Independent Auditors' Report

To the Administrator of
Primo Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Primo Retirement Savings Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PRIMO RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(1) Description of Plan

The following description of Primo Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

(a) General

The Plan is a defined contribution profit sharing plan, established March 1, 2000, covering substantially all employees of Primo Water Holdings, Inc. (the “Plan Sponsor” or the “Company”) with the exception of labor union employees covered by a collective bargaining agreement unless the collective bargaining agreement provides for participation in the Plan, employees covered under other Company sponsored plans, nonresident aliens, leased employees, and independent contractors. There is no age requirement to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective January 1, 2022, eligibility requirements were amended to be immediate (as of the date of hire).

Effective December 1, 2022 the Plan changed from John Hancock Trust Company, LLC (“John Hancock”), to Empower Trust Company, LLC (“Empower”) as Trustee. All plan assets moved during December 2022.

(b) Contributions

The Plan includes a provision under Internal Revenue Code (“IRC”) Section 401(k) whereby participants may make pretax and Roth contributions to the Plan between 1% and 90% of their annual compensation subject to limitations under the IRC. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions up to \$7,500. Aggregate limits as prescribed by the Internal Revenue Service (“IRS”) were \$22,500 for participants under the age of fifty and \$30,000 for participants age fifty and older in 2023.

The Plan Automatically enrolls participants and sets their deferral rate at 3% of eligible compensation.

The Plan Sponsor provides a non-discretionary employer match equal to 50% of each participant’s elective deferrals up to 6% of the participant’s compensation. The Plan Sponsor’s matching contributions was approximately \$7,563,000 in 2023.

(1) Description of Plan - Continued

(b) Contributions - Continued

In addition to the above contributions, the Plan Sponsor may make additional qualified non-elective contributions to non-highly compensated employees or discretionary qualified matching contributions to all eligible participants. An eligible participant is either employed on the last day of the plan year or terminated during the plan year due to death, disability, or retirement. Such additional contributions are subject to limitations under the IRC. The Plan Sponsor made no non-elective or discretionary contributions for 2023.

At the discretion of the plan administrator, employees of the Plan Sponsor may deposit rollover contributions from another qualified plan. Rollover contributions may be made even though an employee is not eligible to participate in the Plan and are placed in a separate account subject to the rules for investment established by the plan administrator.

(c) Administration

The Plan Sponsor serves as the plan administrator. The plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan and making determinations regarding questions which may affect eligibility for benefits. The plan administrator engaged Empower Trust Company, LLC (the “Trustee” or “Empower”) as Trustee and third-party administrator to assist in the administration of the Plan.

As Trustee, Empower is responsible for the administration of investments for the benefit of the participants and their beneficiaries. The Trustee receive all contributions made under the Plan, holds plan assets, pays benefits as directed by the plan administrator and assists in the administration of the Plan.

(d) Participant Accounts

Each participant account is credited with pretax, Roth and rollover contributions made by the participant, Plan Sponsor contributions, and plan earnings. Earnings, expenses and gains and losses on investments are allocated based on participant account balances, as defined in the Plan Document.

(e) Vesting

Participant vesting in non-discretionary employer match contributions and discretionary profit-sharing contributions begins on the employment commencement date. All participants become 100% vested after five years of service. The vesting percentages are as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	25%
3	50%
4	75%
5 or more	100%

Participants that transferred in from the Mountain Valley Spring Company, LLC 401(k) Plan vesting percentages are as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 3	0%
3 or more	100%

Participants that transferred in from the Primo Water Corporation Plan and Trust vesting percentages are as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1 but less than 2	25%
2 but less than 3	50%
3 but less than 4	75%
4 or more	100%

Participants also become 100% vested upon termination of the Plan, upon reaching the normal retirement age of sixty-five, or upon disability or death while an employee of the Plan Sponsor.

Any portion of a participant's account balance attributable to pretax, Roth, rollover, safe harbor match, qualified non-elective and discretionary qualified matching contributions is 100% vested at the time of contribution and is not subject to forfeiture.

(f) Investment Options

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the Trustees.

(g) Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Generally, participants are limited to one outstanding note at a time, secured by the participant's account balance and payable in level periodic payroll deductions over a period not to exceed five years. Notes receivable from participants used for financing the purchase of a participant's principal residence may be repaid over a period not to exceed ten years. The interest rate on notes receivable from participants is determined by the plan administrator based on prevailing rates at the time of the note. Interest rates on notes receivable from participants range from 3.25% to 9.50% as of December 31, 2023. Principal and interest are paid ratably through payroll deductions.

(h) Payments of Benefits and Withdrawals

In general, a participant may withdraw up to 100% of their vested account balance, excluding certain Plan Sponsor contributions, in the event of a participant's financial hardship, as defined in the Plan Document. Hardship distributions may not exceed the amount of the participant's financial hardship and may not be repaid by the participant.

