## INDEPENDENT AUDITOR'S REPORT

To the Plan Committee of  
The Thor Equities, LLC 401(k) Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of The Thor Equities, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2023 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 Financial Statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters**

##### *2023 Supplemental Schedules Required by ERISA*

The supplemental schedules included on pages 15 through 17 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

##### *Auditor's Report on the 2022 Financial Statements*

The statement of net assets available for benefits as of December 31, 2022, was audited by Zapken & Loeb LLP, who merged with Hill, Barth & King LLC as of November 1, 2023, and whose report dated September 14, 2023, expressed an unmodified opinion in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**THE THOR EQUITIES, LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 – DESCRIPTION OF PLAN**

The Thor Equities, LLC 401(k) Plan (the “Plan”) became effective January 1, 2002. The following description of the Plan, as amended on July 24, 2019 provides only general information. The Plan was further amended on January 1, 2020 to exclude fringe benefits from eligible compensation and to change the employer discretionary matching contribution formula. Effective December 1, 2021, the Plan was amended and restated to bring the Plan into compliance with Notice 2017-37 (Cycle 3 Restatement). On January 1, 2023, the plan was revised with respect to exclusions related to employer matching contribution provisions. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**GENERAL**

The Plan is a participant directed, defined contribution plan which covers substantially all non-union employees of Thor Equities, LLC (the “Sponsor”), and its affiliated entities (collectively “the Company”), who have reached age 21 and have completed a one-month period of service as defined in the Plan agreement.

On January 1, 2012, the Company entered into an employee leasing agreement with ADP Total Source, Inc. (“ADP”) to make ADP its professional employer organization. ADP shares responsibilities with the Company that include, but are not limited to, administering payroll, providing certain benefits, and assisting with human resources and risk management. While the employees are employed by ADP, they continue to be eligible to participate in the Plan under common law. The agreement with ADP has no effect on the operations of the Plan or the status of the Plan agreement.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

**CONTRIBUTIONS**

Pursuant to Internal Revenue Code Section 401(k), a participant of the Plan may elect to have a percentage of his or her compensation, subject to limitations, contributed to the Plan. The participant’s compensation, otherwise payable in cash, is reduced to reflect such an election.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation with an annual increase of 1% until it reaches 6%. Contributions are automatically invested in a designated balanced fund until changed by the participant.

Under the provisions of the Plan, the Company may contribute a discretionary matching contribution equal to 50% of each participant’s contribution not to exceed 6% of eligible compensation for the plan year (up to a maximum of \$8,400). During the year ended December 31, 2023, the Company contributed a matching contribution in the amount of \$193,225, net of forfeitures of \$47,283.

Participant and employer contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

The Plan also provides for rollover contributions by participants subject to limitations defined in the Plan agreement. Rollover contributions represent contributions by employees of benefits from other benefit plans they had contributed to prior to joining the Company.

**THE THOR EQUITIES, LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

***PARTICIPANT ACCOUNTS***

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***VESTING***

Participants are immediately vested in their voluntary contributions and rollover contributions, plus actual earnings thereon. Vesting in the Sponsor's matching contributions and earnings thereon occurs at the rate of 20% for each year of service, beginning after the second year of service. A participant is 100% vested after 6 years of credited service.

***FORFEITURES***

Forfeitures by participants, as defined in the Plan document, when not used to pay administrative costs of the Plan, will be used to reduce employer matching contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$11,072 and \$26,477, respectively. For the year ended December 31, 2023, forfeitures were used to reduce the employer matching contributions by \$47,283 as well as to pay for plan expenses in the amount of \$625.

***PAYMENT OF BENEFITS***

On termination of service, participants with account balances exceeding \$5,000 may elect to receive either partial distributions of vested balances, a lump sum equal to the value of the participant's vested interests, or annual installments of the vested balance over a fixed reasonable period, not exceeding the life expectancy of the participant. Terminated participants with account balances less than \$5,000 may receive the value of the vested interest in an account balance as a lump sum distribution. In-service distributions are permitted for participants who have reached 59 ½ years of age. Hardship and qualified reservist distributions are also permitted under the provisions of the Plan.

***NOTES RECEIVABLE FROM PARTICIPANTS***

Participants may borrow from their fund accounts up to 50% of their vested interest, at a minimum amount of \$1,000, and not to exceed \$50,000. Principal and interest on the loan is repaid through payroll deductions in equal installments, or directly to the Plan from the individual participants.

