Independent Auditors' Report

The Plan Administrator
Princeton Properties Management, Inc. Retirement Plan
Lowell, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Princeton Properties Management, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, (1) Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 and (2) Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

¹ In certain jurisdictions, CBIZ CPAs P.C. operates under its previous name, Mayer Hoffman McCann P.C.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by (See Note 3) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 1 - Description of Plan

The following description of the Princeton Properties Management, Inc. Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit sharing plan with a cash deferral arrangement covering all eligible employees, as defined by the Plan, of Princeton Properties Management, Inc. (“Employer”), who have attained age 21 and completed two months of service (“Participants”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Substantially all investments are participant directed.

Participant Contributions

Participants may defer from 1% to 75% of their eligible compensation, as defined, subject to dollar limits set by Federal law. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan provides for automatic participant deferrals of 5% of compensation which are processed on the 1st day of the month after 60 days of employment. Effective February 1, 2018, any participant automatically enrolled in the Plan with a deferral rate greater than zero and less than 5% shall be deemed to have elected to defer 5%. Employees are sent a notification that the automatic deferral is to start 30 days in advance. The automatic deferral increases 1% a year up to a maximum of 15%. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“Rollovers”).

Employer Contributions

Matching Contributions

Each year, the Employer makes a discretionary matching contribution to the Plan. For the Plan year ended December 31, 2023, the Employer matched 50% of the first 5% of each participant’s deferrals, amounting to \$351,986.

Profit Sharing and Discretionary Matching Contributions

The Employer may elect to make discretionary profit sharing and matching contributions to the Plan. Allocation of any Employer profit sharing contribution is based on each participant’s compensation in proportion to the compensation of all Participants. A participant is eligible for an Employer profit sharing contribution once they are eligible to make participant contributions. There were no discretionary matching contributions during the Plan year ended December 31, 2023.

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Employer's contribution and the Plan's investment earnings/losses, less daily asset management fees, and loan fees, if applicable. Allocations are based on participant compensation, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

A participant who leaves the employ of the Employer forfeits any non-vested balance at the earlier of the end of five consecutive one-year breaks in service or if the participant takes a distribution of their total vested account. Forfeited balances are used to reduce future Employer matching contributions or to pay Plan expenses. At December 31, 2023 and 2022, remaining unallocated forfeiture balances were \$13,766 and \$39,641, respectively. During the Plan year ended December 31, 2023, there were \$57,977 of forfeitures used to offset Plan expenses.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. A participant's vested interest in Employer contributions is based on years of continuous service. A participant begins vesting after one year of service and is fully vested after five years of service, or if employment is terminated due to death, disability or retirement.

Withdrawals and Distributions

In-service withdrawals from a participant's vested account are permitted upon reaching age 59½. Participants may withdraw their rollover contributions at any time. Participants are entitled to the vested balance in their account upon death, disability, retirement or termination of employment. A participant may elect to receive a lump-sum amount equal to the vested balance of his or her account or installment payments of such amounts, frequency and duration as the participant or beneficiary may elect. If a former participant's vested account is greater than \$1,000, but not more than \$5,000, the Plan administrator, after notification, may distribute his or her entire non-forfeited account balance to an IRA rollover account for the benefit of the former participant. In addition, upon termination, if a participant's vested account is less than \$1,000, the Plan administrator, after notification and without consent, may distribute the benefit to the participant in a lump-sum amount.

The Plan allows for hardship withdrawals (\$500 minimum) but cannot exceed the amount needed to meet immediate financial hardship.

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans generally must be repaid within five years (or longer for the purchase of a primary residence). The loans are secured by the vested balance in the participant's account and bear interest at the prevailing prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Plan Administration

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Fidelity Management Trust Company ("Fidelity") is the trustee and custodian of the Plan. The Employer, at its discretion, may pay the administration expenses of the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the trustee and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

Unit Values

Individual participant accounts for the stable value common/collective trust funds are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units which are valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the Participants' accounts are charged or credited with the number of units properly attributable to each participant.

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies (Continued)

Benefits Paid

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Subsequent Events

The Plan has evaluated subsequent events through August 29, 2024, the date that the financial statements were available to be issued. No significant matters were identified for disclosure in that evaluation.

