FlexGen 401(k) Committee
FlexGen 401(k) Plan
Durham, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the FlexGen 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FLEXGEN 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the FlexGen (the “Company” or “Plan Sponsor”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company. Employees who have been with the Company for two months and are age 21 or older are eligible to participate in the Plan. Empower Trust Company, LLC serves as the Plan’s directed trustee (the “Trustee”), and Empower Annuity Insurance Company of America serves as the Plan’s custodian (the “Custodian”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Contributions

Plan participants may contribute 1% to 92% of total compensation as defined in the plan document, subject to statutory limits determined by the Internal Revenue Code (“IRC”). Participants direct the investment of their contributions into various investment options defined by the Plan. The Plan has adopted the automatic enrollment feature, whereby newly hired employees will be automatically enrolled into the Plan when the employee first becomes eligible to participate. The automatic elective deferral contribution is 3%. The participant may affirmatively elect a different percentage or elect not to make contributions. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions.

Plan participants are allowed to make Roth contributions to the Plan. Plan participants may elect to make an in-Plan Roth transfer from the vested portion of their accounts. Loans may not be distributed as part of an in-Plan Roth transfer.

FLEXGEN 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN (continued)

The Company makes a safe harbor matching contribution and may make nonelective discretionary contributions to the Plan as authorized by the Company. In 2023, the Company's safe harbor matching contribution was 100% of the first 3% of eligible compensation, plus 50% of each participant's elective deferrals in excess of 3% but not in excess of 5% of eligible compensation. Discretionary employer matching contributions will not apply to elective deferrals exceeding 6% of eligible compensation. Participants must be employed on the last day of the year and have completed at least 1,000 hours of service during the year in order to receive any discretionary matching contribution. No discretionary employer matching contributions were made in 2023.

Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if any, and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in all accounts.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A maximum of one loan per participant may be outstanding at any one time. Loan terms cannot exceed 36 months. The interest rate will be the Prime rate published in the Wall Street Journal plus 1%. Principal and interest are paid ratably on a biweekly basis through payroll deductions.

Payment of Benefits

Upon death, disability, retirement, or termination of service, a participant is to receive a lump-sum amount equal to the vested value of his or her account. The Plan requires that in the event of a mandatory distribution in an amount greater than \$0, but not exceeding \$5,000, and if the participant does not otherwise elect a method of payment, the distribution will be made in the form of a direct rollover to an individual retirement account designated by the plan administrator.

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN (concluded)

Forfeited Accounts

Forfeitures resulting from participant account adjustments may be used to pay Plan administrative expenses and/or reduce employer contributions. As of December 31, 2023 and 2022, there were \$1,605 and \$333 in forfeited nonvested accounts and no forfeitures were used to pay administrative expenses or to reduce employer contributions during 2023.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except a fully benefit-responsive guaranteed interest account group annuity contract, which is recorded at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. See Note 5 for discussion of the investment at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Trustee and recordkeeping fees incurred in connection with the general administration of the Plan that are paid by the Plan are included in administrative expenses. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY TRUSTEE AND CUSTODIAN

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants, as of December 31, 2023 and 2022, net appreciation in fair value of investments, interest and dividends on investments, and interest income on notes receivable from participants for 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee and Custodian.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

FLEXGEN 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 4: FAIR VALUE MEASUREMENTS (concluded)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. All of the Plan's investments are valued using level 1 measurements.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used as of December 31, 2023 and 2022.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022

	2023	2022
	Investments at Fair Value	Investments at Fair Value
	Level 1	Level 1
Mutual funds	\$ 5,482,891	\$ 2,626,010
Total investments at fair value	\$ 5,482,891	\$ 2,626,010

FLEXGEN 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 5: INVESTMENT AT CONTRACT VALUE

Certain participants invested in a fully benefit-responsive guaranteed interest account group annuity contract. The Trustee maintains the contributions in a general account. This account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest account-issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

Because the investment contract is fully benefit-responsive, the contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Contract value, as reported to the Plan by the Trustee, represents contributions made under the contract, plus earnings and less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity-wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable.

NOTE 6: RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are mutual funds or units of a guaranteed interest contract managed by the Trustee as defined by the Plan; therefore, these transactions qualify as party in interest transactions. During 2023, the Plan made direct payments to the Trustee totaling \$18,773. The Company pays directly any other fees related to the Plan's operations.

NOTE 7: INCOME TAX STATUS

The Plan obtained its latest opinion letter dated November 14, 2022, in which the IRS stated that the Empower Retirement LLC Prototype Non-standardized Profit Sharing Plan with cash or deferred arrangement, as then designed, was in compliance with the applicable requirements of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

FLEXGEN 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 7: INCOME TAX STATUS (concluded)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities.

NOTE 8 CONTINGENCY

For the plan year ended December 31, 2023, the Trustee and Custodian have not completed certain tests to determine if the Plan is in compliance with IRS regulations. Since the results of these tests are unknown, it is at least reasonably possible that the Plan could be liable for excess contributions made by participants during the 2023 plan year. Management does not believe that there would be a material impact to the financial statements as a whole.

NOTE 9: SUBSEQUENT EVENTS

The Plan Sponsor has evaluated subsequent events through the report date, the date the financial statements were available to be issued, and determined that no events have occurred that would require adjustment to or disclosure in these financial statements.
