INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Urban Engineering & Associates, Inc. 401(k) Plan
Annandale, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Urban Engineering & Associates, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Urban Engineering & Associates, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 *CFR* 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 *CFR* 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator of
Urban Engineering & Associates, Inc. 401(k) Plan

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Urban Engineering & Associates, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Urban Engineering & Associates, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Cont.)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Urban Engineering & Associates, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Urban Engineering & Associates, Inc. 401(k) Plan ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – schedule of assets (held at end of year as of December 31, 2023) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator of
Urban Engineering & Associates, Inc. 401(k) Plan

Other Matter - Supplemental Schedule Required by ERISA (Cont.)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Urban Engineering & Associates, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 1 - Description of Plan

The following description of the Urban Engineering & Associates, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General: Urban Engineering & Associates, Inc. 401(k) Plan, established January 1, 1988 and restated effective December 1, 2017, is a defined contribution plan covering substantially all employees of Urban Engineering & Associates, Inc. (the “Employer”). An employee becomes eligible to participate in the salary deferral feature of the Plan on the first day of the month, coincident with or next following the date he or she completes three consecutive months of service and is age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Urban Engineering & Associates, Inc. is the plan administrator, Ascensus Trust Company (“Ascensus Trust”) is the asset trustee and Ascensus, Inc. (“Ascensus”) is the record keeper of the Plan.

Contributions: Eligible employees may elect to defer up to 100% of his or her compensation and have such deferrals contributed by the Employer to his or her account under the Plan. Participant contributions are subject to the annual Internal Revenue Code limits as adjusted each year. This may be further limited so that the Plan complies with the 401(k) and 401(m) nondiscrimination tests. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. On December 1, 2017 the Plan was amended to incorporate an automatic enrollment and salary deferral feature. For newly eligible participants, salary deferrals equal to 3% of eligible compensation will be contributed as pre-tax deferrals. Participants may elect a different deferral amount or elect not to defer. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Employer contributions are determined at the discretion of the Employer’s management. For the plan years ended December 31, 2023 and 2022, the Employer matched 30% of each qualifying contributing participant’s elective deferral. The discretionary matching Employer contributions are invested in a portfolio of investments as directed by the participant.

Participant Accounts: Each participant’s account is credited with the participant’s contribution and allocations of (a) the Employer’s contribution and, (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Contributions are invested, at the discretion of the participants, in one, several, or all of the investment alternatives selected by the plan administrator.

Urban Engineering & Associates, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2023 and 2022

Note 1 - Description of Plan (Cont.)

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting of the Employer's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant becomes 20 percent vested after two years of credited service, and then 20 percent of each year thereafter. Therefore, a participant will become 100 percent vested after 6 years of credited service. A participant will also become fully vested upon attainment of normal retirement age, early retirement age, retirement due to disability, death, or upon termination of the Plan.

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in nonrecurring partial payments from the vested portion of their individual account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Eligible distributions may also be rolled over to another qualifying plan or IRA. Hardship withdrawals are permitted in accordance with Internal Revenue Service regulations.

Administrative Expenses: The administrative expenses related to the Plan's Trustee are paid by the Plan. The Employer pays all other administrative expenses of the Plan.

Notes Receivable from Participants: Loans are not permitted under the Plan.

Forfeited Accounts: At December 31, 2023 and 2022, there were no forfeited accounts.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America. This basis of accounting involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2023 and 2022

Note 2 - Summary of Accounting Policies (Cont.)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value as reported by Ascensus Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Also see Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions and Related Receivables

Contributions from the Employer and the participants of the Plan are accrued in the period in which they come obligations under provisions of the Plan agreement. The Employer matching contributions are recorded in the year in which the associated participant contributions are withheld from the amounts paid. Plan management has determined that all contribution receivables are fully collectible and therefore no allowance for credit losses has been established.

The Plan reported employer's contributions receivable as a contributions due which relates to work performed on or before December 31. Management of the Plan evaluates participating employer's contributions receivable periodically for potential uncollectible amounts based on the likelihood of collection. As of December 31, 2023 and 2022, there were no allowances for credit losses established.

