Metalsa - UAW Retirement and Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Metalsa – UAW Retirement and Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Metalsa – UAW Retirement and Savings Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in the note titled “Information Prepared and Certified by Trustee” included in the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Post Office Box 12765, Roanoke, Virginia 24028-2765

<http://www.ffc.com>

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Metalsa-UAW Retirement and Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Metalsa - UAW Retirement and Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Metalsa – UAW Retirement and Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Metalsa – UAW Retirement and Savings Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in the note titled “Information Prepared and Certified by Trustee” included in the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Metalsa-UAW Retirement and Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

METALSA – UAW RETIREMENT AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN:

The following description of Metalsa (“Plan Sponsor” and “Employer”) - UAW Retirement and Savings Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Employer who are members of a collective bargaining unit at one of the following facilities: Elizabethtown, KY, Hopkinsville, KY, and, Roanoke, VA. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective January 1, 2017, the Plan adopted the volume submitter plan document provided by Vanguard. The general operations of the Plan were unaffected by this adoption. Salaried employees and other non-bargained employees of the Plan Sponsor are covered under the Metalsa Retirement Savings Plan.

Contributions

Participant Deferral (Pre-tax): Plan participants can elect to contribute from 1% to 50% of their eligible compensation, not to exceed the allowable amount under Section 402(g) of the Internal Revenue Code. Contributions are based upon total eligible compensation, which is base pay, overtime, shift premium pay, vacation pay and other paid time-off, incentive earnings, and other cash compensation, before any other Plan Sponsor sponsored benefit reductions (such as health care contributions, etc.). Eligible compensation will not include long-term disability benefits, separation pay, or other benefit payments, or perfect attendance bonuses paid in Elizabethtown. Contributions made by highly compensated employees may be restricted by dollar limits set annually by the Internal Revenue Service. Participants’ contributions are made through automatic payroll deductions every pay period. These contributions are not federally taxable to the participant until they are withdrawn from the Plan.

After-Tax Participant Contributions: The Plan also allows participants to contribute a portion of their eligible compensation into the Plan as an after-tax contribution. After-tax participant contributions are contributed to the Plan from amounts that have already been treated as taxable income. These contributions will not reduce their taxable income in the year in which they contribute a portion of their eligible compensation into the Plan but will be tax-free when distributed from the Plan. Earnings on after-tax participant contributions will not be taxed until they take a distribution from the Plan. The total pre-tax and after-tax contributions cannot exceed 50% of their eligible compensation.

Rollovers: Participants who were members of an unrelated qualified plan may elect to make a rollover contribution from that plan to the Plan.

Employer Contributions: Employer contributions are determined by participant location and applicable collective bargaining agreements in place.

METALSA – UAW RETIREMENT AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

1. DESCRIPTION OF PLAN - (Continued):

Contributions – (Continued)

If the participant is employed in the collective bargaining unit at the Elizabethtown, KY facility, the Employer will make matching contributions as follows:

1. For participants who became members of the Elizabethtown bargaining unit on or after January 1, 2003, fifty percent (50%) of the amounts the participant has contributed to the Plan during the period as eligible compensation deferral contributions, but only with respect to eligible compensation deferral contributions (not after-tax contributions) and only with respect to that portion of the participant's eligible compensation deferral contributions for the Plan year that do not exceed five percent of that participant's compensation, or
2. For any participant who became a member of the Elizabethtown, Kentucky bargaining unit prior to January 1, 2003, the sum of seventy-five percent (75%) of the first \$350 they contribute to the Plan as eligible compensation deferral contributions during the period, and thirty percent (30%) of that portion of their eligible compensation deferral contributions for the Plan year that exceeds \$350, provided that, the Employer matching contributions made on behalf of the participant with respect to their eligible compensation deferral contributions shall not exceed five percent (5%) of that Participant's eligible compensation; and
3. If a participant who became a member of the Elizabethtown, Kentucky bargaining unit prior to January 1, 2003 makes after-tax contributions to the Plan, additional Employer matching contributions equal to the sum of seventy-five percent (75%) of the first \$350 they contribute to the Plan as after-tax contributions during the period, and thirty percent (30%) of that portion of their after-tax contributions for the Plan Year that exceeds \$350, provided that, the total Employer matching contribution made on behalf of the participant with respect to their after-tax contributions shall not exceed five percent (5%) of that participant's compensation.

