INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Triad Metals 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Triad Metals 401(k) Savings Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Capital Bank and Trust Company, a qualified institution, as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS.") Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

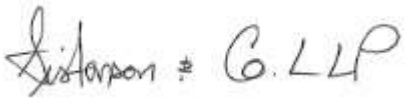

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - PLAN DESCRIPTION

The following description of Triad Metals 401(k) Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide supplemental retirement benefits for employees of Triad Metals, Inc. d/b/a Triad Metals or any affiliate who has adopted the Plan ("Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Employees become eligible to participate in the Plan on the first day of the month following sixty days of service, provided that they are an eligible employee at the end of that period. If they do not meet the requirement as specified, they will also be eligible for the Plan if they complete 1,000 hours of service in an eligibility computation period, provided that they are an eligible employee at the end of that period. The Plan has an auto enrollment feature for all eligible employees who do not opt out. The automatic deferral for those who do not opt out is 4%.

Contributions

Participants may elect to defer up to 100% of their compensation on a pre-tax basis. Federal law also limits the amount you may elect to defer under this Plan and any other retirement plan permitting 401(k) contributions during any calendar year ($22,500 in 2023 and $20,500 in 2022). However, if a participant is age 50 or over, they may defer an additional amount of up to $7,500 (in 2023) and $6,500 (in 2022). The Internal Revenue Code may further restrict 401(k) contribution elections by participants considered to be highly compensated.

The Company may, in its sole discretion, make a matching contribution on behalf of participants. In addition, the Company may, in its sole discretion, make a profit sharing contribution to the Plan on behalf of all participants who have completed at least 1,000 hours of service during the Plan year and are employed by the Company on the last day of the Plan year.

Participant accounts

Each participant's account is increased for employee deferred salary contributions and employer contributions, reduced for withdrawals, and increased or decreased for an allocation of Plan earnings (losses) based on the investment options elected by the participant, net of allocated administrative expenses.

NOTE 1 - PLAN DESCRIPTION (continued)

Vesting and forfeited amounts

Participants are always 100% vested in deferral contributions and any earnings thereon. After one year of service, participants begin to vest in the Company's contributions at the following rates:

One year but less than two years - 10%
Two years but less than three years - 20%
Three years but less than four years - 40%
Four years but less than five years - 70%
Five years but less than six years - 100%

Participants will forfeit the portion of their accrued benefit that is not vested upon termination of employment with the Company. The forfeitures are used to reduce future employer contributions or pay administrative expenses of the Plan. As of December 31, 2023 and 2022, forfeited accounts totaled $118,706 and $110,165, respectively. During the years ended December 31, 2023 and 2022, $37,385 and $35,183, respectively, of forfeited account balances were used to reduce employer contributions to the Plan.

Notes receivable from participants

Participants may borrow from their accounts up to the lesser of 50% of their vested balance or $50,000 minus the highest outstanding balance of loans in the past 12 months. Loans are repaid by regular payroll reductions over a maximum of five years, or thirty years for the purchase of a principal residence. Outstanding loans that are not repaid when a participant withdraws from the Plan are classified as benefit payments in the statements of changes in assets available for benefits. There were $229,415 and $225,119 of participant loans outstanding under the Plan as of December 31, 2023 and 2022, respectively. Interest rates on outstanding loans ranged from 4.25% to 9.50% as of December 31, 2023 and 4.25% to 8.00% as of December 31, 2022.

Distribution of benefits

The entire account balance is paid in a lump sum to the participant, or designated beneficiary, in the event of death, retirement, permanent disability, or termination of employment with the Company. A participant may also, in the event of hardship, be permitted to withdraw all or a portion of deferred salary contributions and employer profit-sharing and matching contributions, in accordance with Plan provisions.

The Plan allows for automatic distributions for terminated participants with account balances under certain dollar thresholds, when the participant has not requested a different treatment. Vested account balances of less than $1,000 are automatically distributed to terminated participants. Vested account balances between $1,000 and $5,000 are automatically distributed to an individual retirement account or annuity for the benefit of terminated participants.

NOTE 1 - PLAN DESCRIPTION (continued)

Administrative expenses

The Plan's provisions provide that administrative costs be paid out of the Plan, except to the extent that the Company has elected to pay part or all of such costs. During the years ended December 31, 2023 and 2022, the Company contributed amounts to the Plan in excess of the Plan's actual administrative costs.

Revenue sharing credits

The Plan's funds provide for revenue sharing at a rate of 0.15% of the average quarterly account balance, the credits of which can be applied to administrative costs of the Plan. During the years ended December 31, 2023 and 2022, these credits totaled $22,730 and $24,169, respectively, and are presented as other additions in the statements of changes in assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of changes in assets during the reporting period. Actual results could differ from those estimates.