Note 3 - Information Certified by the Trustee and Custodian

Plan investments are held in mutual funds and a stable value common/collective trust by the Plan's custodian and trustee, Fidelity Management Trust Company ("Fidelity"). The fair value of investments as of December 31, 2023 and 2022 and all investment transactions for the year ended December 31, 2023, including interest and dividend income, and net appreciation in fair value, are reported to the Plan and certified as complete and accurate by Fidelity. Information included in the supplemental schedules and notes receivable from Participants has also been derived from information certified by Fidelity.

The Plan offers investment choices to allow participants to create a diversified portfolio of assets based on a participant's risk tolerance.

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level I – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level II – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2023 and 2022.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Common/Collective Trust

A stable value fund that is composed primarily of indirect fully benefit-responsive investment contracts is valued at the NAV of units of the collective trust. The NAV, as provided by the custodian and trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Note 4 - Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Description	Assets at Fair Value as of December 31, 2023			
	Level I	Level II	Level III	Total
Mutual funds	\$ <u>20,787,610</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 20,787,610
Investments measured at NAV practical expedient (a)				<u>1,808,120</u>

Investments measured at NAV practical expedient (a)				<u>2,305,998</u>
Total investments at fair value				\$ <u>19,480,360</u>

(a) In accordance with ASC Subtopic 820-10, "Fair Value Measurements," certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified within the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy amounts to amounts presented in the Statements of Net Assets Available for Benefits.

Note 5 - Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on net asset value (NAV) per share as of December 31, 2023 and 2022, respectively:

<i>Investment</i>	<i>Fair Value*</i> <i>12/31/2023</i>	<i>Fair Value*</i> <i>12/31/2022</i>	<i>Unfunded</i> <i>Commitments</i>	<i>Redemption</i> <i>Frequency</i>	<i>Redemption</i> <i>Notice</i> <i>Period</i>

Total	\$ <u>1,808,120</u>	\$ <u>2,305,998</u>	\$ <u>-</u>		

* The fair values of the investments have been estimated using the net asset value of the investment.

(a) See Note 4 for the description of the stable value common/collective trust.

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events such as an international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 7 - Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and units in a stable value common/collective trust managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid out of the Plan to Fidelity Management Trust Company and other service Plan providers totaled \$70,559, net of revenue credits received of \$30,171, for the year ended December 31, 2023. Notes receivable from Participants also qualify as party-in-interest transactions.

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 8 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

Note 9 - Tax Status

The Plan adopted the Fidelity Management and Research Company Volume Submitter Profit Sharing Plan with CODA that received a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan and related trust, as then designed, were in compliance with applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Employer believes that the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that, therefore, the Plan continues to qualify under Section 401(a) and continues to be tax-exempt. Therefore, no provision for income taxes is included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10 - Reconciliation of Financial Statements to Form 5500

At December 31, 2023 and 2022, the following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	2023	2022
Net assets available for benefits per the financial statements	\$ 22,828,604	\$ 19,721,751

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 10 - Reconciliation of Financial Statements to Form 5500 (Continued)

For the year ended December 31, 2023, the following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income per Form 5500:

Net increase in net assets available for benefits per the financial statements	\$ 3,106,853
2022 adjustment to current value for the Fidelity Advisor Stable Value Portfolio	155,232
2023 adjustment to current value for the Fidelity Advisor Stable Value Portfolio	<u>(105,835)</u>
Net income per Form 5500	\$ <u>3,156,250</u>

Note 11 - Delinquent Participant Contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Employer remitted all employee contributions to the Plan, due to Fidelity's delayed processing of pay date July 27, 2023 contribution file causing a minor delay, contributions of \$37,909 were not remitted within the required time period for the year ended December 31, 2023. The Employer also corrected for lost earnings for the affected participants in 2023, which in fact were funded by Fidelity since it was their error.