Payment of Benefits

Benefits are recorded when paid. Benefits paid to participants amounts to \$1,091,663 and \$1,023,251 for the years ended December 31, 2023 and 2022, respectively.

New Accounting Pronouncement

In June 2016, the FASB issued *ASU 2016-13, "Financial Instruments – Credit Losses"* (Topic 326) which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Plan that are subject to the guidance in *FASB ASC 326* were employer contributions receivable and participant contributions receivable.

The Plan adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new and enhanced disclosures only.

Note 3 - Information Prepared and Certified by Trustee

Investment Data

All data contained in the statements of net assets available for benefits, statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the Schedule H, Line 4i – Schedule of assets (held at end of year) for the year ended December 31, 2023 was summarized from information supplied and certified as complete and accurate by the Ascensus Trust Company, the Trustee of the Plan.

Schedule of Assets Held for Investment Purposes

The accompanying Schedule H, Line 4i – Schedule of assets (held at end of year) represents a detailed listing of all investments held by the Plan as of December 31, 2023.

Note 4 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ASC 820-10 Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under *FASB ASC820* are as described as follows:

- Level 1: Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- Level 2: Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs that are unobservable and supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

NOTES TO FINANCIAL STATEMENTS (Cont.)

Note 4 - Fair Value Measurements (Cont.)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan has no Level 2 or Level 3 investments. The Plan's Level 1 investments comprise of money market and mutual funds valued at \$11,583,425 and \$10,194,597 as of December 31, 2023 and 2022, respectively. Registered investment companies and money market funds are valued at the daily closing prices as reported by the funds in active markets. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies and money market funds held by the Plan are deemed to be actively traded.

Money market funds: A money market fund is a type of fixed income mutual fund that invests in debt securities characterized by their short maturities and minimal credit risk. Money market mutual funds are among the lowest-volatility types of investments.

Registered investment companies: Registered investment companies are valued at the daily closing prices as reported by the funds. Registered investment companies held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The table below presents the balances of assets measured at fair value on a recurring basis by level within the hierarchy as of December 31:

	2023			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 1,044,407	\$ -	\$ -	\$ 1,044,407
Registered investment companies	10,539,018	-	-	10,539,018
Total assets at fair value	<u>\$ 11,583,425</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,583,425</u>
	2022			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 1,159,455	\$ -	\$ -	\$ 1,159,455
Registered investment companies	9,035,142	-	-	9,035,142
Total assets at fair value	<u>\$ 10,194,597</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,194,597</u>

Gains and losses (realized and unrealized) are included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022 and are reported in net appreciation (depreciation) in fair value of investments.

Note 5 - Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Ascensus Trust Company. Ascensus Trust Company is the Trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. For the years ended December 31, 2023 and 2022, fees paid by the Plan for the investment management services amounted to \$16,130 and \$16,005, respectively. Potomac Wealth Management is the investment fiduciary and provides investment advisory services to the Plan, and therefore, these transactions qualify as party-in-interest transactions. For the years ended December 31, 2023 and 2022, fees paid by the Plan for the investment management services amounted to \$29,973 and \$31,354, respectively.

Note 6 - Reportable Transactions

A reportable transaction is a transaction, or series of transactions, exceeding five percent of the current value of the Plan's assets at the end of the year. During the Plan year ended December 31, 2023 and 2022, there were no reportable transactions.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net value of each participant's account shall become fully vested and no portion of the Plan's assets may be used for any purpose other than the exclusive benefit of the participants and their beneficiaries.

Note 8 - Tax Status

The plan was amended and restated December 1, 2017 to incorporate an automatic contribution arrangement. The Plan utilizes the Non-standardized Profit Sharing Plan with CODA as provided by Ascensus, Inc., which obtained its latest advisory letter on June 30, 2020, whereby the IRS stated that the Non-standardized Profit Sharing Plan with CODA, as then designed, was in compliance with the applicable requirement of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are no current audits for any tax periods in progress.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 - Subsequent Events

The Plan has evaluated the impact of subsequent events. There have been no subsequent events through September 3, 2024, the day the Plan's financial statements were available to be issued, that require recognition or disclosure.

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
