INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Calvert Internal Medicine Group, P.A.
401(k) Profit Sharing Plan
Prince Frederick, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Calvert Internal Medicine Group, P.A. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Calvert Internal Medicine Group, P.A. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to *29 CFR 2520.103-8* of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with *29 CFR 2520.103-5* of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator of the
Calvert Internal Medicine Group, P.A.
401(k) Profit Sharing Plan

Opinion (Cont.)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Calvert Internal Medicine Group, P.A. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Calvert Internal Medicine Group, P.A. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator of the
Calvert Internal Medicine Group, P.A.
401(k) Profit Sharing Plan

Auditor's Responsibilities for the Audit of the Financial Statements (Cont.)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Calvert Internal Medicine Group, P.A. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Calvert Internal Medicine Group, P.A. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i-schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with Generally Accepted Auditing Standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator of the
Calvert Internal Medicine Group, P.A.
401(k) Profit Sharing Plan

Supplemental Schedules Required by ERISA (Cont.)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Calvert Internal Medicine Group, P.A. 401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 1 - Description of Plan

The following description of the Calvert Internal Medicine Group, P.A., 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, established June 30, 1986 and amended effective January 1, 2016, is a defined contribution plan covering substantially all employees of Calvert Internal Medicine Group, P.A. (the Employer). Under the provisions of the Plan, an employee may become a participant after completing 1,000 hours of service and attaining age twenty-one. An employee may enter the Plan on either January 1st or July 1st each year after satisfying the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible employees may elect to defer up to 100% of their compensation and have such deferrals contributed by the Employer to their account under the Plan. Participants may also elect to make pre-tax or after-tax (ROTH) contributions. Participant contributions are subject to the annual Internal Revenue Code limits as adjusted each year. Employee contributions may be further limited so that the Plan complies with the 401(k) and 401(m) nondiscrimination tests. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Each year, the Employer will make an "ADP safe harbor" contribution equal to 3% of each eligible participant's compensation. The Employer may also elect to make a discretionary profit-sharing contribution each year. In addition to the basic eligibility requirements, participants must be employed by the Employer on the last day of the plan year to receive a discretionary profit-sharing contribution. The Employer's discretionary profit-sharing contributions are allocable to participants using a tiered system based on age and employment status with the Employer. Contributions made by the Employer for the years ended December 31, 2023 and 2022 were \$835,153 and \$666,204, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution, Plan earnings, and Plan expenses and fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Contributions are invested, at the discretion of the participants, in one, several, or all of the investment alternatives selected by the plan administrator. Participants may also invest their contributions in a self-directed brokerage account.

Calvert Internal Medicine Group, P.A. 401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2023 and 2022

Note 1 - Description of Plan (Cont.)

Vesting

Participants are immediately vested in their contributions and in the Employer “ADP safe harbor” contributions plus actual earnings thereon. Vesting in the Employer “profit sharing” contributions is based on years of continuous service. A participant is 100% vested after six years of credited service. A year of credited service is a Plan year in which the participant is credited with at least 1,000 hours of service with the Employer. Upon termination of employment due to death or disability or attaining retirement age as defined by the Plan, a participant becomes fully vested in their account.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant’s vested interest in his or her account in either a lump-sum amount, or in annual installments over the life expectancy of the participant and/or designated beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are permitted under the Plan in accordance with Internal Revenue Service regulations.

Forfeitures

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$450 and \$1,065, respectively. These amounts are available to reduce future Employer contributions to the Plan. For the years ended December 31, 2023 and 2022, Employer contributions were reduced by \$450 and \$1,112, respectively, from forfeited non-vested accounts.

Notes Receivable from Participants

Under certain circumstances, as outlined in the Plan document, the Plan allows employees to obtain loans from the Plan. These loans are secured by the vested portion of the participants account and bear interest at 4.25% - 9.50%. Repayment of loans is provided through automatic payroll deductions.

