In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UMA Education, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UMA Education, Inc. 401(k) Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UMA Education, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UMA Education, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i – schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UMA EDUCATION, INC. 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the UMA Education, Inc. 401(k) Retirement Plan, (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of UMA Education, Inc. (the Company), and its affiliated companies who have completed three months of service and are age twenty-one or older. Employees are eligible to defer the first day of the month after completing three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a percentage of pretax annual compensation and may contribute Roth elective deferrals on after-tax annual compensation, not to exceed statutory limitations as set by law, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds, a money market fund and a common/collective trust fund as investment options for participants. The Company may also elect to contribute to the Plan amounts in the form of matching contributions and profit sharing contributions. Matching and profit sharing contributions are subject to certain limitations. To be eligible for the non-elective employer contributions employees must be employed on the last day of the Plan year and be credited with at least 1,000 hours of service during the Plan year.

Administration

The Plan is administered by the Company and certain company executives who participate in the Plan, and who also serve as the trustees of the Plan. Plan assets are held by the trustee and custodian Fidelity Management Trust Company (Fidelity).

Participant Accounts

Each participant's account is credited with the participant's contributions, matching and profit sharing contributions, an allocation of the participant's investment earnings and losses, and is charged with an allocation of the Plan's investment and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, matching contributions, and actual earnings thereon. Vesting in the Company's profit sharing contributions are based on years of service in accordance with the following:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	0%
2	50%
3	75%
4	100%

Payment of Benefits

If a participant's employment is terminated due to his or her retirement, permanent disability, or death, the participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account, in a single lump-sum distribution.

Notes Receivable from Participants

Participants may borrow from their participant account a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of the participant's vested interest in the Plan. The loans are secured by the balance in the participant's account and bear reasonable interest rates, ranging from 3.25% - 10.50%. Loan terms currently range from 1 to 10 years. Principal and interest are paid ratably through bi-weekly payroll deductions.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN (continued)

Forfeited Accounts

Forfeitures may be used to reduce employer contributions or pay administrative expenses for the Plan. At December 31, 2023 and 2022, there were \$124,651 and \$151,666 in forfeitures. Forfeitures will be used in subsequent years to reduce employer contributions or pay fees.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value and net asset value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Payments of benefits are recorded when paid.

Investment Fees and Administrative Expenses

Investment fees and commissions are absorbed by the participants and are deducted from the participant account balances. Administrative expenses of maintaining the Plan may be absorbed from participants' accounts or may be paid by the Company.

Subsequent Events

Subsequent events have been evaluated for potential recognition and/or disclosure through September 17, 2024. This represents the date the financial statements were available to be issued.

NOTE 3. CERTIFICATION OF ASSETS AND INCOME

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity, the trustee and custodian of the Plan, as complete and accurate to the best of their knowledge, except for comparing such information certified by the trustee and custodian to information included in the Plan's financial statements and supplementary schedule.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

UMA EDUCATION, INC. 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities & Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at the closing price reported in the active market in which the individual security is traded.

Common/collective trust stable value fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is deemed to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that the securities liquidations will be carried out in an orderly manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Investments at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual fund accounts	\$ 35,689,731	\$ -	\$ -	\$ 35,689,731
Money market fund	916,823	-	-	916,823
	<u>\$ 36,606,554</u>	<u>\$ -</u>	<u>\$ -</u>	<u>36,606,554</u>

Total investments				<u>\$ 42,979,805</u>

UMA EDUCATION, INC. 401(k) RETIREMENT PLAN

December 31, 2023 and 2022

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual fund accounts	\$ 24,680,279	\$ -	\$ -	\$ 24,680,279
Money market fund	73,336	-	-	73,336
	<u>\$ 24,753,615</u>	<u>\$ -</u>	<u>\$ -</u>	<u>24,753,615</u>
Investments measured at NAV (a)				<u>4,731,992</u>
Total investments				<u>\$ 29,485,607</u>

- (a) In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to line items presented in the statements of net assets available for benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The following summarizes investments for which fair value is estimated using NAV per share (or its equivalent) as a practical expedient as of December 31, 2023 and 2022:

Investment	Fair Value Estimated Using Net Asset Value Per Share			
	December 31, 2023			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common/collective trust fund:				
Morley Stable Value Fund (a)	<u>\$ 6,373,251</u>	<u>\$ -</u>	Daily	12 months

Investment	Fair Value Estimated Using Net Asset Value Per Share			
	December 31, 2022			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common/collective trust fund:				
Morley Stable Value Fund (a)	<u>\$ 4,731,992</u>	<u>\$ -</u>	Daily	12 months

- (a) The objective of the Morley Stable Value Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile and liquidity for benefit responsive plan or participant payments.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of mutual funds, money market funds and a common/collective trust fund which are managed by Fidelity. Fidelity is the trustee and therefore, transactions with Fidelity qualify as party-in-interest transactions.

Notes receivable from participants, totaled \$1,449,602 and \$1,013,775 at December 31, 2023 and 2022, respectively, and qualify as party-in-interest transactions.

Administrative expenses paid from Plan assets to Fidelity and the Plan advisor totaled \$215,670 for the year ended December 31, 2023. The Plan paid indirect compensation to Fidelity during the year ended December 31, 2023.

NOTE 6. PLAN TERMINATION

The Company anticipates and believes that the Plan will continue without interruption but has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

NOTE 7. TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan, which received a favorable determination letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

FASB requires the Plan Administrator to annually evaluate the Plan's tax positions, including accounting and measurement of uncertain tax positions. For the year ending December 31, 2023, the Plan Administrator concluded that no uncertain tax positions had been taken that would require adjustment to or disclosure in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by federal, state, or local tax authorities for years before 2020.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net asset available for benefits per the financial statements as of December 31, per the Form 5500:
