SCHEDULE H (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Financial Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA), and section 6058(a) of the Internal Revenue Code (the Code). ▶ File as an attachment to Form 5500.	OMB No. 1210-0110
		2023
		This Form is Open to Public Inspection

For calendar plan year 2023 or fiscal plan year beginning <u>01/01/2023</u> and ending <u>12/31/2023</u>		
A Name of plan <u>MITSUBISHI CEMENT CORPORATION CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES</u>	B Three-digit plan number (PN) ▶	<u>002</u>
C Plan sponsor's name as shown on line 2a of Form 5500 <u>MITSUBISHI CEMENT CORPORATION</u>		
D Employer Identification Number (EIN) <u>33-0278414</u>		

Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Assets		(a) Beginning of Year	(b) End of Year
a Total noninterest-bearing cash	1a	<u>180</u>	<u>0</u>
b Receivables (less allowance for doubtful accounts):			
(1) Employer contributions	1b(1)		
(2) Participant contributions	1b(2)		
(3) Other	1b(3)		
c General investments:			
(1) Interest-bearing cash (include money market accounts & certificates of deposit)	1c(1)		
(2) U.S. Government securities	1c(2)		
(3) Corporate debt instruments (other than employer securities):			
(A) Preferred	1c(3)(A)		
(B) All other	1c(3)(B)		
(4) Corporate stocks (other than employer securities):			
(A) Preferred	1c(4)(A)		
(B) Common	1c(4)(B)		
(5) Partnership/joint venture interests	1c(5)		
(6) Real estate (other than employer real property)	1c(6)		
(7) Loans (other than to participants)	1c(7)		
(8) Participant loans	1c(8)	<u>434881</u>	<u>435589</u>
(9) Value of interest in common/collective trusts	1c(9)		
(10) Value of interest in pooled separate accounts	1c(10)	<u>5060477</u>	<u>6525553</u>
(11) Value of interest in master trust investment accounts	1c(11)		
(12) Value of interest in 103-12 investment entities	1c(12)		
(13) Value of interest in registered investment companies (e.g., mutual funds)	1c(13)	<u>327005</u>	<u>413247</u>
(14) Value of funds held in insurance company general account (unallocated contracts)	1c(14)	<u>2876440</u>	<u>3038256</u>
(15) Other	1c(15)		

1d Employer-related investments:		(a) Beginning of Year	(b) End of Year
(1) Employer securities	1d(1)		
(2) Employer real property	1d(2)		
e Buildings and other property used in plan operation	1e		
f Total assets (add all amounts in lines 1a through 1e)	1f	8698983	10412645
Liabilities			
g Benefit claims payable	1g		
h Operating payables	1h		
i Acquisition indebtedness	1i		
j Other liabilities	1j		
k Total liabilities (add all amounts in lines 1g through 1j)	1k	0	0
Net Assets			
l Net assets (subtract line 1k from line 1f)	1l	8698983	10412645

Part II Income and Expense Statement

2 Plan income, expenses, and changes in net assets for the year. Include all income and expenses of the plan, including any trust(s) or separately maintained fund(s) and any payments/receipts to/from insurance carriers. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 2a, 2b(1)(E), 2e, 2f, and 2g.

Income		(a) Amount	(b) Total
a Contributions:			
(1) Received or receivable in cash from: (A) Employers	2a(1)(A)	433234	
(B) Participants	2a(1)(B)	509956	
(C) Others (including rollovers)	2a(1)(C)	54225	
(2) Noncash contributions	2a(2)		
(3) Total contributions. Add lines 2a(1)(A) , (B) , (C) , and line 2a(2)	2a(3)		997415
b Earnings on investments:			
(1) Interest:			
(A) Interest-bearing cash (including money market accounts and certificates of deposit)	2b(1)(A)		
(B) U.S. Government securities	2b(1)(B)		
(C) Corporate debt instruments	2b(1)(C)		
(D) Loans (other than to participants)	2b(1)(D)		
(E) Participant loans	2b(1)(E)	29906	
(F) Other	2b(1)(F)	58001	
(G) Total interest. Add lines 2b(1)(A) through (F)	2b(1)(G)		87907
(2) Dividends: (A) Preferred stock	2b(2)(A)		
(B) Common stock	2b(2)(B)		
(C) Registered investment company shares (e.g. mutual funds)	2b(2)(C)	6072	
(D) Total dividends. Add lines 2b(2)(A) , (B) , and (C)	2b(2)(D)		6072
(3) Rents	2b(3)		
(4) Net gain (loss) on sale of assets: (A) Aggregate proceeds	2b(4)(A)		
(B) Aggregate carrying amount (see instructions)	2b(4)(B)		
(C) Subtract line 2b(4)(B) from line 2b(4)(A) and enter result	2b(4)(C)		
(5) Unrealized appreciation (depreciation) of assets: (A) Real estate	2b(5)(A)		
(B) Other	2b(5)(B)		
(C) Total unrealized appreciation of assets. Add lines 2b(5)(A) and (B)	2b(5)(C)		

