Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Title 9 Sports, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

TITLE 9 SPORTS, INC. 401(k)
PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Title 9 Sports, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General

The Plan was established on January 1, 1997 by Title 9 Sports, Inc. (the "Company") to provide retirement benefits to eligible employees. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Administration

Empower Trust Company, LLC and Empower Annuity Insurance Company of America ("Empower") are the trustees and custodian of the Plan. An Empower affiliate, Empower Retirement, is third-party administrator of the Plan and is responsible for maintaining participant records.

C. Eligibility

Substantially all employees are eligible to make elective deferrals upon employment commencement. Substantially all employees of the Company who have attained age 21 and completion of one year of service are eligible to receive an allocation of Company contributions. The Plan specifically excludes leased employees and collectively bargained employees.

D. Participant Contributions

Participants may elect to have the Company contribute up to 86% of their eligible pre-tax compensation to the Plan subject to applicable Code limits. Participants of age 50 or older may make additional catch-up contributions. Participants who elect to have the Company contribute a portion of their pre-tax compensation to the Plan agree to accept an equivalent reduction in taxable compensation.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans subject to approval of the plan administrator. Such contributions are deposited in the appropriate investment funds in accordance with participant directions.

E. Company Contributions

The Company matches 100% of the first four percent of compensation deferred by participants. The Plan also permits the Company to make discretionary nonelective contributions. No nonelective contributions were made for the 2023 Plan year.

F. Vesting

Participant accounts are immediately 100% vested in their entire account balance.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

G. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Company contributions and Plan earnings or losses and expenses. Plan assets are invested based solely on instructions received from participants.

The contributions of participants who decline to make an investment election are invested in the American Funds Retirement Fund that is appropriate for the individual's age and projected date of retirement.

H. Payment of Benefits

Participants are eligible for benefits upon attainment of age 59½, retirement, disability or termination of service. Normal retirement age under the Plan is age 65. A participant's benefit under the Plan is equal to his or her account balance. Benefits are payable in a lump sum or installments. Hardship distributions (\$500 minimum) are permitted under limited circumstances subject to the approval of the plan administrator. The accounts of terminated participants valued at \$5,000 or less who do not make an affirmative election concerning distribution of their accounts may be distributed by the plan administrator in accordance with applicable provisions of the Code.

I. Expenses

Investment fund operating expenses, brokerage, administrative and trust fees are charged directly to the investment funds and are thereby factored into each investment fund as a reduction of investment return. Participant loan administration and benefit payment processing costs are charged directly to participants. Other costs incurred for administering the Plan may be paid by the Plan or the Company at management's discretion.

J. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. Such loans bear interest at available market financing rates. Principal and interest are paid ratably through payroll deductions. The plan administrator establishes the specific terms and conditions of participant loans. Notes receivable from participants at December 31, 2023 carry interest rates ranging from 5.75% to 9.50% with various maturities through December 2028 and are reported at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

TITLE 9 SPORTS, INC. 401(k)
PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are stated at fair value except for fully benefit responsive investment contracts which are stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents contributions made under a contract plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

D. Risks and Uncertainties

Plan investments include a variety of securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in value of investment securities will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 4 - TAX STATUS

The Company adopted a prototype plan that has received a favorable opinion letter from the Internal Revenue Service stating that the form of the Plan meets requirements for tax-exempt status. The Company believes the Plan is operated in accordance with and qualifies under applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain investments maintained under the Plan are issued by the trustees. Purchases and sales of these funds and payment of administrative fees from Plan assets are considered party-in-interest transactions under ERISA regulations. Such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustees.

NOTE 7 - FAIR VALUE MEASUREMENTS

Plan investments consist of mutual funds that are valued at the daily closing price reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded. The following table sets forth Plan investments measured at fair value based on the inputs used to value them at December 31:

	<u>2023</u>	<u>2022</u>
	<u>Level 1</u>	<u>Level 1</u>
Mutual Funds	\$ 12,668,610	\$ 11,044,343

NOTE 8 - KEY GUARANTEED PORTFOLIO FUND

The Key Guaranteed Portfolio Fund is maintained in an insurance company general account. Empower Annuity Insurance Company of America is contractually obligated to repay principal and a specified interest rate to the Plan. The methodology for calculating the interest crediting rate is based on the earnings of the underlying portfolio securities compared to the minimum interest crediting rate as stated in the contract and prevailing market conditions. The interest crediting rate is reset quarterly. The average yield earned by the plan can be derived by averaging the quarterly gross interest rates for the fund over the year. The averages for 2023 and 2022 are 1.23% and .93%, respectively.

The fund meets fully benefit-responsive investment contract criteria and is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions under the terms of the Plan. There are no reserves against contract value for credit risk of the contract issuer.

A provision in the contract prohibits the immediate pay out of investments in the fund at contract value for certain Plan level events. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.
