INDEPENDENT AUDITOR'S REPORT

To the Plan Committee
M1 Support Services, L.P. 401(k) Plan
Denton, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of M1 Support Services, L.P. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) – Schedule of assets (held at end of year) at December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

M1 Support Services, L.P. 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the M1 Support Services, L.P. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan whereby eligible employees of M1 Support Services, L.P. and Mission First Services, LLC (collectively referred to as the Company) are permitted to make pretax contributions that are tax-deferred under Section 401(k) of the Internal Revenue Code (IRC). All employees subject to a collective bargaining agreement are included unless otherwise dictated in their collective bargaining agreement. The Plan was established in 2010 and last amended on May 1, 2022. The Plan is intended to satisfy the requirements for a qualified retirement plan under the appropriate provisions of the IRC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees of the Company may participate in the Plan immediately upon the date of hire. Certain employees of the Company are excluded from participation in the Plan, including employees covered by a collective bargaining agreement, unless the agreement requires the employees to be included under the Plan, and leased employees.

Contributions

Participants are permitted to make pre-tax or ROTH deferrals of up to 75 percent of eligible compensation, as defined in the Plan document, not to exceed \$22,500 in 2023, in accordance with Internal Revenue Service (IRS) regulations. In addition, those participants, who are over age 50 or turning age 50 on or before December 31, 2023, are eligible for an additional catch-up contribution of \$7,500 in 2023. The Plan provides for an annual automatic deferral increase, such that those participants with a deferral rate between one and seven percent will automatically have deferrals increased annually by one percent up to 10 percent of eligible compensation.

Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover). Contributions made by participants are credited to their individual accounts and are made on a pretax basis assuming applicable regulations set forth in the IRC are satisfied. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has no automatic enrollment provisions.

The Plan permits nonelective employer contributions (fixed formula and discretionary formula) and discretionary matching employer contributions. For the year ended December 31, 2023, total employer contributions were \$17,126,081.

Nonelective contributions may be permitted at the discretion of the Company. No nonelective contributions were made for the year ended December 31, 2023.

M1 Support Services, L.P. 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan, continued

Participant accounts

Under the Plan, each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions, as well as allocations of the Company's discretionary and fixed nonelective contributions and Plan earnings, and charged with an allocation of investment income (loss). Investment income (loss) is allocated daily to participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All employer and participant contributions are invested under the direction of the participant. The Plan also allows participants to alter their elections among funds on a daily basis.

Vesting

Participants are immediately vested in their contributions and all employer contributions, plus actual earnings or losses thereon.

Payment of benefits

On termination of service, a participant's account balance will be either paid in a lump-sum or paid in periodic installments over a period not to exceed the participant's life expectancy. Participants may elect to defer the payment of benefits until the participant attains the age of 72. Participants may choose to receive in-service withdrawals after age 59 ½.

Forfeitures

Forfeitures due to excess employer contributions may be used to pay Plan administrative expenses or reduce future employer contributions. At December 31, 2023 and 2022, unused forfeited employer contributions amounted to \$22,762 and \$19,998, respectively. During the year ended December 31, 2023, amounts forfeited were \$2,050 and gain on the forfeiture account totaled \$714.

Note 2. Summary of significant accounting policies

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

M1 Support Services, L.P. 401(k) Plan

Notes to Financial Statements

Note 2. Summary of significant accounting policies, continued

Investment valuation and income recognition

Investments are reported at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation, or depreciation, includes the Plan's gains and losses on investments purchased and sold as well as those held during the year.

Excess contributions payable

Amounts payable to participants for participant contributions in excess of amounts allowed by the IRS are recorded as excess contributions payable with a corresponding reduction to contributions. Excess contributions payable to participants at December 31, 2023 and 2022 were \$0 and \$6,976, respectively. Excess contributions payable were refunded to participants in 2023 for the year ended December 31, 2022.

Administrative expenses

Certain of the Plan's administrative expenses are paid by the Company, and certain Plan expenses are paid by the Plan. Expenses paid by the Plan are allocated to participants' accounts. Certain Plan expenses, such as transaction fees for a withdrawal or distribution from the Plan, are deducted from individual participants' accounts or investment income.

Payment of benefits

Benefit payments to participants are recorded when paid.

Subsequent events

The Plan has evaluated subsequent events through September 18, 2024, the date the financial statements were available to be issued.

Note 3. Certified investments

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2023, was obtained or derived from information provided to Plan management and certified as complete and accurate by Fidelity Management Trust Company.

