,840,626</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$10,840,626</u>

There were no transfers between levels of investments during the years ended December 31, 2023 and 2022.

NOTE 5 - RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan.

Merrill Lynch Wealth Management ("Merrill") provides investment advisory and consulting services to the Plan. Merrill receives revenue from mutual fund service providers for services Merrill provides to the funds. This revenue is used to offset certain amounts owed to Merrill for its services to the Plan.

MAXX PROPERTIES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 5 - RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS (CONTIUED)

If the revenue received by Merrill from such mutual fund service providers exceeds the amount owed, Merrill remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2023 excess amounts remitted to the Plan aggregated \$23,626, which were used to pay Plan administrative expenses. The Plan or Plan Sponsor may make payments to Merrill for expenses not covered by revenue sharing.

The Plan allows participants to take loans against their account balances, which also qualify as exempt party-in-interest transactions. In addition, the Plan Sponsor provides certain accounting, administrative and investment management services to the Plan for which no fees are charged.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Employer contributions.

NOTE 7 - TAX STATUS

The Plan has adopted the non-standardized defined contribution pre-approved ADP 401(k) and Profit-Sharing Plan (ADP Plan), which is designed to be qualified under the applicable provisions of the IRC and is not subject to federal and state income taxes.

The ADP Plan obtained a favorable opinion letter dated October 6, 2020, in which the IRS stated that the ADP Plan, as then designed, complied with the applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participant's account balances and amounts reported in the statements of net assets available for benefits.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to the Plan's Form 5500:

The differences between the amounts reported in the accompanying financial statements and the amounts reported in the Plan's Form 5500 are due to the Form 5500 being prepared on a cash basis, while the accompanying financial statements have been prepared on the accrual basis of accounting, except for benefits, which are recorded when paid.

NOTE 10 - SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 18, 2024, the date the financial statements were made available to be issued.
