INDEPENDENT AUDITORS' REPORT

To the Board of Trustees and Participants of
VEKA Holdings, Inc. and Subsidiaries
Profit-Sharing and 401(k) Plan
Fombell, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of VEKA Holdings, Inc. and Subsidiaries Profit Sharing and 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of VEKA Holdings, Inc. and Subsidiaries Profit-Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting (see Note 2).

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of VEKA Holdings, Inc. and Subsidiaries Profit-Sharing and 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about VEKA Holdings, Inc. and Subsidiaries Profit-Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of VEKA Holdings, Inc. and Subsidiaries Profit-Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about VEKA Holdings, Inc. and Subsidiaries Profit-Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule (Schedule H, Line 4i – Schedule of Assets (Held at End of Year) – Modified Cash Basis as of December 31, 2023) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VEKA HOLDINGS, INC. AND SUBSIDIARIES
PROFIT SHARING AND 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1 – Description of Plan

The following description of the VEKA Holding, Inc. and Subsidiaries (the “Company”) Profit Sharing and 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan, covering substantially all full-time employees of VEKA Holdings, Inc., VEKA, Inc., VEKA West, Inc., VEKA East, Inc. and VEKA South, Inc., (collectively, the “Company”) who have met the plan participation requirements. VEKA Holdings, Inc. had no employees throughout 2023 or 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions – Each year, participants may contribute up to the maximum amount allowed by law of their pre-tax annual compensation, as defined in the Plan. Entry into the Plan is the first day of the next quarter following the date eligibility requirements are met. Entry dates into the Plan are January 1, April 1, July 1, and October 1. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations. The aggregate contributions to each participant account may not exceed \$66,000 (\$73,500 including catch-up contributions) and \$61,000 (\$67,500 including catch-up contributions) for the years ended December 31, 2023 and 2022, respectively. Participants may direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common collective trust funds as investment options for participants.

Contributions – Participant 401(k) Deferral

Eligibility and Participation – The eligibility requirements of salary deferrals are the attainment of the age of 18 years of age and 60 consecutive days of service during the Plan year.

The Plan features an automatic contribution arrangement in which an eligible participant will automatically defer 3% of included compensation for each payroll period, unless the eligible participant elects to opt-out of the contribution arrangement. Effective May 1, 2022, the Plan’s automatic contribution arrangement added a feature in which the automatic deferral will increase by 1% of compensation up to a maximum of 7% of compensation, scheduled to occur as of July 1st of each Plan year.

Participant Contributions – Participants may elect to contribute up to the maximum amount allowed by law, in whole percentage increments of their compensation, as defined, as a pre-tax contribution or post-tax Roth contribution up to the limits established by the Internal Revenue Service (“IRS”) of \$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively. Participants may direct their contributions or re-allocate their account balance quarterly into one of the investment options offered. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

PROFIT SHARING AND 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

Note 1 – Description of Plan – Continued

Contributions – Employer Fixed Discretionary Contribution

Eligibility and Participation – The eligibility requirements are the attainment of the age of 18 years, completion of 6 consecutive months of service during the Plan year, and being actively employed on the last day of the Plan year.

Company Contributions – The Company made a fixed contribution of 3.5% of eligible employees' annual compensation earned while a participant is in the Plan for both of the years ended December 31, 2023 and 2022. Compensation is defined as the total of a participant's wages, salary, and other amounts subject to federal income tax withholding received from the Company for services rendered. ERISA regulations limit maximum compensation to \$330,000 and \$305,000 for the years ended December 31, 2023 and 2022, respectively. For the plan year 2023, the 3.5% fixed discretionary contribution of \$1,766,903 (\$1,827,614 less \$60,711 in forfeitures) was made to the Plan on June 18, 2024. For the plan year 2022, the 3.5% fixed discretionary contribution of \$1,758,118 (\$1,812,270 less \$54,152 of forfeitures) was made to the Plan on June 22, 2023.

