INDEPENDENT AUDITOR'S REPORT

Management and Board of Directors
AMHC Retirement Plan
Presque Isle, Maine

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the AMHC Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the AMHC Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i (modified cash basis) Schedule of Assets (Held at End of Year) for December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMHC RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

(1) DESCRIPTION OF PLAN

The following description of the AMHC Retirement Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description and/or the Plan document for more complete information.

- a. **GENERAL** - The Plan is a defined contribution plan covering current and former employees of the Aroostook Mental Health Services Inc., a/k/a Aroostook Mental Health Center (AMHC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- b. **ELIGIBILITY** - All employees are eligible to make elective deferrals to the Plan except employees who normally work less than 20 hours per week and who have not completed a year of service.
- c. **EMPLOYEE ELECTIVE DEFERRAL CONTRIBUTIONS** - Each year, the participants may elect to contribute up to 20% of their compensation up to the maximum amount allowable by law (\$22,500 for 2023 and \$20,500 for 2022). A participant who has attained or will attain age 50 by the end of the Plan year may contribute more (\$7,500 for 2023 and \$6,500 for 2022).
- d. **EMPLOYER CONTRIBUTIONS** -AMHC makes a discretionary matching contribution of 100% of a maximum of 4% of employee's deferral compensation on a quarterly basis. Employees must be credited with at least one year of service and still be employed by AMHC at the end of each quarter to qualify for the match.

AMHC may also make a non-elective contribution to the Plan. No such contribution was made in 2023 or 2022.

AMHC may also make a discretionary true-up matching contribution at the end of each Plan year. No such contribution was made in 2023 or 2022.

Total contributions for each participant cannot exceed \$66,000 and \$61,000 for 2023 and 2022, respectively. Contributions to the Plan are made in a timely manner in accordance with the ERISA regulations.

- e. **ROLLOVERS** - The assets of another qualified retirement plan may be transferred directly to the Plan.

(1) DESCRIPTION OF PLAN (cont'd)

- f. **PARTICIPANT ACCOUNTS** - Each participant's individual account is credited with the participant's contribution, rollover contributions, and employer contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. In 2023 and 2022, the Plan offered mutual funds. If any, AMHC's contributions are allocated based on the participant's contribution. Allocation of the Plan's investment gains or losses and net income is based on the participant's particular investment mix. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- g. **VESTING** - All participants are 100% vested in employee contributions at all times. All employer contributions are 100% vested after three years of service.
- h. **NOTES RECEIVABLE FROM PARTICIPANTS** - Participants who invest with American Funds may borrow from their participant account balance. The loan must be for a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms will not exceed five (5) years unless used for the purpose of acquiring a principal residence of the participant. The loans are secured by the balance in the participant's account and currently bear interest at 4.25%-9.50%. Rates are based on the WSJ Prime Rate plus 1%. Principal and interest are paid through bi-weekly payroll deductions.
- i. **PAYMENT OF BENEFITS** - Payment of benefits is available upon the participant's retirement, termination of employment, death or permanent and total disability. If the participant's account does not exceed \$5,000 it will be distributed in a single lump-sum amount. Accounts in excess of \$5,000 can be distributed as monthly installment payments or as one lump-sum payment. Required minimum distributions (RMD) begin at age 72 (73 if the participant reaches age 72 after December 31, 2022).
- j. **IN-SERVICE WITHDRAWALS** - A participant who reaches the age of 59 ½ may elect to receive all or some of his or her vested account balance. Rollover contributions may be withdrawn at any time.
- k. **HARDSHIP WITHDRAWALS** - A participant may withdraw from his or her elective contributions account to satisfy an immediate and heavy financial need; as defined by the Plan and subject to Internal Revenue Service (IRS) and 403(b) regulations (hardship distribution). There were no hardship distributions in 2023 or 2022.
- l. **FORFEITED ACCOUNTS** - On December 31, 2023, and 2022, forfeited non-vested accounts totaled \$11,098 and \$6, respectively. These accounts may be used to pay reasonable Plan expenses and the remaining balance is to be allocated to the participant accounts in the following Plan year. During the plan year ended December 31, 2023 and 2022, forfeiture accounts of \$0 and \$5,799, respectively, were used to pay plan expenses.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements were prepared on the modified cash basis of accounting. On the modified cash basis, the investments are reported at fair value and participant loans are recorded as a receivable. However, receivables are not recorded for employer contributions accrued, participant contributions withheld but not yet received or for interest earned and dividends declared but not yet received. Also, payables are not recorded for excess deferrals received.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Trustees. See Note 6 for discussion of fair value measurements.

