## INDEPENDENT AUDITOR'S REPORT

September 9, 2024

To the Plan Administrator of the  
NAKANISHI MANUFACTURING CORPORATION 401K RETIREMENT PLAN

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed an audit of the accompanying financial statements of NAKANISHI MANUFACTURING CORPORATION TEAM 401(K) SAVINGS PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of NAKANISHI MANUFACTURING CORPORATION TEAM 401(K) SAVINGS PLAN'S financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NAKANISHI MANUFACTURING CORPORATION TEAM 401(K) SAVINGS PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NAKANISHI MANUFACTURING CORPORATION TEAM 401(K) SAVINGS PLAN'S ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NAKANISHI MANUFACTURING CORPORATION TEAM 401(K) SAVINGS PLAN'S internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NAKANISHI MANUFACTURING CORPORATION TEAM 401(K) SAVINGS PLAN'S ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule of Assets Held for Investment Purposes as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NAKANISHI MANUFACTURING CORPORATION**  
**TEAM 401(K) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Nakanishi Manufacturing Corporation (the Company) Team 401(K) Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

*General*

The Plan is a defined contribution plan covering substantially all eligible employees of the Company. The Plan is subject to the provisions of ERISA.

*Contributions*

Participants may elect to defer a percentage of their pretax or after tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans (rollover). Participants direct the investment of their contribution into various investment options offered by the Plan. An auto enrollment feature was added to the Plan on April 1, 2008, where participants that become eligible to participate in the Plan are automatically enrolled at 3%.

The Plan also allows the Company to make discretionary matching contributions and discretionary profit sharing contributions. During the years ended December 31, 2023 and 2022 the Company matched 100% up to 6% of compensation that a participant contributed to the plan. There were no discretionary profit sharing contributions for the years ended December 31, 2023 or 2022.

*Participant Accounts*

Each participant's account is credited with the participant's deferral contributions, the Company's matching contributions, discretionary profit sharing contribution, and a proportionate interest in the investment earnings or losses of the funds which the contributions are invested. Expenses are generally allocated evenly across all eligible accounts. Participants may direct employee contributions to any of the plan's investment alternatives and may transfer among investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

*Vesting*

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after four years of credited service.

*Notes Receivable From Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates of 4.25% - 9.50%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest is paid ratably through payroll deductions.

*Benefits*

On termination of service, death, disability, or retirement, the participant or their beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may request a withdrawal of a portion of their employee contribution account balance if they can demonstrate financial hardship as defined by the Plan.

*Forfeited Accounts*

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$13,607 and \$85,389, respectively. These accounts will be used to reduce future employer contributions or to pay administrative expenses of the Plan. In 2023 and 2022, \$83,851 and \$16,529, respectively, were used to reduce employer contributions or pay administrative expenses of the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

*Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**TEAM 401(K) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

*Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Money market funds are valued at cost, which approximates fair value. Shares of mutual funds are valued at net asset value (NAV), which represents fair value as such funds are traded in active markets.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for discussion of fair value measurements.

Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes realized and unrealized changes in fair value of investments bought, sold, and held during the year.

*Notes Receivable From Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

*Benefit Payments*

Benefit payments are recorded when paid.

**TEAM 401(K) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

*Plan Expenses*

The Plan's administrative expenses are paid by either the Plan or the Company as provided by the Plan document, except for certain account activity charges which are paid from the accounts of the participants that incurred the charge. Investment management fees and 12B-1 distribution fees are paid by the Plan in the form of reductions of net investment income earned by Plan participants.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2      Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**NAKANISHI MANUFACTURING CORPORATION**  
**TEAM 401(K) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual funds:* Valued using the Net Asset Value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus the liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

*Common trust fund:* Valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sells) may occur daily. Should the Plan initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value, on a recurring basis, as of December 31, 2023 and 2022:

(i) In accordance with ASU 2015-07, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables reconcile the fair value hierarchy to the line item present in the statement of net assets available for benefits.

**NOTE 4 - INVESTMENTS MEASURED AT NET ASSET VALUE**

The Stable Value Common Trust Fund ("Stable Value Fund") is a common/ collective trust fund managed by T. Rowe Price which invests in a variety of investment contracts such as guaranteed investment contracts issues by insurance companies and other financial institutions and other investment products (separate account contracts and structured or synthetic investment contracts) and other similar investments that are intended to maintain a constant NAV while permitting participant-initiated, benefit-responsive withdrawals for certain events. Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value.

