Independent Auditor's Report

To the Plan Administrators of
the Truno Retail Technology Solutions 401(k) Plan
Lubbock, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Truno Retail Technology Solutions 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Truno Retail Technology Solutions 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: Plan Description

The following description of the Truno Retail Technology Solutions 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General. The Plan is a contributory, defined contribution plan covering substantially all employees of Cash Register Services, Inc. dba Truno Technology Solutions (Truno or the Sponsor). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility. Employees are eligible to participate and may begin making elective salary deferral contributions to the Plan after completing three months of employment and attaining the age of 21. Eligible participants may also receive employer safe harbor matching contributions and employer profit sharing contributions. Plan entry dates are on the first day of the following quarter, upon satisfaction of the eligibility requirements.

Contributions. Participant contributions are subject to certain annual limitations. Participants may change their contributions on either the Plan entry date or the first day of any subsequent calendar quarter, and they may discontinue their contributions at any time.

The Sponsor may make annual safe harbor matching contributions to the Plan. The safe harbor matching contributions are equal to 100% of the participant's salary deferrals up to a maximum of 4% of their compensation. The Sponsor may also make discretionary profit-sharing contributions to the Plan. Participants must be actively employed at the end of the Plan year and have completed at least 501 hours of service during the Plan year to receive any Sponsor discretionary contributions. Truno did not make any discretionary contributions to the Plan for the years ended December 31, 2023 and 2022.

Participant Accounts. Each participant's account is credited with the participant's contributions and allocations of the Sponsor's contributions, as well as the investment earnings or losses thereon, and allocations of any administrative expenses. Any Sponsor profit-sharing contributions are allocated pro rata based on participant compensation.

Vesting. Participants are always vested in their contributions and the employer safe harbor contributions, including the related earnings thereon. Participants vest in the Sponsor's profit-sharing contribution portions of their accounts (including the related earnings), if any, based on a 6-year vesting schedule.

Notes Receivable from Participants. Participants may borrow from their account up to the lesser of \$50,000 or 50% of the participant's vested account balance, less the participant's highest outstanding loan balance in the previous twelve months and any other outstanding loan balance. Loans are secured by the balance in the participant's account and bear interest at a reasonable rate, as determined by the plan administrator, based on the interest rates charged for similar types of loans by other lenders. Loans are for a period not to exceed five years, with certain exceptions, and are repaid through payroll deductions.

Payment of Benefits. On termination of service due to death, disability, retirement, or for other reasons, the participant or their beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. The Plan permits in-service and hardship withdrawals under certain conditions.

Forfeitures. Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. As permitted by the Plan, forfeitures are utilized to reduce employer contributions to the Plan in future periods or to pay reasonable plan expenses. For the year ended December 31, 2023, forfeitures totaled \$2,412. There were no forfeitures during the year ended December 31, 2022. Unallocated forfeitures were \$1,074 and \$5,338 at December 31, 2023 and 2022, respectively.

Truno Retail Technology Solutions 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: Plan Description (continued)

Amendment or Termination. Although it has no intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would automatically become fully vested.

Note 2: Summary of Significant Accounting Policies

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), including specialized industry practices as specified in the American Institute of Certified Public Accountants audit and accounting guide titled *Audits of Employee Benefit Plans*.

Use of Estimates. Financial statements prepared in conformity with GAAP require management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Values. Investments are stated at fair value. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants. Loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits. Benefits are recorded when paid.

Administrative Costs. Certain administrative services and the use of office fixtures and equipment are provided to the Plan by the Sponsor, with no provision for these costs included in the accompanying financial statements. These costs were not significant for the years ended December 31, 2023 and 2022. All other administrative expenses are recognized when incurred.

Prohibited Transactions. A "party-in-interest" is a fiduciary or employee of the Plan, any person who provides services to the Plan, the Sponsor or an employee association whose members are covered by the Plan, a person who owns 50 percent or more of the Sponsor or such employee association or relatives of such person just listed. Under ERISA, a Plan fiduciary is prohibited from causing the Plan to engage in the following transactions with a party-in-interest, with certain conditional exemptions provided by ERISA:

- A sale, exchange, or lease of property;
- A loan or other extension of credit;
- The furnishing of goods, services, or facilities;
- A transfer of plan assets to a party-in-interest for the use or benefit of a party-in-interest; or
- An acquisition of employer securities or real property.

A fiduciary is also generally prohibited from using the Plan's assets for his or her own interest or account, acting in any Plan transactions on behalf of a party whose interests are adverse to those of the Plan or its participants and receiving consideration for his or her own account from a party dealing with the Plan in connection with a transaction involving the Plan's assets.

The Plan did not engage in any prohibited transactions for the years ended December 31, 2023 or 2022.

Truno Retail Technology Solutions 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 3: Income Tax Status

The Internal Revenue Service (IRS) has issued an opinion letter determining that the prototype standardized plan is acceptable under Section 401(a) of the Internal Revenue Code (the Code). It is not a ruling or determination as to whether the Plan itself is qualified; however, an employer adopting this plan will be considered to have a qualified plan.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. Although the Plan has been amended since receiving the opinion, the plan administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. There are currently no audits for any tax periods in progress. Generally, the Plan's tax returns are subject to examination for three years after they are filed.

Note 4: Data Prepared and Certified by Custodian

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by Hand Benefits & Trust Company (HBTC), the custodian of the Plan:

	<u>2023</u>	<u>2022</u>
Mutual funds	\$ 19,503,177	\$ 16,319,867
Notes receivable from participants	<u>437,271</u>	<u>276,620</u>
Investments, at fair value	<u>\$ 19,940,448</u>	<u>\$ 16,596,487</u>

For the years ended December 31, 2023 and 2022, HBTC has also certified the completeness and accuracy of the \$2,834,834 net appreciation and (\$4,306,772) net depreciation in investments, respectively, along with the interest and dividend income totaling \$498,860 and \$555,365, respectively.

Note 5: Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

	<u>2023</u>		
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 19,503,177	\$ -	\$ 19,503,177
Total	<u>\$ 19,503,177</u>	<u>\$ -</u>	<u>\$ 19,503,177</u>

	<u>2022</u>		
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 16,319,867	\$ -	\$ 16,319,867
Total	<u>\$ 16,319,867</u>	<u>\$ -</u>	<u>\$ 16,319,867</u>

FASB ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Notes to Financial Statements

December 31, 2023 and 2022

Note 5: Fair Value Measurements (continued)

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Note 6: Reconciliation of Financial Statements to Form 5500

The Form 5500 is a joint-agency form, developed by the IRS, the U.S. Department of Labor, and the Pension Benefit Guaranty Corporation, which may be used to satisfy the annual reporting requirements of the Code and Titles I and IV of ERISA. The Plan is required to file a Form 5500 annually, with audited financial statements enclosed. There were no reconciling items between the Form 5500 and the accompanying financial statements for the years ended December 31, 2023 and 2022.

Note 7: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with such securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8: Subsequent Events Evaluation

Management has evaluated subsequent events through August 20, 2024, the date which the financial statements were available to be issued. No material subsequent events have occurred during this time which would require recognition in the financial statements or footnotes as of or for the year ended December 31, 2023.
