REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
Alzheimer's Association Retirement and Savings Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of Alzheimer's Association Retirement and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Alzheimer's Association Retirement and Savings Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF THE PLAN

The following brief description of the Alzheimer's Association Retirement and Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees, as defined, of the Alzheimer's Association (the Association or Employer). The Plan, established on May 10, 2001, is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Participation

Participants are eligible to make contributions upon date of hire. The Plan allows for automatic enrollment for participants. Unless affirmatively elected otherwise, all newly eligible employees will begin automatic pre-tax deferrals of 3% of eligible compensation within 30 days of the hire date. The deferral rate will increase automatically by 1% each year thereafter for auto-enrolled participants until reaching a maximum deferral rate of 5%.

Participants are eligible for employer contributions (matching and non-elective) after completing 1,000 hours and one year of service. The safe harbor 3% employer contribution is immediate upon hire.

Participant Contributions

Participants may elect to contribute to the Plan up to 80% of eligible compensation, as defined. Participants may also contribute amounts representing distributions from other qualified pension plans referred to as eligible rollovers. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also elect to contribute or roll over to the Roth 401(k) Plan. All participant contributions are subject to Internal Revenue Code (IRC) limitations.

Employer Contributions

The Association contributes an amount equal to 100% of the first 5% of eligible participants' compensation contributed to the Plan (matching employer contributions), which is funded bi-weekly. The Association currently contributes a 3% safe harbor contribution to eligible employees upon date of hire and may decide to make a 3% discretionary non-elective contribution.

The discretionary non-elective contribution to the Plan is based on the ratio that the participant's compensation bears to the total compensation paid to all eligible participants for the Plan year. As noted above, participants are eligible for discretionary non-elective employer contributions after one year of service and 1,000 hours worked. Discretionary non-elective employer contributions are made on a quarterly basis. Participants must be employed at the Association on the last day of the quarter to be eligible for the contribution. The discretionary non-elective contribution is subject to a five-year vesting schedule. The employer may decide to defer or suspend any quarterly discretionary non-elective contributions. For the years ended December 31, 2023 and 2022, discretionary non-elective contributions made to the Plan were approximately \$3,958,000 and \$3,767,000, respectively.

Participant Accounts

Each participant's account is credited with participant and employer contributions and an allocation of Plan earnings based on account balances, as defined. The benefit to which a participant is entitled is that which can be provided from the participant's account.

Alzheimer's Association Retirement and Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Vesting

Participants are immediately vested in their voluntary contributions, safe harbor contributions, rollover amounts and employer matching contribution. Participants are vested in the discretionary non-elective contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts are used to reduce future employer contributions or pay administrative expenses of the Plan. The balance of forfeitures was \$29,992 and \$57,801 at December 31, 2023 and 2022, respectively. No forfeitures were used to pay for administrative expenses during 2023 and 2022. Forfeitures in the amount of \$198,176 and \$148,895 were used to reduce employer contributions during 2023 and 2022, respectively.

Payment of Benefits

Benefits generally are made only upon termination of service, retirement, death, disability, hardship or attainment of age 59½, as defined. Benefits are paid to the participant or participant's beneficiary in a lump-sum payment. Participants who terminate employment and whose account balances do not exceed \$1,000 shall receive an immediate lump-sum cash distribution.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of the participant's vested account balance or \$50,000, reduced by the highest outstanding loan balance during the prior 12-month period. Loans are repaid over a five-year period, or up to 15 years for the purchase of a principal residence, through payroll deductions. Loans will be calculated based on the prime rate plus 1% for general purpose and home loans. This interest rate range of 4.25% - 9.5% is applicable for the years ended December 31, 2023 and 2022. Loans are secured by the participants' vested account balances. Participants can have up to 2 loans outstanding at any given time.

Investment Options

Fidelity Management Trust Company (Fidelity) is the trustee of the Plan. Under the terms of the agreement, Fidelity invests contributions in various investment options offered by the Plan in proportions specified by participants.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Alzheimer's Association Retirement and Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. See Note C for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Plan Termination

Although it has not expressed any intent to do so, the Association has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Should the Plan terminate, participants will become 100% vested in their entire account balances.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administrative Expenses

Substantially all Plan expenses are paid directly by the Association. Expenses paid by the Plan are for record-keeping services.

NOTE C - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board has issued guidance that provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs using valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 - Unadjusted quoted prices in active markets for identical assets and liabilities.

Level 2 - Observable inputs other than those included in Level 1; for example, quoted prices for similar assets, liabilities in active markets or quoted prices for identical assets or liabilities in inactive markets, or inputs other than quoted prices that are observable for the asset or liability.

Level 3 - Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability that are significant to the fair value measurement.

Fair value measurement is based on the lowest level of input that is significant to the fair value of the instrument.

Alzheimer's Association Retirement and Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

The following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: Shares of mutual funds are valued at the quoted net asset values of the shares held by the Plan at year-end.

Collective trust fund: The fair value of the collective trust fund is based on the NAV of the fund's underlying investments, as reported by the fund manager. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that a fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 231,664,209	\$ -	\$ -	\$ 231,664,209
Total assets in the fair value hierarchy	<u>\$ 231,664,209</u>	<u>\$ -</u>	<u>\$ -</u>	231,664,209
Investments measured at NAV as a practical expedient				<u>3,407,255</u>
Total assets at fair value				<u>\$ 235,071,464</u>
	2022			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 185,723,769	\$ -	\$ -	\$ 185,723,769
Total assets in the fair value hierarchy	<u>\$ 185,723,769</u>	<u>\$ -</u>	<u>\$ -</u>	185,723,769
Investments measured at NAV as a practical expedient				<u>3,416,242</u>
Total assets at fair value				<u>\$ 189,140,011</u>

In accordance with Accounting Standards Update 2015-07, investments that are measured at fair value using the NAV per share as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented are intended to permit reconciliation of fair value hierarchy to the total value of plan assets.

Alzheimer's Association Retirement and Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

The 2022 financial statements previously reported a certain investment as a mutual fund and classified them in Level 1 of the fair value hierarchy. It has been determined that the fund is valued at NAV as noted in the descriptions above. The classification of the collective fund within the fair value hierarchy for 2022 have been revised from Level 1 to NAV as a practical expedient, consistent with the classification for 2023.

NOTE D - RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Additionally, notes receivable from participants qualify as party-in-interest transactions.

NOTE E - TAX STATUS

The underlying non-standardized prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan is qualified under Section 401 of the IRC and, therefore, the related trust is tax-exempt. The Plan sponsor has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan sponsor believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Alzheimer's Association Retirement and Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

NOTE G - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income (loss) and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023.

NOTE H - SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2023, financial statements for subsequent events through September 11, 2024, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events that would require recognition or additional disclosure in the financial statements.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
Alzheimer's Association Retirement and Savings Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of Alzheimer's Association Retirement and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Alzheimer's Association Retirement and Savings Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF THE PLAN

The following brief description of the Alzheimer's Association Retirement and Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees, as defined, of the Alzheimer's Association (the Association or Employer). The Plan, established on May 10, 2001, is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Participation

Participants are eligible to make contributions upon date of hire. The Plan allows for automatic enrollment for participants. Unless affirmatively elected otherwise, all newly eligible employees will begin automatic pre-tax deferrals of 3% of eligible compensation within 30 days of the hire date. The deferral rate will increase automatically by 1% each year thereafter for auto-enrolled participants until reaching a maximum deferral rate of 5%.

Participants are eligible for employer contributions (matching and non-elective) after completing 1,000 hours and one year of service. The safe harbor 3% employer contribution is immediate upon hire.

Participant Contributions

Participants may elect to contribute to the Plan up to 80% of eligible compensation, as defined. Participants may also contribute amounts representing distributions from other qualified pension plans referred to as eligible rollovers. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also elect to contribute or roll over to the Roth 401(k) Plan. All participant contributions are subject to Internal Revenue Code (IRC) limitations.

Employer Contributions

The Association contributes an amount equal to 100% of the first 5% of eligible participants' compensation contributed to the Plan (matching employer contributions), which is funded bi-weekly. The Association currently contributes a 3% safe harbor contribution to eligible employees upon date of hire and may decide to make a 3% discretionary non-elective contribution.

The discretionary non-elective contribution to the Plan is based on the ratio that the participant's compensation bears to the total compensation paid to all eligible participants for the Plan year. As noted above, participants are eligible for discretionary non-elective employer contributions after one year of service and 1,000 hours worked. Discretionary non-elective employer contributions are made on a quarterly basis. Participants must be employed at the Association on the last day of the quarter to be eligible for the contribution. The discretionary non-elective contribution is subject to a five-year vesting schedule. The employer may decide to defer or suspend any quarterly discretionary non-elective contributions. For the years ended December 31, 2023 and 2022, discretionary non-elective contributions made to the Plan were approximately \$3,958,000 and \$3,767,000, respectively.

