July 29, 2024

To the Participants and Plan Administrator of
the Ventra Health Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ventra Health Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ventra Health Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ventra Health Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ventra Health Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ventra Health Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ventra Health Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter – Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VENTRA HEALTH RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. PLAN DESCRIPTION

The following description of the Ventra Health Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Ventra Health Inc. (the Company) who meet certain eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Healthcare Billing Systems, LLC 401(k) Plan (HBS) and the Martin Gottlieb & Associates, LLC 401(k) Profit Sharing Plan (Gottlieb) were merged into the Ventra Health Retirement Plan. HBS and Gottlieb are plans that are sponsored by the subsidiaries of Ventra Health, Inc. The HBS plan assets were transferred into the Plan on January 6, 2022 and totaled \$9,955,236, including \$277,668 of notes receivable. The majority of Gottlieb plan assets were transferred into the Plan on February 14, 2022 and totaled \$8,163,718, including \$161,267 of notes receivable. On February 14, 2023, the remaining Gottlieb plan assets of \$290,926 were transferred into the Plan.

Administration

The Company is the Plan sponsor. Principal Life Insurance Company and Principal Trust Company, collectively, Principal Financial Group (Principal), are the custodians of the Plan and hold all Plan assets and also provide recordkeeping and administrative services for the Plan. Principal also serves as the trustee of the Plan.

Eligibility

Effective August 1, 2023, the Plan was amended for employees to become eligible for Plan participation and to receive employer matching contributions upon completion of thirty days of service and attainment of age eighteen. Prior to August 1, 2023, employees of the Company were eligible to participate in the Plan and receive employer matching contributions upon completion of sixty days of service and attainment of age eighteen. Contributions begin on the first day of the following month once attaining the eligibility requirement.

Contributions

The Plan allows participants to contribute up to 100% of their annual compensation, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Participants may direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

1. PLAN DESCRIPTION (Continued)

Contributions (Continued)

The Company's matching contributions are discretionary and are determined on an annual basis by Plan management. The matching contributions are determined as a percentage of participant elected deferrals. The Company contributes 50% of the first 4% of compensation that a participant contributed to the Plan during both 2023 and 2022, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

In addition, the Company may make discretionary profit-sharing contributions on behalf of the participants at the election of the Company's Board of Directors. Profit sharing contributions are allocated to each participant based upon the ratio of the participant's compensation to the total compensation for the Company. There were no Company profit sharing contributions during the years ended December 31, 2023 and 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions and actual earnings and losses thereon. Allocations of Plan earnings, forfeitures, and Plan expenses are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service, as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 1	0%
1	50%
2	100%

Forfeitures

Forfeitures of non-vested account balances may be used to offset Plan expenses or reduce employer-matching contributions. Forfeitures, including gains (losses) thereon, totaled \$15,408 and \$20,998 during 2023 and 2022, respectively. In 2023, \$11,773 of forfeitures were applied to reduce employer matching contributions. No forfeitures were utilized to reduce employer matching contributions in 2022. Plan expenses of \$3,817 and \$17,922 were paid from forfeited non-vested accounts during 2023 and 2022, respectively. As of December 31, 2023 and 2022, the Plan reported available forfeitures of \$874 and \$1,056, respectively.

Notes Receivable from Participants

Participants may borrow from \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest is paid ratably through payroll deductions for a period not to exceed five years, unless the loan is for a principal residence, in which case the term shall not exceed thirty years. Notes receivable are secured by the participant's account. The interest rate is based on the prime rate plus 2%. Notes receivable are measured at the unpaid principal balance plus any accrued but unpaid interest. The Plan allows for participants to have one outstanding loan at a time in a twelve-month period. Notes receivable in default must be paid before another loan may be issued. Delinquent loans are treated as distributions based upon ERISA, Internal Revenue Service (IRS), and Plan document provisions.

1. PLAN DESCRIPTION (Continued)

Benefit Payments

The Plan provides for normal retirement benefits upon termination of service due to death, disability or attainment of retirement age. The normal retirement age is the date a participant reaches the age of 65. Participants may elect disbursement of their vested account balance in either a lump-sum amount, or direct rollover into an individual retirement account or another qualified plan. Vested account balances of \$5,000 or less are paid as lump sum distributions or rollover distributions as soon as administratively possible. Distributions due to termination or disability may be deferred until the participant retires if the value of their account exceeds \$5,000.

In-Service Withdrawals

Participants may elect disbursement of all or part of their vested account balance upon attainment of age 59 ½.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's elective deferral contribution account balance, under certain circumstances. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Administrative Expenses

Plan expenses primarily consist of recordkeeping fees. Certain expenses of maintaining the Plan are paid directly by the Company. Participant accounts are charged fees for processing loans and benefit payments. Certain fees may be paid by the Plan through reduction of investment income and netted against net appreciation in fair value of investments.

Delinquent Contributions

As disclosed in the accompanying supplemental Schedule of Delinquent Participant Contributions, certain employee deferrals and loan repayments were not remitted to the Plan within the required timeframe in the amount of \$124,988. All employee contributions have been remitted to the Plan as of December 31, 2022 and the Company has remitted lost earnings in the amount of \$326 as of December 31, 2023.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investments and Income Recognition

The Plan's investments are reported at fair value as reported by the trustee. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The net appreciation (depreciation) in the fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments. Investment contracts held by a defined contribution plan are required to be reported at fair value.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements – Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board Accounting Standards Codification 820 (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, economic conditions, world affairs, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

Benefit Payments

Benefit payments are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions in accordance with the terms of the Plan document. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Principal as of and for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Investments	\$ <u>28,373,218</u>	\$ <u>27,347,427</u>
Notes receivable from participants	\$ <u>710,026</u>	\$ <u>-</u>

Schedule of assets (held at end of year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31:

<u>2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 25,702,827	\$ -	\$ -	\$ 25,702,827

Mutual funds	\$ <u>26,062,158</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 26,062,158
Collective investment trust funds, at net asset value ^a				<u>1,285,269</u>
Total investments, at fair value				<u>\$ 27,347,427</u>

^(a) In accordance with the FASB authoritative guidance regarding fair value measurement, certain investments that were measured at net asset value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: valued at fair value based on quoted market prices.

Pooled separate accounts: Valued daily based on the market value of underlying net assets in each separate account. The majority of the underlying net assets have observable Level 1 quoted pricing inputs that are used to determine the unit value of the pooled separate account, which is not publicly quoted, however it is available to both employers and participants on a readily basis. The net asset value (“NAV”) is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date, therefore resulting in readily determinable fair value.

Collective investment trust funds, at net asset value: Valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

Investments Measured Using NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31:

<u>2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Collective investment trust fund – Morley Stable Value Fund	\$ 1,155,684	N/A	Daily	12 months
Collective investment trust fund – Great Gray Funds	\$ 1,198,599	N/A	Daily	Up to 30 days
<u>2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Collective investment trust fund	\$ 1,285,269	N/A	Daily	12 months

5. PARTY-IN-INTEREST TRANSACTIONS

Principal serves as the custodian of the Plan’s investment assets. Consequently, transactions between Principal, the Company and the Plan qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

6. INCOME TAX STATUS

The Plan is based on an Internal Revenue Service approved prototype plan provided by Principal. The IRS has determined, by the letter dated June 30, 2020, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has been amended from the IRS approved prototype plan. The Plan has not yet applied for its own determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per Form 5500 at December 31:

	<u>2023</u>	<u>2022</u>
