### **TO THE PARTICIPANTS AND ADMINISTRATOR OF RENZI BROS., INC. 401(K)**

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of **Renzi Bros., Inc 401(k)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 25, 2023 (Date of Liquidation) and December 31, 2022 (ongoing), and the related statements of changes in net assets available for benefits for the period (in liquidation), and year then ended (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Renzi Bros., Inc. 401(k)'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 25, 2023 (Date of Liquidation) and December 31, 2022, and for the period and year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Renzi Bros., Inc 401(k) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter-Basis of Accounting**

As discussed in Note 7 to the financial statements, the governing body of Renzi Bros., Inc. 401(k) approved a plan of liquidation on July 8, 2023, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to that matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Renzi Bros., Inc. 401(k)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To become eligible to participate in Company discretionary matching contributions, an employee must have made elective deferral contributions to the Plan, attain age 21 or older and had at least 1,000 hours of service during the Plan year. The Company’s Executive Team and the Plan Administrator are responsible for oversight of the Plan and to determine the appropriateness of the Plan’s investment offerings and monitor investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

**Contributions**

Each year, participants may contribute pretax or taxed annual compensation, as defined in the Plan, subject to Internal Revenue Service (“IRS”) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct their investment of their contributions into various investment options offered by the Plan.

Matching and profit-sharing contributions may be contributed at the discretion of the Company. Matching contributions are determined as a percentage of the employee deferrals made during the Plan year or as a uniformed dollar amount. Matching contributions are calculated as 50% of a participant’s salary deferral, up to 3% of the participant’s eligible compensation. Employer matching contributions totaled approximately \$161,100 and \$272,200 for the period and year ended September 25, 2023 and December 31, 2022, respectively. The Company did not make any profit-sharing contributions in 2023 or 2022.

**Participant Accounts**

Each participant’s account is credited with the participant's contribution plus allocations of (a) the Company's discretionary matching and profit-sharing contributions, (b) Plan earnings, (c) the participant’s loan activity, if applicable, and (d) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer’s contribution plus actual earnings thereon is based upon years of continuous service.

Vesting of employer contributions is as follows:

<b>Years of Service</b>	<b>Vesting Percentage</b>
Less than One	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Participants become 100% vested in Company discretionary matching and profit-sharing contributions if they die or become disabled while employed with the Company.

**Payment of Benefits**

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account, or installments, either annually or more frequently. If a participant’s vested account balance is between \$1,000 and \$5,000, and the participant fails to make a distribution election, a lump-sum amount may be rolled over to an individual retirement account without their consent. If a participant’s vested account balance is \$1,000 or less, and the participant fails to make a distribution election, a lump-sum amount may be paid to the participant without their consent.

**Forfeited Accounts**

At September 25, 2023 and December 31, 2022, forfeited non vested accounts totaled approximately \$0 and \$14,200, respectively. Forfeitures can be utilized to reduce plan expenses or employer contributions. Employer contributions were reduced by forfeitures of approximately \$0 and \$13,600 for the period and year ended September 25, 2023 and December 31, 2022, respectively. Plan expenses were reduced by forfeitures of approximately \$16,600 and \$15,700 for the period and year ended September 25, 2023 and December 31, 2022, respectively.

**Notes Receivable from Participants**

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms are up to five years, unless the loan is for the purpose of acquiring a principal residence, then the loan term can be up to ten years. The loans are secured by the balance in the participant's account and bear interest at prime plus 1.00%. Participants are permitted to have only one loan outstanding at a time and may only apply for one loan each Plan year. Principal and interest are paid ratably through payroll deductions.

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES**

---

The accounting principles and practices which affect the more significant elements of the financial statements are:

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Risks and Uncertainties**

The Plan provides for various investment options in any combination of a variety of mutual funds. Investments in mutual funds are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain mutual funds, it is at least reasonably possible that changes in values of mutual funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – Continued**

---

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure on contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments in interest-bearing cash and mutual funds are stated at fair value. Fair value is the price that would be received to sell or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales are recorded on trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment income (loss) includes the plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of September 25, 2023 and December 31, 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation (depreciation) of investments.

**Subsequent Events**

Plan management has evaluated subsequent events from September 25, 2023 through September 16, 2024, the date the financial statements were available to be issued. Management has determined that no such events have occurred.

**NOTE 3 – FAIR VALUE**

---

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of observable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification No. 820 are described as follows:

Level 1        Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2        Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3        Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 3 – FAIR VALUE – Continued**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 25, 2023 and December 31, 2022.

*Mutual Funds:* Valued at the net asset value (“NAV”) of shares held by the plan at year end. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money Market Funds:* Valued at cost which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 25, 2023 and December 31, 2022.

	<b>September 25, 2023</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Mutual Funds	\$ 0	\$ 0	\$ 0	\$ 0
Money Market Funds	0	0	0	0
Total Assets at Fair Value	\$ 0	\$ 0	\$ 0	\$ 0
	<b>December 31, 2022</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Mutual Funds	\$ 9,521,349	\$ 0	\$ 0	\$ 9,521,349
Money Market Funds	370,350	0	0	370,350
Total Assets at Fair Value	\$ 9,891,699	\$ 0	\$ 0	\$ 9,891,699

**NOTE 4 – INCOME TAX STATUS**

---

The Plan adopted a non-standardized form of a prototype plan sponsored by Ascensus, LLC. The IRS has determined and informed the prototype plan sponsor by a letter dated June 30, 2020, that the prototype plan qualifies under the applicable sections of the Internal Revenue Code (“IRC”). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As the Plan is tax-exempt, the Plan administrator has concluded that as of September 25, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

**NOTE 5 – FINANCIAL INFORMATION CERTIFIED BY PLAN CUSTODIAN**

---

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator has obtained a certification from Ascensus Trust Company, the custodian of the Plan, that all of the information provided by them is complete and accurate. Information included in the accompanying financial statements as of and for the period and year ended September 25, 2023 and December 31, 2022 pertaining to investments, notes receivable from participants, dividend and interest income, and net investment income (loss) is presented in reliance solely upon those certifications.

**NOTES TO FINANCIAL STATEMENTS**

September 25, 2023 (Date of Liquidation) and December 31, 2022

**NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTIES IN INTEREST TRANSACTIONS**

---

Certain Plan investments are managed by current plan custodian, Ascensus, LLC, as defined by the Plan, and therefore recordkeeping, loan, and benefit payment processing transactions qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan participants for recordkeeping, loan and benefit payment processing to Ascensus, LLC were approximately \$31,500 and \$18,400 for the period and year ended September 25, 2023 and December 31, 2022, respectively.

**NOTE 7 – PLAN TERMINATION**

---

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

The governing body of Renzi Bros., Inc. 401(k) approved a plan of liquidation on July 8, 2023, and management determined liquidation is imminent. Final distributions were determined based on all participants being 100% vested in all contribution sources and were distributed in the entirety as of September 25, 2023. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statement to the liquidation basis used in presenting the 2023 financial statements.