		(a) Amount	(b) Total
(6) Net investment gain (loss) from common/collective trusts.....	2b(6)		
(7) Net investment gain (loss) from pooled separate accounts.....	2b(7)		1109041
(8) Net investment gain (loss) from master trust investment accounts.....	2b(8)		
(9) Net investment gain (loss) from 103-12 investment entities.....	2b(9)		
(10) Net investment gain (loss) from registered investment companies (e.g., mutual funds)	2b(10)		78386
c Other income	2c		-180
d Total income. Add all income amounts in column (b) and enter total	2d		2278641

Expenses

e Benefit payment and payments to provide benefits:			
(1) Directly to participants or beneficiaries, including direct rollovers	2e(1)	497565	
(2) To insurance carriers for the provision of benefits.....	2e(2)		
(3) Other	2e(3)		
(4) Total benefit payments. Add lines 2e(1) through (3)	2e(4)		497565
f Corrective distributions (see instructions)	2f		
g Certain deemed distributions of participant loans (see instructions)	2g		
h Interest expense	2h		
i Administrative expenses:			
(1) Salaries and allowances	2i(1)		
(2) Contract administrator fees.....	2i(2)	18664	
(3) Recordkeeping fees.....	2i(3)		
(4) IQPA audit fees.....	2i(4)		
(5) Investment advisory and investment management fees	2i(5)		
(6) Bank or trust company trustee/custodial fees	2i(6)		
(7) Actuarial fees	2i(7)		
(8) Legal fees	2i(8)		
(9) Valuation/appraisal fees	2i(9)		
(10) Other trustee fees and expenses	2i(10)		
(11) Other expenses	2i(11)	200	
(12) Total administrative expenses. Add lines 2i(1) through (11)	2i(12)		18864
j Total expenses. Add all expense amounts in column (b) and enter total	2j		516429

Net Income and Reconciliation

k Net income (loss). Subtract line 2j from line 2d	2k		1762212
l Transfers of assets:			
(1) To this plan	2l(1)		
(2) From this plan	2l(2)		48550

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **VELEZ & HARDY, LLC**

(2) EIN: **88-4079401**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)
MITSUBISHI CEMENT RETIREMENT SAVINGS PLAN FOR SALARIED EMP.	33-0278414	001