Forfeitures – Forfeitures of non-vested accounts are applied to reduce the Company contribution. Forfeitures from all participants that terminated employment before they became fully vested, in respect to their fixed account balance, amounted to \$93,251 and \$191,495 for the years ended December 31, 2023 and 2022, respectively.

Contributions – Employer Variable Discretionary Contribution

Eligibility and Participation – The eligibility requirements are the attainment of the age of 18 years, completion of 6 consecutive months of service during the Plan year, and being actively employed on the last day of the Plan year.

Company Contributions – Company contributions to the Plan are discretionary and are determined by the Board of Directors. Discretionary contributions provide the participants the ability to defer up to 100% of the discretionary amount into the Plan, and are based on the eligible employee's annual compensation earned while a participant in the Plan. For the plan year 2023, employees deferred \$248,110 of the discretionary amount to the Plan on March 7, 2024. For the plan year 2022, employees deferred \$130,981 of the discretionary amount to the Plan on March 13, 2023.

Participant Accounts – Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's fixed discretionary contribution, (b) the Company's variable discretionary contribution, and (c) plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are vested immediately in their voluntary contributions and the Company's variable discretionary contribution plus actual earnings thereon. Vesting in the Company's fixed discretionary contribution plus actual earnings thereon is based on years of service; a participant is 100% vested after three years of credited service.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

Note 1 – Description of Plan – Continued

Notes Receivable from Participants – Participants may borrow from their combined vested 401(k) and discretionary funds accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at prime (8.50% and 7.50% as of December 31, 2023 and 2022, respectively), plus 2.0%. Principal and interest are both paid ratably through payroll deductions.

Payment of Benefits – Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments for a specific period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution of the entire vested account balance, a single-sum distribution of a portion of the vested account balance, or installments for a specific period of time. Participants with vested account balances of \$5,000 or less will receive a lump-sum distribution. Those participants with vested account balances in excess of \$5,000 may elect a single-sum distribution for a portion of the vested account balance, a lump-sum distribution of the entire vested portion, or installments for a specified period.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The financial statements and supplemental schedules of the Plan are prepared on the modified cash basis of accounting, which differs from accounting principles generally accepted in the United States of America, in that certain additions are recognized when received (rather than when earned), and certain deductions of assets are recognized when cash is disbursed (rather than when the obligation is incurred).

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. Investments in mutual funds are recorded at fair value based on the funds' reported closing net asset values as of the last business day of the year, times the number of shares held by the Plan. The investment in the common / collective trust funds are valued at the closing net asset values, determined by the trustees of such funds. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants – Participant loans are reported as a separate line item titled "Notes Receivable from Participants" on the Statement of Net Assets Available for Benefits, and are measured at unpaid principal, plus accrued interest. The Plan is required to report interest income from notes receivable from participants separately from investment income on the Statement of Changes in Net Assets Available for Benefits. However, the Department of Labor still requires Notes Receivable from Participants to be reported as Participant Loans on Schedule H, Line 4i of Form 5500. As such, this presentation is used in the Supplemental Schedule included with the financial statements.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

Note 2 – Summary of Significant Accounting Policies – Continued

Benefits Paid to Participants – Benefits are recorded when paid.

Administrative Expenses – Certain administrative expenses of the Plan totaling \$20,500 and \$19,500 for the years ended December 31, 2023 and 2022, respectively, are paid by the Company, are not reflected in the accompanying financial statements, and are not considered an employer contribution.

Use of Estimates – The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, as well as disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Note 3 – Information Prepared and Certified by Custodian

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and the supplemental schedules, that were prepared by or derived from information prepared by Capital Bank & Trust (custodian of the Plan's assets) and furnished to the Plan administrator. The Plan administrator has obtained certifications from the custodian that such information is complete and accurate.

