Independent Auditors' Report

The Plan Administrator of StarNet Emergency Services Employees' Retirement and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of StarNet Emergency Services Employees' Retirement and Savings Plan (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

**The Plan Administrator of
StarNet Emergency Services Employees'
Retirement and Savings Plan**
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**The Plan Administrator of
StarNet Emergency Services Employees'
Retirement and Savings Plan**
Page 4

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations of Reporting and Disclosure under ERISA.
- The information in the supplemental schedule (modified cash basis) related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

StarNet Emergency Services Employees' Retirement and Savings Plan

Notes to Financial Statements
December 31, 2022

1. Plan Description

The following description of the StarNet Emergency Services Employees' Retirement and Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the summary Plan description or the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, covering all eligible employees of StarNet Emergency Services, Inc. d/b/a Westchester EMS (the "Organization" or the "Employer") who have immediate entry with no age or service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may elect to have a percentage or specified dollar amount deducted from their compensation as defined by the Plan. Participant contributions may be deducted in "pretax" dollars and "post-tax" dollars for the Roth. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Organization. There is an annual limit as to the amount that can be deducted from compensation that is determined by the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified plans.

The Organization makes matching contributions of 100% of the first 3% of salary deferral contributions, plus 50% of the next 2% of salary deferral contributions. The Organization also makes nonelective employer contributions of 2.5% of the first 50% of the Social Security Taxable Wages Base, plus 5% of the amount in excess of 50% of the Social Security Taxable Wage Base. Employees who work fewer than 20 hours per week and work less than 1,000 hours or the Employer reasonable expects them to work under 1,000 are not eligible for any Employer contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Organization's contribution and Plan earnings, and charged with an allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their employee contributions and Employer matching contributions plus actual earnings thereon. Vesting in the Employer nonelective contribution portion of their account is based on years of continuous service. A participant is 100% vested after three years of continuous service.

**StarNet Emergency Services Employees'
Retirement and Savings Plan**

Notes to Financial Statements

1. Plan Description (*continued*)

Vesting (continued)

Nonelective contributions vest as follows:

Years of Vesting Service	Vesting Percentage
1 year of service	0%
2 years of service	0%
3 years of service	100%

Forfeitures

If a participant terminates their employment with the Employer, the non-vested contributions plus allocated earnings thereon may be used to reduce aggregate future Employer contributions and administrative expenses. At December 31, 2022 and 2021, the forfeited nonvested accounts totaled \$7,531 and \$6,733. During 2022, no forfeitures were used to reduce Employer contributions or Plan expenses.

Expense Budget Account

The Plan and Transamerica Financial Life Insurance Company ("TFLIC") have entered into an arrangement whereby a portion of the revenue earned by TFLIC from certain funds is passed through to the Plan for payment of permitted plan expenses or allocation to participants. In order for the Plan to receive credits as a result of this revenue sharing arrangement, and to use this credit to pay Plan expenses, the Employer created the Expense Budget Account. The Expense Budget Account is an account within the Plan, similar in design to forfeiture accounts, and is used to record keep the redistribution of plan-generated fund revenue that exceeds the costs associated with plan administration. The Expense Budget Account balance was \$56,962 and \$44,926 at December 31, 2022 and 2021. During 2022, no amounts were allocated to Participants or used to reduce Plan expenses.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account balance. The loan interest rate will be the Prime Rate, plus 1%. Participants shall be provided with coupons to submit with their scheduled payments by the prescribed due dates. Participants shall make scheduled payments by any means acceptable by the Plan Administrator. Each scheduled payment shall be equal to the sum of: (a) a portion of the interest payable on the remaining principal, (b) an installment scheduled payment of the loan principal and (c) a proportion of the annual loan percentage charge. A term not to exceed 5 years unless the proceeds of the loan are used to purchase the participant's principal residence, in which case the term is not to exceed 10 years. Participants can have a maximum of three loans outstanding at one time.

StarNet Emergency Services Employees' Retirement and Savings Plan

Notes to Financial Statements

1. Plan Description (*continued*)

Withdrawals and Benefit Payments

On termination of service due to death, disability or retirement, a participant with a may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments, partial payments, straight life annuity, or joint and survivor annuity. Benefits can also be distributed in the event of a participant's immediate and heavy financial need. The Plan will make involuntary cash outs of account balances of terminated vested participants of \$1,000 or less.

Upon reaching age 59½, participants may elect distributions from their accounts without any tax penalty in accordance with the IRC. Under the terms of the Plan, a participant may make a withdrawal for reasons of economic hardship.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). Under this basis, investment income is recognized when received and disbursements are recognized when made, except for investments which are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with U.S. GAAP.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value except for the guaranteed investment contract, which is reported at contract value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value and to transact at that price and are deemed to be actively traded.

**StarNet Emergency Services Employees'
Retirement and Savings Plan**

Notes to Financial Statements
December 31, 2022

2. Summary of Significant Accounting Policies *(continued)*

Investment Valuation and Income Recognition (continued)

Investments in the separate account are reported at fair value as reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the account. The guaranteed investment contract is valued at contract value, which represents deposits made to the contracts, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Purchases and sales of investments are recorded on a trade-date basis. Interest and dividends are recorded when received. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Expenses

Certain administrative expenses of the Plan are paid by the Plan. The Organization pays all costs associated with general consulting and financial statement preparation. Investment related expenses are included in net depreciation in fair value of investments.

Benefit Payments

Benefits are recorded when paid.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 10, 2024.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2022 and 2021, and the net depreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by TFLIC and State Street Bank & Trust Co., qualified institutions.

Retirement and Savings Plan**

Notes to Financial Statements

4. Investments

The following are the major categories of investments measured at fair value on a recurring basis at December 31, grouped by the fair value hierarchy:

	2022		
	Level 1	Level 2	Total
Mutual funds	\$ 4,299,301	\$ -	\$ 4,299,301
Separate account	-	54,675	54,675
	<u>\$ 4,299,301</u>	<u>\$ 54,675</u>	<u>\$ 4,353,976</u>
	2021		
	Level 1	Level 2	Total
Mutual funds	\$ 6,062,843	\$ -	\$ 6,062,843
Separate account	-	51,768	51,768
	<u>\$ 6,062,843</u>	<u>\$ 51,768</u>	<u>\$ 6,114,611</u>

The Plan also has investments valued at contract value, which amounted to \$488,641 and \$277,475 at December 31, 2022 and 2021.

5. Guaranteed Investment Contract

The Plan has investments in the TFLIC Insurance Company/General Account, which is a benefit-responsive guaranteed investment contract ("GIC"). TFLIC maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses. TFLIC is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

6. Party-in-Interest Transactions

Certain Plan investments are managed by TFLIC and State Street Bank & Trust Co. State TFLIC and Street Bank & Trust Co. are the trustees and Transamerica Retirement Solutions, LLC is the record keeper as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA.

7. Plan Termination

Although it has not expressed any intention to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their Employer contributions.

**StarNet Emergency Services Employees'
Retirement and Savings Plan**

Notes to Financial Statements
December 31, 2022

8. Tax Status

The Plan's prototype plan document preparer has obtained an opinion letter dated March 31, 2017 from the Internal Revenue Service ("IRS") stating that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has since been amended, the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