Participants at the Roanoke, VA facility are eligible for matching contributions of one-hundred percent (100%) of the first three percent (3%) and fifty percent (50%) of the next two percent (2%) of eligible compensation.

Effective January 1, 2023, participants at the Hopkinsville, KY facility are eligible for matching contributions of twenty-five percent (25%) of the amounts the participant has contributed to the Plan during the period as eligible compensation deferral contributions, but only with respect to eligible compensation deferral contributions (not after-tax contributions). The matching contribution is calculated with respect to the portion of the participant's eligible compensation deferral contributions for the Plan year that do not exceed five percent (5%) of that participant's compensation.

Any matching contributions will be credited to a separate matching contributions account. All amounts credited will be one-hundred percent (100%) vested and non-forfeitable at all times.

METALSA – UAW RETIREMENT AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

1. DESCRIPTION OF PLAN - (Continued):

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Employer's contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants immediately vest in their contributions and Employer matching contributions plus actual earnings thereon.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to a variety of investment funds.

Benefits Paid

The Plan is designed to provide participants with benefits at the time of retirement. However, if employment with the Plan Sponsor is terminated, the balance of a participant's vested Plan accounts becomes distributable to them. Upon proper notification of the Plan Administrator, the account balance will be distributed to the participant in the form of a lump-sum cash payment. The participant may also request a rollover distribution, as soon as practicable after separation from service.

The normal retirement age for the Plan is 65. Participants may continue as participants in the Plan past the normal retirement age.

If a participant dies while being a member of the Plan or before any or all of their account balance has been distributed to them, their beneficiary will be entitled to receive all undistributed benefits. Participants automatically become 100% vested in their account balance upon their death.

Prior to terminating service or attaining normal retirement age, a participant under certain hardship conditions may elect to receive a distribution of their contributions, certain Plan Sponsor contributions and earnings thereon.

Participants may elect to take a withdrawal from the after-tax contributions account balance (including earnings on the after-tax contributions) or from any portion of their rollover account balance or prior plan account balance (if any) attributable to after-tax contributions that was made to the Dana 401(k) Savings Plan before 2010. The participant may not take more than two such withdrawals during any one year. The amount of the withdrawal may not be less than \$500, or, if less, has to be the entire after-tax contributions account balance.

METALSA – UAW RETIREMENT AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

1. DESCRIPTION OF PLAN - (Continued):

Participants Notes Receivable

Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at prime plus 1% as of the loan origination date. Principal and interest is paid ratably through monthly payroll deductions. Only actively working participants may borrow funds. Inactive participants, former employees or beneficiaries may not take out a loan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following accounting policies, which conform to accounting principles generally accepted in the United States ("GAAP"), have been used consistently in the preparation of the Plan's financial statements:

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participants Notes Receivable

Notes receivable from participants are valued at cost at borrowing less principal repayments received from participant, plus any accrued interest.

Benefits Paid

Benefits are recorded when paid.

Income Taxes

The income tax returns of the Plan for 2023, 2022 and 2021 are subject to examination by the income taxing authorities, generally for three years after it is filed.

METALSA – UAW RETIREMENT AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued):

Administrative Expenses

Substantially all expenses of maintaining the Plan are paid by the Plan Sponsor. Participant loan fees are charged directly to the participant's account.

3. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

4. FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies – Shares of registered investment companies (mutual funds) are valued at quoted market prices on the last business day of the Plan year, which represent the fair market value of shares held by the Plan.

Common Collective Trust – The common collective trust is valued at the net asset value ("NAV") of the units held by the Plan. The NAV is based upon the value of the underlying investments which are traded on an active market.

