## **INDEPENDENT AUDITORS' REPORT**

To the Administrative Committee of Baxter Healthcare of Puerto Rico LLC  
DBA Baxter Healthcare of Puerto Rico Welfare Wrap Plan

### ***Opinion***

We have audited the accompanying financial statements of Baxter Healthcare of Puerto Rico LLC DBA Baxter Healthcare of Puerto Rico Welfare Wrap Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Baxter Healthcare of Puerto Rico LLC DBA Baxter Healthcare of Puerto Rico Welfare Wrap Plan as of December 31, 2023 and 2022, and the changes in its financial status for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibility of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### ***Responsibility of Management for the Financial Statements (continued...)***

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO THE FINANCIAL STATEMENTS

**1. DESCRIPTION OF PLAN**

The following description of Baxter Healthcare of Puerto Rico LLC DBA Baxter Healthcare of Puerto Rico Welfare Wrap Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

***General***

The Plan is a contributory health and welfare plan designed to provide certain medical and dental services, as well as prescription drug coverage to plan participants. It is a self-funded plan with non-stop loss coverage.

The Plan is sponsored by Baxter Healthcare of Puerto Rico LLC (formerly Baxter Healthcare SA) and related entities, which have adopted the particular Plan on behalf of their Puerto Rican employees (“Baxter”).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

***Stop-Loss Provision***

The Plan does not carry a stop-loss provision; therefore, any additional obligations exceeding the Plan’s net assets available for benefits will be covered by the Plan’s sponsors.

***Plan Administration***

The Plan is administered by the Administrative Committee of Baxter International, Inc. the members of which are appointed annually by the Compensation Committee of Baxter International Inc.’s Board of Directors.

***Plan Expenses and Administration***

Baxter is responsible for the general administration of the Plan and for carrying out the provisions thereof. Medical service claims are administered through Medical Card System (“MCS”) and all pharmacy and drug prescription claims are administered through CVS Caremark Puerto Rico, LLC (“CVS”) for a management fee.

### ***Contributions***

Plan participants authorize Baxter to make payroll deductions under the Plan depending on the desired coverage. Baxter makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by Baxter on a pay-as-you-go basis.

### ***Plan Participation***

The Plan covers all employees under Baxter's payroll who work for a Baxter subsidiary, division, or facility which has adopted the Plan on behalf of their employees. Eligible employees must be scheduled to work at least 20 hours per week and must not be members of a collective bargaining unit (unless participation in the Plan is part of the bargaining agreement). Employees may elect from various coverage options.

### ***Medical Coverage***

Uniform coverage is provided to all participants and their eligible dependents. Participants share the cost of services through co-payments that vary depending on the service as well as the provider.

Medical coverage of the Plan is provided through a Preferred Provider Organization ("PPO"), where the participants have a choice of using a participating network of providers or providers outside the network. The Plan covers eligible charges at pre-negotiated rates with participating PPO providers. For services received outside of the PPO network, the participants are responsible for paying the service and filing a claim with MCS for reimbursement at pre-negotiated PPO rates. Special provisions apply for services received outside of Puerto Rico.

### ***Dental Coverage***

The Plan and the participants share the cost of dental coverage. The Plan pays 100%, 70%, or 50% of pre-negotiated rates depending on the service received by the participant. The Plan pays eligible charges up to \$1,000 per participant per calendar year.

### ***Prescription Drug Coverage***

Pharmacy benefits are administered by CVS. Medications prescribed may be obtained by the CVS Pharmacy Network when an ongoing condition exists. The Participants share the cost through co-payments.

### ***Plan Termination***

Although it has not expressed any intent to do so, Baxter has the right to terminate the Plan at any time.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### ***Basis of Accounting***

The Plan's financial statements are prepared under the accrual basis of accounting.

### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

### ***Claims Incurred but not Reported***

Plan obligations at December 31, 2023 and 2022 for health claims incurred by active participants but not reported at these dates and for the accumulated eligibility of participants are estimated by Baxter's management based on an analysis of historical claims-cost data which management believes is substantially similar to an actuarial computation. In addition, management considers claims incurred but not reported as estimated by the Plan's third-party administrator utilizing actuarial methods which take into consideration prior claims experience and the expected time period from the date such claims are incurred to the date that the related claims are submitted and paid.

## **3. THIRD PARTY ADMINISTRATION AGREEMENTS**

The Plan has an agreement with MCS, under which MCS provides administrative services for certain functions of the Plan. MCS reviews, evaluates, refers, adjusts, and pays or rejects all claims, within the authority granted by the agreement. Also, MCS maintains all records of claims for services provided to participants.

In addition, the Plan has an agreement with CVS, under which CVS provides pharmacy benefit management services. To the extent authorized by the agreement, CVS processes requests for payments of prescription drug claims submitted by participants directly to CVS. Also, CVS maintains all records of claims for services provided to participants.

Total management fees charged to the Plan for the years ended December 31, 2023 and 2022 under the terms of these agreements amounted to approximately \$638,000 and \$614,000, respectively.

#### 4. POST-RETIREMENT BENEFITS

The Plan does not provide post-retirement benefits.

#### 5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 OF THE U.S. DEPARTMENT OF LABOR

Amounts currently payable to or from participants, beneficiaries, and dependents are recorded on Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, but not yet paid as of that date.

The following is a reconciliation of the net assets available for benefits per the financial statements to Form 5500 for the years ended December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 7,498,004	\$ 4,587,757
Amounts currently payable to or for participants, beneficiaries and dependents	<u>(424,382)</u>	<u>(546,681)</u>
Net assets available for benefits per Form 5500	<u>\$ 7,073,622</u>	<u>\$ 4,041,076</u>

The following is a reconciliation of benefits paid to participants per the financial statements to Form 5500 for the years ended December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Benefits paid to participants per the financial statements	\$ 9,756,173	\$ 9,690,275
Add amounts currently payable at end of year	424,382	546,681
Less amounts currently payable at beginning of year	<u>(546,681)</u>	<u>(486,538)</u>
Benefits paid to participants per Form 5500	<u>\$ 9,633,874</u>	<u>\$ 9,750,418</u>

#### 6. TAX STATUS

As mentioned in Note 1 to the financial statements, benefits paid under the Plan are funded by Baxter when claims are due. Therefore, the Plan has no interest income and no revenues; consequently, no determination letter on the Plan's tax status has been requested from the Puerto Rico tax authorities. As a result, no provision for income taxes has been included in the Plan's financial statements for the years ended December 31, 2023 and 2022.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities.

The Plan's Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

## **7. SUBSEQUENT EVENTS**

Management evaluated all activities of the Plan through August 9, 2024 (the date the financial statements were available to be issued) and concluded that no other subsequent events have occurred that would require recognition and/or disclosure in the notes to the financial statements as of December 31, 2023.

To users of the financial statements reported  
upon by D'Leading Business Solutions

The professional staff of D'Leading Business Solutions are pleased to announce the successful completion of an independent peer review of our accounting and auditing practice. This review was undertaken as a condition for the membership with the American Institute of Certified Public Accountants (AICPA), the National Organization for Certified Public Accountants (CPA) in public practice, industry, government, and education.

In 1988, the members of the AICPA overwhelmingly approved a proposal to require members in public practice to participate in a practice-monitoring program. With the adoption of this proposal, the AICPA implemented a Peer Review Program of unprecedented scope in the CPA profession or any other. Furthermore, in August 2000, the Puerto Rico Society of Certified Public Accountants (PRSCPA) adopted a voluntary participation peer review program, which follows the lead established by the AICPA. Our participation in Peer Review demonstrates our Firm's desire to measure up to the profession's highest standards of professionalism and our commitment to maintaining and improving the quality of our practice.

The reviewer first determined that we have an adequate quality control system, and then assessed that professional standards were followed in a representative sample of our accounting and auditing engagements. After a thorough study of our policies and procedures, the reviewer concluded that DLBS complies with the quality control standards established by the AICPA and the PRSCPA. As a result, the reviewer issued a report on September 13, 2023, with a rating of Pass (the highest possible rating), with no Letter of Comments which confirms our compliance with the highest standards of quality control procedures prescribed by our profession. We are very proud to show our results to the business community.

Bankers, bonding agents, investors, suppliers, legal advisors, and others use financial statements that DLBS audits, reviews, or compiles. We believe all users of these financial statements, our clients, and our professional staff deserve independent quality assurance that our Firm provides quality services. We are proud of our peer review results and would be happy to answer any questions you might have.
