INDEPENDENT AUDITOR'S REPORT

To the Retirement Committee and participants of the
Perkins + Will, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Perkins + Will, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Perkins + Will, Inc. Retirement Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of the Plan

The following description of the Perkins + Will, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the Plan administrator, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Perkins + Will, Inc. (the Company) who are age 21 or older except those employees who are members of a collective bargaining agreement, nonresident aliens, leased employees, or temporary employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2022, the Company acquired Tim Murphy Design Associates and McLennan Design, LLC. The employees of those companies became eligible to participate in the Plan on January 1, 2023. On January 5, 2023, a plan sponsored by Tim Murphy Design Associates had \$1,311,723 of assets transferred to the Plan. On March 20, 2023, a plan sponsored by McLennan Design, LLC had \$237,345 of assets transferred to the Plan.

Contributions

Participants may elect to contribute pre-tax and/or Roth contributions of up to 100% of eligible compensation, as defined by the Plan document, and includes post-severance pay, not to exceed a maximum of \$22,500 in 2023, plus catch-up contributions of \$7,500 for those participants who have attained age 50. Participants may also elect to contribute on an after-tax basis. Eligible employees are automatically enrolled at 6% of their eligible compensation, unless they elect otherwise.

Once the employee is enrolled, the deferral percentage will automatically increase by 1% increments on April 1st of each year up to 15%, unless the participant elects otherwise. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company may make a discretionary matching contribution to participant accounts. During 2023, the Company elected to match 40% of a participant's elective deferrals up to a maximum of 6% of the participant's total eligible compensation, subject to IRS limits up until June 30, 2023. As of July 1, 2023, the Company elected to match 67% of a participant's elective deferrals up to a maximum of 6% of the participant's total eligible compensation, subject to IRS limits. The Company may also make a discretionary profit-sharing contribution. The Company elected not to make a discretionary profit-sharing contribution in 2023.

Perkins + Will, Inc. Retirement Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Participant Accounts

Each participant's account is credited with the participant's contribution, rollovers, the Company's matching contribution, earnings and losses on the investments in their account and an allocation of the Company's profit-sharing contribution, if any, and is charged with certain administrative expenses. Participants direct the investment of their account into various options offered by the Plan and may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Company discretionary matching and profit-sharing contributions and the earnings thereon vest 20% per year and are fully vested after 5 years of service in which the employee is credited with at least 1,000 hours of service in each calendar year. The Plan allows new participants who joined the Plan due to acquisitions made by the Plan sponsor to carry over prior service credit earned at predecessor employers when determining vesting calculations for these participants.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$241,152 and \$342,812, respectively. These accounts can be used to reduce future Company contributions to the Plan or pay administrative expenses. During 2024, the Plan used \$411,803 of forfeitures to reduce 2023 employer contributions remitted subsequent to year end. During 2023, the Plan used \$235,960 of forfeitures to reduce 2022 employer contributions.

Notes Receivable from Participants

A participant may have two notes outstanding at any time, each subject to certain monetary limits. The notes are secured by the balance in the participant's account and must bear a reasonable rate of interest as defined in the Plan document. During 2023, notes had fixed rates ranging from 4.25% to 9.50% for the term of the notes, not to exceed 5 years, or 15 years if used for the purchase of a residence. Principal and interest are paid through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, termination of employment or retirement, a participant or their beneficiary may elect to receive payment of the vested interest in their account in a lump-sum distribution or annuity payments. The participant may also receive a distribution for certain hardship situations. If a participant terminates employment and has an account balance less than \$5,000, then the participant will automatically receive a lump sum payment equal to the value of their account.

Perkins + Will, Inc. Retirement Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Administrative Expenses

The Plan allows for payment of Plan expenses to be made from the Plan's assets which will generally be allocated among the accounts of all participants in the Plan proportionately based on the value of the account balances. Advisory service charges and recordkeeping fees are paid to service providers of the Plan and qualify as party-in-interest transactions. Fees to obtain a participant loan are charged to that participant.