Independent Auditors' Report

The Plan Administrator
Princeton Properties Management, Inc. Retirement Plan
Lowell, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Princeton Properties Management, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, (1) Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 and (2) Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

¹ In certain jurisdictions, CBIZ CPAs P.C. operates under its previous name, Mayer Hoffman McCann P.C.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by (See Note 3) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 1 - Description of Plan

The following description of the Princeton Properties Management, Inc. Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit sharing plan with a cash deferral arrangement covering all eligible employees, as defined by the Plan, of Princeton Properties Management, Inc. (“Employer”), who have attained age 21 and completed two months of service (“Participants”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Substantially all investments are participant directed.

Participant Contributions

Participants may defer from 1% to 75% of their eligible compensation, as defined, subject to dollar limits set by Federal law. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan provides for automatic participant deferrals of 5% of compensation which are processed on the 1st day of the month after 60 days of employment. Effective February 1, 2018, any participant automatically enrolled in the Plan with a deferral rate greater than zero and less than 5% shall be deemed to have elected to defer 5%. Employees are sent a notification that the automatic deferral is to start 30 days in advance. The automatic deferral increases 1% a year up to a maximum of 15%. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“Rollovers”).

Employer Contributions

Matching Contributions

Each year, the Employer makes a discretionary matching contribution to the Plan. For the Plan year ended December 31, 2023, the Employer matched 50% of the first 5% of each participant’s deferrals, amounting to \$351,986.

Profit Sharing and Discretionary Matching Contributions

The Employer may elect to make discretionary profit sharing and matching contributions to the Plan. Allocation of any Employer profit sharing contribution is based on each participant’s compensation in proportion to the compensation of all Participants. A participant is eligible for an Employer profit sharing contribution once they are eligible to make participant contributions. There were no discretionary matching contributions during the Plan year ended December 31, 2023.

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Employer's contribution and the Plan's investment earnings/losses, less daily asset management fees, and loan fees, if applicable. Allocations are based on participant compensation, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

A participant who leaves the employ of the Employer forfeits any non-vested balance at the earlier of the end of five consecutive one-year breaks in service or if the participant takes a distribution of their total vested account. Forfeited balances are used to reduce future Employer matching contributions or to pay Plan expenses. At December 31, 2023 and 2022, remaining unallocated forfeiture balances were \$13,766 and \$39,641, respectively. During the Plan year ended December 31, 2023, there were \$57,977 of forfeitures used to offset Plan expenses.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. A participant's vested interest in Employer contributions is based on years of continuous service. A participant begins vesting after one year of service and is fully vested after five years of service, or if employment is terminated due to death, disability or retirement.

Withdrawals and Distributions

In-service withdrawals from a participant's vested account are permitted upon reaching age 59½. Participants may withdraw their rollover contributions at any time. Participants are entitled to the vested balance in their account upon death, disability, retirement or termination of employment. A participant may elect to receive a lump-sum amount equal to the vested balance of his or her account or installment payments of such amounts, frequency and duration as the participant or beneficiary may elect. If a former participant's vested account is greater than \$1,000, but not more than \$5,000, the Plan administrator, after notification, may distribute his or her entire non-forfeited account balance to an IRA rollover account for the benefit of the former participant. In addition, upon termination, if a participant's vested account is less than \$1,000, the Plan administrator, after notification and without consent, may distribute the benefit to the participant in a lump-sum amount.

The Plan allows for hardship withdrawals (\$500 minimum) but cannot exceed the amount needed to meet immediate financial hardship.

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans generally must be repaid within five years (or longer for the purchase of a primary residence). The loans are secured by the vested balance in the participant's account and bear interest at the prevailing prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Plan Administration

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Fidelity Management Trust Company ("Fidelity") is the trustee and custodian of the Plan. The Employer, at its discretion, may pay the administration expenses of the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the trustee and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

Unit Values

Individual participant accounts for the stable value common/collective trust funds are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units which are valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the Participants' accounts are charged or credited with the number of units properly attributable to each participant.

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies (Continued)

Benefits Paid

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Subsequent Events

The Plan has evaluated subsequent events through August 29, 2024, the date that the financial statements were available to be issued. No significant matters were identified for disclosure in that evaluation.

