## Independent Auditor's Report

Plan Administrator  
News-2-You, Inc. 401(k) Plan  
Huron, Ohio

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of News-2-You, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

---

### 1. Description of the Plan

The following description of the News-2-You, Inc. 401(k) Plan (the Plan), provides only general information. Therefore, participants should refer to the Plan agreement or Summary Plan Description (SPD) for a more complete description of the Plan's provisions.

#### *General*

The Plan is a participant-directed defined contribution plan covering substantially all employees of News-2-You, Inc. (the Plan Sponsor). The Plan is designed to comply with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), and the Internal Revenue Code (IRC). The Plan's financial statements and supplemental schedule have been prepared in compliance with ERISA and with accounting principles generally accepted in the United States of America (U.S. GAAP).

#### *Administration*

Effective January 1, 2022, the Plan was restated with no changes to the structure of the Plan.

#### *Eligibility*

Employees who have attained the age of 18 and completed three consecutive months of service (as defined) with the Company are eligible to enroll in the Plan. Eligible employees may enroll in the Plan on the first day of the month following the date on which eligibility requirements are met.

#### *Participant Contributions*

Participants may contribute a voluntary percentage or dollar amount of pre-tax annual compensation, as defined by the Plan. Contributions are subject to limitations on annual additions and other limitations imposed by the IRC as defined in the Plan document. Eligible participants may make a rollover contribution to the Plan as a distribution from a prior employer's qualified Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and have attained age 50 before the close of the Plan year may make catch-up contributions in accordance with, and subject to the limitations imposed by the IRC.

#### *Employer Contributions*

The Company may make a discretionary contribution on behalf of each participant equal to a percentage of the participant's eligible compensation. The Company elected to contribute 1.24% of eligible compensation to the Plan in 2023. The discretionary contribution totaled \$274,010 for the year ended December 31, 2023.

The Company has elected to make a safe harbor matching contribution on behalf of each participant equal to 3% of eligible compensation to the Plan. The Company may also make other contributions subject to IRC limitations, as determined by the Company. Employer contributions are approved by management before the beginning of each Plan year. Contributions are subject to certain

# News-2-You, Inc. 401(k) Plan

## Notes to Financial Statements

---

limitations. The safe harbor matching contributions totaled \$668,891 for the year ended December 31, 2023.

### ***Participant Accounts***

Each participant's account is credited with the participant's contributions, including amounts rolled over from other qualified plans, the Company's safe harbor and profit-sharing and discretionary contributions, and an allocation of the Plan's earnings and administrative fees, as defined by the Plan document. Allocations of earnings are based on participant account balances. Other discretionary amounts contributed to the Plan by the Company are allocated to participant accounts based on compensation.

### ***Vesting***

Participants are immediately vested in their contributions, rollover contributions, and safe harbor contributions and actual earnings or losses thereon. Vesting in the Company's discretionary contributions, if any, is based on years of service as follows:

Years of Credited Service	Vesting Percentage (%)
<2	-
2	20
3	40
4	60
5	80
6 or more	100

Upon death or disability, the participant (or his/her beneficiary in case of his/her death) becomes 100% vested in the Plan. Upon reaching normal retirement age of 65 or after six years in the Plan, the participant becomes 100% vested in the Plan.

### ***Forfeitures***

Forfeitures of terminated participants' non-vested account balances are retained in the Plan and may first be used to pay administrative expenses. Remaining amounts will be used to reduce future Employer contributions to the Plan. There were no forfeitures used to reduce discretionary contributions during the year ended December 31, 2023. As of December 31, 2023 and 2022 the balances of unused forfeitures were \$56,378 and \$20,701, respectively.

### ***Payment of Benefits***

The benefit to which a participant is entitled equals the value of the participant's vested interest in his or her account. Upon termination of service due to death, disability, severance, or retirement; a participant may elect to receive a lump-sum payment equal to the vested portion of his or her account. Upon termination of employment, vested account balances of less than \$5,000 may be distributed in a lump sum or rolled over to another qualified plan or an Individual Retirement Account or Annuity for the benefit of the participant.

