Independent Auditor's Report

The Plan Administrator and Participants
Club Med Sales and Management Employee Retirement Plan
Miami, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Club Med Sales and Management Employee Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the Participants, to determine the benefits due or which may become due to such Participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - schedule of delinquent Participant contributions for the year ended December 31, 2023, and Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is/are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Club Med Sales and Management Employee Retirement Plan

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Club Med Sales and Management Employee Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan and was adopted by Club Med Sales, Inc. (the Company) effective October 26, 1987, and restated on January 1, 2016, and most recently restated on January 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

The Plan covers all employees of the Company, except union employees and leased employees, that have at least 1 year of service (1 month of service for Participant contributions effective January 1, 2022) and have attained age 21. Participation in the Plan can be elected as of the first day of the quarter (month effective January 1, 2022) following the date when eligibility requirements are met.

Contributions

Participants may elect to contribute up to 100% of their eligible compensation up to the dollar limitation set forth in Section 402(g) of the Internal Revenue Code (IRC) in effect at the beginning of the Plan year. Eligible employees who have attained age 50, before the close of the Plan year, are allowed to make catch-up contributions up to the maximum allowed under the IRC. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company makes matching contributions equal to 100% of the employee contributions up to 3% of each Participant's compensation, plus 50% of the amount of the employee contributions that exceed 3% of the Participant's compensation but that does not exceed 5% of the Participant's compensation. Participants are eligible for these contributions if they are considered an eligible Participant.

The Company may also make discretionary profit-sharing contributions in an amount it determines in its sole discretion at the end of the Plan year. Eligibility requirements for these contributions are the same as the Company matching contributions, except Participants must also be employed on the last day of the Plan year. There were no discretionary profit-sharing contributions for the year ended December 31, 2023.

Participant Accounts

Individual accounts are maintained for each Plan Participant. Each Participant's account is credited with the Participant's voluntary contributions, any Company matching contributions, any discretionary profit-sharing contributions, and Plan earnings (losses). Allocations are based on Participant compensation, deferrals or account balances, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account balance.

Notes to Financial Statements

1. Description of the Plan (cont.)

Notes Receivable from Participants

The Plan provides that loans are available to all Plan Participants on a nondiscriminatory basis. Participants may borrow, from their fund accounts, a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable from Participants are secured by the balance in the Participant's account and bear a reasonable rate of interest as defined by the Plan. Interest rates on all outstanding loans range from 4.25% to 10.00%. Principal and interest payments occur ratably through regular payroll deductions over a period not to exceed five years, unless the notes receivable were used to purchase a primary residence in which case the note receivable terms may exceed five years. Participants may have two outstanding loans at a time.

Vesting

Participants are immediately and fully vested in their employee deferrals, their voluntary and rollover contributions, plus actual earnings thereon. Vesting in the Company's contributions is based on years of continuous service. A Participant is vested 25% after 1 year of service, 50% after 2 years of service, 75% after 3 years of service, and 100% after 4 years of service. Effective January 1, 2022, a Participant is vested 33% after 2 years of service, 66% after 3 years of service, and 100% after 4 years of service.

Payment of Benefits

A Participant's contributions and vested Company contributions may be withdrawn upon retirement on or after the attainment of normal retirement age of sixty-five, termination of employment, or death. Participant distributions are paid in a lump-sum payment. For account balances of terminated Participants that are less than \$5,000, balances will be involuntarily cashed out. Under certain qualifying circumstances, hardship withdrawals are permitted under the Plan. In-service distributions are allowed for Participants who are fully vested, regardless of service.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan agreement. Certain other administrative expenses of the Plan are paid by the Company.

Forfeitures

There were \$2,532 and \$0 forfeited non-vested accounts at December 31, 2023 and 2022, respectively. Forfeited funds can be used to offset Company matching contributions or to Plan expenses. During the year ended December 31, 2023, \$0 of forfeited funds were used to offset Company match.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Club Med Sales and Management Employee Retirement Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (cont.)

Investment Valuation and Income (Loss) Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market Participants at the measurement date (the exit price). The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income (loss) is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought, sold, and held during the year.

Contributions

Contributions from Plan Participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a Participant ceases to make loan repayments and the Plan administrator deems the Participant loan to be in default, the Participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefit payments to Participants are recorded upon distribution.

3. Certified Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company (U.S.A.) (John Hancock) has provided a certification that the financial information included in the financial statements and supplemental schedule of assets as of December 31, 2023 and 2022, and for the year ended December 31, 2023, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income (loss) included in the accompanying financial statements and supplemental schedule as of December 31, 2023 and 2022, and for the year ended December 31, 2023, is covered by such certification.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements).

Club Med Sales and Management Employee Retirement Plan

Notes to Financial Statements

4. Fair Value Measurements (cont.)

The three levels of the fair value hierarchy under GAAP are described below:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts - The fair value of the pooled separate accounts is based on the net asset value (NAV) of each account calculated by John Hancock and is based on the NAV of the underlying investments. The NAV is used as a practical expedient to estimate fair value.

