INDEPENDENT AUDITOR'S REPORT

Plan Administrator
McNees Wallace & Nurick Savings Plan
Harrisburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the McNees Wallace & Nurick Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Opinion (Continued)

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Item 4i - Schedule of Assets Held for Investment Purposes as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters (Continued)

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

McNEES WALLACE & NURICK SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of McNees Wallace & Nurick Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering eligible employees of the law firm of McNees Wallace & Nurick LLC who are age twenty-one and older and who are not classified as “Of Counsel” or “Membership Track Associate.” Participants are eligible to defer into the Plan immediately upon hire with entrance dates on the first of the month after date of hire. Employees in group F are automatically enrolled into the Plan at a minimum deferral rate of 2% of eligible compensation, unless they opt-out, with an auto-escalation feature of 1% on each successive July 1st, up to maximum deferral of 4%. The Plan was amended and restated on March 10, 2021, when the Plan adopted Fidelity’s Non-Standardized Pre-Approved Defined Contribution Plan. No plan changes were made to the Plan as a result of this adoption. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may contribute any amount of annual compensation up to the maximum amount allowable under the Internal Revenue Code. Participants may make two types of salary deferrals, regular 401(k) deferrals which reduce taxable income, or Roth 401(k) deferrals which are subject to federal income taxes in the year of deferral. Participants may also contribute amounts representing distributions from other qualified plans. The Plan provides for a discretionary employer matching contribution. In 2023 and 2022, the matching contribution was 50% of elective deferrals up to 4% of participant compensation. The Plan provides for an employer nonelective contribution, determined annually for groups of employees defined in the Plan document. Contributions are subject to certain limitations. The Plan excludes certain employee groups from employer matching contributions.

Participants' Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution, (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: The investment policy of the Plan states that each participant can direct investment of his or her participant account in options provided by the Trustee. The options with the Trustee, Fidelity Management Trust Company, allows participants to direct the investment of their account into any investment options offered by the Plan. If a participant makes no election, the account is invested in the applicable Fidelity Advisor Freedom Target Date Fund based on their expected normal retirement date.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan (Continued)

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer match and the employer's discretionary contribution portion of their account plus actual earnings thereon shall be determined as follows:

Employees who did not work an hour of service on or after January 1, 2020:

Years of Service	Vested Percentage
Less than 2 years	0%
2 years	20%
3 years	50%
4 years	60%
5 years	80%
6 years or more	100%

Employees who work an hour of service on or after January 1, 2020:

Years of Service	Vested Percentage
Less than 2 years	0%
2 years	20%
3 years	50%
4 years	100%

Participant Loans: Participants may elect to borrow against their vested balance. The interest rate is fixed at the time of approval and is commensurate with local prevailing rates as determined by the Plan Administrator. Loans made shall be a minimum of \$1,000 and may be no more than one-half of the current value of the vested interest of such participant's account balance or \$50,000, whichever is less. Loan terms are limited to five years, but a longer term is permitted for the purchase of a principal residence. Generally, principal and interest is paid ratably through payroll deductions. Participants are limited to one outstanding loan at a time.

Payment of Benefits: On termination of service, a participant may elect to receive a lump-sum amount equal to the value of his or her account or installment payments as determined by the Plan Administrator.

Forfeitures: A participant's accrued vested benefit is determined on the date employment is terminated. The non-vested portion shall be forfeited and shall be used to offset required employer contributions. There were \$44,542 and \$63,499 forfeited non-vested accounts available as of December 31, 2023 and 2022, respectively. During 2023 and 2022, employer contributions were reduced by \$39,581 and \$62,347, respectively, and fees were reduced by \$1,838 and \$-0-, respectively, from forfeited non-vested accounts.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan (Continued)

Transfers: The Company also sponsors a separate defined contribution Plan for members of the law firm who are classified as “Of Counsel,” or “Membership Track Associate.” The statement of changes in net assets available for Plan benefits reflect transfers of account balances between the Plans for participants whose employment status changed, thereby changing the Plan in which they are allowed to participate.

Administrative Costs: Certain administrative expenses for the Plan are paid from the Plan assets or directly by the Plan Sponsor. In addition, certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officers or employees receive compensation from the Plan. Certain investment management fees are paid from Plan assets.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan’s investments in registered investment companies and in collective investment trusts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments include the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued interest. Delinquent loans are treated as distributions based upon the terms of the Plan document surrounding defaulted loans.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: In preparing these financial statements, the Plan Administrator has evaluated events and transactions for potential recognition or disclosure through September 16, 2024, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

Note 3. Information Certified by the Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to information certified as complete and accurate by Fidelity Management Trust Company, (the trustee of the Plan).