# News-2-You, Inc. 401(k) Plan

## Notes to Financial Statements

---

### *Notes Receivable from Participants*

Participants may borrow from their accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. Participants may have only one loan outstanding at a time. The notes are secured by the vested balance in the participant's account and bear interest at a reasonable rate determined by the Company. Interest rates ranged from 4.25% to 9.50% as of December 31, 2023 and 2022. Any loan must be repaid within five years unless otherwise approved. Principal and interest are paid ratably through payroll deductions. Participant loans receivable are stated at the unpaid principal balance, plus accrued interest. No allowance is recorded as the loans are secured by the participant's account balance as of December 31, 2023 and 2022.

### *Administrative Expenses*

Administrative expenses may be paid by the Company. However, the Plan may pay transaction fees which are charged directly to the specific participant generating the transaction.

## **2. Summary of Significant Accounting Policies**

### *Basis of Accounting*

The accompanying financial statements have been prepared in conformity with U.S. GAAP.

### *Use of Estimates*

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

### *Risks and Uncertainties*

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported on the financial statements.

# News-2-You, Inc. 401(k) Plan

## Notes to Financial Statements

---

### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses for investments bought and sold as well as held during the year.

### *Payment of Benefits*

Benefits paid to participants are recorded when paid.

### *Evaluation of Subsequent Events*

The Plan has evaluated subsequent events through September 18, 2024, the date that the financial statements were available to be issued. No material transactions have occurred that require recognition or disclosure in the financial statements.

## **3. Fair Value Measurements**

Accounting Standards Codification Topic 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobserved inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

# News-2-You, Inc. 401(k) Plan

## Notes to Financial Statements

---

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

*Registered Investment Companies (Mutual Funds)* - Investments in registered investment companies are valued at the daily closing price as reported by the fund manager. Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

*Common/Collective Trusts* - Valued using NAV as a practical expedient, as reported by the fund manager, based on the underlying investments. The common/collective trusts held by the Plan provide for daily redemptions by the Plan at the reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. The investment objective of the collective trust is to provide preservation of capital and provide relatively stable returns consistent with a low risk profile. There are no redemption restrictions or unfunded commitments on these investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present the Plan's fair value hierarchy by asset class for those assets measured at fair value:

### ***December 31, 2023***

	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 2,217,189	\$ -	\$ -	\$ 2,217,189
Common collective trust: Investment measured at NAV*				9,447,834
<b>Total Investments</b>			\$	<b>11,665,023</b>

### ***December 31, 2022***

	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 1,856,751	\$ -	\$ -	\$ 1,856,751
Common collective trust: Investment measured at NAV*				7,278,150
<b>Total Investments</b>			\$	<b>9,134,901</b>

\* Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

# News-2-You, Inc. 401(k) Plan

## Notes to Financial Statements

The following table summarizes investments measured at fair value based on NAV as a practical expedient:

*December 31,*

	2023	2022	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trusts:					
Retirement funds <sup>(a)</sup>	\$ 9,447,834	\$ 7,278,150	N/A	Daily	None
Total investments measured at NAV as a practical expedient	\$ 9,447,834	\$ 7,278,150			

<sup>(a)</sup> Retirement funds, as categorized by the Plan's custodian, invest in shares of other services of investment company funds in proportions that are balanced to achieve current income and capital appreciation appropriate for the asset allocation associated with its approximate year of retirement which is included in each fund's name (target retirement date) or current income and preserve the value of the investment of retired individuals (retirement income fund).

#### 4. Information Certified by the Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Retirement Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule are complete and accurate:

<i>December 31,</i>	2023	2022
Investments, at fair value	\$ 11,665,023	\$ 9,134,901
Notes receivable from participants	124,760	101,554
	<b>\$ 11,789,783</b>	<b>\$ 9,236,455</b>

*Year ended December 31, 2023*

<b>Investment Income</b>	
Net appreciation in fair value of investments	\$ 1,562,470
Interest and dividend income	45,146
Interest on notes receivable from participants	6,770
	<b>\$ 1,614,386</b>

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

# News-2-You, Inc. 401(k) Plan

### 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

### 6. Income Tax Status

The Plan adopted a prototype plan document sponsored by Empower Retirement, LLC (Empower). Empower received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, which states that the pre-approved plan document, as then designed, satisfies the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 7. Party-in-Interest Transactions

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Company, and certain others. As such, transactions conducted by Empower Retirement Company and its affiliates qualify as party-in-interest transactions.
