Report on the Audit of the Financial Statements

Opinion on the 2023 Financial Statements

We have audited the accompanying financial statements of SECU/S3 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of SECU/S3 401(k) Retirement Plan as of December 31, 2023, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of SECU/S3 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SECU/S3 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SECU/S3 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SECU/S3 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Auditor's Report on the 2022 Financial Statements

The 2022 financial statements of SECU/S3 401(k) Retirement Plan were audited by predecessor auditors whose report August 11, 2023, except as to Note 3, which is as of August 30, 2024, expressed an unmodified opinion on those financial statements and included another matter paragraph that provided an opinion that the information in the 2022 supplemental schedules were fairly stated in all material respects in relation to the financial statements as a whole.

**SECU/S3 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN

The following description of the SECU/S3 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that is qualified under Section 401-1(b)(3) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974. All employees of State Employees Credit Union of Maryland, Inc. and S3 Shared Services Solutions, LLC (collectively, the Corporation) who are full-time or part-time are eligible to become participants in the Plan immediately at date of hire. Employees are excluded from participation in the Plan if they are covered by a collective bargaining agreement, a nonresident alien, a leased employee, an intern, employees classified as contractors, or a supplementary employee who works on an on-call basis and receive no benefits.

Contributions

Under the Plan, participants are allowed to make voluntary pre-tax contributions to the Plan not to exceed the maximum amount permitted by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. New participants are automatically enrolled at a 6% contribution level unless they elect otherwise. Automatically enrolled participants will have their deferral percent increased by 1% on their anniversary date up to a maximum of 10%. In addition, current employees' participants contributing less than 6% will have their deferral percentage automatically increased by 1%, unless they affirmatively elected otherwise. Participants are permitted to make Roth contributions into the Plan. Rollovers from other qualified defined benefit or defined contribution plans are allowed into the Plan.

The Corporation may make a discretionary matching contribution in an amount equal to 50% of the first 6% of eligible compensation that a participant contributes to the Plan. Additionally, the Corporation may make discretionary nonelective and/or discretionary qualified nonelective contributions. To receive the nonelective contributions, an employee must be employed on the last day of the Plan year and have completed 1,000 hours of service during the year. For the year ended December 31, 2023, discretionary contributions equaled 5% of participants' gross compensation for employees of State Employees Credit Union of Maryland, Inc. and 3% of participants' gross compensation for employees of S3 Shared Services Solutions, LLC. For the years ended December 31, 2023, the Corporation also elected to contribute the amount of the forfeiture balance as an additional discretionary contribution subsequent to year-end which equaled \$100,704 for employees of State Employees Credit Union of Maryland, Inc.. The qualified nonelective contributions were allocated to participants based on a ratio of their compensation to total eligible compensation for the Plan. For the year ended December 31, 2023 the Corporation made a \$1,951,117 Employer match contribution and \$2,995,947 of nonelective contributions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution, the Corporation's contributions, and an allocation of Plan earnings (losses) and administrative expenses. Allocations are based on participant account balances, compensation, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All accounts are participant directed.

Vesting

Participants are immediately vested in their participant contributions, including rollovers, and the Corporation discretionary qualified nonelective contributions plus actual earnings thereon. Vesting in the Corporation matching and discretionary nonelective contributions, plus earnings thereon, is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Participants become fully vested in the Corporation's matching and discretionary nonelective contributions upon death, total disability, normal retirement, or the termination of the Plan.

Payment of Benefits

Participants or their beneficiaries are eligible for distributions upon the participant's termination, death, disability, or retirement. The Plan also allows for in-service withdrawals for financial hardships and for participants who have reached the age of 59½. Distributions are made in the form of lump sum amounts. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan will distribute the benefit in a lump sum as soon as administratively practicable. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name. Vested account balances exceeding \$5,000 are paid at the participant's discretion or can be left in the Plan until such time the participant wishes to withdraw it, with the account continuing to share in the Plan's earnings. At all times, participants may withdraw in total or a portion of their rollover contributions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum of, the lesser of one half of the vested account balance or \$50,000, reduced by the highest outstanding loan balance for all loans during the preceding 12 months. The minimum loan amount is \$1,000. A participant may not have more than two outstanding loans at any time. Loans bear interest at a rate equal to the prime lending rate in effect at the time of the loan plus 1%. The loans are secured by the balance in the participant's account. A loan must be repaid over a period of no more than five years unless it is used to acquire a principal residence and the administrator agrees to a longer term not to exceed 20 years. Loan payments are made through payroll deductions. Any loan will become due and payable in full if the Plan is terminated for any reason.

Forfeitures

Forfeitures represent the nonvested portion of terminated participants' account balances. These amounts can be used to reduce future Plan expense or future matching or discretionary nonelective contributions. Forfeitures of \$302,866 were used to reduce the Corporations matching and nonelective contributions during the years ended December 31, 2023 At December 31, 2023 and 2022, the forfeited nonvested account totaled \$150,102 and \$136,022 respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates in Preparing Financial Statements

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year.

**SECU/S3 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions

Contributions from participants and Corporation contributions are recorded in the year in which the employee contributions are withheld from compensation

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Corporation and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and processing of benefit payments are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are also included in administrative expenses.

Subsequent Events

Effective January 1, 2024, forfeitures may be reallocated to participants in proportion to compensation, as an additional nonelective Contribution or added to nonelective contributions.

The Plan has evaluated subsequent events through September 23, 2024, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 3 FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quotes prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the assets or liabilities;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodology used at December 31, 2023 and 2022.

Registered Investment Companies (Mutual Funds) – Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

Collective Trust – Units held in the collective trust (CT) are valued using the net asset value practical expedient (NAV practical expedient) of the CT as reported by the CT manager. The NAV practical expedient is based on the fair value of the underlying assets owned by the CT, minus its liabilities, and then divided by the number of units outstanding. CT contains no redemption restrictions or notice periods. Redemption frequency is daily. There were no unfunded commitments as of December 31, 2023 and 2022.

**SECU/S3 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 3 FAIR VALUE MEASUREMENT (CONTINUED)

Interest-Bearing Cash – Valued at cost plus accrued interest. Interest-bearing cash is generally classified within level 1 of the valuation hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value for certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by the level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

2023				
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 91,169,165	\$ -	\$ -	\$ 91,169,165

Assets at NAV as a Practical Expedient				5,375,225
Total Investments at Fair Value				<u>\$ 96,700,692</u>

2022				
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 72,732,840	\$ -	\$ -	\$ 72,732,840

Assets at NAV as a Practical Expedient				5,861,938
Total Investments at Fair Value				<u>\$ 78,730,811</u>

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Corporation has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Corporation contributions.

**SECU/S3 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 5 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are units of a collective trust fund and a cash account managed by Diversified Retirement Corporation, an affiliate of Transamerica Retirement Services, the recordkeeper of the Plan during the year ended December 31, 2023. These investments qualify as party-in-interest investments and transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter from the IRS on the Pre-Approved plan indicating that the Plan is designed in accordance with the applicable section of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:
