To the Board of Directors
Youth for Change
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Youth for Change 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Youth for Change 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

continued

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Youth for Change 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Youth for Change 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Youth for Change 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Youth for Change 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

continued

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

YOUTH FOR CHANGE 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following brief description of Youth for Change 401(k) Profit Sharing Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan’s agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Youth for Change who are at least twenty-one years of age and have completed one thousand hours of service as defined. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, Youth for Change may make a discretionary matching contribution and profit-sharing contribution. To be eligible, employees must be employed on the last day of the plan year and have completed 1,000 hours of service during the plan year.

Participants may contribute up to the maximum amount allowed by the Internal Revenue Code from their eligible compensation as defined in the Plan. Participants may also contribute amounts representing distributions from other retirement plans. In addition, participants qualifying for age-based provisions may make additional catch-up deferrals.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the allocation of the Plan sponsor’s contribution and the Plan’s earnings. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are fully vested in their contributions. Employer contributions vest based on years of continuous service. A participant is 100% vested after six years of credited service.

Forfeitures

Forfeitures attributable to matching contributions are applied to reduce or increase the employer matching contributions. Forfeitures attributable to amounts other than employer matching contributions are used to reduce or increase any employer contribution. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$45,292 and \$23,697. Forfeitures used during 2023 and 2022 were \$45,292 and \$23,697, respectively.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Payment of Benefits

On termination of service, a participant may elect to receive benefit payments as follows: (a) a single lump sum payment or (b) partial withdrawals or installments.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net appreciation (depreciation) includes the Plan's gain (loss) on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

**YOUTH FOR CHANGE
401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results could differ from those estimates.

Administrative Expenses

Youth for Change absorbs all administrative expenses of the Plan other than the contract services charged by John Hancock Life Insurance Company (U.S.A.), the custodian. For the years ended December 31, 2023 and 2022, total contract charges were \$9,205 and \$3,825, respectively.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investments securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

Subsequent Events

Management has evaluated subsequent events through August 19, 2024, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Information Prepared and Certified by the Custodian

No auditing procedures were performed on investments and dividend income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following summarizes the information certified by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, as of December 31, 2023 and 2022, respectively:

	<u>2023</u>	<u>2022</u>
Investments at fair value		
Mutual funds	\$6,338,757	\$4,895,387

3. Information Prepared and Certified by the Custodian, continued

During the years ended December 31, 2023 and 2022, the Plan's investments (including investments bought, sold, and held during the year) appreciated (depreciated) in value by \$838,792 and (\$962,770), respectively, attributed to mutual funds.

4. Fair Value Measurements

The table below sets forth, by level within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2023 and 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2023</u>				
Mutual funds	<u>\$6,338,757</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$6,338,757</u>
<u>December 31, 2022</u>				
Mutual funds	<u>\$4,895,387</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$4,895,387</u>

The fair value of mutual funds has been measured within the fair value hierarchy on a recurring basis using quoted market prices, which represents the NAV of shares held by the Plan at year end (Level 1 inputs).

5. Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers and employees of Youth for Change. No officer or employee received compensation from the Plan for these services.

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

6. Plan Termination

Although it has not expressed any intent to do so, Youth for Change has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

7. Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan is designed to operate as a volume submitter 401(k) profit sharing plan based on a favorable determination letter issued to the prototype sponsor that provides tax-exempt status under appropriate sections of the Internal Revenue Code. The plan sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS"). The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.