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ▶ File as an attachment to Form 5500.	OMB No. 1210-0110 2023 This Form is Open to Public Inspection.
For calendar plan year 2023 or fiscal plan year beginning 01/01/2023 and ending 12/31/2023		
A Name of plan MITSUBISHI CEMENT CORPORATION CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES		B Three-digit plan number (PN) ▶ 002
C Plan sponsor's name as shown on line 2a of Form 5500 MITSUBISHI CEMENT CORPORATION		D Employer Identification Number (EIN) 33-0278414
Part I	Distributions	
All references to distributions relate only to payments of benefits during the plan year.		
1 Total value of distributions paid in property other than in cash or the forms of property specified in the instructions.....		1 0
2 Enter the EIN(s) of payor(s) who paid benefits on behalf of the plan to participants or beneficiaries during the year (if more than two, enter EINs of the two payors who paid the greatest dollar amounts of benefits): EIN(s): 22-1211670		
Profit-sharing plans, ESOPs, and stock bonus plans, skip line 3.		
3 Number of participants (living or deceased) whose benefits were distributed in a single sum, during the plan year		3
Part II	Funding Information (If the plan is not subject to the minimum funding requirements of section 412 of the Internal Revenue Code or ERISA section 302, skip this Part.)	
4 Is the plan administrator making an election under Code section 412(d)(2) or ERISA section 302(d)(2)? ☐ Yes ☐ No ☐ N/A		
If the plan is a defined benefit plan, go to line 8.		
5 If a waiver of the minimum funding standard for a prior year is being amortized in this plan year, see instructions and enter the date of the ruling letter granting the waiver. Date: Month _____ Day _____ Year _____		
If you completed line 5, complete lines 3, 9, and 10 of Schedule MB and do not complete the remainder of this schedule.		
6 a Enter the minimum required contribution for this plan year (include any prior year accumulated funding deficiency not waived)		6a
b Enter the amount contributed by the employer to the plan for this plan year		6b
c Subtract the amount in line 6b from the amount in line 6a. Enter the result (enter a minus sign to the left of a negative amount)		6c
If you completed line 6c, skip lines 8 and 9.		
7 Will the minimum funding amount reported on line 6c be met by the funding deadline? ☐ Yes ☐ No ☐ N/A		
8 If a change in actuarial cost method was made for this plan year pursuant to a revenue procedure or other authority providing automatic approval for the change or a class ruling letter, does the plan sponsor or plan administrator agree with the change? ☐ Yes ☐ No ☐ N/A		
Part III	Amendments	
9 If this is a defined benefit pension plan, were any amendments adopted during this plan year that increased or decreased the value of benefits? If yes, check the appropriate box. If no, check the "No" box. ☐ Increase ☐ Decrease ☐ Both ☐ No		
Part IV	ESOPs (see instructions). If this is not a plan described under section 409(a) or 4975(e)(7) of the Internal Revenue Code, skip this Part.	
10 Were unallocated employer securities or proceeds from the sale of unallocated securities used to repay any exempt loan?..... ☐ Yes ☐ No		
11 a Does the ESOP hold any preferred stock? ☐ Yes ☐ No		
b If the ESOP has an outstanding exempt loan with the employer as lender, is such loan part of a "back-to-back" loan? (See instructions for definition of "back-to-back" loan.) ☐ Yes ☐ No		
12 Does the ESOP hold any stock that is not readily tradable on an established securities market? ☐ Yes ☐ No		
For Paperwork Reduction Act Notice, see the Instructions for Form 5500.		
Schedule R (Form 5500) 2023 v. 230707		

Part V Additional Information for Multiemployer Defined Benefit Pension Plans

13 Enter the following information for each employer that (1) contributed more than 5% of total contributions to the plan during the plan year or (2) was one of the top-ten highest contributors (measured in dollars). See instructions. *Complete as many entries as needed to report all applicable employers.*

a Name of contributing employer

b EIN

c Dollar amount contributed by employer

d Date collective bargaining agreement expires (If employer contributes under more than one collective bargaining agreement, check box ☐ and see instructions regarding required attachment. Otherwise, enter the applicable date.) Month _____ Day _____ Year _____

e Contribution rate information (If more than one rate applies, check this box ☐ and see instructions regarding required attachment. Otherwise, complete lines 13e(1) and 13e(2).)

(1) Contribution rate (in dollars and cents) _____

(2) Base unit measure: ☐ Hourly ☐ Weekly ☐ Unit of production ☐ Other (specify): _____

a Name of contributing employer

b EIN

c Dollar amount contributed by employer

d Date collective bargaining agreement expires (If employer contributes under more than one collective bargaining agreement, check box ☐ and see instructions regarding required attachment. Otherwise, enter the applicable date.) Month _____ Day _____ Year _____

Independent Auditor's Report

To the Administrative Committee of
Mitsubishi Cement Corporation
Capital Accumulation Plan for Hourly Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental *Schedule of Assets (Held at End of Year)* is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023**

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

Mitsubishi Cement Corporation (the “Company”) entered into the Plan with an effective date of April 1, 1988. The Plan is a defined contribution plan covering all hourly employees of Mitsubishi Cement Corporation (the “Company”) upon their hire date. The plan agreement was written to comply with the requirements of the Employee Retirement Income Security Act of 1974 and the provisions of the Tax Reform Act of 1986 and have been amended and restated since inception to comply with various changes in legislation and regulation. The Administrative Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan’s investment offerings, and monitors investment performance.

Eligibility

All hourly employees of the Company are eligible to participate in the plan except for employees who are covered by a collective bargaining agreement, nonresident aliens who received no earned income from the Company with the United States of America and residents of Puerto Rico or employees performing services in Puerto Rico.