Note 3 - Information Certified by the Trustee and Custodian

Plan investments are held in mutual funds and a stable value common/collective trust by the Plan's custodian and trustee, Fidelity Management Trust Company ("Fidelity"). The fair value of investments as of December 31, 2023 and 2022 and all investment transactions for the year ended December 31, 2023, including interest and dividend income, and net appreciation in fair value, are reported to the Plan and certified as complete and accurate by Fidelity. Information included in the supplemental schedules and notes receivable from Participants has also been derived from information certified by Fidelity.

The Plan offers investment choices to allow participants to create a diversified portfolio of assets based on a participant's risk tolerance.

Notes to Financial Statements

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level I – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level II – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2023 and 2022.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Common/Collective Trust

A stable value fund that is composed primarily of indirect fully benefit-responsive investment contracts is valued at the NAV of units of the collective trust. The NAV, as provided by the custodian and trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Note 4 - Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Description	Assets at Fair Value as of December 31, 2023			
	Level I	Level II	Level III	Total

Investments measured at NAV practical expedient (a)				<u>2,305,998</u>
Total investments at fair value				\$ <u>19,480,360</u>

- (a) In accordance with ASC Subtopic 820-10, "Fair Value Measurements," certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified within the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy amounts to amounts presented in the Statements of Net Assets Available for Benefits.

Note 5 - Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on net asset value (NAV) per share as of December 31, 2023 and 2022, respectively:

<i>Investment</i>	<i>Fair Value*</i> <i>12/31/2023</i>	<i>Fair Value*</i> <i>12/31/2022</i>	<i>Unfunded</i> <i>Commitments</i>	<i>Redemption</i> <i>Frequency</i>	<i>Redemption</i> <i>Notice</i> <i>Period</i>

Total	\$ <u>1,808,120</u>	\$ <u>2,305,998</u>	\$ <u>-</u>		

* The fair values of the investments have been estimated using the net asset value of the investment.

(a) See Note 4 for the description of the stable value common/collective trust.

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events such as an international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 7 - Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and units in a stable value common/collective trust managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid out of the Plan to Fidelity Management Trust Company and other service Plan providers totaled \$70,559, net of revenue credits received of \$30,171, for the year ended December 31, 2023. Notes receivable from Participants also qualify as party-in-interest transactions.

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 8 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

Note 9 - Tax Status

The Plan adopted the Fidelity Management and Research Company Volume Submitter Profit Sharing Plan with CODA that received a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan and related trust, as then designed, were in compliance with applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Employer believes that the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that, therefore, the Plan continues to qualify under Section 401(a) and continues to be tax-exempt. Therefore, no provision for income taxes is included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10 - Reconciliation of Financial Statements to Form 5500

At December 31, 2023 and 2022, the following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	2023	2022
Net assets available for benefits per the financial statements	\$ 22,828,604	\$ 19,721,751

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 10 - Reconciliation of Financial Statements to Form 5500 (Continued)

For the year ended December 31, 2023, the following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income per Form 5500:

Net increase in net assets available for benefits per the financial statements	\$ 3,106,853
2022 adjustment to current value for the Fidelity Advisor Stable Value Portfolio	155,232
2023 adjustment to current value for the Fidelity Advisor Stable Value Portfolio	<u>(105,835)</u>
Net income per Form 5500	\$ <u>3,156,250</u>

Note 11 - Delinquent Participant Contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Employer remitted all employee contributions to the Plan, due to Fidelity's delayed processing of pay date July 27, 2023 contribution file causing a minor delay, contributions of \$37,909 were not remitted within the required time period for the year ended December 31, 2023. The Employer also corrected for lost earnings for the affected participants in 2023, which in fact were funded by Fidelity since it was their error.

Independent Auditors' Report

The Plan Administrator
Princeton Properties Management, Inc. Retirement Plan
Lowell, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Princeton Properties Management, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, (1) Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 and (2) Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

¹ In certain jurisdictions, CBIZ CPAs P.C. operates under its previous name, Mayer Hoffman McCann P.C.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by (See Note 3) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 1 - Description of Plan

The following description of the Princeton Properties Management, Inc. Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit sharing plan with a cash deferral arrangement covering all eligible employees, as defined by the Plan, of Princeton Properties Management, Inc. (“Employer”), who have attained age 21 and completed two months of service (“Participants”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Substantially all investments are participant directed.