	As of December 31,	
	2023	2022
Statements of net assets available for benefits - modified cash basis:		
Investments, at fair value	\$ 77,799,693	\$ 65,221,818
Statements of changes in net assets available for benefits - modified cash basis:		
Net appreciation (depreciation) in fair value of investments	\$ 8,967,024	\$ (16,558,902)
Interest and dividends	2,701,912	2,709,075

All investment and investment income information is included in Note 4.

All investment information is included in the supplemental schedule.

Note 4 – Fair Value Measurements

The Plan reports investments at fair value. Market price observability is impacted by several factors, including the type of investment, the characteristics specific to the investment, and the state of the marketplace (including the existence and transparency of transactions between market participants). Investments with readily-available, actively-quoted prices (or for which fair value can be measured from actively-quoted prices in an orderly market) will generally have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value.

VEKA HOLDINGS, INC. AND SUBSIDIARIES
PROFIT SHARING AND 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

Note 4 – Fair Value Measurements – Continued

Investments measured and reported at fair value are classified and disclosed in one of the following categories based on inputs:

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments which would generally be included in Level I include listed equity securities and listed derivatives. The Plan, to the extent that it holds such investments, does not adjust the quoted price for these investments, even in situations where the Plan holds a large position and a sale could reasonably impact the quoted price.

Level II – Pricing inputs are observable for the investments, either directly or indirectly, as of the reporting date, but are not the same as those used in Level I. Fair value is determined using models or other valuation methodologies. The types of investments which would generally be included in this category include publicly-traded securities with restrictions on disposition, debt securities and partnerships that hold Level I assets, and real estate held for investment, if measured by a current appraisal.

Level III – Pricing inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant judgment or estimation by the Plan. The types of investments which would generally be included in this category include debt and equity securities issued by private entities, as well as real estate held for investment, if measured using management estimates.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the determination of which category within the fair value hierarchy is appropriate for any given investment is based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment.

The Plan's investments are in mutual funds, which are considered Level I investments. Mutual funds are valued at the common fund's net asset value, as determined by quoted prices in active markets, times the number of shares held by the Plan at year-end. There has been no change in the valuation methodology used by the Plan.

The Plan also has a stable value common collective trust fund that invests in stable value products including traditional GICs, synthetic GICs, separate account GICs, and money market instruments, and is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

Note 4 – Fair Value Measurements – Continued

The following table sets forth investments by level within the fair value hierarchy:

	As of December 31,	
	2023	2022
Level 1 Assets:		
Mutual funds	\$ 71,828,174	\$ 58,277,919
Money market funds	4,020,286	4,145,139
Common collective trust funds*	1,857,982	2,607,265
Cash / Forfeitures / Unclaimed Property	93,251	191,495
	<u>\$ 77,799,693</u>	<u>\$ 65,221,818</u>
Investments, at fair value		

* In accordance with Subtopic 820-10, certain investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits. Such investments have no redemption restrictions or unfunded commitments, and redemptions of these investments may occur each business day.

Note 5 – Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by American Funds as the prototype sponsor of the Plan. American Funds utilizes Capital Bank & Trust as trustee and custodian of the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are netted against net appreciation or depreciation in fair value of investments for the years ended December 31, 2023 and 2022.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

VEKA HOLDINGS, INC. AND SUBSIDIARIES
PROFIT SHARING AND 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

Note 7 – Tax Status

The IRS has determined and informed the Company by letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 – Subsequent Events

Management has evaluated subsequent events through September 24, 2024, the date the financial statements were available to be issued, and determined that no material subsequent events have occurred that would require recognition in the financial statements, but do require disclosure in the notes to the financial statements as follows:

As discussed in Note 1, the Company made a fixed discretionary 3.5% contribution of eligible employee’s annual compensation and an additional 1.5% for certain employment groups. The 2023 fixed contribution totaling \$1,827,615 was made to the Plan on June 18, 2024.

In addition, the Company approved a variable discretionary contribution to the Plan, allowing participants the ability to defer up to 100% of the discretionary amount into the Plan. On March 7, 2024, employees deferred \$248,110 of the discretionary amount to the Plan.
