|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## Independent Auditor's Report

To the Plan Administrator and Participants of  
RXO 401(k) Plan:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements***

We have performed audits of the financial statements of RXO 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023 and for the period from November 1, 2022 to December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of RXO 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023 and for the period from November 1, 2022 to December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RXO 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RXO 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RXO 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RXO 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For

information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**RXO 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

**1. Description of Plan**

The following description of the RXO 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

On November 1, 2022, XPO Logistics, Inc. completed the spin-off of RXO, Inc., creating two independent, publicly traded companies. As a result of this transaction, RXO Corporate Solutions, LLC, a subsidiary of RXO, established the Plan effective November 1, 2022. As a result, the account balances of certain participants in the XPO Logistics, Inc. 401(k) Plan were transferred to the Plan in connection with the distribution by XPO Logistics, Inc. to its shareholders of its interest in RXO, Inc.

The Plan is a defined contribution and profit sharing plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan is intended to qualify under Section 401(a) of the Internal Revenue Code (the "IRC").

b. Eligibility

Employees of RXO, Inc. are eligible to participate in the Plan upon employment except collectively bargained employees whose bargaining agreements do not allow for participation in the Plan, non-resident aliens, employees of affiliates not adopting the Plan, residents of Puerto Rico, leased employees or independent contractors and certain other employees as defined in the Plan document. Participants are eligible for matching contributions after completing one year of service.

c. Participant Contributions

Participants may contribute up to 50% of eligible compensation subject to certain limitations. Upon reaching the age of 50, eligible employees may make additional catch-up contributions up to 75% of their eligible compensation as allowed by the IRC. Participants may also roll over amounts representing distributions from other qualified defined contribution plans or individual retirement accounts into the Plan.

d. Employer Contributions

RXO, Inc. provides for a safe-harbor employer matching contribution for eligible employees equal to 100% of the first 3% and 50% of the next 2% contributed by the participant. RXO, Inc. may also make additional contributions to the Plan at its discretion, subject to the limits of the IRC. No additional discretionary contributions were made during 2023 or 2022.

e. Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, RXO, Inc.'s contributions, and an allocation of the Plan's earnings and expenses. Participants can direct their account into a variety of investments offered by Fidelity

Management Trust Company. The benefit to which a participant is currently entitled is the benefit that can be provided from the participant's vested account.

f. Vesting

Participants are fully vested at all times in the portion of their accounts attributable to their elective deferrals, rollover contributions and matching contributions.

g. Payment of Benefits

Participants may withdraw the vested value of their accounts upon retirement, disability, death or termination of employment. Participants may elect to receive distributions in a lump sum, installment payments, partial payments, or accounts may be rolled over into another Internal Revenue Service ("IRS") approved tax deferral account, as defined by the Plan. The Plan provides for mandatory distribution of account balances less than \$5,000 following termination of employment with i) the automatic rollover to an Individual Retirement Account ("IRA") of any mandatory distributions exceeding \$1,000 but equal to or less than \$5,000 for which the participant does not elect a direct rollover to an IRA or another qualified plan; and ii) a direct payment to the participant of any mandatory distributions less than \$1,000.

h. Hardship Withdrawals

Upon certain conditions, participants, while still employed by RXO, Inc. are permitted to withdraw, in a single sum, a portion of their elective deferrals as a result of an immediate and heavy financial need, subject to a minimum withdrawal of \$500. These conditions include unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of post-secondary education tuition, the payment of burial or funeral costs of immediate family members, the payment of natural disaster clean-up on the participant's principal residence or to prevent eviction or foreclosure from the participant's principal residence.

i. Notes Receivable from Participants

Participants may borrow the lesser of \$50,000 or 50% of their vested account balance, subject to a \$1,000 minimum and certain other restrictions. Loans are secured by the vested account balance of the participant. Loans are repayable through payroll deductions over periods ranging up to five years unless the loan is used to acquire a principal residence. The interest rate on participant loans is the Wall Street Journal Prime Rate plus 1% and is fixed at the inception of the loan. The interest rate on outstanding loans as of December 31, 2023 ranged from 4.25% to 9.50% and loans mature through 2028.

j. Forfeitures

The forfeited accounts of non-vested terminated participants may be used to pay administrative expenses of the Plan or to reduce future Company contributions. For the year ended December 31, 2023 and the period from November 1, 2022 to December 31, 2022 there were no forfeitures utilized to reduce employer matching contributions. There were approximately \$2,300 and \$50 in forfeitures available to reduce future Company contributions or to pay administrative expenses at December 31, 2023 and 2022, respectively.

## **2. Summary of Significant Accounting Policies**

### **a. Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

### **b. Use of Estimates**

The preparation of the financial statements in conformity with GAAP requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **c. Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net appreciation in fair value of investments consists of the net change in unrealized gains or losses during the year and the realized gain or loss on investments sold during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

### **d. Notes Receivable from Participants**

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants may be treated as a distribution based on the terms of the Plan document.

### **e. Payment of Benefits**

Benefits are recorded when paid.

### **f. Expenses**

Administrative costs, including trustee, recordkeeping, legal and accounting fees, are paid by RXO, Inc. Direct expenses totaling \$235,438 and \$2,075, were paid by the Plan during the year ended December 31, 2023 and the period from November 1, 2022 to December 31, 2022, respectively, representing transactional fees incurred and allocated to specific participants. Certain expenses are included in the transaction prices of investments bought and sold and cannot be separately quantified.