Participant Accounts

Each participant's account is credited with participant and employer contributions and an allocation of Plan earnings based on account balances, as defined. The benefit to which a participant is entitled is that which can be provided from the participant's account.

Alzheimer's Association Retirement and Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Vesting

Participants are immediately vested in their voluntary contributions, safe harbor contributions, rollover amounts and employer matching contribution. Participants are vested in the discretionary non-elective contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts are used to reduce future employer contributions or pay administrative expenses of the Plan. The balance of forfeitures was \$29,992 and \$57,801 at December 31, 2023 and 2022, respectively. No forfeitures were used to pay for administrative expenses during 2023 and 2022. Forfeitures in the amount of \$198,176 and \$148,895 were used to reduce employer contributions during 2023 and 2022, respectively.

Payment of Benefits

Benefits generally are made only upon termination of service, retirement, death, disability, hardship or attainment of age 59½, as defined. Benefits are paid to the participant or participant's beneficiary in a lump-sum payment. Participants who terminate employment and whose account balances do not exceed \$1,000 shall receive an immediate lump-sum cash distribution.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of the participant's vested account balance or \$50,000, reduced by the highest outstanding loan balance during the prior 12-month period. Loans are repaid over a five-year period, or up to 15 years for the purchase of a principal residence, through payroll deductions. Loans will be calculated based on the prime rate plus 1% for general purpose and home loans. This interest rate range of 4.25% - 9.5% is applicable for the years ended December 31, 2023 and 2022. Loans are secured by the participants' vested account balances. Participants can have up to 2 loans outstanding at any given time.

Investment Options

Fidelity Management Trust Company (Fidelity) is the trustee of the Plan. Under the terms of the agreement, Fidelity invests contributions in various investment options offered by the Plan in proportions specified by participants.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Alzheimer's Association Retirement and Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. See Note C for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Plan Termination

Although it has not expressed any intent to do so, the Association has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Should the Plan terminate, participants will become 100% vested in their entire account balances.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administrative Expenses

Substantially all Plan expenses are paid directly by the Association. Expenses paid by the Plan are for record-keeping services.

NOTE C - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board has issued guidance that provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs using valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 - Unadjusted quoted prices in active markets for identical assets and liabilities.

Level 2 - Observable inputs other than those included in Level 1; for example, quoted prices for similar assets, liabilities in active markets or quoted prices for identical assets or liabilities in inactive markets, or inputs other than quoted prices that are observable for the asset or liability.

Level 3 - Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability that are significant to the fair value measurement.

Fair value measurement is based on the lowest level of input that is significant to the fair value of the instrument.

Alzheimer's Association Retirement and Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

The following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: Shares of mutual funds are valued at the quoted net asset values of the shares held by the Plan at year-end.

Collective trust fund: The fair value of the collective trust fund is based on the NAV of the fund's underlying investments, as reported by the fund manager. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that a fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 231,664,209	\$ -	\$ -	\$ 231,664,209
Total assets in the fair value hierarchy	<u>\$ 231,664,209</u>	<u>\$ -</u>	<u>\$ -</u>	231,664,209
Investments measured at NAV as a practical expedient				<u>3,407,255</u>
Total assets at fair value				<u>\$ 235,071,464</u>
	2022			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 185,723,769	\$ -	\$ -	\$ 185,723,769
Total assets in the fair value hierarchy	<u>\$ 185,723,769</u>	<u>\$ -</u>	<u>\$ -</u>	185,723,769
Investments measured at NAV as a practical expedient				<u>3,416,242</u>
Total assets at fair value				<u>\$ 189,140,011</u>

In accordance with Accounting Standards Update 2015-07, investments that are measured at fair value using the NAV per share as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented are intended to permit reconciliation of fair value hierarchy to the total value of plan assets.

Alzheimer's Association Retirement and Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

The 2022 financial statements previously reported a certain investment as a mutual fund and classified them in Level 1 of the fair value hierarchy. It has been determined that the fund is valued at NAV as noted in the descriptions above. The classification of the collective fund within the fair value hierarchy for 2022 have been revised from Level 1 to NAV as a practical expedient, consistent with the classification for 2023.

NOTE D - RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Additionally, notes receivable from participants qualify as party-in-interest transactions.

NOTE E - TAX STATUS

The underlying non-standardized prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan is qualified under Section 401 of the IRC and, therefore, the related trust is tax-exempt. The Plan sponsor has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan sponsor believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Alzheimer's Association Retirement and Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

NOTE G - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income (loss) and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023.

NOTE H - SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2023, financial statements for subsequent events through September 11, 2024, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events that would require recognition or additional disclosure in the financial statements.