The term of a loan will not exceed five years except in the case of a loan made for acquiring any house, apartment, condominium, or mobile home which is used or is to be used within a reasonable time as the principal residence of the participant. The term of repayment for a home loan cannot be greater than 360 months. The loans are secured by the balance in the participant's account and bear interest between 3.25% and 8.50%, which is commensurate with prevailing interest rates charged on similar loans, as determined by the Plan Administrator.

**THE THOR EQUITIES, LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***BASIS OF ACCOUNTING***

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

***USE OF ESTIMATES***

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates and could cause the changes in net assets available for benefits to vary significantly from period to period.

***INVESTMENT VALUATION AND INCOME RECOGNITION***

The Plan's investments are stated at fair value except for its fully benefit-responsive investment contract, which is valued at contract value (Note 5). Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***NOTES RECEIVABLE FROM PARTICIPANTS***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

***PAYMENT OF BENEFITS***

Benefits are recorded when paid.

***EXPENSES***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Administrative expenses relating to participant accounts are paid out of net assets or from forfeitures. Investment-related expenses are included in administrative expenses and as part of net appreciation of fair value of investments. Fees related to distributions and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

**THE THOR EQUITIES, LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

***RISK AND UNCERTAINTIES***

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks near term would materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**Mutual Funds:** Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**THE THOR EQUITIES, LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE 5 – INVESTMENT CONTRACT**

In March 2018, the Plan entered a fully benefit-responsive investment contract (the “Contract”) with Empower. Plan contributions to the Contract are held in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Contract is included in the financial statements at contract value as reported to the Plan by Empower. Contract value represents contributions made under the Contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Empower is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

There are no reserves against the contract value for credit risk associated with Empower or otherwise. The crediting interest rate is based on a formula agreed upon with Empower. Such interest rates are reviewed monthly for resetting. The investments held by the contract are primarily fixed-income bonds with a highly rated investment grade.

Certain events limit the ability of the Plan to transact at contract value with Empower or other issuers. Such events include the following: (1) amendments to the Plan document (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemptions under ERISA. The Plan Administrator does not believe that any events which would limit the Plan’s ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow Empower or other issuers to terminate a Contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following: 1) an uncured violation of the Plan’s investment guidelines, 2) a breach of material obligation under the Contract, 3) a material misrepresentation and 4) a material amendment to the agreements without the consent of the issuer.

**NOTE 6 – INCOME TAX STATUS**

The Plan adopted a prototype non-standardized profit-sharing plan with a cash or deferred arrangement (“CODA”) and is relying on an opinion letter received from Empower, dated November 14, 2022, stating that the Internal Revenue Service has determined that the prototype plan was designed in accordance with the Internal Revenue Code (“IRC”). This opinion letter aligns with the Plan’s Cycle 3 amendment effective December 1, 2021.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and to recognize a tax liability if the organization has taken an uncertain position, that more likely than not, would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

**THE THOR EQUITIES, LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**NOTE 7 – PLAN TERMINATION**

Although the Sponsor has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in the Company's contributions.

**NOTE 8 – RELATED PARTY TRANSACTIONS**

Certain Plan investments were managed by Empower during the year ended 2023. These transactions qualify as party-in-interest transactions. Fees paid to Empower for the year ended December 31, 2023 amounted to \$11,043.

**NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500**

| Employer and participant contributions<br>per the Form 5500            | <u>\$ 930,827</u> |

Form 5500 reports employer contributions when received, whereas the financial statements report employer contributions based on the Plan year to which the respective contribution relates.

**THE THOR EQUITIES, LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE 10 – NON EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

The Company remitted certain 2023 participant contributions totaling \$659 to the trustee later than required by the Department of Labor (“DOL”) Regulation 2510.3-102. The Company credited participant accounts of investment income that would have been earned had the participant contributions been remitted on a timely basis. The Company has corrected these nonexempt transactions using the self-correction program during 2023.

**NOTE 11 – SUBSEQUENT EVENTS**

The Plan evaluated subsequent events through September 20, 2024, the date these financial statements were available to be issued.

In accordance with changes in regulations effective for the fiscal year 2024, the definition of eligible employees has been updated. Specifically, non-resident aliens, who were previously excluded from eligibility in 2023, will be included in the definition of eligible employees starting in 2024.
