INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
PLZ Corp 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of PLZ Corp 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Assets Held at End of Year and the Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2023, respectively, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PLZ CORP 401(k) PROFIT SHARING PLAN & TRUST**NOTES TO THE FINANCIAL STATEMENTS****NOTE 1 – DESCRIPTION OF PLAN**

The following description of the PLZ Corp 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more comprehensive description of its provisions.

General. The Plan is a defined contribution plan with a 401(k) provision covering all employees of PLZ Corp, the sponsor of the Plan, and its affiliates, (collectively the “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The custodian of the Plan is Empower Retirement (the “Custodian”). The trustee of the Plan is Empower Trust Company, LLC (the “Trustee”). The Trustee is a qualified institution pursuant to ERISA.

Effective January 1, 2023, the Plan changed its name to PLZ Corp 401(k) Profit Sharing Plan & Trust from PLZ Aerospace 401(k) Profit Sharing Plan & Trust.

Eligibility. Employees are eligible to contribute to the Plan as of the first day of the calendar quarter coinciding with or immediately following 3 months of employment and upon reaching age 18.

Participant Contributions. The Plan is funded through participant contributions, as well as Employer contributions. Participants may elect to contribute a percentage of their pretax earnings and/or a percentage of their post-tax net earnings to the Plan, subject to maximum amounts as established by the Internal Revenue Code (the “Code”).

The Plan accepts rollovers and transfers as defined in the Plan document. Rollover contributions consist of contributions from other employers’ plans which employees have elected to include with the Plan and are reflected in other contributions, if applicable, on the statement of changes in net assets available for benefits.

Employer Contributions. The Employer is required to make a safe-harbor matching contribution equal to 100% of participant’s employee contributions that are not in excess of 4% of the participant’s Plan compensation, up to the Internal Revenue Service (“IRS”) compensation limit for the Plan year.

The Employer may also elect a profit-sharing contribution equal to a uniform percentage of eligible compensation up to the IRS compensation limit for the Plan year. A participant must be employed on the last day of the Plan year in order to share in the profit-sharing contributions for the Plan year unless the participant retires at or after age 65, dies, or becomes permanently disabled during the Plan year. The Employer may also make discretionary matching contributions equal to a uniform percentage of an eligible employee’s salary deferrals. No such Employer profit-sharing or discretionary matching contributions were elected for the year ended December 31, 2023.

Participants’ Accounts. Each participant’s account is credited with the participant’s contributions, allocations of the Employer contributions and Plan earnings, and is charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant compensation or account balances, as defined in the Plan document.

Investment Options. Participants direct the investment of their contribution into various investment options offered by the Plan. Participants may change their investment options on a daily basis.

PLZ CORP 401(k) PROFIT SHARING PLAN & TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Vesting. Participants are always 100% vested in their 401(k) deferral contributions and earnings as well as the Employer safe harbor matching contributions. Participants vest in their Employer profit sharing and discretionary matching contributions in accordance with the following table:

Completed Years of Service	Percentage of Account Balance Vested
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Notes Receivable from Participants. The Plan provides that a participant may borrow from their vested account balance. Outstanding loans may not exceed the lesser of 50% of the participant's vested balance or \$50,000. This \$50,000 maximum is further reduced by the largest outstanding loan balance during the past year. Interest due on the outstanding balance of a loan for which the participant intends to use the proceeds for the purchase of a principal residence is calculated on a daily basis at an interest rate determined by the prime rate (8.50% as of December 31, 2023 and 2022) plus two percent at the time of issuance. Participants may only have one loan outstanding.

Payment of Benefits. Upon termination, death, retirement, or resignation, a Participant may elect to withdraw his or her balance in a lump sum or in periodic installments. Participants may also withdraw their vested account balances upon attaining age 59-1/2. Participants may also obtain hardship withdrawals of their vested account balances.

Forfeitures. Forfeited non-vested accounts totaled approximately \$70,000 and \$164,000 as of December 31, 2023 and 2022, respectively. These accounts will be used to pay certain expenses and/or reduce future Employer contributions. Approximately \$49,500 of forfeitures will be used to reduce Employer contributions for the year ended December 31, 2023 and approximately \$70,000 of forfeitures were used to reduce the year ended December 31, 2023 Employer contribution receivable.

Concentration of Credit Risk. Substantially all of the Plan's investments at December 31, 2023 were held by the Custodian.

Recent Legislation. The SECURE Act 2.0 was signed into law on December 23, 2022. The SECURE Act 2.0 allows more part-time workers to participate, increases the age for required minimum distributions and reduces the penalty for missed minimum distributions, permits plan participants to elect to receive vested employer contributions on an after-tax basis, and allows penalty free withdrawal for terminal illness, effective January 1, 2023. Additionally, it will allow for higher catch-up contributions, allow for matching contributions on student loan payments, permit plan sponsors to add an emergency savings account to their retirement plans, increase the availability of penalty-free withdrawals, and add automatic enrollment error relief provisions, effective January 1, 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements have been prepared on the accrual method of accounting.

(Continued)

See Independent Auditor's Report.

PLZ CORP 401(k) PROFIT SHARING PLAN & TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Estimates and Assumptions. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires the Plan’s administrator (“Plan Administrator”) to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participants’ loans are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments. Benefits are recorded when paid.

Administrative Expenses. Certain administrative expenses, including functions performed by officers or employees of the Employer, are provided by the Employer at no charge to the Plan, and the Employer’s management has no plans to obtain reimbursement of these expenses from the Plan.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the unaudited information regarding the Plan, included in the Plan’s financial statements and supplemental schedules that was prepared by or derived from information prepared by the Trustee and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the Trustee that such information is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income (loss) and interest on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Note 4: All investment balances.
- The schedule of assets held for investment purposes at end of year as of December 31, 2023, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Concluded)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2. Inputs to the valuation methodology include (1) quoted prices for similar assets and liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;

Level 3. Inputs that are both unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2023 and 2022.

Mutual Funds and Money Market Fund. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

PLZ CORP 401(k) PROFIT SHARING PLAN & TRUST**NOTES TO THE FINANCIAL STATEMENTS****NOTE 5 – PLAN TERMINATION**

While the Employer has not expressed any intent to discontinue its contributions or terminate the Plan, it is free to do so at any time, subject to the provisions of ERISA and the Plan document. In the event of Plan termination, all participants will automatically become fully vested in all their accounts and the Trustee will distribute participant assets.

NOTE 6 – INCOME TAX STATUS

The prototype plan sponsor has obtained an opinion letter dated June 30, 2020 in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the Code. The Plan Administrator timely adopted the restated prototype plan. The Plan Administrator believes that the Plan is currently being operated in accordance with the Code.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of stocks, bonds, fixed income securities, registered investment companies and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8 – DELINQUENT REMITTANCES

The Employer inadvertently failed to timely deposit participant contributions totaling \$59 and \$2,517 during the years ended December 31, 2023 and 2022, respectively, all of which were corrected during the year ended December 31, 2023. The Employer elected to use the self-correction program to make corrections and remit lost earnings to the Plan and pay applicable excise taxes, all of which were paid from Employer funds and not Plan assets.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2023 through September , 2024, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