**NAKANISHI MANUFACTURING CORPORATION**  
**TEAM 401(K) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

The Stable Value Fund is composed primarily of fully benefit-responsive investment contracts and is reported at fair value using NAV as a practical expedient. Measurement principles indicate that, in the determination of a stable value fund's NAV, the relevant measurement is net assets, which include fully benefit-responsive investment contracts held by the fund at contract value. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan and is equal to the original cost plus accrued income and deposits less withdrawals. This NAV represents the Plan's fair value as this is the NAV at which the Plan transacts with the fund.

The existence of certain conditions can limit the Stable Value Fund's ability to transact at contract value with the issuers of its investment contracts. Specifically, any event outside the normal operation of the Stable Value Fund that causes a withdrawal from an investment contract may result in a negative market value adjustment with respect to such withdrawal. Examples of such events include, but are not limited to, partial or complete legal termination of the Stable Value Fund or a unit holder, tax disqualification of the Stable Value Fund or a unit holder, and certain Stable Value Fund amendments if issuers' consents are not obtained. According to the investment manager's annual report, as of December 31, 2023 and 2022, the occurrence of an event outside the normal operation of the Stable Value Fund that would cause a withdrawal from an investment contract is not considered to be probable. To the extent a unit holder requests a redemption, under normal circumstances, it is anticipated that liquid assets would be available to satisfy the redemption of such unit holder's interest in the Stable Value Fund without the need to access investment contracts. Plan management believes that the occurrence of events that would cause the Stable Value Fund to transact at less than contract value is not probable.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

NOTE 6 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

All investment information and transactions in those assets included in the accompanying financial statements and supplemental schedule at December 31, 2023 and 2022 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Plan's trustee.

NOTE 7 - TAX STATUS

The Plan is a non-standardized preapproved profit sharing plan and the Internal Revenue Service has determined on June 30, 2020, that the volume submitter plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has not obtained an individual determination letter and has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 9, 2024, the date the financial statements were available to be issued.

To the Plan Administrator  
 Nakanishi Manufacturing Corporation Team 401(K) Savings Plan

We have audited the financial statements of Nakanishi Manufacturing Corporation Team 401(K) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2023, and we have issued our report thereon dated September 9, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 15, 2024. Professional standards also require that we communicate to you the following information related to our audit.

### Significant Audit Findings

#### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Nakanishi Manufacturing Corporation Team 401(K) Savings Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no such estimates in the financial statements for the year ended December 31, 2023.

The financial statement disclosures are neutral, consistent, and clear.

#### *Form 5500 Procedures*

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

#### *Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

#### *Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

#### *Disagreements with Management*

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

#### *Management Representations*

We have requested certain representations from management that are included in the management representation letter dated September 9, 2024.

#### *Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### *Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

### *Other Matters*

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Administrator and management of Nakanishi Manufacturing Corporation Team 401(K) Savings Plan and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

*Bates, Carter & Co., LLP*

## Other Matters

### **General Comments and Suggestions**

In planning and performing our audit of your financial statements as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered the Nakanishi Manufacturing, Inc. 401(k) Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal controls.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, we identified certain matters involving the internal control and other operational matters that are presented for your consideration. This letter does not affect our report dated September 9, 2024 on the financial statements of the Nakanishi Manufacturing, Inc. 401(k) Plan. We will review the status of these comments during our next audit engagement. Our comments and recommendations, all of which have been discussed with appropriate members of management, are intended to improve the internal control or result in other operating efficiencies. We will be pleased to discuss these comments in further detail at your convenience, perform any additional study of these matters, or assist you in implementing the recommendations.

Our comments are summarized below:

#### **Participant Data Testing**

##### **Finding (Repeat from prior year)**

During participant data testing, for 1 of the 15 employees tested, the client was not able to provide an enrollment form to support participant's deferral percentage.

##### **Recommendation**

We recommend the employer have an enrollment form on file for each participant.

##### **Finding (Repeat from prior year)**

During participant data testing for four employees, the client was either not able to provide a form I-9 or the I-9 had missing or incomplete data.

##### **Recommendation**

We recommend completing an I-9 for these employees, updating the employees' information on the census and other plan documents as well as reviewing your employee files to confirm the Company is in compliance with this federal requirement.

## **Loan Testing**

### **Finding**

During loan testing, for 1 of the 3 employees tested, the payment being withheld from the participant's paycheck did not agree to the payment outlined in the participant's loan document.

### **Recommendation**

We recommend reviewing participant loan agreements to ensure that payroll deductions for loan payments are accurate.