Contributions

Each year, participants may contribute up to 25% of their annual compensation, as defined in the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations. The Company matches 100% of the first 2% of each participant’s elective deferral contributions and provide an additional non-elective contribution of 5% of compensation annually for all participants employed as of the last day of the Plan year.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and Company matching contributions, as well as allocations of Plan earnings. Participant accounts are also charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting of Benefits

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service. Participants are credited with a year of service for each Plan year in which they complete 1,000 hours of service.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Automatic Enrollment

The Plan includes an automatic enrollment feature. This feature includes a provision for all non-participating employees to be automatically enrolled in the Plan at a deferral rate of 3% of the employee's compensation. The deferral rate is set to increase annually by 1%, up to a maximum of 10%. Contributions for automatically enrolled participants will be invested in the Plan's default investment fund.

Notes Receivable from Participants

Participants may borrow from their accounts up to \$50,000 or 50% of their vested account balance, with a minimum loan of \$1,000. Loans to participants are secured by the balance in the participant's account and are charged a reasonable rate of interest, which is comparable to similar types of loans by other lenders as determined by the Plan administrator. Principal and interest is paid ratably through regular payroll deductions. Generally, the term of the loan may not exceed five years.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. In the event of participant default through nonpayment or other means, foreclosure on the promissory note and attachment of security may not occur until an event occurs that would allow or require a distribution of a participant's vested account balance.

Distribution of Benefits

Participants or their beneficiaries may begin receiving benefits upon termination of the participant's employment for any reason, including death or disability. Distributions may be made as either a single lump sum or a direct rollover to a qualifying institution. If neither of those options are elected by the participant or their beneficiary, and the account balance is between \$1,000 and \$5,000, the vested account balance will be rolled over to an IRA established by an IRA provider selected by the Company. If the vested account balance is greater than \$5,000, the participant may also request to receive installment payments, a partial withdrawal, or a deferral of payments until age 70½. Under certain circumstances permitted by the Plan, prior to termination, employees may receive hardship or in-service distributions for part or all their vested account balance.

Forfeited Accounts

At December 31, 2023 and 2022, unused forfeited non-vested accounts totaled \$58,802 and \$40,742, respectively. Forfeited funds may be used to pay Plan administrative expenses or to reduce any future employer contributions. For the year ended December 31, 2023, forfeited funds of \$14,990 were used to pay plan administrative expenses.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The Preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions made under the terms of the contract. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, and allocated to individual participant accounts, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – PARTY-IN-INTEREST AND TRANSACTIONS

Certain plan investments are managed by Prudential Retirement Insurance and Annuity Company and Prudential Bank & Trust, F.S.B. (collectively "Prudential"), the trustees of the Plan; therefore, these transactions qualify as party-in-interest transactions. In addition, Prudential provides recordkeeping and other administrative services to the Plan and received fees for those services. These transactions are exempt from the prohibited transaction rules of ERISA. Direct fees paid by the Plan to the trustees amounted to \$18,864 for the year ended December 31, 2023.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 4 – TAX STATUS

The IRS has determined and informed the Company by a letter dated December 4, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS, and, therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the DOL. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation method include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
---------	--

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account: Valued at the net asset value of units of a pooled separate account (“PSA”) maintained by an insurance company held by the Plan at year-end. The NAV, as provided by the insurance company, is used as a particular expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the PSA less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table provides information by level on the fair value of the Plan’s investments as of December 31:

Assets at Fair Value as of December 31, 2023:

	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 413,247	\$ 413,247	\$ -	\$ -
Pooled separate account ^(a)	6,525,553	-	-	-
	<u>\$ 6,938,800</u>	<u>\$ 413,247</u>	<u>\$ -</u>	<u>\$ -</u>
	-			

Assets at Fair Value as of December 31, 2022:

	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 327,005	\$ 327,005	\$ -	\$ -
Pooled separate account ^(a)	5,060,477	-	-	-
	<u>\$ 5,387,482</u>	<u>\$ 327,005</u>	<u>\$ -</u>	<u>\$ -</u>

(a) Pooled separate account investments are measured at fair value using the net asset value (or its equivalent) and have not been categorized in the fair value hierarchy.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 6 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan offers investments in a guaranteed income fund, which is a fully benefit-responsive investment contract issued by the Prudential Retirement Insurance and Annuity Company, a trustee of the Plan, with the backing of their general account. As it is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets, this type of investment is considered fairly valued at contract value. The methodology for calculating the interest crediting rate is defined in the contract.

