## INDEPENDENT AUDITOR'S REPORT

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Aduro Advisors, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to the participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters we identified during the audit.

#### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule included in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Aduro Advisors, LLC 401(k) Plan**

### **Notes to Financial Statements**

---

#### **1. Description of the Plan**

Aduro Advisors, LLC (the Company) established the Aduro Advisors, LLC 401(k) Plan (the Plan), effective January 1, 2015, to provide participants with a means to fund their retirement on a tax-deferred basis. The following description of the Plan, as amended and restated, effective January 1, 2023, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

In 2022, the Plan sponsor acquired VMS Fund Administration, LLC and Venture Management Services, Inc. (collectively, VMS). In January 2023, assets of the VMS retirement plan totaling \$5,279,619, representing the entire remaining VMS plan balance, were transferred into the Plan.

#### *General:*

The Plan is a defined contribution plan under Sections 401(a) and 401(k) and related provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan sponsor and Plan administrator. The 401(k) Plan Committee is responsible for overseeing the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance. Ascensus Trust Company is the Plan's trustee. Ascensus Trust Company (Ascensus) holds, invests and reinvests Plan assets in the interest and direction of the participants and their beneficiaries. The Vanguard Group, Inc. (Vanguard) is the record keeper and has outsourced recordkeeping services to Ascensus, LLC.

#### *Eligible Participants:*

Company employees, as defined by the Plan agreement, are eligible to participate immediately upon hire and make contributions beginning the first day of the first month after their hire date.

#### *Contributions:*

Participants may contribute a percentage of their pre-tax and Roth after-tax annual compensation, as defined under the Plan agreement. Participants who have reached the age of 50 may also elect to withhold additional catch-up contributions under the Code. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans (rollovers), subject to Code regulations.

#### 1. Description of the Plan (continued)

##### *Contributions: (continued)*

The Plan provides for automatic enrollment on the date participants become eligible for the Plan. The automatic election for eligible participants is 6% of their compensation, unless the participants request a different amount to be contributed or formally decline participation. Participants may adjust their deferral rate or discontinue their contributions at any time.

The Company may make discretionary profit sharing and matching contributions in an amount determined by the Company's Board of Directors. Matching contributions are made based on a participant's annual eligible compensation and annual salary deferral contributions. In 2023, the Company made matching contributions of \$772,552 to the Plan, of which \$70,211 was a receivable as of December 31, 2023. These contributions represent 50% of a participant's deferral contributions, up to a maximum of 3% of eligible gross annual compensation.

For matching contributions made, the Plan requires an annual true-up so the aggregate matching contributions made during any given Plan year reflects an amount equal to the matching contributions had they been computed based on participant year-to-date eligible compensation contributed to the Plan. As of December 31, 2023, the Plan recorded a true-up matching contribution receivable of \$31,652, included in the total receivable, which was remitted in 2024.

The Company has not made profit sharing contributions through December 31, 2023.

Contributions are subject to certain limitations under the Code.

##### *Participant Accounts:*

Participant accounts are credited with participant contributions, discretionary Company contributions rollovers, and an allocation of the Plan's net earnings or losses. Allocations are based on participant earnings or account balances, in accordance with the Plan agreement. The benefit to which participants are entitled is the benefit that can be provided from the participant's vested account.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. Participants may authorize transfers among investment options at any time.

##### *In-Plan Roth Conversions:*

The Plan allows participants who are active employees of the Company to convert any portion of their accounts to Roth balances. There were no conversions to Roth balances in 2023.

#### 1. Description of the Plan (continued)

##### *Vesting:*

Participants are immediately vested in their contributions, plus actual earnings (less any losses) thereon. Company contributions, plus actual earnings (less any losses) thereon, become 25% vested after one year of service and 25% per year thereafter, and are fully vested after four years of service. Company contributions made to participants terminated prior to 2021, plus actual earnings (less any losses) thereon, become 20% vested after two years of service and 20% per year thereafter, and are fully vested after six years of service. Participants are credited with one year of service for any Plan year in which 480 hours are worked. Company contributions become fully vested once a participant reaches age 59.5 or upon death or disability.

