Sumida America, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Sumida America, Inc. 401(k) Pan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits-modified cash basis as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits-modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Sumida America, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of

Sumida America, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sumida America, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sumida America, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sumida America, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets as of December 31, 2023, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all

material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SUMIDA AMERICA, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

Note A - Description of Plan

The following description of the Sumida America, Inc. 401(k) Plan, formerly known as Pontiac Coil, Inc. Employees' Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

On January 1, 2022 the Plan changed its name to Sumida America, Inc. 401(k) Plan.

On May 1, 2022, the Sumida 401(k) Plan merged into the Sumida America, Inc. 401(k) Plan. The amount transferred into the plan was \$5,789,743 and is reflected in the statements of changes in net assets available for benefits-modified cash basis for the year ended December 31, 2022.

General

The Plan is a defined contribution plan established by Sumida America, Inc. (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. All employees of the Company who have completed six months of service, as defined, are eligible to participate, provided they are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Each year, participants may contribute up to the maximum percentage allowable, not to exceed the limits of the IRC, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a common/collective trust fund and a money market as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate. Contributions are automatically invested in a designated balanced fund until changed by the participant. The Plan provides for a safe harbor matching employer contribution from the Company. The Company match is 100% of the first 5% of compensation that a participant contributes to the Plan. The matching Company contribution is invested using the same allocations as participant contributions. Additionally, discretionary nonelective contributions may be made by the Company at the option of the Company's Board of Trustees and are invested using the same allocations as participant contributions. The discretionary nonelective contributions made to the Plan, if any, will be allocated to each participant's account in the ratio that each participant's eligible compensation bears to the total eligible compensation paid to all eligible participants. Contributions are subject to certain limitations.

Participant's Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contributions, (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on

SUMIDA AMERICA, INC. 401(K) PLAN

Note A - Description of Plan – (continued)

participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective contributions and employer match on them plus actual earnings thereon. Vesting in the Company discretionary nonelective contributions portion of their accounts and earnings thereon is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
0 -1	0%
2	0%
3	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50 percent of their account balances, not to exceed \$50,000. The loans are secured by the participant's account balance and bear interest at 4.25 – 9.50 percent, which is commensurate with local prevailing rates as determined by the Plan administrator.

Payments of Benefits

Upon termination of service (including death, disability, or retirement), a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a specific period. In addition, hardship distributions are permitted if certain criteria are met.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$74,988 and \$69,048, respectively. These accounts may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. During the Plan years ended December 31, 2023 and 2022, employer contributions were reduced by \$0 and \$0, respectively.

Note B - Summary of Significant Accounting Policies

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

SUMIDA AMERICA, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

Note B - Summary of Significant Accounting Policies – (continued)

Basis of Accounting

The Plan records are maintained, and the accompanying financial statements have been prepared, on the modified cash basis of accounting. This is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, contributions and investment income are recognized when received, disbursements recognized when paid and investments are reflected at fair value.

Investment Valuation

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note D for discussion of fair value measurements.

Unrealized appreciation or depreciation in the aggregate fair value of investments represents the change in the difference between aggregate fair value and the cost of investments, including reinvestment of earnings. The realized gain or loss on sale of investments is the difference between the proceeds received and the average cost of investments sold.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when received.

Certain management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of net appreciation in fair value of investments for such investments.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest.

Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Plan sponsor.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through September 24, 2024, the date the financial statements were available to be issued.

	<u>\$ 2,111,718</u>	<u>\$ (1,846,397)</u>

Note D – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritized the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices from identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

SUMIDA AMERICA, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

Note D – Fair Value Measurements – (continued)

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

1. Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
2. Common/collective trusts – Valued based on the NAV of units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. There are no participant redemption restrictions for these investments and there are no unfunded commitments.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers of investments into or out of Level 3. For the years ended December 31, 2023 and 2022, there were no transfers of investments into or out of Level 3.

Note E – Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Investments Institutional Operations Company, Inc., who is the trustee as defined by the Plan and therefore, corresponding transactions qualify as party-in-interest. Administrative and investment fees paid to the aforementioned amounted to \$75,971 and \$83,862 for the years ended December 31, 2023 and 2022, respectively.

Certain administration expenses of the Plan are paid directly by the employer, Sumida America, Inc.

Note F – Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least probable that changes in values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

SUMIDA AMERICA, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

Note G – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note H – Reconciliation of Financial Statements to Schedule H of Form 5500

Note I – Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the prototype Plan adopted by the Company is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status. Therefore, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

SUMIDA AMERICA, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

Note I – Tax Status – (continued)

The modified cash basis of accounting requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for tax years prior to 2021.

Note J – Excess Contributions

Benefits paid to participants of \$1,920,160 and \$618,132 for the Plan years ended December 31, 2023 and 2022, respectively, include payments of \$0 and \$28,686, respectively, made to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan based on the testing from the previous Plan year.