M1 Support Services, L.P. 401(k) Plan

Notes to Financial Statements

Note 4. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. The mutual funds are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Note 5. Fully benefit-responsive investment contract

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Lincoln National Life Insurance Company (Lincoln) totaling \$4,120,055 and \$3,936,281 at December 31, 2023 and 2022, respectively. Lincoln maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Lincoln is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with Lincoln. The crediting interest rate will be reset every January 1 and July 1 and is guaranteed for a six-month period.

The Lincoln Fixed Account (the Account) meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Lincoln, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on Lincoln's ability to meet its financial obligations. Lincoln's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Funds transferred by a participant from the Account must remain in a non-competing fund within the Plan for a minimum of 90 days before the participant may transfer such funds to a competing fund within the Plan. In addition, if a participant transfers any funds from a non-competing fund within the Plan to a competing fund within the Plan, no further transfers from the Account by the participant may occur for a period of 90 days. Examples of investment options that may be considered competing funds include those with similar investment objectives or market volatility as the group fixed annuity contract and may include money market funds, short-term bond funds, short-term lifecycle funds, and including such investment options in a self-directed brokerage account.

M1 Support Services, L.P. 401(k) Plan

Notes to Financial Statements

Note 5. Fully benefit-responsive investment contract, continued

Certain events limit the ability of the Plan to transact at contract value with Lincoln. Such events include, but are not limited to, the following: (1) premature termination of the contracts by the Plan, (2) Company layoffs, (3) bankruptcy of the Plan Sponsor, (4) Plan termination, (5) mergers, or (6) early retirement incentives. The plan administrator believes that no events are probable of occurring that might limit the Plan's ability to transact at contract value with Lincoln and that would also limit the Plan's ability to transact at contract value with participants.

Note 6. Related-party transactions and party-in-interest transactions

Plan assets are held and managed by the trustee. The trustee invests cash received and interest and dividend income as directed by the participants of the Plan. The trustee also makes distributions to participants.

Parties-in-interest are defined under DOL regulations as any fiduciary to the Plan or party rendering services to the Plan, the employer and certain others. As such, transactions conducted with the Company and the trustee qualify as party-in-interest transactions.

Certain administrative functions are performed by employees of the Company. However, no such employees receive compensation from the Plan. The Company and the Plan share in administrative expenses for the Plan.

Note 7. Tax status

Effective March 14, 2022, the Plan adopted a volume submitter profit sharing plan sponsored by Fidelity Management & Research Co. The volume submitter plan provider has received an advisory letter from the IRS as to the volume submitter plan's qualified status. The advisory letter has been relied upon by this Plan. The Plan has been amended since the volume submitter plan received the advisory letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

M1 Support Services, L.P. 401(k) Plan

Notes to Financial Statements

Note 9. Risks and uncertainties

The Plan may invest in various investment securities which are exposed to various risks, such as interest rate, market and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2022:

Net assets available for benefits per the financial statements	\$ 93,304,002

REQUIRED COMMUNICATIONS

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated May 19, 2023. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated August 22, 2024, regarding the planned scope and timing of our audit and identified significant risks.

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Unusual Transactions

We did not identify any significant unusual transactions.

Audit Adjustments and Uncorrected Misstatements

Audit adjustments, other than those that are clearly trivial, proposed by us and recorded by the Plan are shown in the attached list of Recorded Audit Adjustments.

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Form 5500 Filing

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.

ERISA-Required Supplemental Schedule

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule(s). We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Observations About the Audit Process

Disagreements With Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultations With Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed With Management

No significant issues arising from the audit were discussed or were the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Difficult or Contentious Matters That Required Consultation

We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.

Shared Responsibilities: AICPA Independence

The AICPA regularly emphasizes that auditor independence is a **joint responsibility** and is managed most effectively when management, audit committees, and audit firms work together in considering compliance with AICPA independence rules. For KHA to fulfill its professional responsibility to maintain and monitor independence, management, the audit committee, and KHA each play an important role.

Our Responsibilities

- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. KHA is to ensure that the AICPA's General Requirements for performing non-attest services are adhered to and included in all letters of engagement.
- Maintain a system of quality control over compliance with independence rules and firm policies.

Your Responsibilities

- Timely inform KHA, before the effective date of transactions or other business changes, of the following:
 - New affiliates, directors, officers, or persons in financial reporting oversight roles.
 - New beneficial owners of the Plan Sponsor's equity securities that have significant influence.
 - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
- Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations.
- Understand and conclude on the permissibility, prior to the Plan and its affiliates, including the Plan Sponsor, and the officers, directors or persons in a decision-making capacity, engaging in business relationships with KHA.
- Not entering into relationships resulting in KHA, KHA covered persons or their close family members, temporarily or permanently acting as an officer, director or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.

We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodically examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.