During 2023, the Company paid certain administrative expenses for the Plan, including legal and accounting fees and the Plan paid fees for recordkeeping, trust, administrative services, and investment management services. The Company does not expect reimbursement from the Plan for any expenses paid on behalf of the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Contributions

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The employer discretionary matching contributions are considered payable to the Plan when the related participant's contributions are payable to the Plan. Profit-sharing contributions are considered payable to the Plan when declared. Any unfunded participant or employer discretionary matching contributions are included in the participant or employer contributions receivable on the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022.

In accordance with Financial Accounting Standards Board's Accounting Standards Codification ASC, *Financial Instruments—Credit Losses*, the Company estimates the current credit risk associated with the employer contribution receivables. The Company determined that no allowance for credit loss was necessary as of December 31, 2023 and 2022.

Perkins + Will, Inc. Retirement Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net change in fair value of investments includes realized and unrealized gains and losses on investments and interest and dividends. Interest income is recorded when received.

Notes Receivable from Participants

Notes receivable from participants are carried at their outstanding balance. Interest income is recognized when received by the Plan. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make note repayments and the Plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded. Notes receivable from participants also qualify as party-in-interest transactions.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 23, 2024, which is the date the financial statements were available to be issued.

3. Information Certified by the Qualified Institution

All information in the accompanying financial statements and supplemental schedule as of December 31, 2023 and 2022 and net change in fair value and investment income for the year ended December 31, 2023 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank (Schwab), the Plan's qualified institution.

4. Fair Value Measurements

As of December 31, 2023 and 2022, the Plan investments include shares of a mutual fund, common/collective trust funds, and a money market fund managed by Schwab. Schwab is the qualified institution for the Plan; therefore, transactions in the investments qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are

Perkins + Will, Inc. Retirement Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

included in net change in fair value as they are paid through revenue sharing, rather than a direct payment.

Investments are exposed to various risks, such as market, currency, interest rate, and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, and significant cybersecurity attacks. It is at least reasonably possible that changes in their fair value will occur in the near term and that such changes could materially affect participants' account balances.

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted prices for identical assets in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Investments in mutual funds and the money market fund are stated at quoted market prices for the identical security in an active market (Level 1).

Investments in common/collective trust funds are valued daily using net asset value (NAV). The NAVs are based on quoted prices determined daily based on the fair value of the mutual funds, stocks, debt instruments, and other securities in the accounts. The common/collective trust funds may be traded daily at their NAV (Level 1).

Perkins + Will, Inc. Retirement Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

The Plan invests in the Galliard Retirement Income Fund held in the Wells Fargo Synthetic Stable Value Fund. The stable value fund invests in security-backed contracts which include fully benefit-responsive guaranteed investment contracts (GICs), which are general obligations of the insurance companies that issue the contracts, as well as synthetic GICs and a short-term investment fund. These investment contracts are backed by a portfolio of bonds. The stable value fund trades daily at the NAV which is based on the contract value of the underlying investments (Level 1).

Investments in the self-directed brokerage accounts include mutual funds, common stock, unit investment trusts, US Governmental Securities, REIT's, and Interest-Bearing Cash. All assets are traded through a broker and are considered Level 1 assets except U.S. Governmental Securities. U.S. Governmental Securities are government backed obligations that are valued based on yields currently available on comparable securities of issuers with similar credit ratings. Purchases and sales of securities are recorded on a trade-date basis. These securities are considered Level 2 assets.

The following table summarizes the Plan's investments based on the inputs used to determine their values as of December 31, 2023 and 2022:

5. Income Tax Status

The Plan is a prototype plan created by Schwab Retirement Plan Services, Inc. (Schwab Retirement), an affiliate of Schwab, the qualified institution. The Internal Revenue Service has determined and informed Schwab Retirement by a letter dated September 21, 2020, that the

Perkins + Will, Inc. Retirement Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

prototype is designed in accordance with applicable sections of the Internal Revenue Code (the Code). Although the Plan has not received an individual determination letter and has been amended, the plan administrator believes that the plan is designed and operated in compliance with the applicable requirements of the Code and has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.