Mutual funds are valued at fair value based on the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value includes the Plan's gains (losses) on investments bought and sold, as well as held during the year.

Interest income is recorded when received.

Notes Receivable from Participants

Loans are recorded at their unpaid principal balance plus accrued but unpaid interest. Defaulted loans can be offset against the balance of the participant accounts and may be treated as a taxable distribution. No allowance for credit losses is necessary since the notes receivable are fully secured by participant accounts.

Payment of Benefits

Benefits are recorded when paid.

Expenses

The Plan sponsor pays most of the expenses in maintaining the Plan and they are excluded from these financial statements. Expenses related to the administration of notes receivable from participants are charged directly to the participants' account and are excluded from administrative fees. Investment related expenses are included in net appreciation of fair value of investments.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd.)

Subsequent Events

Subsequent events were evaluated through September 6, 2024, which is the date the financial statements were available to be issued.

(3) TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the Code). The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for the Plan participants under Section 403(b). The terms of the plan have been prepared to conform to the listing of one of the 403(b) plans that have been pre-approved by the Internal Revenue Service. Aroostook Mental Health Services, Inc. believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken by the Plan that would require recognition of a liability (or asset) or, except for the items above, disclosure in the financial statements. The Plan is subject to routine audits by the IRS and the DOL; however, there are currently no audits in progress.

(4) PLAN AMENDMENTS

The Plan was formed in 1989 and amended and restated in its entirety effective October 1, 2014.

The Plan was amended effective January 1, 2020 to change the name of the Plan to AMHC Retirement Plan, reinstate the employer match, and adopt a calendar year-end. The Plan previously had a September 30th year end.

The Plan was amended effective July 31, 2022 to clarify the definition of plan compensation.

The Plan has been amended for certain provisions of the Bipartisan Act of 2018, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act). These plan changes were permitted as operational relief items for impacted plan participants, as defined by the act until formal amendment. Plan management is reviewing SECURE Act 2.0, which will require formal amendment to the Plan in the year 2025.

The Plan's independent auditors did not perform auditing procedures with respect to investments, investment income (loss), schedule of assets (held at end of year), and interest income on notes receivable from participants, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(6) FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to settle a liability in an orderly transaction between market participants at the measurement date. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent; however, the use of different valuation methodologies or assumptions could result in a different fair value determination.

AMHC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (cont'd)

(6) FAIR VALUE MEASUREMENTS (cont'd)

A fair value hierarchy is used to prioritize the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of quoted prices in active markets for identical assets or liabilities in inactive markets. Level 3 inputs are unobservable and significant to the fair value measurement. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 and Level 2 inputs are not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022. The funds held by the Plan are deemed to be actively traded.

Fidelity money market funds: Valued at the daily closing price as reported by the fund.

Fidelity and American Funds mutual funds: Valued at the quoted net asset value of shares held by the Plan. The funds publish their daily net asset value and transact at that price.

December 31, 2023	Fair Value	Level 1	Level 2	Level 3

(7) RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

Certain Plan investments are shares of common trust funds managed by Fidelity and American Funds. Fidelity Management Trust Company is a trustee of the Plan and American Funds is the recordkeeper to the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included as a reduction in net appreciation (depreciation) in fair value of investments.

The Plan also made direct payments to service providers which were not covered by revenue sharing. The Plan receives an annual fee credit from the recordkeeper which offsets administrative expenses. The amount is not allocated to participants but reduces record keeping fees to zero. The administrative fees, as shown in the statement of changes in net assets available for benefits, are gross of the fee credit of \$1,740.

(8) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of a termination, participants would become 100% vested in their employer contributions.

(9) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate risk, market and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amount reported in the Statement of Net Assets Available for Benefits (modified cash basis).

(10) CLASSIFICATION DIFFERENCES

Form 5500 has certain assets, income or expense items that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect on net assets available for benefits for either period.