Guaranteed Interest Account - The Plan holds a non-fully benefit responsive guaranteed interest account, which is not an investment contract but rather an investment option offered under the John Hancock group annuity contract. Fair value is the guaranteed return of principal plus compound interest earned over a defined 3, 5, or 10-year term, less any applicable contract or participant-level recordkeeping charges, provided all contributions remain in the account until the end of the guaranteed period. John Hancock publishes rates on which interest is paid for the specified terms. Although rates may change from time to time, monthly or annualized rates are available. To determine fair values each year, the rates in effect on that date are compared to the rates on which the actual interest is determined and adjust book value based on the difference. Although there is no secondary market for this Guaranteed Interest account to which the fair values can be compared, the rates are applied to new deposits and to the calculation of fair value which constitutes an active market.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

<i>December 31, 2023</i>		Level 1		Level 2		Level 3		Total

* In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

The following table summarizes the investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022.

5. Tax Status

The Plan is based on a Non-Standardized Pre-Approved Profit Sharing Plan With CODA (pre-approved plan) sponsored by Plan Documents Inc. The IRS has opined and informed Plan Documents Inc. by letter dated June 30, 2020, that the pre-approved plan is designed in accordance with the applicable sections of the IRC. The Plan administrator believes the Plan is currently designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not based on the technical merits not to be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will remain or become 100% vested in their accounts.

Club Med Sales and Management Employee Retirement Plan

Notes to Financial Statements

7. Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect Participants' account balances and amounts reported in the statements of net assets available for benefits.

At December 31, 2023, approximately 23% of the Plan's investments were invested in the John Hancock Multimanager Growth LS fund.

8. Party-In-Interest Transactions

Plan investments are managed by John Hancock. Usual and customary fees were paid for investment management services. Notes receivable from Participants are also defined by ERISA as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules.

9. Delinquent Participant Transactions

During 2019, 2017, and 2016, employee withholdings of \$28,911, \$104,285, and \$95,706, respectively, were not remitted within the appropriate time period by the Company. The Company remitted the delinquent contributions to the Plan during 2019, 2017, and 2016, respectively, and remitted the lost earnings for the delinquent contributions in 2024. These transactions constituted prohibited transactions as defined by ERISA.

10. Subsequent Events

Management has evaluated subsequent events through September 10, 2024, which is the date the financial statements were available to be issued.

Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

The Plan Administrator and Participants
Club Med Sales and Management Employee Retirement Plan
Miami, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Club Med Sales and Management Employee Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the Participants, to determine the benefits due or which may become due to such Participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - schedule of delinquent Participant contributions for the year ended December 31, 2023, and Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is/are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Club Med Sales and Management Employee Retirement Plan

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Club Med Sales and Management Employee Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan and was adopted by Club Med Sales, Inc. (the Company) effective October 26, 1987, and restated on January 1, 2016, and most recently restated on January 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

The Plan covers all employees of the Company, except union employees and leased employees, that have at least 1 year of service (1 month of service for Participant contributions effective January 1, 2022) and have attained age 21. Participation in the Plan can be elected as of the first day of the quarter (month effective January 1, 2022) following the date when eligibility requirements are met.

Contributions

Participants may elect to contribute up to 100% of their eligible compensation up to the dollar limitation set forth in Section 402(g) of the Internal Revenue Code (IRC) in effect at the beginning of the Plan year. Eligible employees who have attained age 50, before the close of the Plan year, are allowed to make catch-up contributions up to the maximum allowed under the IRC. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company makes matching contributions equal to 100% of the employee contributions up to 3% of each Participant's compensation, plus 50% of the amount of the employee contributions that exceed 3% of the Participant's compensation but that does not exceed 5% of the Participant's compensation. Participants are eligible for these contributions if they are considered an eligible Participant.

The Company may also make discretionary profit-sharing contributions in an amount it determines in its sole discretion at the end of the Plan year. Eligibility requirements for these contributions are the same as the Company matching contributions, except Participants must also be employed on the last day of the Plan year. There were no discretionary profit-sharing contributions for the year ended December 31, 2023.

Participant Accounts

Individual accounts are maintained for each Plan Participant. Each Participant's account is credited with the Participant's voluntary contributions, any Company matching contributions, any discretionary profit-sharing contributions, and Plan earnings (losses). Allocations are based on Participant compensation, deferrals or account balances, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account balance.

Club Med Sales and Management Employee Retirement Plan

Notes to Financial Statements

1. Description of the Plan (cont.)

Notes Receivable from Participants

The Plan provides that loans are available to all Plan Participants on a nondiscriminatory basis. Participants may borrow, from their fund accounts, a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable from Participants are secured by the balance in the Participant's account and bear a reasonable rate of interest as defined by the Plan. Interest rates on all outstanding loans range from 4.25% to 10.00%. Principal and interest payments occur ratably through regular payroll deductions over a period not to exceed five years, unless the notes receivable were used to purchase a primary residence in which case the note receivable terms may exceed five years. Participants may have two outstanding loans at a time.