Participant Contributions

Participants may defer from 1% to 75% of their eligible compensation, as defined, subject to dollar limits set by Federal law. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan provides for automatic participant deferrals of 5% of compensation which are processed on the 1st day of the month after 60 days of employment. Effective February 1, 2018, any participant automatically enrolled in the Plan with a deferral rate greater than zero and less than 5% shall be deemed to have elected to defer 5%. Employees are sent a notification that the automatic deferral is to start 30 days in advance. The automatic deferral increases 1% a year up to a maximum of 15%. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“Rollovers”).

Employer Contributions

Matching Contributions

Each year, the Employer makes a discretionary matching contribution to the Plan. For the Plan year ended December 31, 2023, the Employer matched 50% of the first 5% of each participant’s deferrals, amounting to \$351,986.

Profit Sharing and Discretionary Matching Contributions

The Employer may elect to make discretionary profit sharing and matching contributions to the Plan. Allocation of any Employer profit sharing contribution is based on each participant’s compensation in proportion to the compensation of all Participants. A participant is eligible for an Employer profit sharing contribution once they are eligible to make participant contributions. There were no discretionary matching contributions during the Plan year ended December 31, 2023.

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Employer's contribution and the Plan's investment earnings/losses, less daily asset management fees, and loan fees, if applicable. Allocations are based on participant compensation, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

A participant who leaves the employ of the Employer forfeits any non-vested balance at the earlier of the end of five consecutive one-year breaks in service or if the participant takes a distribution of their total vested account. Forfeited balances are used to reduce future Employer matching contributions or to pay Plan expenses. At December 31, 2023 and 2022, remaining unallocated forfeiture balances were \$13,766 and \$39,641, respectively. During the Plan year ended December 31, 2023, there were \$57,977 of forfeitures used to offset Plan expenses.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. A participant's vested interest in Employer contributions is based on years of continuous service. A participant begins vesting after one year of service and is fully vested after five years of service, or if employment is terminated due to death, disability or retirement.

Withdrawals and Distributions

In-service withdrawals from a participant's vested account are permitted upon reaching age 59½. Participants may withdraw their rollover contributions at any time. Participants are entitled to the vested balance in their account upon death, disability, retirement or termination of employment. A participant may elect to receive a lump-sum amount equal to the vested balance of his or her account or installment payments of such amounts, frequency and duration as the participant or beneficiary may elect. If a former participant's vested account is greater than \$1,000, but not more than \$5,000, the Plan administrator, after notification, may distribute his or her entire non-forfeited account balance to an IRA rollover account for the benefit of the former participant. In addition, upon termination, if a participant's vested account is less than \$1,000, the Plan administrator, after notification and without consent, may distribute the benefit to the participant in a lump-sum amount.

The Plan allows for hardship withdrawals (\$500 minimum) but cannot exceed the amount needed to meet immediate financial hardship.

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans generally must be repaid within five years (or longer for the purchase of a primary residence). The loans are secured by the vested balance in the participant's account and bear interest at the prevailing prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Plan Administration

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Fidelity Management Trust Company ("Fidelity") is the trustee and custodian of the Plan. The Employer, at its discretion, may pay the administration expenses of the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the trustee and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

Unit Values

Individual participant accounts for the stable value common/collective trust funds are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units which are valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the Participants' accounts are charged or credited with the number of units properly attributable to each participant.

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies (Continued)

Benefits Paid

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Subsequent Events

The Plan has evaluated subsequent events through August 29, 2024, the date that the financial statements were available to be issued. No significant matters were identified for disclosure in that evaluation.

Note 3 - Information Certified by the Trustee and Custodian

Plan investments are held in mutual funds and a stable value common/collective trust by the Plan's custodian and trustee, Fidelity Management Trust Company ("Fidelity"). The fair value of investments as of December 31, 2023 and 2022 and all investment transactions for the year ended December 31, 2023, including interest and dividend income, and net appreciation in fair value, are reported to the Plan and certified as complete and accurate by Fidelity. Information included in the supplemental schedules and notes receivable from Participants has also been derived from information certified by Fidelity.

