INDEPENDENT AUDITOR'S REPORT

The Plan Administrator and Participants of
Allegheny Mineral Company Employee Profit Sharing Plan
Kittanning, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Allegheny Mineral Company Employee Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Allegheny Mineral Company Employee Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General - The Plan covers substantially all employees of Allegheny Mineral Corporation (Corporation), the Plan sponsor and the employees of Glacial Sand and Gravel Co., which is an entity related to the Corporation through common ownership. Plan eligibility is achieved by attaining the age of 20 and completing one year of service (defined as 1,000 hours in any plan year and 12 consecutive months of service). Active employees can enter the Plan on the first day of each January and July following satisfaction of these requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions - Contributions to the Plan are made only by the employer and are invested as directed by the participant. Employees are not eligible to contribute to the Plan. The Plan does not allow rollover contributions. For each Plan year in which there are sufficient current profits or accumulated earnings to do so, and subject to the provisions of the Plan and Section 404(a)(3) of the Internal Revenue Code (IRC), the Plan sponsor contributes to the Plan a percentage of gross wages earned by the employee during the fiscal year. In 2023 and 2022, the Corporation contributed 10% of eligible employee wages to the Plan.

Participant Accounts - Each participant's account is credited with the employer contribution, as well as allocations of the Plan earnings and expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - A participant's account may be distributed only in the event of disability, death, retirement or early retirement, as defined in the Plan, or attainment of age 65. Employer contributions credited to a participant's account vest based on years of service, in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0 %
2 but less than 3 years	20
3 but less than 4 years	40
4 but less than 5 years	60
5 but less than 6 years	80
6 years or more	100

Forfeited Accounts - At December 31, 2023 and 2022, forfeited nonvested accounts totaled approximately \$6,700 and \$6,600, respectively. Forfeitures may be used to reduce future nonelective contributions or Plan expenses.

Notes Receivable from Participants - The Plan does not permit participants to have loans against their accounts.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits - On termination of service due to death, disability, retirement or for other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or installments over an elected period.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of accounting policies consistently applied by the Plan administrator in the preparation of the accompanying statements of net assets available for benefits and related statement of changes in net assets available for benefits and the related notes to the financial statements (financial statements) follows:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Risks and Uncertainties - The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition - Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. (See Note 3 for discussion of fair value measurement.)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Corporation. Expenses that are paid by the Corporation are excluded from these financial statements. Investment-related expenses are included in the net appreciation of fair value of investments.

Subsequent Events - The Plan has evaluated subsequent events through September 24, 2024, the date the financial statements are available to be issued.

EMPLOYEE PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 3 - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification topic Fair Value Measurement are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

ALLEGHENY MINERAL COMPANY
EMPLOYEE PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,870,466	-	-	\$ 12,870,466
Investments at fair value	\$ 12,870,466	-	-	\$ 12,870,466

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,458,363	-	-	\$ 11,458,363
Investments at fair value	\$ 11,458,363	-	-	\$ 11,458,363

NOTE 4 - GUARANTEED INVESTMENT CONTRACT

The Plan invests in a fully benefit-responsive guaranteed investment contract with Transamerica Life Insurance Company (TLIC) and Transamerica Financial Life Insurance Company (TFLIC), which maintains the contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by TLIC and TFLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations might be affected by future economic and regulatory development.

ALLEGHENY MINERAL COMPANY
EMPLOYEE PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 - GUARANTEED INVESTMENT CONTRACT (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan; (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) material amendment to the agreement without the consent of the issuer.

NOTE 5 - TAX STATUS

The underlying volume submitter profit sharing plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 stating that the form of the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan has no uncertain tax positions at December 31, 2023 and 2022. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for the years prior to 2020.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Corporation has the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

ALLEGHENY MINERAL COMPANY
EMPLOYEE PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 7 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Transamerica Partners Funds Group and fully benefit-responsive guaranteed investment contracts managed by TLIC and TFLIC, which also serves as the recordkeepers and custodians of the Plan; therefore, these transactions qualify as party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Corporation at no cost to the Plan.

NOTE 8 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by State Street Bank and Trust Company, the trustee of the Plan for the Plan's assets, except for the Plan's investments in insurance contracts, which are certified by TLIC and TFLIC.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

A reconciliation of net assets available for benefits per the financial statements at December 31 to Form 5500 is as follows:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 15,487,166	\$ 14,581,837
