INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator
Brook Hollow Golf Club 401(k) Profit Sharing Plan and Trust
Dallas, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Brook Hollow Golf Club 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Brook Hollow Golf Club 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Brook Hollow Golf Club 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Brook Hollow Golf Club 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Brook Hollow Golf Club 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Brook Hollow Golf Club 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of the Brook Hollow Golf Club 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Therefore, participants should refer to the Plan's prototype plan document and related adoption agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1999, and was most recently restated on January 1, 2022, and is a defined contribution plan covering all eligible employees of Brook Hollow Golf Club (the "Club", "Plan Sponsor" or "Employer") except for employees covered by a collective bargaining agreement, leased employees, seasonal employees, temporary employees and interns. The Plan is designed to comply with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code (IRC). In addition, the financial statements have been prepared in compliance with ERISA and with accounting principles generally accepted in the United States of America (US GAAP).

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until the end of the first Plan year beginning on or after January 1, 2025, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Plan is administered by the finance committee appointed by the Board of Governors of the Club. Bank of America, N.A. (the "Trustee") was appointed as trustee of the Plan and Merrill Lynch, Pierce, Fenner and Smith, Inc. ("Merrill Lynch") is the recordkeeper of the Plan. The Trustee is responsible for the custody of the Plan's assets and for executing investment transactions. Merrill Lynch is responsible for maintaining participant account records and transactions.

Eligibility

Employees of the Club are eligible to participate in Plan through elective deferral contributions and receive Employer safe harbor contributions upon attaining age 21, and completing at least six months of service. Eligible employees are automatically enrolled in the Plan.

Participants are eligible to receive discretionary Employer non-elective profit sharing contributions upon completing 1,000 hours of service during the Plan year, regardless of their employment status on the last day of the Plan year.

Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (continued)

Contributions

Unless participants affirmatively elect otherwise, the Plan automatically defers a minimum of 6% of their annual compensation to their Plan accounts, with the contributions and earnings thereon being tax deferred until withdrawn from the Plan. Participants may elect to contribute up to 100% of their compensation. All contributions are subject to certain Internal Revenue Service (IRS) limitations. Elective deferral contributions automatically increase by 1% every year to a maximum of 10%. The Plan also allows employee Roth after-tax contributions.

The Club contributes an amount equal to 3% of each eligible employee's compensation to the Plan as a safe harbor contribution. In addition, the Club may, at the discretion of the Club's Board of Governors, make discretionary non-elective profit sharing contributions as determined on an annual basis, subject to certain limitations. The Club made no discretionary non-elective profit sharing contributions for the year ended December 31, 2023.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans into the Plan as a rollover contribution.

Participant accounts

Each participant's account is credited with the participant's contributions, rollovers and an allocation of the Employer's contributions and Plan earnings. The Plan may be charged with an allocation of Plan losses and certain administrative expenses. Investment earnings or losses applied to a participant's account are based on the units held by the participant in the applicable fund(s).

Participants may direct the investment of contributions in their account into various investment options offered under the Plan, primarily mutual funds and a common collective trust fund.

Vesting

Participants are vested immediately in their contributions, the Club's safe harbor contributions, and any income thereon. Participants vest in the Club's discretionary contributions at the rate of 20% for each year of service and are 100% vested after five years.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Benefits are payable in a lump-sum upon termination of service due to death, disability (as defined), or normal retirement. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The cash out provision of the Plan allows the Plan, upon termination of employment, to distribute vested account balances of less than \$5,000 without the participant's consent. In the absence of a participant election, account balances of less than \$5,000, but exceeding \$1,000 are distributed to an Individual Retirement Account for the benefit of the participant. Account balances of \$1,000 or less are distributed as a lump-sum distribution. Following severance of employment, participants with account balances of \$5,000 or more have the option to elect to receive a distribution..

Forfeitures

Amounts which are forfeited as nonvested discretionary contributions will be used first to reduce future Employer contributions and then to pay Plan administrative expenses. Forfeitures as of December 31, 2023 and 2022, were \$9,598 and \$6,770, respectively. No forfeitures were used to either reduce Employer contributions or to pay Plan expenses during 2023.

Administrative expenses

Administrative expenses are generally paid by the Club, but may, at the discretion of the plan administrator, be paid by the Plan. The Plan is not required to reimburse the Club for expenses paid on its behalf. Transaction fees for certain participant initiated activity are charged to the specific account of the participant initiating any such transaction.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with US GAAP.

Use of estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes therein.

Investment valuation and income recognition

Investments of the Plan are stated at fair value. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses for investments purchased and sold during the year.

