INDEPENDENT AUDITOR'S REPORT

To: The Plan Administrator and Participants
The Randolph Company 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **The Randolph Company 401(k) Profit Sharing Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for Plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for Plan benefits for the year ended December 31, 2022, and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certain certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT (continued)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT (continued)

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a – Schedule of Delinquent Participant Contributions and Schedule H, line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE RANDOLPH COMPANY 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(1) Description of the plan

Effective July 1, 1994, The Randolph Company (the “Company” or the “Sponsor”) adopted the Randolph Company 401(k) Profit Sharing Plan (the “Plan”) to provide retirement benefits for all eligible employees. The Plan benefits the eligible employees of the Company and its affiliated service group members, Randolph Austin Company, Inc., Cryogenic Plastics, Inc., and Prototype Machine Company (collectively referred to as the “Group”). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all individuals who are employed by the Company and who are at least 18 years of age or older and have completed one year of service. Upon satisfying the eligibility requirements, an employee can enter the Plan on the first day of the Plan year or the first day of the seventh month of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Trustee and administration

The Plan’s assets are held by Fidelity Management Trust Company (“Fidelity”), the trustee of the Plan, and are invested through participant-directed accounts in various mutual funds or other investments offered by the trustee. Duties of the trustee include, among others, recordkeeping, receiving and investing cash contributions and investment income, and making payments from the Plan funds as directed by the participants and the Plan administrator.

Administrative functions are performed by officers or employees of the Company. Certain administrative services and costs are incurred by the Company without cost to the Plan. No officer or employee receives compensation from the Plan.

Contributions

Participants may make contributions to the Plan under a 401(k) salary deferral arrangement up to the maximum percentage (50%) of annual compensation, as defined by the Plan, and the dollar amount permitted under 402(g) of the Internal Revenue Code (“IRC”) not to exceed \$20,500 in 2022. Additionally, participants who are at least 50 years of age as of December 31, 2022, are permitted to make catch-up contributions up to \$6,500 for 2022. Participants are also allowed to contribute amounts representing distributions from other qualified plans.

The Company may make a discretionary matching contribution equal to a discretionary percentage of the participant’s elective deferrals. The Company matched 50% of the first 3% deferred for a maximum match of 1.5% for both 2022 and 2021. Additionally, the Company may make non-elective contributions unrelated to employee contributions to the Plan. No non-elective profit sharing contributions were made for the year ended December 31, 2022.

Participant accounts

Each participant’s account is credited with the participant’s contribution, allocation of the Company’s contributions, and Plan earnings or losses and charged with an allocation of administrative expenses. Allocations may be charged based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

THE RANDOLPH COMPANY 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(1) Description of the plan (continued)

Vesting

Participants are immediately 100% vested in their elective deferrals including catch-up contributions rollover contributions from other plans, and actual earnings thereon. Participants are always 100% vested in their company matching and non-elective contributions.

Investment options

Upon enrollment in the Plan, a participant may direct the contributions made to the Plan, for or on behalf of the participant, to any one or more of the investment funds determined at the discretion of the Plan Administrator and Plan Sponsor and in such multiples as the participant prescribes. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

Benefits paid to participants

Upon termination of service, death, or retirement, participants or beneficiaries may elect to receive either a lump-sum amount equal to the value of their vested account balance, or installments paid over a period of years. All payments must be in cash.

On termination of service, a participant who has a vested interest in their account which is less than or equal to \$1,000 shall receive a lump sum equal to the vested interest of their account. If a participant's account balance is between \$1,000 and \$5,000 on the date of termination, and the participant does not request a distribution, the Plan Administrator will rollover the account balance into an individual retirement account.

Under the terms of the Plan, participants who attain retirement age or become totally disabled prior to their retirement date will receive all amounts credited to their accounts. Upon the death of the participant while actively employed, the distribution is made in accordance with the participant's previous direction. All participants will receive their account balance in either a lump sum or in installments equal to the vested value of their account.

Withdrawals

Participants may make early withdrawals up to the full balance of their elective deferral contributions in their account under the hardship provisions of the Plan under provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act. An active participant may make unrestricted withdrawals of their vested accounts on or after age 59 ½.

Forfeitures

Forfeitures consist of the non-vested portion of terminated participant account balances and may be used by the Plan to pay for Plan expenses or reduce any employer contributions. As of December 31, 2022 and 2021, the forfeiture account balances totaled \$628 and \$714, respectively. During 2022, forfeited accounts of \$91 were used to pay plan expenses.

Termination of the Plan

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time subject to the provisions of ERISA. Upon termination, no further contributions will be made to the Plan and all amounts credited to the participant's account will become 100% vested. The Company will direct the distribution of the participant's account in a manner permitted by the Plan as soon as practicable.

THE RANDOLPH COMPANY 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(1) Description of the plan (continued)

CARES Act

The CARES Act was signed into law on March 27, 2020. The CARES Act allows certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, delay the commencement date for required minimum distributions, and take a coronavirus-related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The Plan adopted the temporary provisions of the CARES Act.

