INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Bridgford Foods Retirement Savings 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed the audits of the financial statements of the Bridgford Foods Retirement Savings 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for twelve months from the date these financial statements were issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRIDGFORD FOODS RETIREMENT SAVINGS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Bridgford Foods Retirement Savings 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Bridgford Foods Corporation (the Company), except certain union employees who are covered under another qualified plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Employees who have attained at least 21 years of age are eligible to participate in the Plan on the first day of the month following the completion of 6 months of service.

Administration

The Plan is administered by the Company.

Contributions

Participants may elect to contribute up to 90% of eligible compensation, not to exceed the limits of the Internal Revenue Code (IRC). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

During 2023, the Company provided a safe harbor contribution equal to 100% of the participant's deferral, up to the first 3% of eligible compensation and 50% of the participant's deferral, up to the next 2% of a participant's eligible compensation. The Company may also make discretionary profit sharing contributions. For the year ended December 31, 2023, the Company made no discretionary profit sharing contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe harbor contributions, as well as allocations of the Company's profit sharing contributions, if any, and Plan earnings. Participant accounts may be charged with an allocation of Plan expenses that are paid by the Plan. Allocations are based on participant's eligible compensation, investment elections, specific participant transactions and/or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

BRIDGFORD FOODS RETIREMENT SAVINGS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN – (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years or within a reasonable period of time that is longer than 5 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account. The interest rate will generally be the prime interest rate plus 1% at the time the loan is issued. Principal and interest are paid ratably through payroll deductions. Participants can only have one loan outstanding at a time.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant with vested account balances exceeding \$5,000 may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, equal installments or a partial withdrawal. Participants may also elect to rollover their account to another tax deferred account or remain in the Plan until they are legally required to begin taking distributions. All vested account balances not exceeding \$5,000 may be immediately distributed in a lump-sum payment. All vested account balances exceeding \$1,000, but not exceeding \$5,000, may be rolled into an Individual Retirement Account if the participant does not make an affirmative election. Participants may withdraw all or part of their vested interest in the event of financial hardship.

Vesting

Participants are immediately vested in their contributions and the Company's contributions, plus actual earnings thereon.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Plan Fees and Administrative Expenses

Plan expenses are generally paid by the Company, unless paid by the Plan. Expenses that are paid by the Company are excluded from these financial statements. Certain transactional fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in investment earnings and plan fees and administrative expenses.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Company has evaluated subsequent events through the date of the independent auditor's report, which is the date the accompanying financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under this framework are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment companies: These investments are public investment vehicles valued using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within level 1 of the valuation hierarchy.

Common/collective trusts: Valued at the NAV per share/unit reported at the close of business every day. Shares/units in common/collective trusts can be redeemed daily on demand. The NAV is used as a practical expedient to estimate fair value.

BRIDGFORD FOODS RETIREMENT SAVINGS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

3. FAIR VALUE MEASUREMENTS – (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Description	Total	Level 1	Level 2	Level 3
<u>December 31, 2023</u>				
Registered investment companies	<u>\$ 21,986,421</u>	<u>\$ 21,986,421</u>	<u>\$ -</u>	<u>\$ -</u>
Total assets in the fair value hierarchy	21,986,421	<u>\$ 21,986,421</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV ^(a)	5,519,457			
Investments at fair value	<u>\$ 27,505,878</u>			
<u>December 31, 2022</u>				
Registered investment companies	<u>\$ 18,550,342</u>	<u>\$ 18,550,342</u>	<u>\$ -</u>	<u>\$ -</u>
Total assets in the fair value hierarchy	18,550,342	<u>\$ 18,550,342</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV ^(a)	5,346,953			
Investments at fair value	<u>\$ 23,897,295</u>			

^(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

In regard to the classification of investment options offered by the Plan, there were no reclassifications between levels 1, 2 and 3 during the year ended December 31, 2023. The nature, risks and investment objectives of the investments above, including those for which fair value is estimated using the NAV as a practical expedient, can be found in the Plan's enrollment literature. These investments can generally be redeemed immediately and without a redemption notification period. As of December 31, 2023, there were no unfunded commitments associated with any of these investments.

BRIDGFORD FOODS RETIREMENT SAVINGS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments, dividends, and interest income from notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year).

5. TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit Sharing Plan which received a favorable opinion letter from the Internal Revenue Service (IRS) on October 6, 2020, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has since been amended. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. The Plan paid \$13,561 in net contract administration fees and investment advisory fees during 2023. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Company paid certain administrative expenses of the Plan, including recordkeeping and audit fees. These transactions qualify as party in interest transactions for which a statutory exemption exists.

BRIDGFORD FOODS RETIREMENT SAVINGS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

6. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS – (Continued)

In connection with a fee sharing arrangement with ADP, the record-keeper and third party administrator of the Plan, the Plan received \$62,818 in fee reimbursements/credits which it used to pay certain administrative expense of the Plan. The reimbursements/credits are netted with plan fees and administrative expenses on the accompanying statement of changes in net assets available for benefits. The Plan has credits of \$57,072 and \$46,538 available to offset future plan expenses as of December 31, 2023 and 2022, respectively.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the plan agreement to terminate or amend the Plan at any time, subject to the provisions of ERISA.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of total additions per the financial statements to total income per the Form 5500 for the year ended December 31, 2023:

Total additions per the financial statements	\$ 6,099,620
Add: fee reimbursements/credits per the financial statements	<u>62,818</u>
Total income per the Form 5500	<u>\$ 6,162,438</u>

The following is a reconciliation of total deductions per the financial statements to total expenses per the Form 5500 for the year ended December 31, 2023:

Total deductions per the financial statements	\$ 2,408,723
Add: fee reimbursements/credits per the financial statements	<u>62,818</u>