## **3. Investments**

Plan investment assets are held by Fidelity Management Trust Company. Participants can direct their accounts among various mutual funds and common collective trusts.

The T. Rowe Price Retirement Hybrid Trust and T. Rowe Price Stable Value Common Trust ("SVCT") are common collective trusts invested primarily in equities, corporate bonds, government securities, and wrap contracts. A wrap contract is an agreement by another party, such as a bank or insurer, that agrees to make payments to the fund in certain circumstances.

Wrap contracts are designed to allow a stable value fund to maintain a constant net asset value (“NAV”) and to protect the fund in extreme circumstances. Certain events could cause the SVCT not to transact at contract value. Such events include, but are not limited to, partial or complete legal termination, tax disqualification, and certain amendments if issuers’ consent is not obtained. The Plan held State Street Russell Small/Mid Cap Index Non-Lending Series, State Street U.S Bond Index Non-Lending Series, State Street S&P 500 Index Non-Lending Series and State Street Global All Cap Equity ex-U.S Index Non-Lending Series at December 31, 2023. These common collective trusts invest primarily in common stocks, equity real estate investment trusts, and corporate bonds. Additionally, the Plan held the Wellington CIF II Mid Cap Opportunities (Series 3) Portfolio and Wellington CIF II Growth (Series 4) Portfolio at December 31, 2023. These common collective trusts invest primarily in domestic common stock of growth and value-oriented stocks.

Earnings from the investment in the common collective trusts are included in dividends and interest income on the accompanying statement of changes in net assets available for benefits.

#### **4. Fair Value Measurements**

Accounting Standards Codification (“ASC”) 820 establishes a framework for fair value measurement, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means; and
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodology used as of December 31, 2023 and 2022.

*Mutual funds and money market fund:* Valued at the daily closing price reported on the active market on which the individual securities are traded.

*Common collective trusts:* The Plan's interest in the common collective trusts are valued at the NAV of the common collective trust's underlying investments as based on information reported by the investment advisor using the audited financial statements or daily reported NAV of the common collective trust at year-end. The NAV is used as a practical expedient to estimate fair value. Participant transactions can occur daily.

The following table sets forth by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023:

|                   | Investments at Fair Value |             |             |                   |

## **5. Risks and Uncertainties**

The Plan assets are invested in a variety of investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, foreign currency and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, and therefore participant account balances.

## **6. Information Certified by the Trustee**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the financial statements and supplemental schedule was provided and certified by the trustee, Fidelity Management Trust Company, as of and for the periods ended December 31, 2023 and 2022 as complete and accurate.

- Investments, at fair value
- Notes receivable from participants
- Investment income
- Interest on participant notes receivable
- Schedule of assets (held at end of year)

## **7. Party-in-interest Transactions**

Certain Plan investments are managed by Fidelity Investments, an affiliate of Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan. Certain investment fees are paid by the trustee and are reflected in the investment income or loss for the year. The Plan also issues loans to participants that are secured by the vested balance in the participants' accounts. As such, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Additionally, the Plan sponsor, RXO Corporate Solutions, LLC, is a party-in-interest to the Plan. The transactions between the Plan and the Plan sponsor included funding of contributions to the Plan and payment of certain administrative expenses of the Plan, which are exempt transactions.

## **8. Tax Status**

Effective November 1, 2022, the Plan was adopted utilizing a Fidelity Pre-Approved Defined Contribution Plan Document. Fidelity received an advisory letter from the IRS on June 30, 2020 in which the IRS stated that the Fidelity Pre-Approved Defined Contribution Plan Document, as then designed, was in compliance with the applicable requirements of the IRC. The Plan, as designed, is in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the advisory letter. However, management of the Plan believes the Plan is currently designed and being operated in compliance with the applicable requirements of

the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax exempt as of and for the year ended December 31, 2023.

Assuming it meets certain initial and ongoing requirements, the Plan is generally exempt from federal and state income taxes. However, GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

## **9. Plan Termination**

Although it has not expressed any intention to do so, RXO, Inc. may terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

## **10. Subsequent Events**

The Plan has evaluated subsequent events with respect to the Plan through September 16, 2024, the date the financial statements are available to be issued.

Effective January 1, 2024, the Plan was amended to classify interns as excluded employees. Excluded employees are interns, employees covered by a collective bargaining agreement, unless the agreement requires the employees to be included under the Plan, leased employees as defined by Subsection 2.01(ff) of the Basic Plan Document, nonresident aliens who do not receive any earned income from the Employer which constitutes United States source income and employees of an employer or division or branch of an employer that has substantially all of its operations outside the US; employees who are currently eligible to participate in another tax-qualified defined contribution plan sponsored by the Employer or an affiliate. The same amendment updated the safe harbor matching employer contribution to an enhanced match of 100% of the first 4% of the eligible participant's compensation contributed to the Plan and 50% of the next 2% of the eligible participant's compensation contributed to the Plan. Eligible participants for the purpose of the safe harbor matching employer contribution are defined as employees of the employer, employees of un-related employer(s) listed on the participating employers addendum and collectively bargained employees, as defined in Treasury Regulation section 1.410(b)6(d)(2).

**11. Reconciliation of Financial Statements to the Form 5500**

The following is a reconciliation of net assets available for benefits as reported on the Plan's financial statements to amounts reported on the Form 5500 at December 31:
