RE: 5500-SF for Century Engineering 401(k) Plan, ER 74-1848381
Permission delegated to
Electronically sign 5500 series forms calendar year ending 12/31/2023

Dear Bob:

As you are aware the annual process of electronically signing the above form via the Department of Labor website has been in past a source of some irritation to me. Although I am sure that the DOL has carefully considered all of the issues involved in preserving the integrity of the forms, their preparation and execution via electronics, the simple truth remains that a relatively simple process of signing and mailing a form that took all of a few seconds now requires sometimes hours of my time.

Simply the task of locating my "Super Secret Code", my assigned Employer identification number, and the password that I used the prior year is an annual challenge. I use my computer in my business on a daily basis and my various on-line accounts have passwords that I must remember and/or locate daily. My computer does not automatically declare my password no longer valid, and my accounts do not "lock me out" and force me to totally re-apply for entry.

Therefore, I would consider it a special favor to me for you to prepare the above form and electronically sign it on my behalf. I warrant to you that I have disclosed taxable distributions and contributions made to the funds during the calendar year. I further warrant that if you will furnish me with a copy of the above form, I will duly execute it and return it to you in a timely manner.

My sincere thanks to you, I am

Sincerely yours,

Deborah Rodrigue
