## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
**Phillips Managed Support Services, Inc. 401(k) Plan**  
Middletown, Pennsylvania

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of **Phillips Managed Support Services, Inc. 401(k) Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Phillips Managed Support Services, Inc. 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Phillips Managed Support Services, Inc. 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Phillips Managed Support Services, Inc. 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Phillips Managed Support Services, Inc. 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of or for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Phillips Managed Support Services, Inc. 401(k) Plan**

### **NOTES to FINANCIAL STATEMENTS**

#### **NOTE 1 - DESCRIPTION of PLAN**

The following brief description of the **Phillips Managed Support Services, Inc. 401(k) Plan** (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

##### **General**

The Plan is a defined contribution plan covering all eligible employees of Phillips Managed Support Services, Inc. (Plan Sponsor) and Phillips Workplace Interiors, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for the oversight of the Plan. In collaboration with the investment advisor, the Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

During the 2023 Plan Sponsor's fiscal year, Phillips Workplace Interiors, Inc. changed ownership. Accordingly, Phillips Workplace Interiors, Inc. is no longer a covered employer of the Plan. As a result of the ownership change, on April 28, 2023, the account balances of all Phillips Workplace Interiors, Inc. employees were transferred out of the Plan to a new 401(k) plan sponsored by Phillips Workplace Interiors, Inc.

The Plan's trustee is Reliance Trust Company. The Plan is a profit sharing plan under which a record-keeping account is set up in each participant's name to show the value of his/her retirement benefit. The participant's share of contributions, investment earnings, and other participants' forfeitures are added to his/her account. Subtractions include withdrawals made by the participant and participant's share of investment losses.

##### **Participant Eligibility**

An employee becomes a participant in the Plan on the first day of each month, following the date he/she satisfies the following conditions: completion of one hour of service with the employer and the attainment of age 18.

The Plan was impacted by regulatory changes related to the Setting Every Community Up for Retirement Enhancement Act (SECURE) Act and the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The Plan Sponsor intends to amend the Plan to formally incorporate these provisions by the Plan year ended December 31, 2025.

##### **Participant Contributions**

After an employee becomes eligible to be a participant in the Plan, the employee may elect to defer from 0% to 85% of compensation. Participants who will attain age 50 during the calendar year are eligible to make catch-up contributions.

New participants who do not make an election will be automatically enrolled at 6% of compensation. If the participant allows the automatic 401(k) contributions to continue, the Plan Administrator will increase the contribution by 1% as of the first day of the Plan year until the contribution equals 10% of compensation.

The Plan accepts amounts that are properly rolled over or transferred directly from another qualified 401(k) plan with any required spousal consent and from the following additional approved sources: a 403(b) account provided it is transferred directly and does not include after-tax contributions and a 457(b) deferral plan that is maintained by a state governmental entity.

### **NOTES to FINANCIAL STATEMENTS**

(Continued)

#### **NOTE 1 - DESCRIPTION of PLAN (Continued)**

##### **Eligibility to Receive Discretionary Employer Matching Contributions**

A participant must meet the following requirements each Plan year in order to be eligible to receive a share of an employer matching contribution: 1) make salary deferral contributions, 2) complete 1,000 hours of service, and 3) be employed with the employer on the last day of the Plan year. 401(k) contributions identified as catch-up contributions will be matched.

##### **Allocation of Discretionary Employer Matching Contribution**

As of December 31, of each year, the employer may make a matching contribution. The matching contribution is determined each Plan year based on business profits. For the Plan years ended December 31, 2023 and 2022, the matching contribution percentage was 25% on all employee deferrals up to 10% of contributions, except for those highly-compensated participants, whose deferrals were limited in order to avoid corrective distributions.

##### **Eligibility to Receive Discretionary Employer Profit Sharing Contributions**

A participant must meet the following requirements each Plan year in order to be eligible to receive a share of an employer profit sharing contribution: 1) complete 1,000 hours of service unless his/her employment ends due to retirement, disability, or death and 2) be employed with the employer on the last day of the Plan year unless his/her employment ends due to retirement, disability, or death.

##### **Allocation of Discretionary Employer Profit Sharing Contribution**

As of each December 31, any employer profit sharing contribution will be allocated among the eligible participants based on each eligible participant's compensation in proportion to the compensation received by all eligible participants during the Plan year. Compensation means total earnings reportable as W-2 wages for federal income tax purposes (excluding severance or other post-retirement compensation), subject to certain Internal Revenue Service (IRS) limitations. For the years ended December 31, 2023 and 2022, there were no profit sharing contributions.

##### **Participant Accounts**

Each participant's account is credited with the participant's contribution and allocation of the employer's contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### **Payment of Benefits**

A participant shall be entitled to receive the balance held in his/her account upon reaching normal retirement age, upon death, disability, or upon termination of employment. The normal retirement age is 65. For early retirement, a participant may receive the balance held in his/her account upon attaining the age of 55 and completing at least seven years of service. In-service withdrawals are permitted when a participant reaches the age of 59½ and the withdrawal is at least \$500. The employer may automatically pay out any terminated participant accounts with a balance of \$5,000 or less.

The Plan allows hardship distributions to participants for all or part of their salary deferrals in their account for qualifying expenses as further outlined in the Plan Document.