In general, in-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant after reaching the early retirement age of fifty-nine and one-half. Upon normal retirement, disability or death, a participant or beneficiary may receive the value of the account through a lump sum distribution or an annuity option, as defined in the Plan Document.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, death or disability, may receive the value of their vested account by transfer to another qualified plan or individual retirement account, through a lump sum distribution or through a single sum distribution of a portion of the account balance. The Plan may, upon termination of service of a participant for any reason, automatically distribute the benefits owed if no alternative election has been made and the account balance is \$1,000 or less, as defined in the Plan Document. If no alternative election has been made and the benefits owed are more than \$1,000 but less than \$5,000, the Plan may automatically transfer the funds into an individual retirement account ("IRA") established on the participant's behalf.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or IRA.

(1) Description of Plan - Continued

(i) Forfeitures

Non-vested account balances of terminated employees are forfeited upon the earlier of complete distribution of the vested portion of their account or after five consecutive breaks in service, subject to reinstatement before the end of five consecutive breaks in service, as defined in the Plan Document. Forfeitures of terminated employees' non-vested accounts will be used to offset administrative expenses and to reduce Plan Sponsor contributions, as defined in the Plan Document. Forfeitures used to reduce administrative expenses and Plan Sponsor contributions totaled approximately \$924,000 for the year ended December 31, 2023. There was a forfeiture balance of \$698,303 and \$452,288 as of December 31, 2023 and 2022, respectively.

(2) Summary of Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell our asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4 to Financial Statements).

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation or depreciation in fair value of its investments which consists of the realized gains and losses and the unrealized appreciation or depreciation on those investments.

(c) Use of Estimates in Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(d) Expenses

Administrative expenses of the Plan are primarily paid by the Plan Sponsor. These expenses include, but are not limited to, legal, and certain other recordkeeping fees. However, transaction fees for a participant note receivable are paid from the borrowing participant's account and investment expenses are paid by the Plan. A proportionate share of fees and expenses paid by the Plan is charged to each participant's account, as defined in the Plan Document.

PRIMO RETIREMENT SAVINGS PLAN

Notes to Financial Statements - Continued

(2) Summary of Accounting Policies - Continued

(e) Payment of Benefits

Benefit payments are recorded when paid by the Plan.

(f) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative costs and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan Document.

(g) Risks and Uncertainties

The Plan's invested assets are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant account balances and the amounts reported in the accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits.

(3) Information Prepared and Certified by the Trustees

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, the Plan's Trustee, has certified the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Mutual funds, at fair value
- Money market fund, at fair value
- Common/collective trust funds, at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividend income
- Interest income on notes receivable from participants
- Schedule of Assets (Held at End of Year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

PRIMO RETIREMENT SAVINGS PLAN

(4) Fair Value Measurements

Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurement*, provides a common definition of fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Observable inputs such as quoted prices in active markets.

Level 2: Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability;
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual Funds are valued at quoted market prices in active markets.

Money Market Fund is valued at amortized cost, which approximates fair value.

Common/Collective Trust Funds are valued at the net asset value of shares held by the Plan at year as determined by the fund house or other investment provider or based on the value of each of the underlying investments, less any applicable fees where the underlying investments are valued by the issuer using quoted market prices on active exchanges or, if unavailable, primarily using quoted market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(4) Fair Value Measurements - Continued

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

Description	Assets at Fair Value as of December 31, 2023			Total
	(Level 1)	(Level 2)	(Level 3)	
Mutual funds	\$ 193,816,714	-	-	193,816,714
Money market fund	698,027	-	-	698,027
Common/collective trust funds	-	98,414,641	-	98,414,641
	<u>\$ 194,514,741</u>	<u>98,414,641</u>	<u>-</u>	<u>292,929,382</u>
Investments measured at NAV				<u>34,915,145 (a)</u>
				<u>\$ 327,844,527</u>

Description	Assets at Fair Value as of December 31, 2022			Total
	(Level 1)	(Level 2)	(Level 3)	
Mutual funds	\$ 167,040,624	-	-	167,040,624
Money market fund	957,420	-	-	957,420
Common/collective trust funds	-	83,282,661	-	83,282,661
	<u>\$ 167,998,044</u>	<u>83,282,661</u>	<u>-</u>	<u>251,280,705</u>
Investments measured at NAV				<u>36,515,067 (a)</u>
				<u>\$ 287,795,772</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(5) Tax Status

The Plan received a determination letter from the IRS dated September 28, 2022, which stated that the Plan and related trust were designed in accordance with the applicable sections of the IRC. The Plan has adopted amendments since receiving the determination letter from the IRS. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

PRIMO RETIREMENT SAVINGS PLAN

Notes to Financial Statements - Continued

(6) Party-in-Interest Transactions

Empower and their affiliates perform services for, sell products to and maintain certain investments for the Plan for which fees are charged to the Plan. While the Plan pays most of the fees, a portion is paid by the Plan Sponsor. Fees paid by the Plan to Empower and John Hancock amounted to approximately \$257,000 and \$16,200, respectively, for the year ended December 31, 2023. Fees paid to Sageview Advisory Group, LLC amounted to approximately \$150,500. Other professional fees paid amounted to approximately \$25,200. Party-in-interest transactions also include notes receivable made to participants. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

(7) Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(8) Subsequent Events

Plan management has evaluated events and transactions for potential recognition or disclosure in the financial statements through September 24, 2024, the date the financial statements were available to be issued.