Contributions and receivables

Contributions from participants are recorded in the period during which the Club makes payroll deductions from participants' earnings based on the date the contributions have been separated from participant's pay by the Club, which is the pay date. Employer contributions are recorded in the year they are earned and coincide with the year in which the Club records the contribution in its general ledger and takes the tax deduction for the contribution. The Plan records receivables for participant deferrals based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Contributions representing participant rollovers from other qualified defined benefit or defined contribution plans are recorded when received by the Trustee.

Payment of benefits

Benefits paid to participants are recorded as a reduction of net assets available for benefits when paid.

Administrative expenses

Administrative expenses are recorded when incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

Management of the Plan has evaluated subsequent events through September 19, 2024, the date the financial statements were available to be issued. The Plan was amended effective January 1, 2024, to update the Plan for certain regulatory requirements including increasing the cash out limit on distributions from \$5,000 to \$7,000. No other subsequent events have occurred that would have a material impact on the Plan's financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Trustee, determined to be a qualified institution by the plan administrator, has certified to the completeness and accuracy of:

- Investments as shown in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022;
- Investment income and other income as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investments reflected on the schedule of assets (held at end of year) as of December 31, 2023, ("supplemental schedule").

Accordingly, as requested by the plan administrator, the Plan's independent auditor performed no procedures on the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. US GAAP also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

Three levels of inputs may be used to measure fair value:

- *Level 1* - Quoted prices in active markets for identical assets or liabilities.
- *Level 2* - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

4. FAIR VALUE MEASUREMENTS (continued)

- *Level 3* - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

An asset or liability's classification within the fair value hierarchy is based on the lowest level of significant input to its valuation. Fair value estimates are made at a specific point in time and the methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair value. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Mutual fund investments are valued at the fair value of shares held by the Plan at year end which are quoted in an active market and are classified within Level 1 of the valuation hierarchy.

Common collective trust fund investment is valued at net asset value (NAV) as a practical expedient to fair value as reported by the issuer, based on the fair value of assets less liabilities, divided by the number of outstanding shares, and are included as a reconciling item of total investments to the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, by type, at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$10,490,546</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,490,546</u>
Investment measured at NAV*				<u>1,453,488</u>
				<u>\$ 11,944,034</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, by type, at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 9,080,166</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,080,166</u>
Investment measured at NAV*				<u>1,612,438</u>
				<u>\$ 10,692,604</u>

4. FAIR VALUE MEASUREMENTS (continued)

*Certain investments that are measured at fair value using the NAV per share practical expedient (or its equivalent) have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to amounts presented in the Plan's Statements of Net Assets Available for Benefits.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Club has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, the participants' accounts will become fully vested.

6. TAX STATUS

The Plan is operated under a prototype plan document sponsored by Merrill Lynch. Merrill Lynch received an opinion letter from the IRS dated June 30, 2020, which states that the prototype document satisfies the applicable requirements of the IRC and is available for use by employers for the benefit of their employees. The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

ERISA defines parties-in-interest similarly to a related party under accounting standards, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Plan management did not identify any related parties to the Plan that were not also considered to be parties-in-interest.

Parties-in-interest are defined by ERISA as any fiduciary or employee of the Plan, or any party rendering services to the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee organization, or relatives of such persons. As such, transactions conducted by the Trustee and its affiliates, including fee offset agreements, if any, qualify as exempt party-in-interest transactions. Purchases and sales of investments managed by either the Trustee, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the plan documents and are specifically exempt transactions under ERISA. Also, fees and expenses paid by the Club on behalf of the Plan, if any, qualify as exempt party-in-interest transactions and are not required to be reimbursed by the Plan to the Club.

The Plan Sponsor pays certain fees on behalf of the Plan. The total service fees paid by the Plan Sponsor for the Plan were \$52,655 for the year ended December 31, 2023.

The Plan has a fee schedule associated with the service agreement with the Trustee whereby the Plan receives an annual rebate from the Trustee which may be used to reimburse the Plan for expenses associated with services necessary to administer the Plan or allocated to Plan participants on a pro-rata basis.

7. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS (continued)

Certain fund level fees incurred by the funds in which the Plan invests for such services as investment management, shareholder services and sub-transfer agency fees are paid through fund level revenue sharing arrangements. These fees reduce fund earnings thereby impacting Plan revenue applied to participants' accounts.

Certain Plan investments are shares of mutual funds managed by the Trustee and BlackRock Fund Advisors (BFA) or by BlackRock (collectively "BlackRock"). BlackRock is owned by institutional shareholders, and BlackRock insiders. Merrill Lynch & Co. is the largest individual BlackRock shareholder, owning approximately 45% of BlackRock. The BlackRock Mid-Cap Growth Equity Fund and iShares S&P 500 Index Fund are mutual funds maintained by the Trustee, which has entered into an investment advisory agreement with BFA and BlackRock, respectively. The Trustee has substantial equity interest in BlackRock. Therefore, transactions with the Trustee and BlackRock qualify as party-in-interest transactions.

The Trustee retains as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.