Under the terms of the existing contract, the composite crediting rate is currently reset on a semi-annual basis and will never be less than the guaranteed minimum interest rate, as defined in the contract. The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. The Plan may transact according to the terms defined in the contract at any time.

Certain events might limit the availability of the Plan to transact at contract value with the contract issuer. Examples of such events include the Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code (IRC); premature termination of the contract; Plan termination or merger; changes to the Plan's prohibition on competing investment options; or bankruptcy of the Plan sponsor or other Plan sponsor events (for example divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include an uncured violation of the Plan's investment guidelines; a breach of material obligation under the contract; a material misrepresentation; or a material amendment to the agreements without the consent of the issuer.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – INFORMATION CERTIFIED BY CUSTODIAN – UNAUDITED

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Bank & Trust, FSB ("Prudential"), the trustee of the Plan.

**MITSUBISHI CEMENT CORPORATION
 CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
 NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
 DECEMBER 31, 2023**

NOTE 9 – PRIORITIES UPON TERMINATION

Although the Plan Sponsor has established the Plan with the bona fide intention and expectation that it will be maintained indefinitely; nevertheless, the Plan Sponsor is not under obligation or liability to continue the Plan for any given length of time. The Plan Sponsor may in its sole discretion discontinue or terminate the Plan in whole or in part in accordance with its provisions at any time without any liability for such discontinuance or termination.

In the event the Plan terminates, no further contributions will be made to the Plan and all amounts credited to the participants' accounts will continue to be vested in accordance with the Plan agreement. The Plan Sponsor will direct the distribution of the participants' accounts in a manner permitted by the Plan as soon as practicable.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 10,895,363	\$ 9,122,564
Employee contributions receivable	(11,810)	-
Employer contributions receivable	<u>(470,908)</u>	<u>(423,581)</u>
Net assets available for benefits per Form 5500	<u>\$ 10,412,645</u>	<u>\$ 8,698,983</u>

The following is a reconciliation of contributions per the financial statements for the year ended December 31, 2023 to the Form 5500:

Contributions per the financial statements	\$ 1,056,552

Independent Auditor's Report

To the Administrative Committee of
Mitsubishi Cement Corporation
Capital Accumulation Plan for Hourly Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental *Schedule of Assets (Held at End of Year)* is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023**

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

Mitsubishi Cement Corporation (the “Company”) entered into the Plan with an effective date of April 1, 1988. The Plan is a defined contribution plan covering all hourly employees of Mitsubishi Cement Corporation (the “Company”) upon their hire date. The plan agreement was written to comply with the requirements of the Employee Retirement Income Security Act of 1974 and the provisions of the Tax Reform Act of 1986 and have been amended and restated since inception to comply with various changes in legislation and regulation. The Administrative Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan’s investment offerings, and monitors investment performance.

Eligibility

All hourly employees of the Company are eligible to participate in the plan except for employees who are covered by a collective bargaining agreement, nonresident aliens who received no earned income from the Company with the United States of America and residents of Puerto Rico or employees performing services in Puerto Rico.

Contributions

Each year, participants may contribute up to 25% of their annual compensation, as defined in the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations. The Company matches 100% of the first 2% of each participant’s elective deferral contributions and provide an additional non-elective contribution of 5% of compensation annually for all participants employed as of the last day of the Plan year.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and Company matching contributions, as well as allocations of Plan earnings. Participant accounts are also charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting of Benefits

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service. Participants are credited with a year of service for each Plan year in which they complete 1,000 hours of service.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Automatic Enrollment

The Plan includes an automatic enrollment feature. This feature includes a provision for all non-participating employees to be automatically enrolled in the Plan at a deferral rate of 3% of the employee's compensation. The deferral rate is set to increase annually by 1%, up to a maximum of 10%. Contributions for automatically enrolled participants will be invested in the Plan's default investment fund.

Notes Receivable from Participants

Participants may borrow from their accounts up to \$50,000 or 50% of their vested account balance, with a minimum loan of \$1,000. Loans to participants are secured by the balance in the participant's account and are charged a reasonable rate of interest, which is comparable to similar types of loans by other lenders as determined by the Plan administrator. Principal and interest is paid ratably through regular payroll deductions. Generally, the term of the loan may not exceed five years.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. In the event of participant default through nonpayment or other means, foreclosure on the promissory note and attachment of security may not occur until an event occurs that would allow or require a distribution of a participant's vested account balance.

Distribution of Benefits

Participants or their beneficiaries may begin receiving benefits upon termination of the participant's employment for any reason, including death or disability. Distributions may be made as either a single lump sum or a direct rollover to a qualifying institution. If neither of those options are elected by the participant or their beneficiary, and the account balance is between \$1,000 and \$5,000, the vested account balance will be rolled over to an IRA established by an IRA provider selected by the Company. If the vested account balance is greater than \$5,000, the participant may also request to receive installment payments, a partial withdrawal, or a deferral of payments until age 70½. Under certain circumstances permitted by the Plan, prior to termination, employees may receive hardship or in-service distributions for part or all their vested account balance.

Forfeited Accounts

At December 31, 2023 and 2022, unused forfeited non-vested accounts totaled \$58,802 and \$40,742, respectively. Forfeited funds may be used to pay Plan administrative expenses or to reduce any future employer contributions. For the year ended December 31, 2023, forfeited funds of \$14,990 were used to pay plan administrative expenses.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The Preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions made under the terms of the contract. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, and allocated to individual participant accounts, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – PARTY-IN-INTEREST AND TRANSACTIONS

Certain plan investments are managed by Prudential Retirement Insurance and Annuity Company and Prudential Bank & Trust, F.S.B. (collectively "Prudential"), the trustees of the Plan; therefore, these transactions qualify as party-in-interest transactions. In addition, Prudential provides recordkeeping and other administrative services to the Plan and received fees for those services. These transactions are exempt from the prohibited transaction rules of ERISA. Direct fees paid by the Plan to the trustees amounted to \$18,864 for the year ended December 31, 2023.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 4 – TAX STATUS

The IRS has determined and informed the Company by a letter dated December 4, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS, and, therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the DOL. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation method include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
---------	--

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account: Valued at the net asset value of units of a pooled separate account (“PSA”) maintained by an insurance company held by the Plan at year-end. The NAV, as provided by the insurance company, is used as a particular expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the PSA less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table provides information by level on the fair value of the Plan’s investments as of December 31:

Assets at Fair Value as of December 31, 2023:

	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 413,247	\$ 413,247	\$ -	\$ -
Pooled separate account ^(a)	6,525,553	-	-	-
	<u>\$ 6,938,800</u>	<u>\$ 413,247</u>	<u>\$ -</u>	<u>\$ -</u>
	-			

Assets at Fair Value as of December 31, 2022:

	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 327,005	\$ 327,005	\$ -	\$ -
Pooled separate account ^(a)	5,060,477	-	-	-
	<u>\$ 5,387,482</u>	<u>\$ 327,005</u>	<u>\$ -</u>	<u>\$ -</u>

(a) Pooled separate account investments are measured at fair value using the net asset value (or its equivalent) and have not been categorized in the fair value hierarchy.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 6 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan offers investments in a guaranteed income fund, which is a fully benefit-responsive investment contract issued by the Prudential Retirement Insurance and Annuity Company, a trustee of the Plan, with the backing of their general account. As it is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets, this type of investment is considered fairly valued at contract value. The methodology for calculating the interest crediting rate is defined in the contract.

Under the terms of the existing contract, the composite crediting rate is currently reset on a semi-annual basis and will never be less than the guaranteed minimum interest rate, as defined in the contract. The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. The Plan may transact according to the terms defined in the contract at any time.

Certain events might limit the availability of the Plan to transact at contract value with the contract issuer. Examples of such events include the Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code (IRC); premature termination of the contract; Plan termination or merger; changes to the Plan's prohibition on competing investment options; or bankruptcy of the Plan sponsor or other Plan sponsor events (for example divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include an uncured violation of the Plan's investment guidelines; a breach of material obligation under the contract; a material misrepresentation; or a material amendment to the agreements without the consent of the issuer.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – INFORMATION CERTIFIED BY CUSTODIAN – UNAUDITED

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Bank & Trust, FSB ("Prudential"), the trustee of the Plan.