METALSA – UAW RETIREMENT AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

4. FAIR VALUE MEASUREMENTS – (Continued):

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	Quoted prices in Active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total
December 31, 2023:				
Registered investment companies	\$ 87,986,326	\$ -	\$ -	\$ 87,986,326
Common collective trust	-	8,529,153	-	8,529,153
Total	<u>\$ 87,986,326</u>	<u>\$ 8,529,153</u>	<u>\$ -</u>	<u>\$ 96,515,479</u>
December 31, 2022:				
Registered investment companies	\$ 74,115,589	\$ -	\$ -	\$ 74,115,589

Total	<u>\$ 74,115,589</u>	<u>\$ 8,773,194</u>	<u>\$ -</u>	<u>\$ 82,888,783</u>

During the year ended December 31, 2023, the Plan's investments (including bought, sold and held during the year) appreciated as follows:

	2023
Registered investment companies	\$ 14,658,225
Common collective trust	211,459
	<u>\$ 14,869,684</u>

METALSA – UAW RETIREMENT AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

5. TRANSFER TO/FROM OTHER PLAN:

As described in Note 1, the Plan Sponsor also sponsors the Metalsa Retirement Savings Plan for Plan Sponsor employees who are not members of a collective bargaining unit. Bargained employees may change employment, with the Plan Sponsor, to positions that preclude them from continuing their membership in a collective bargaining unit. These participants become immediately eligible in the Metalsa Retirement Savings Plan and their balance from the Plan is transferred to the Metalsa Retirement Savings Plan. Likewise, as Metalsa Retirement Savings Plan participants become members of a collective bargaining unit, they immediately become eligible in the Plan and their Metalsa Retirement Savings Plan balance is transferred in.

6. TAX STATUS:

The Plan is an adoption of a prototype plan sponsored by Vanguard Fiduciary Trust Company (“Trustee”). The IRS has determined and informed the Trustee by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and; therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

7. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

For the years ended December 31, 2023 and 2022, all assets are held and invested by the Trustee. The Trustee also receives and holds all income from the investments. In accordance with DOL Section 2520.103-8, verification of the transactions and investment values is not required and is not within the scope of the audit. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Trustee as of December 31, 2023 and 2022 and for the year ended December 31, 2023:

	2023	2022
Investments	\$ 96,515,479	\$ 82,888,783
Participant notes	\$ 2,998,075	\$ 3,018,057
Dividends and interest	\$ 2,366,606	
Net appreciation in fair value of investments	\$ 14,869,684	
Interest income on participant notes receivable	\$ 149,653

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to Form 5500:

	2023	2022
Net assets available for benefits per the financial statements	\$ 99,513,554	\$ 85,906,840
Less deemed distributions	(453,462)	(450,045)
Net assets available for benefits per the Form 5500	<u>\$ 99,060,092</u>	<u>\$ 85,456,795</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Form 5500:

	2023
Net increase in net assets available for benefits per financial statements	\$ 13,606,714
deemed distributions	(29,921)
loan offsets	26,504
Net increase in net assets available for benefits per Form 5500	<u>\$ 13,603,297</u>

9. RELATED PARTY TRANSACTIONS:

Certain plan administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

Plan investments were managed by Vanguard Fiduciary Trust Company and the Plan uses Vanguard Corporation to administer the Plan. Vanguard Fiduciary Trust Company is the trustee as defined by the Plan and; therefore, these transactions qualify as party-in-interest.

Participant notes receivable qualify as party-in-interest transactions. Loan fees are paid by the participants and are included in administrative expenses of \$7,322 for the year ended December 31, 2023. All other plan expenses are paid by the Plan Sponsor.

METALSA – UAW RETIREMENT AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

10. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

11. SUBSEQUENT EVENTS:

The Plan Sponsor has evaluated all subsequent events through August 23, 2024, the date the financial statements were available to be issued.
