Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Grand Island Express, Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with

GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Grand Island Express, Inc. Profit Sharing Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. Description of Plan

The following description of the Grand Island Express, Inc. Profit-Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored and administered by Grand Island Express, Inc., GIX Logistics, Inc., and Grand Island Express Services, Inc. (the Company) for its' employees. These entities are a brother-sister controlled group as defined in Internal Revenue Code (IRC) Section 1563(a), and under Code Section 414(b), a single employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees are responsible for oversight of the Plan and determine the appropriateness of the Plan's service providers and investment offerings and monitor investment performance.

The Plan was originally effective January 1, 1991 and was most recently restated effective July 1, 2021 to comply with certain regulatory provisions including the CARES Act and SECURE Act.

Eligibility

Employees become eligible to participate and may enter the Plan on a quarterly basis after they have reached twenty-one years of age and have completed six months of service. Six months of service shall mean 500 hours of service during the initial six months of employment or during the plan year.

Contributions

Each year, participants are permitted to make contributions in any amount up to the maximum limits as provided by Section 401(k) of the Internal Revenue Code. Deferrals may be elected or changed for any payroll period. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

In addition, the Plan has implemented an automatic contribution arrangement. Automatically enrolled participants have their deferral rate set at 5 percent of eligible compensation and their contributions are invested in a designated target-date fund until changed by the participant. The Plan also includes an automatic deferral increase whereby a participant's deferral shall increase annually by 1 percent to a maximum of 10 percent. Withdrawals are permitted within the first 90 days of auto enrollment.

The Plan currently offers various mutual funds held in pooled separate accounts and a guaranteed return account as investment options for participants. During the year ended December 31, 2023, the Company's Board of Directors approved a matching contribution of 10% of the first 20% of base compensation that a participant contributes to the Plan. This matching contribution is invested as directed by the participant. Additional profit sharing amounts may be contributed at the option of the Company's Board of Directors and are invested as directed by the participant. During the year ended December 31, 2023, the Company made a profit sharing contribution in the amount of $134,182. Contributions are subject to certain IRS limitations.

1. Description of Plan (Continued)

Participant Accounts
Each participant's account is credited with the participant's contribution and the Company's matching and profit sharing contributions, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their salary deferral, catch-up, and rollover contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. A participant is 20% vested after two years of service. An additional 20% is vested each subsequent year until the participant is 100% vested upon completion of six years of credited service.

Notes Receivable from Participants
Participants currently employed may borrow from their fund accounts a minimum amount of $1,000 up to a maximum equal to the lesser of $50,000 (reduced by the highest outstanding balance in the previous one-year period) or 50% of their vested interest in the Plan. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid at least monthly through direct payment by participants.

Payment of Benefits
On termination of service, a participant may elect to receive the vested interest in their account. Balances that do not exceed $5,000 will be paid in a lump sum. Balances in excess of $5,000 may be paid in substantially equal installments over a period of years, or partial withdrawals. Accounts less than $1,000 are subject to automatic cash-out provisions. In-service distributions are permitted for participants who are at least 59 ½ years of age from the vested portion of their account. Hardship withdrawals are also permitted for participants regardless of age within the scope of IRS regulations.

Forfeited Accounts
For the year ended December 31, 2023, forfeited nonvested accounts totaled $82,414. Forfeitures may be used to pay administrative expenses or reduce employer contributions. In 2023, forfeitures totaling $54,350 were used to reduce employer contributions. The balance remaining in the forfeiture account as of December 31, 2023 and 2022 totaled $83,356 and $54,350, respectively.

Administration of the Plan
The Plan's assets are held in a variable group annuity provided and administered by Minnesota Life Insurance Company (Minnesota Life). Third-party administration and recordkeeping services are provided by Securian Financial Group. Securian Financial Group was acquired by The Standard on December 1, 2022, and continued to provide service to the Plan on behalf of The Standard until the Plan transitioned to The Standard's recordkeeping platform in February, 2024. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

2. Summary of Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value, (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies utilizing information provided by investment advisers, the custodian and recordkeeper. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Excess Contributions Payable
Amounts payable to participants for contributions in excess of amounts allowed by the IRS, if any, are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits
Benefits are recorded when paid. As of December 31, 2023, there was one distribution requested but not paid before year end in the amount of $11,984. This request was paid on January 3, 2024.

Administrative Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses may be charged to participant accounts or included in net appreciation of fair value of investments.

3. Information Certified by the Custodian (Unaudited)

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Minnesota Life has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, and the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023; and the investment income reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

4. Fair Value of Investments that Calculate Net Asset Value (NAV)

Investments in pooled separate accounts are stated at the net asset value of the corresponding units of the pooled separate accounts which include fixed maturity securities, equity securities and cash and cash equivalents. The net asset value is used as a practical expedient to estimate fair value. There have been no changes in this valuation methodology used at December 31, 2023 and 2022.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Year Ended	Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31, 2023	Pooled Separate Accounts	$14,370,713	n/a	Daily	Receipt of written notice by Minnesota Life
December 31, 2022	Pooled Separate Accounts	$11,018,902	n/a	Daily	Receipt of written notice by Minnesota Life

5. Group Annuity Contract

The Plan's investments are held in a group annuity contract with Minnesota Life. Investments are held within Pooled Separate Accounts investing in mutual funds (Note 4) and a Guaranteed Return Account which is invested in the general assets of Minnesota Life.

The Guaranteed Return Account is a fully benefit-responsive investment contract. Since the Guaranteed Return Account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The recorded amounts held in such contracts was $83,673 and $70,733 as of December 31, 2023 and 2022, respectively.

5. Group Annuity Contract (Continued)

The Guaranteed Return Account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals, transfers and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The crediting interest rate is based on a rate established by the issuer. Such interest rates are reviewed periodically for resetting. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their employer contributions.

7. Tax Status

The Company has adopted a volume submitter plan provided by Minnesota Life. The volume submitter plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the volume submitter plan, as then designed, was in compliance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Related Party and Party in Interest Transactions

Minnesota Life is the custodian of the Plan and its assets and serves as the transfer agent that performs processing and shareholder servicing functions for the Plan. Securian Financial Group (an affiliate of Minnesota Life) provides third party administration and recordkeeping services. Fees paid for these services qualify as exempt party-in-interest transactions. The Plan paid fees to Minnesota Life totaling $12,785 for the year ended December 31, 2023.

Cambridge Investment Research provides investment adviser services to the Plan. Fees for these services qualify as exempt party-in-interest transactions and are included in net appreciation in fair value of the investments or administrative expenses as they may be paid either through revenue sharing or a direct payment depending on the nature of the charge. The Plan paid fees to Cambridge Investment Research totaling $26,194 for the year ended December 31, 2023.

The Plan also incurs fees for the annual audit from Regier, Carr & Monroe, LLP. These fees are paid by the plan sponsor on behalf of the Plan. These transactions qualify as exempt party-in-interest transactions.

10. Reconciliation of Financial Statements to Form 5500