**MITSUBISHI CEMENT CORPORATION
 CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
 NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
 DECEMBER 31, 2023**

NOTE 9 – PRIORITIES UPON TERMINATION

Although the Plan Sponsor has established the Plan with the bona fide intention and expectation that it will be maintained indefinitely; nevertheless, the Plan Sponsor is not under obligation or liability to continue the Plan for any given length of time. The Plan Sponsor may in its sole discretion discontinue or terminate the Plan in whole or in part in accordance with its provisions at any time without any liability for such discontinuance or termination.

In the event the Plan terminates, no further contributions will be made to the Plan and all amounts credited to the participants' accounts will continue to be vested in accordance with the Plan agreement. The Plan Sponsor will direct the distribution of the participants' accounts in a manner permitted by the Plan as soon as practicable.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 10,895,363	\$ 9,122,564
Employee contributions receivable	(11,810)	-
Employer contributions receivable	<u>(470,908)</u>	<u>(423,581)</u>
Net assets available for benefits per Form 5500	<u><u>\$ 10,412,645</u></u>	<u><u>\$ 8,698,983</u></u>

The following is a reconciliation of contributions per the financial statements for the year ended December 31, 2023 to the Form 5500:

Contributions per the financial statements	\$ 1,056,552
Prior year employer contributions receivable	423,581

Independent Auditor's Report

To the Administrative Committee of
Mitsubishi Cement Corporation
Capital Accumulation Plan for Hourly Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental *Schedule of Assets (Held at End of Year)* is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023**

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Mitsubishi Cement Corporation Capital Accumulation Plan for Hourly Employees (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

Mitsubishi Cement Corporation (the “Company”) entered into the Plan with an effective date of April 1, 1988. The Plan is a defined contribution plan covering all hourly employees of Mitsubishi Cement Corporation (the “Company”) upon their hire date. The plan agreement was written to comply with the requirements of the Employee Retirement Income Security Act of 1974 and the provisions of the Tax Reform Act of 1986 and have been amended and restated since inception to comply with various changes in legislation and regulation. The Administrative Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan’s investment offerings, and monitors investment performance.

Eligibility

All hourly employees of the Company are eligible to participate in the plan except for employees who are covered by a collective bargaining agreement, nonresident aliens who received no earned income from the Company with the United States of America and residents of Puerto Rico or employees performing services in Puerto Rico.

Contributions

Each year, participants may contribute up to 25% of their annual compensation, as defined in the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations. The Company matches 100% of the first 2% of each participant’s elective deferral contributions and provide an additional non-elective contribution of 5% of compensation annually for all participants employed as of the last day of the Plan year.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and Company matching contributions, as well as allocations of Plan earnings. Participant accounts are also charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting of Benefits

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service. Participants are credited with a year of service for each Plan year in which they complete 1,000 hours of service.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Automatic Enrollment

The Plan includes an automatic enrollment feature. This feature includes a provision for all non-participating employees to be automatically enrolled in the Plan at a deferral rate of 3% of the employee's compensation. The deferral rate is set to increase annually by 1%, up to a maximum of 10%. Contributions for automatically enrolled participants will be invested in the Plan's default investment fund.

Notes Receivable from Participants

Participants may borrow from their accounts up to \$50,000 or 50% of their vested account balance, with a minimum loan of \$1,000. Loans to participants are secured by the balance in the participant's account and are charged a reasonable rate of interest, which is comparable to similar types of loans by other lenders as determined by the Plan administrator. Principal and interest is paid ratably through regular payroll deductions. Generally, the term of the loan may not exceed five years.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. In the event of participant default through nonpayment or other means, foreclosure on the promissory note and attachment of security may not occur until an event occurs that would allow or require a distribution of a participant's vested account balance.

Distribution of Benefits

Participants or their beneficiaries may begin receiving benefits upon termination of the participant's employment for any reason, including death or disability. Distributions may be made as either a single lump sum or a direct rollover to a qualifying institution. If neither of those options are elected by the participant or their beneficiary, and the account balance is between \$1,000 and \$5,000, the vested account balance will be rolled over to an IRA established by an IRA provider selected by the Company. If the vested account balance is greater than \$5,000, the participant may also request to receive installment payments, a partial withdrawal, or a deferral of payments until age 70½. Under certain circumstances permitted by the Plan, prior to termination, employees may receive hardship or in-service distributions for part or all their vested account balance.