SECURE 2.0 Act

In December 2022, the Securing a Strong Retirement Act (SECURE 2.0) was signed into law as part of the Consolidated Appropriations Act. The provisions of SECURE 2.0 continue the themes and reforms that began the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019. Most of the provisions will become effective in 2023 and forward; therefore, there is no current impact to the Plan. The Plan administrator is in the process of evaluating which optional provisions the Plan will elect.

(2) Summary of significant accounting policies

Basis of statement presentation

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment income recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. See Note 4 for discussion of fair value measurements. Interest and other income are recorded on the accrual basis. Purchases and sales of investments are recorded on the trade-date basis. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation (depreciation) in the market value of investments held at year end, is presented in the statement of changes in net assets available for plan benefits.

Payment of benefits

Benefits are recorded when paid.

Reclassification

Certain reclassifications have been made to the 2021 financial statement presentation to correspond to the current year's format. Total net assets available for benefits are unchanged due to these reclassifications.

Subsequent events

The Plan has evaluated subsequent events through October 16, 2023, except for the correction of errors as described in Note 10, as to which the date is September 10, 2024, the date the financial statements were available to be issued. No subsequent events occurred which would require adjustment or disclosure to the financial statements as December 31, 2022.

THE RANDOLPH COMPANY 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(3) Certified investments

Certain information summarized below related to the accompanying financial statements and ERISA-required supplemental schedules was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the plan.

	<u>2022</u>	<u>2021</u>

Year ended December 31, 2022

Investment income certified:

Net depreciation in fair value of investments	<u>\$ (1,843,216)</u>
Dividends	<u>\$ 281,312</u>

(4) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets and liabilities in active markets,
 - Quoted prices for identical or similar assets or liabilities in inactive markets,
 - Inputs other than quoted prices that are observable for the asset or liability,
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

THE RANDOLPH COMPANY 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(4) Fair value measurements (continued)

The following is a description of the valuation methodologies used for assets measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds

Mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year end based on quoted market prices.

Common collective trust funds

Common collective trust funds are valued at the NAV of units held by the Plan at year end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

		2022			
		Fair Value	Level 1	Level 2	Level 3
Mutual funds		\$ 6,670,564	\$ 6,670,564	\$ -	\$ -
Investments measured at net asset value		2,550,540			
Total investments		\$ 9,221,104			
		2021			
		Fair Value	Level 1	Level 2	Level 3
Mutual funds		\$ 8,371,636	\$ 8,371,636	\$ -	\$ -
Investments measured at net asset value		2,260,397			
Total investments		\$ 10,632,033			
		2022		2021

Redemption notice period		None		None	

THE RANDOLPH COMPANY 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(4) Fair value measurements (continued)

Gains and losses realized and unrealized, for the year ended December 31, 2022 are reported under net appreciation (depreciation) in fair value of investments on the accompanying statement of changes in net assets available for plan benefits.

(5) Related party transactions and transaction with parties-in-interest

A related party is any party who can control or significantly influence Plan Management or operating policies. Parties-in-interest are defined under DOL regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During the year ended December 31, 2022, the Plan made direct payments of \$291 to certain parties-in-interest for administration and investment advisory fees, as allowed by ERISA. The Plan sponsor pays directly any other fees related to the Plan.

Fees incurred by the Plan for the investment management services are included in the net appreciation (depreciation) in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

(6) Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is, at least, reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

(7) Tax status

The Plan sponsor adopted a plan which received a favorable opinion letter, issued to the document provider, from the Internal Revenue Service (the IRS) dated June 30, 2020, which states that the Plan is designed in accordance with the applicable sections of the IRC and is, therefore, not subject to tax under present income tax law. The Plan is required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

GAAP requires Plan management to evaluate tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a plan expires three years from the due date of the return or the date on which it was filed, whichever is later.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(8) Reconciliation of financial statements to Form 5500

The following is a reconciliation of net decrease in net assets available for plan benefits per the financial statements to net income per Form 5500 for the year ended December 31, 2022:

Net decrease in net assets available for Plan benefits	\$ (1,410,929)
Change in excess of fair value over contract value for common/collective trust	<u>(23,430)</u>
Net loss per the Form 5500	<u>\$ (1,434,359)</u>

The following is reconciliation of net assets available for plan benefits per the financial statements to Form 5500 for the year ended December 31, 2021:

Net assets available for Plan benefits	\$ 10,632,033
Adjustment from contract value to fair value for common/collective trust	<u>23,430</u>
Net assets available for Plan benefits per the Form 5500	<u>\$ 10,655,463</u>

(9) Prohibited transactions

As required by ERISA Section 2510.3-102, the Plan sponsor is required to segregate employee contributions to the Plan from its general assets as soon as practicable. The Plan has contributions totaling \$14,314, all of which represented employee salary deferrals, that were not remitted timely. These contributions are considered prohibited transactions.

The Company has calculated lost investment earnings and compensated the plan for the lost earnings in 2024.

(10) Restatement of previously issued financial statements

The Company identified and corrected errors related to late remittances identified in 2022. See Note 9 and the Schedule of Delinquent Participant Contributions. Additionally, revisions were made to Note 1: Description of the Plan for the following areas: Contributions, Vesting, and Withdrawals. There were no changes to net assets available for Plan benefits as a result of these changes.