Administrative Expenses

Certain administrative expenses related to the Plan are paid directly by the Employer. Administrative fees related directly to transactions initiated by participants are paid by the Plan and allocable to each participant’s account. Administrative expenses related to recordkeeping and plan administration are paid by the Plan.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in accordance with United States Generally Accepted Accounting Principles under the accrual basis of accounting. Consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Contributions and Related Receivables

Contributions from Plan participants are recorded in the year in which the participant contributions are withheld from the amounts paid. The Employer "safe harbor" and the Employer discretionary profit-sharing contributions are recorded in the year in which the Employer designated the contributions. All participant and employer contributions are participant-directed. The plan administrator has determined that all participant and employer contributions receivable are fully collectible; consequently, no amount has been recorded as an allowance for credit loss in the accompanying statement of net assets available for benefits.

Note 2 - Summary of Accounting Policies (Cont.)

Recently Issued Pronouncements

In June 2016, the FASB issued *ASU 2016-13, "Financial Instruments – Credit Losses"* (*Topic 326*) which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Plan that are subject to the guidance in *FASB ASC 326* were employer contributions receivable and participant contributions receivable.

The Plan adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new and enhanced disclosures only.

Note 3 - Information Prepared and Certified by Trustee

Investment Data

All investment data contained in the statements of net assets available for benefits as of December 31, 2023 and 2022, the statements of changes in net assets available for benefits for the years ending December 31, 2023 and 2022, and the supplemental Schedule H, line 4i - schedule of assets (held at end of year) as of and for the year ending December 31, 2023, was summarized from information supplied and certified as complete and accurate by the Newport Trust Company, the Trustee of the Plan.

Schedule of Assets Held for Investment Purposes

The accompanying supplemental Schedule H, line 4i - schedule of assets (held at end of year) represents a detailed listing of all investments held by the Plan as of December 31, 2023.

Note 4 - Fair Value Measurements

ASC 820-10 "Fair Value Measurements" establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under *FASB ASC 820* are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment company shares: Valued at the daily closing prices as reported by the fund. Registered investment company shares held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment company shares held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Valued based on the quoted market prices of the assets held within the self-directed brokerage accounts.

Note 4 - Fair Value Measurements (Cont.)

The table below presents the balances of assets measured at fair value on a recurring basis by level within the hierarchy as of December 31:

2023				
	Level 1	Level 2	Level 3	Total
Investments measured at fair value:				
Registered investment companies	\$ 34,412,512	\$ -	\$ -	\$ 34,412,512
Self-directed brokerage accounts	491,032	-	-	491,032
	<u>\$ 34,903,544</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 34,903,544</u>
2022				
	Level 1	Level 2	Level 3	Total
Investments measured at fair value:				
Registered investment companies	\$ 28,773,467	\$ -	\$ -	\$ 28,773,467
Self-directed brokerage accounts	428,236	-	-	428,236
	<u>\$ 29,201,703</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 29,201,703</u>

- (a) In accordance with *Subtopic 820-10* certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value presented in this table are intended to permit reconciliation of the fair value hierarchy on the line items presented in the statement of net assets.

Note 5 - Related Party and Party-in-Interest Transactions

Fees paid by the Plan to the Plan's Trustee for the investment, management, and administrative services amounted to \$56,447 and \$48,047 for the years ended December 31, 2023 and 2022, respectively.

Note 6 - Reportable Transactions

A reportable transaction is a transaction, or series of transactions, exceeding five percent of the current value of the Plan's assets at the end of the year. During the Plan years ended December 31, 2023 and 2022, there were no reportable transactions.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent vested in their accounts.

Note 8 - Tax Status

Effective January 1, 1990, the Plan adopted a non-standardized form of prototype plan. The prototype plan obtained its latest approval effective June 30, 2020 from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since the prototype received its opinion letter. However, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 - Subsequent Events

The Plan has evaluated the impact of significant subsequent events. There have been no subsequent events through September 3, 2024, the date the Plan's financial statements were available to be issued, that require recognition or disclosure in the financial statements.