Forfeited Accounts

At December 31, 2023 and 2022, unused forfeited non-vested accounts totaled \$58,802 and \$40,742, respectively. Forfeited funds may be used to pay Plan administrative expenses or to reduce any future employer contributions. For the year ended December 31, 2023, forfeited funds of \$14,990 were used to pay plan administrative expenses.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The Preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions made under the terms of the contract. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, and allocated to individual participant accounts, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – PARTY-IN-INTEREST AND TRANSACTIONS

Certain plan investments are managed by Prudential Retirement Insurance and Annuity Company and Prudential Bank & Trust, F.S.B. (collectively "Prudential"), the trustees of the Plan; therefore, these transactions qualify as party-in-interest transactions. In addition, Prudential provides recordkeeping and other administrative services to the Plan and received fees for those services. These transactions are exempt from the prohibited transaction rules of ERISA. Direct fees paid by the Plan to the trustees amounted to \$18,864 for the year ended December 31, 2023.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 4 – TAX STATUS

The IRS has determined and informed the Company by a letter dated December 4, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS, and, therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the DOL. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation method include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account: Valued at the net asset value of units of a pooled separate account (“PSA”) maintained by an insurance company held by the Plan at year-end. The NAV, as provided by the insurance company, is used as a particular expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the PSA less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table provides information by level on the fair value of the Plan’s investments as of December 31:

Assets at Fair Value as of December 31, 2023:

	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 413,247	\$ 413,247	\$ -	\$ -
Pooled separate account ^(a)	6,525,553	-	-	-
	<u>\$ 6,938,800</u>	<u>\$ 413,247</u>	<u>\$ -</u>	<u>\$ -</u>
	-			

Assets at Fair Value as of December 31, 2022:

	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 327,005	\$ 327,005	\$ -	\$ -
Pooled separate account ^(a)	5,060,477	-	-	-
	<u>\$ 5,387,482</u>	<u>\$ 327,005</u>	<u>\$ -</u>	<u>\$ -</u>

(a) Pooled separate account investments are measured at fair value using the net asset value (or its equivalent) and have not been categorized in the fair value hierarchy.

MITSUBISHI CEMENT CORPORATION
CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 6 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan offers investments in a guaranteed income fund, which is a fully benefit-responsive investment contract issued by the Prudential Retirement Insurance and Annuity Company, a trustee of the Plan, with the backing of their general account. As it is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets, this type of investment is considered fairly valued at contract value. The methodology for calculating the interest crediting rate is defined in the contract.

Under the terms of the existing contract, the composite crediting rate is currently reset on a semi-annual basis and will never be less than the guaranteed minimum interest rate, as defined in the contract. The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. The Plan may transact according to the terms defined in the contract at any time.

Certain events might limit the availability of the Plan to transact at contract value with the contract issuer. Examples of such events include the Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code (IRC); premature termination of the contract; Plan termination or merger; changes to the Plan's prohibition on competing investment options; or bankruptcy of the Plan sponsor or other Plan sponsor events (for example divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include an uncured violation of the Plan's investment guidelines; a breach of material obligation under the contract; a material misrepresentation; or a material amendment to the agreements without the consent of the issuer.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – INFORMATION CERTIFIED BY CUSTODIAN – UNAUDITED

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Bank & Trust, FSB ("Prudential"), the trustee of the Plan.

**MITSUBISHI CEMENT CORPORATION
 CAPITAL ACCUMULATION PLAN FOR HOURLY EMPLOYEES
 NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
 DECEMBER 31, 2023**

NOTE 9 – PRIORITIES UPON TERMINATION

Although the Plan Sponsor has established the Plan with the bona fide intention and expectation that it will be maintained indefinitely; nevertheless, the Plan Sponsor is not under obligation or liability to continue the Plan for any given length of time. The Plan Sponsor may in its sole discretion discontinue or terminate the Plan in whole or in part in accordance with its provisions at any time without any liability for such discontinuance or termination.

In the event the Plan terminates, no further contributions will be made to the Plan and all amounts credited to the participants' accounts will continue to be vested in accordance with the Plan agreement. The Plan Sponsor will direct the distribution of the participants' accounts in a manner permitted by the Plan as soon as practicable.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 10,895,363	\$ 9,122,564
Employee contributions receivable	(11,810)	-
Employer contributions receivable	<u>(470,908)</u>	<u>(423,581)</u>
Net assets available for benefits per Form 5500	<u>\$ 10,412,645</u>	<u>\$ 8,698,983</u>