##### *Forfeitures:*

The forfeited, non-vested portion of terminated participant account balances may be used to reduce Company contributions or to pay Plan expenses. As of December 31, 2023, there was \$10,416 in the forfeiture account (\$5,920 as of December 31, 2022). In 2023, forfeitures of \$24,997 were used to pay Plan expenses and \$9,951 were used to reduce Company matching contributions.

##### *Notes Receivable from Participants:*

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement.

Participants may borrow up to one-half of their vested account balance, a minimum of \$1,000 and not to exceed \$50,000, for a period not to exceed five years, except for notes used to purchase a primary residence for which a longer term may be granted. Participant notes are evidenced by a written note, secured by the balance in the participant's vested account, and bear interest at a rate commensurate with commercial lending institutions at the time of issuance. The interest rate on the notes outstanding at December 31, 2023 range from 4.25% to 9.50%. Repayment of principal and interest is generally made through payroll deductions.

##### *Payment of Benefits:*

Upon termination of service, participants may elect to receive the vested balance of their accounts in a lump-sum amount or partial withdrawals. Participants of age 59.5 may take in-service withdrawals of their account balances. Account balances of less than \$5,000 may be automatically distributed to participants without participant approval. All distributions are subject to the applicable provisions of the Plan agreement. Benefits are recorded when paid.

#### **1. Description of the Plan (continued)**

##### *Plan Expenses:*

Plan investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the Plan's financial statements. Certain expenses may be charged to the Plan and allocated to participant accounts. All other administrative expenses related to the Plan are paid by the Company and are not reflected in the Plan's financial statements.

##### *Risks and Uncertainties:*

Participants may invest their account balances in a variety of investment options offered by the Plan. Investments are exposed to various market conditions, such as interest rate, market fluctuation, and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible changes in risk in the near term could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

##### *Plan Termination:*

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan at any time, subject to the provisions of ERISA. In the event of a Plan termination, participants would become fully vested in their accounts and distributions would be made to participants, as described in the Plan agreement.

#### **2. Summary of Significant Accounting Policies**

##### *Basis of Accounting:*

The Plan's financial statements are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

##### *Use of Estimates:*

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### 2. Summary of Significant Accounting Policies (continued)

##### *Investments:*

Investments consist of mutual funds and a money market fund. These funds are reported at fair value, which is the net asset value of shares held by the Plan at year end, as quoted in active markets.

##### *Fair Value Measurement:*

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability as of the measurement date. The three-level hierarchy prioritizes, within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with those instruments.

The three-level hierarchy for fair value measurement is defined as follows:

**Level I:** Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

**Level II:** Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

**Level III:** Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The Plan's investments are classified as Level I within the fair value hierarchy as of December 31, 2023 and 2022.

#### 2. Summary of Significant Accounting Policies (continued)

##### *Income Recognition:*

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual method of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes gains and losses on the Plan's investments bought, sold, or held during the year.

#### 3. Information Prepared and Certified by Ascensus

Ascensus, as the Plan's trustee, has certified the fair value of the following assets held as of December 31, 2023 and 2022 and the net income for the year ended December 31, 2023, that were used in the preparation of the financial statements and supplemental schedule. The following table summarizes the certified information:

|                                                           | December 31,         |                     |

| Certified net income for the year ended December 31, 2023 | <u>\$ 1,988,268</u>  |                     |

#### 4. Party-In-Interest Transactions

Certain Plan investments are managed by Vanguard. As Vanguard is the Plan's record keeper, purchases and sales of these investments by the Plan qualify as party-in-interest transactions. Note receivable transactions with participants also qualify as party-in interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

## **Aduro Advisors, LLC 401(k) Plan**

### **Notes to Financial Statements**

---

#### **5. Income Tax Status**

The Plan is a pre-approved plan offered by Ascensus, LLC. The Internal Revenue Service (IRS) has determined and informed Ascensus, LLC by a letter dated June 30, 2020, that the plan submitted for review was qualified under applicable provisions of the Code. The Plan has been amended since receipt of the letter. The Plan sponsor believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and related state statutes and is, therefore, qualified and the trust that forms a part of the Plan is exempt from federal and state income taxes.

GAAP requires Plan management to evaluate income tax positions taken by the Plan and recognize an income tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the income tax positions taken by the Plan and has concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

#### **6. Subsequent Events**

Subsequent events have been evaluated through September 13, 2024, which is the date the financial statements were approved by the Plan and available to be issued.