Note 4. Investments and Fair Value Measurements

The Plan measures, on a recurring basis, its investments at fair value in accordance with Financial Accounting Standards Board (FASB) codification *Fair Value Measurement*, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that are accessible to the Plan. These generally provide the most reliable evidence and are used to measure fair value whenever available. |
| Level 2 | Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, which are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted prices for similar assets in active markets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The inputs or methodology used for valuing investments are not an indication of the risk associated with investing in those securities.

The following are descriptions of valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment companies: Shares of registered investment companies (mutual funds) are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-ended mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

McNEES WALLACE & NURICK SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Investments and Fair Value Measurements (Continued)

Collective investment trusts: The Plan invests in certain collective index funds, managed separately by the Reliance Trust Company and Wilmington Trust. These underlying collective trusts are valued based upon the net asset value (NAV) of units of the collective trusts as reported to the Plan by the trusts. Net asset value is used as a practical expedient to estimate fair value because it is unlikely that the trust would sell the investment for an amount different than the reported net asset value. The units of each share class of the collective trusts are valued daily based on closing market prices of the underlying investments. The NAV per unit is computed by dividing the total assets of the trust, less its liabilities, by the total number of units outstanding as of the valuation date. Investment income earned is reinvested in the trust and included in the determination of unit values.

Self-directed brokerage accounts: Self-directed brokerage accounts consist of investments in money market funds, registered investment companies, common stocks and corporate bonds. The fair value of money market funds, registered investment companies (mutual funds) and common stocks is based on closing market prices for the identical security as reported in active markets or as reported by the mutual fund. Corporate bonds do not always trade on a daily basis, so the fair value of each security is dependent upon various pricing models that incorporate benchmark yields, interest rates, credit risk, broker-dealer quotes and other valuation processes.

Pooled separate accounts: Units of participation in pooled separate accounts are reported at the accumulated value of units held by the Plan at year-end as reported to the Plan by the insurance company. The accumulated unit value is determined daily by the custodians and is based on the net asset value of shares in the underlying fund, the fund's dividends and the contract's separate account charges. While some pooled separate accounts may have publicly quoted pricing inputs (Level 1), the account values of pooled separate accounts are not publicly quoted and are, therefore, classified as Level 2 investments.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain investments or financial instruments could result in a different fair value measurement at the reporting date.

Total	<u>\$ 3,060,555</u>	<u>\$ 4,005,980</u>			

- (A) New York Life Anchor Account - Series 1 is sponsored by Reliance Trust Company, LLC. The Anchor account is a stable value product that guarantees principal and accumulated interest and is designed to allow participant transactions at book value. The objective of this fund is to provide a low-risk, stable investment option with a competitive yield and limited volatility.
- (B) (1) MFS Mid Cap Growth Fund CIT is sponsored by Great Gray Collective Investment Trust (formerly Wilmington Trust Collective Investment Trust) sub-advised by MFS Institutional Advisors, Inc. The fund focuses on investing in mid-cap growth companies whose duration of growth potential the funder manager believes is underappreciated by the market. The Fund places an emphasis on high-quality above-average businesses with pricing power. The objective of this fund is capital appreciation.

NOTES TO FINANCIAL STATEMENTS

Note 4. Investments and Fair Value Measurements (Continued)

- (2) MFS Mid Cap Value Fund CIT is sponsored by Great Gray Collective Investment Trust (formerly Wilmington Trust Collective Investment Trust) sub-advised by MFS Institutional Advisors, Inc. The fund focuses on investing in the stocks of companies that the subadvisor believes are undervalued compared to their perceived worth (value companies). Value companies tend to have stock prices that are low relative to their earnings, dividends, assets or other financial measures. The objective of this fund is capital appreciation.
- (3) Great Gray Trust EuroPacific Growth Trust, Class CT is sponsored by Great Gray Collective Investment Trust. The fund invests in the Capital Group EuroPacific Growth Trust, a collective investment trust maintained by the Capital Bank and Trust Company. The objective of this fund is long-term capital growth.
- (C) Harbor Capital Appreciation CIT, Class R is sponsored by Harbor Funds. The fund invests primarily in equity securities, principally common and preferred stocks, of U.S. companies with market capitalizations of at least \$1 billion at the time of purchase and that the Sub-adviser considers having above average prospects of growth. The objective of this fund is long-term growth of capital.