Vesting

Participants are immediately and fully vested in their employee deferrals, their voluntary and rollover contributions, plus actual earnings thereon. Vesting in the Company's contributions is based on years of continuous service. A Participant is vested 25% after 1 year of service, 50% after 2 years of service, 75% after 3 years of service, and 100% after 4 years of service. Effective January 1, 2022, a Participant is vested 33% after 2 years of service, 66% after 3 years of service, and 100% after 4 years of service.

Payment of Benefits

A Participant's contributions and vested Company contributions may be withdrawn upon retirement on or after the attainment of normal retirement age of sixty-five, termination of employment, or death. Participant distributions are paid in a lump-sum payment. For account balances of terminated Participants that are less than \$5,000, balances will be involuntarily cashed out. Under certain qualifying circumstances, hardship withdrawals are permitted under the Plan. In-service distributions are allowed for Participants who are fully vested, regardless of service.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan agreement. Certain other administrative expenses of the Plan are paid by the Company.

Forfeitures

There were \$2,532 and \$0 forfeited non-vested accounts at December 31, 2023 and 2022, respectively. Forfeited funds can be used to offset Company matching contributions or to Plan expenses. During the year ended December 31, 2023, \$0 of forfeited funds were used to offset Company match.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Club Med Sales and Management Employee Retirement Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (cont.)

Investment Valuation and Income (Loss) Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market Participants at the measurement date (the exit price). The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income (loss) is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought, sold, and held during the year.

Contributions

Contributions from Plan Participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a Participant ceases to make loan repayments and the Plan administrator deems the Participant loan to be in default, the Participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefit payments to Participants are recorded upon distribution.

3. Certified Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company (U.S.A.) (John Hancock) has provided a certification that the financial information included in the financial statements and supplemental schedule of assets as of December 31, 2023 and 2022, and for the year ended December 31, 2023, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income (loss) included in the accompanying financial statements and supplemental schedule as of December 31, 2023 and 2022, and for the year ended December 31, 2023, is covered by such certification.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements).

Club Med Sales and Management Employee Retirement Plan

Notes to Financial Statements

4. Fair Value Measurements (cont.)

The three levels of the fair value hierarchy under GAAP are described below:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts - The fair value of the pooled separate accounts is based on the net asset value (NAV) of each account calculated by John Hancock and is based on the NAV of the underlying investments. The NAV is used as a practical expedient to estimate fair value.

Guaranteed Interest Account - The Plan holds a non-fully benefit responsive guaranteed interest account, which is not an investment contract but rather an investment option offered under the John Hancock group annuity contract. Fair value is the guaranteed return of principal plus compound interest earned over a defined 3, 5, or 10-year term, less any applicable contract or participant-level recordkeeping charges, provided all contributions remain in the account until the end of the guaranteed period. John Hancock publishes rates on which interest is paid for the specified terms. Although rates may change from time to time, monthly or annualized rates are available. To determine fair values each year, the rates in effect on that date are compared to the rates on which the actual interest is determined and adjust book value based on the difference. Although there is no secondary market for this Guaranteed Interest account to which the fair values can be compared, the rates are applied to new deposits and to the calculation of fair value which constitutes an active market.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

<i>December 31, 2023</i>		Level 1		Level 2		Level 3		Total

* In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

The following table summarizes the investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022.

5. Tax Status

The Plan is based on a Non-Standardized Pre-Approved Profit Sharing Plan With CODA (pre-approved plan) sponsored by Plan Documents Inc. The IRS has opined and informed Plan Documents Inc. by letter dated June 30, 2020, that the pre-approved plan is designed in accordance with the applicable sections of the IRC. The Plan administrator believes the Plan is currently designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not based on the technical merits not to be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will remain or become 100% vested in their accounts.

7. Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect Participants' account balances and amounts reported in the statements of net assets available for benefits.

At December 31, 2023, approximately 23% of the Plan's investments were invested in the John Hancock Multimanager Growth LS fund.

8. Party-In-Interest Transactions

Plan investments are managed by John Hancock. Usual and customary fees were paid for investment management services. Notes receivable from Participants are also defined by ERISA as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules.

9. Delinquent Participant Transactions

During 2019, 2017, and 2016, employee withholdings of \$28,911, \$104,285, and \$95,706, respectively, were not remitted within the appropriate time period by the Company. The Company remitted the delinquent contributions to the Plan during 2019, 2017, and 2016, respectively, and remitted the lost earnings for the delinquent contributions in 2024. These transactions constituted prohibited transactions as defined by ERISA.

10. Subsequent Events

Management has evaluated subsequent events through September 10, 2024, which is the date the financial statements were available to be issued.