The Plan offers investment choices to allow participants to create a diversified portfolio of assets based on a participant's risk tolerance.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level I – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level II – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2023 and 2022.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Common/Collective Trust

A stable value fund that is composed primarily of indirect fully benefit-responsive investment contracts is valued at the NAV of units of the collective trust. The NAV, as provided by the custodian and trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Note 4 - Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Description	Assets at Fair Value as of December 31, 2023			
	Level I	Level II	Level III	Total
Mutual funds	\$ <u>20,787,610</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 20,787,610
Investments measured at NAV practical expedient (a)				<u>1,808,120</u>
Total investments at fair value				\$ <u>22,595,730</u>

Description	Assets at Fair Value as of December 31, 2022			
	Level I	Level II	Level III	Total
Mutual funds	\$ <u>17,174,362</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 17,174,362
Investments measured at NAV practical expedient (a)				<u>2,305,998</u>
Total investments at fair value				\$ <u>19,480,360</u>

(a) In accordance with ASC Subtopic 820-10, "Fair Value Measurements," certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified within the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy amounts to amounts presented in the Statements of Net Assets Available for Benefits.

Note 5 - Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on net asset value (NAV) per share as of December 31, 2023 and 2022, respectively:

<i>Investment</i>	<i>Fair Value*</i> <i>12/31/2023</i>	<i>Fair Value*</i> <i>12/31/2022</i>	<i>Unfunded</i> <i>Commitments</i>	<i>Redemption</i> <i>Frequency</i>	<i>Redemption</i> <i>Notice</i> <i>Period</i>
Stable value common/ collective trust (a)	\$ <u>1,808,120</u>	\$ <u>2,305,998</u>	\$ <u>-</u>	Daily	1 Day
Total	\$ <u>1,808,120</u>	\$ <u>2,305,998</u>	\$ <u>-</u>		

* The fair values of the investments have been estimated using the net asset value of the investment.

(a) See Note 4 for the description of the stable value common/collective trust.

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events such as an international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 7 - Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and units in a stable value common/collective trust managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid out of the Plan to Fidelity Management Trust Company and other service Plan providers totaled \$70,559, net of revenue credits received of \$30,171, for the year ended December 31, 2023. Notes receivable from Participants also qualify as party-in-interest transactions.

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 8 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

Note 9 - Tax Status

The Plan adopted the Fidelity Management and Research Company Volume Submitter Profit Sharing Plan with CODA that received a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan and related trust, as then designed, were in compliance with applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Employer believes that the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that, therefore, the Plan continues to qualify under Section 401(a) and continues to be tax-exempt. Therefore, no provision for income taxes is included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10 - Reconciliation of Financial Statements to Form 5500

At December 31, 2023 and 2022, the following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	2023	2022
Net assets available for benefits per the financial statements	\$ 22,828,604	\$ 19,721,751
Adjustment to current value for the Fidelity Advisor Stable Value Portfolio	<u>(105,835)</u>	<u>(155,232)</u>
Net assets available for benefits per Form 5500	<u>\$ 22,722,769</u>	<u>\$ 19,566,519</u>

PRINCETON PROPERTIES MANAGEMENT, INC. RETIREMENT PLAN

Notes to Financial Statements

Note 10 - Reconciliation of Financial Statements to Form 5500 (Continued)

For the year ended December 31, 2023, the following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income per Form 5500:

Net increase in net assets available for benefits per the financial statements	\$ 3,106,853
2022 adjustment to current value for the Fidelity Advisor Stable Value Portfolio	155,232
2023 adjustment to current value for the Fidelity Advisor Stable Value Portfolio	<u>(105,835)</u>
Net income per Form 5500	\$ <u>3,156,250</u>

Note 11 - Delinquent Participant Contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Employer remitted all employee contributions to the Plan, due to Fidelity's delayed processing of pay date July 27, 2023 contribution file causing a minor delay, contributions of \$37,909 were not remitted within the required time period for the year ended December 31, 2023. The Employer also corrected for lost earnings for the affected participants in 2023, which in fact were funded by Fidelity since it was their error.