Note 5. Investment Contract with Insurance Company

The Plan has entered into a group annuity contract with New York Life Insurance Company which provides for an investment in a pooled separate account. This account is credited with earnings on the underlying investments and charged for participant withdrawals and certain administrative expenses. The pooled separate account seeks to provide a low-risk, stable investment option that guarantees principal and accumulated interest.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7. Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of registered investment companies managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the Trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions.

McNEES WALLACE & NURICK SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 8. Tax Status

The Company has adopted a non-standardized pre-approved profit-sharing plan sponsored by Fidelity Management & Research Company, LLC (FMR LLC). The non-standardized pre-approved profit-sharing plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, as to the Plan's qualified status. The IRS has determined that the pre-approved plan is designed in accordance with the applicable sections of the Internal Revenue Code. The non-standardized pre-approved profit-sharing plan opinion letter has been relied upon by this Plan. Although the Plan has been amended subsequently, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Note 10. Plan Transfers

McNees Wallace & Nurick, LLC also sponsors a separate defined contribution Plan for Associates and Of Counsel members. The statements of changes in net assets available for Plan benefits reflects transfers of account balances between the Plans for participants whose employment status has changed, thereby changing the Plan in which they participate. In 2018, the Plan was amended to transfer employees of subsidiaries of the Company to the Plan for Associates and Of Counsel members.

Plan Administrator
McNees Wallace & Nurick Savings Plan
Harrisburg, Pennsylvania

We are pleased to present this report related to our audit of the financial statements of the McNees Wallace & Nurick Savings Plan (the Plan) for the year ended December 31, 2023. This report summarizes certain matters required by professional standards to be communicated to you in your oversight responsibility for McNees Wallace & Nurick Savings Plan's financial reporting process.

Auditing standards generally accepted in the United States of America (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities with Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated May 13, 2024. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated May 13, 2024, regarding the planned scope and timing of our audit and identified significant risks.

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Unusual Transactions

We did not identify any significant unusual transactions.

Management's Judgments and Accounting Estimates

Accounting estimates are an integral part of the preparation of financial statements and are based upon management's current judgment. The process used by management encompasses their knowledge and experience about past and current events and certain assumptions about future events. There are no particularly sensitive accounting estimates in the financial statements which should be brought to your attention for approval.

Financial Statement Disclosures

The disclosures in the financial statements are objective, consistent and clear. Certain financial statement disclosures are particularly sensitive because of their significance to the financial statement users.

Audit Adjustments and Uncorrected Misstatements

There was an audit adjustment made to reverse the prior year receivable and record the current year receivable.

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Form 5500 Filing

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

ERISA-Required Supplemental Schedule

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Observations About the Audit Process

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultations with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed with Management

No significant issues arising from the audit were discussed or were the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Difficult or Contentious Matters That Required Consultation

We did not encounter any significant and difficult or contentious matters that required consultation outside of the engagement team.

Shared Responsibilities: AICPA Independence

The AICPA regularly emphasizes that auditor independence is a **joint responsibility** and is managed most effectively when management, audit committees, and audit firms work together in considering compliance with AICPA independence rules. For Boyer & Ritter LLC to fulfill its professional responsibility to maintain and monitor independence, it is essential that management, the audit committee, and Boyer & Ritter LLC each play an important role.

Shared Responsibilities: AICPA Independence (Continued)

Our Responsibilities

- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. Boyer & Ritter LLC is to ensure that the AICPA's General Requirements for performing non-attest services are adhered to and included in all letters of engagement.
- Maintain a system of quality control over compliance with independence rules and firm policies.

Your Responsibilities

- Timely inform Boyer & Ritter LLC before the effective date of transactions or other business changes, of the following:
 - New affiliates, directors, officers, or person in financial reporting oversight roles.
 - New beneficial owners of the Company's equity securities that have significant influence.
 - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
- Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations.
- Understand and conclude on the permissibility, prior to the Plan and its affiliates, officers, directors, or persons in a decision-making capacity, engaging in business relationships with Boyer & Ritter LLC.
- Not entering into relationships resulting in Boyer & Ritter LLC, Boyer & Ritter LLC covered persons or their close family members, temporarily or permanently acting as an officer, director, or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.

Significant Written Communications between Management and Our Firm

Copies of significant written communications between our firm and the management of the Plan, including the representation letter, have been provided to us by management.