Investments

The Plan provides participants the opportunity to direct both participant and Company contributions into separate investment funds. However, the investing activity within the funds is discretionary, and the individual investment managers have the authority to make investment decisions.

At December 31, 2023 and 2022, investments are reported at their fair values as reported by Capital Bank and Trust Company. The Plan's mutual fund investments are stated at fair value, as determined by quoted market prices. The Plan's common collective trust investment is stated at the net asset value ("NAV") of units held by the Plan at year end. NAV is used as a practical expedient to estimate fair value.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments (continued)

The Plan's investments that are stated at fair value as measured by quoted market prices. Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Interest and dividend income is recorded as earned. All gains and losses (realized and unrealized) on investments recorded at fair value, bought and sold as well as held during the year are included in net appreciation (depreciation) in fair value of investments reported within the statements of changes in assets available for benefits.

The Plan provides various investment options offered through the trustee of the Plan. The underlying investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of assets available for benefits and participants' individual account balances.

Contributions

Employee contributions are recorded when withheld from the participant's compensation. Employer match contributions are recorded at that same time. Additional employer retirement contributions are recorded as approved.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of benefits

Benefit payments are recorded when paid.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through September 19, 2024, the date on which the financial statements were available to be issued.

NOTE 3 - CERTIFICATION

All information related to investment assets, investment transactions, related income, and notes receivable from participants is disclosed in the accompanying financial statements and supplemental schedule of assets held at end of year, and is certified as complete and accurate by the Capital Bank and Trust Company, the trustee of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 4 - FAIR VALUE MEASUREMENT

Investments measured and reported at fair value, except for those measured and reported using NAV, are classified and disclosed in one of the following categories based on the extent of market observability:

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments reported as Level I include mutual funds.

Level II – Pricing inputs are other than quoted market prices included in Level I, however, are observable either directly or indirectly for the investment. The Plan does not carry any of these investments.

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not carry any of these investments.

The valuation of the Plan's investments by the above fair value hierarchy levels are as follows as of December 31:

	2023				
	Level I	Level II	Level III	Investments measured at NAV	Total
Mutual funds	$ 31,902,153	$ --	$ --	$ --	$ 31,902,153
Common collective trust	--	--	--	1,008,192	1,008,192
	$ 31,902,153	$ --	$ --	$ 1,008,192	$ 32,910,345

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

	2022				
	Level I	Level II	Level III	Investments measured at NAV	Total
Mutual funds	$ 26,423,860	$ --	$ --	$ --	$ 26,423,860
Common collective trust	--	--	--	1,564,054	1,564,054
	$ 26,423,860	$ --	$ --	$ 1,564,054	$ 27,987,914

The following additional information is provided regarding the Plan's common collective trust included in the above tables:

Investment	2023 fair value	2022 fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Reliance MetLife GAC Series 25157 Class 35	$ 1,008,192	$ 1,564,054	$ --	Daily	30 days

The Reliance MetLife GAC Series 25157 Class 35 is a common collective trust that primarily invests in high-quality guaranteed investment contracts and security-backed investment contracts issued by insurance companies, banks, and other financial institutions, with the objective of delivering intermediate-bond-like returns while seeking to maintain a stable net asset value.

NOTE 5 - TERMINATION

Although not expressing any intention to do so, the Company reserves the right to terminate the Plan at any time. In the event of termination of the Plan, the interest of participants affected by the termination and their beneficiaries under the Plan shall be non-forfeitable.

NOTE 6 - INCOME TAX STATUS

The Plan is operating under a volume submitter plan document of CCH Incorporated DBA FtWilliam Com that was established to comply with the applicable requirements of the Internal Revenue Code. The Plan obtained its latest advisory letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the advisory letter. However, the Plan administrator believes the Plan is currently designed and being operated, in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

NOTE 6 - INCOME TAX STATUS (continued)

In accordance with U.S. GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2020.

NOTE 7 - RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds issued by American Funds, who also provides recordkeeping services to the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management and trustee services to Capital Group Retirement Plan Services qualify as party-in-interest transactions and amounted to $2,200 and $1,775 for the years ended December 31, 2023 and 2022, respectively. The Plan also holds notes receivable from participants which qualify as party-in-interest transactions.

NOTE 8 - EMPLOYER CORRECTIVE CONTRIBUTIONS

During 2021, the Company inadvertently excluded certain types of payroll for salary deferral contributions and thus miscalculated contributions for certain participants. During the years ended December 31, 2023 and 2022, the Company remitted $1,000 and $7,010, respectively, of corrective qualified non-elective contributions to the Plan under the Internal Revenue Service Self-Correction Program (“SCP) related to this error. As of December 31, 2023, employer corrective contributions receivable of $745 and $1,745 are included in the statements of assets available for benefits as of December 31, 2023 and 2022, respectively.