##### Vesting

Participants are vested immediately in their contributions plus account earnings thereon. Vesting in the employer's contribution portion of their accounts is based on years of continuous service. If a participant in the Plan terminates employment other than by retirement or death, employer contributions and earnings or losses thereon vest in accordance with the following table:

| Years of Service | Vesting Percentage |
|------------------|--------------------|
| 0 - 1 Years      | 0%                 |
| 2                | 20%                |
| 3                | 40%                |
| 4                | 60%                |
| 5                | 80%                |
| 6 or More Years  | 100%               |

##### Forfeitures

There were forfeitures of \$13,620 and \$8,573 used to reduce employer matching contributions during the years ended December 31, 2023 and 2022, respectively. Forfeited nonvested accounts totaled \$11,364 and \$19,135 as of December 31, 2023 and 2022, respectively.

##### Notes Receivable from Participants

Effective May 1, 2019, loans are no longer permitted by the Plan.

##### Corrective Contributions and Distributions

Amounts due to participants to remedy the Plan's top-heavy status for the 2023 Plan year are recorded as other employer contributions receivable on the statements of net assets available for benefits at December 31, 2023, and as other employer contributions on the statements of changes in net assets available for benefits for the year ended December 31, 2023. There were no such amounts due to participants at or for the year ended December 31, 2022.

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability and as an offset against participant contributions. There were corrective distributions to participants of \$4,770 and \$3,490 during the years ended December 31, 2023 and 2022, respectively. There were no material amounts due for corrective distributions at December 31, 2023 and 2022.

#### NOTE 2 - SUMMARY of SIGNIFICANT ACCOUNTING POLICIES

##### Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP). Current US GAAP standards are contained in the Accounting Standards Codification (ASC) as set forth by the Financial Accounting Standards Board (FASB).

##### Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### NOTE 2 - SUMMARY of SIGNIFICANT ACCOUNTING POLICIES (Continued)

##### Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as determined and certified by the Plan's trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator, in collaboration with the Plan's investment advisor, determines the valuation policies utilizing information provided by the trustee and its related parties. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends and capital gains are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### Contributions

Contributions from the Plan participants and the matching contributions from the Plan Sponsor are recorded in the year in which the employee contributions are withheld from compensation.

##### Payment of Benefits

Benefits are recorded when paid.

##### Administrative Expenses

Certain expenses of maintaining the Plan are paid directly from the Plan Sponsor and are excluded from these financial statements. The remaining Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid from Plan assets.

#### NOTE 3 - CERTIFICATION by TRUSTEE and INVESTMENTS (UNAUDITED)

Reliance Trust Company held the Plan's assets as of December 31, 2023 and 2022, and for the years then ended. The following information was certified as complete and accurate by the trustee under 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974:

- Investments
- Investment Income
- Notes Receivable and Interest on Notes Receivable from Participants

##### Plan Investments

The following summary for the value of Plan investments is based on the information provided by Reliance Trust Company, the trustee of the Plan, at December 31, 2023 and 2022:

#### NOTE 3 - CERTIFICATION by TRUSTEE and INVESTMENTS (UNAUDITED) (Continued)

During the years ended December 31, 2023 and 2022, the Plan's investments in registered investment companies (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$1,303,004 and \$(2,187,305), respectively. The Plan earned interest, dividends and capital gain distributions of \$241,265 and \$331,097 for the years ended December 31, 2023 and 2022, respectively.

The outstanding notes receivable from participants as of December 31, 2023 and 2022, was \$-0- and \$545 respectively. The Plan earned interest income of \$-0- and \$2,382 on these notes for the years ended December 31, 2023 and 2022, respectively.

#### NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset and liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022:

*Registered Investment Companies:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

#### NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

|                                 | Level 1   | Level 2 | Level 3 | Total     |
|---------------------------------|-----------|---------|---------|-----------|
| Registered Investment Companies | 9,453,239 | -0-     | -0-     | 9,453,239 |

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

|                                 | Level 1   | Level 2 | Level 3 | Total     |
|---------------------------------|-----------|---------|---------|-----------|
| Registered Investment Companies | 9,980,410 | -0-     | -0-     | 9,980,410 |

#### Level 3 Gains and Losses

There were no level 3 investments as of or during the years ended December 31, 2023 and 2022.

#### NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Plan shall terminate upon the happening of any of the following events: legal adjudication of the employer as bankrupt, a general assignment by the employer to or for the benefit of its creditors, the legal dissolution of the employer, or termination of the Plan by the employer.

Upon termination, partial termination, or complete discontinuance of employer contributions, the account balance of each affected participant who is either an active participant or who is not an active participant but has neither received a complete distribution of his/her vested accrued benefit nor incurred five one-year breaks-in-service, shall be 100% vested and non-forfeitable. The amount of the fund assets shall be allocated to each participant, subject to provisions for expenses of administration of the liquidation, in the ratio that such participant's account bears to all accounts. If a participant under this Plan has terminated his/her employment at any time after the first day of the Plan year in which the employer made the final contribution to the Plan and if any portion of the account of such terminated participant was forfeited and reallocated to the remaining participants, such forfeiture shall be reversed and the forfeited amount shall be credited to the account of such terminated participant.

#### NOTE 6 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Plan which received an opinion letter on October 6, 2020, in which the IRS stated that the Non-Standardized Pre-Approved Plan, as then designed was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed, and is being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

US GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### NOTE 7 - RELATED PARTY and PARTY-in-INTEREST TRANSACTIONS

As previously discussed, through May 1, 2019, the Plan allowed for the issuance of notes receivable to participants that were secured by participant account balances. All of these transactions qualify as party-in-interest transactions.

#### NOTE 8 - RISKS and UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
