(1) Name: **FGMK, LLC**

(2) EIN: **36-2929601**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Graham C-Stores Co. Profit Sharing Plan

Opinion

We have audited the accompanying financial statements of Graham C-Stores Co. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule of Assets Held at December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GRAHAM C-STORES CO. PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Graham C-Stores Co. Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Graham C-Stores, Co. (the “Employer” and “Plan Administrator”) who are employees on the last date of the plan year, have 1,000 hours of service, and are age twenty and one-half years or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions. The Employer contributions to the Plan are at the discretion of the Employer’s Board of Directors. The Employer elected to make a gross contribution of 7.5% of eligible compensation totaling \$410,119 for the year ended December 31, 2023. Participants may rollover eligible contributions from another qualified retirement plan. The Plan does not permit voluntary employee contributions.

Participant Accounts. Each participant’s account is credited with an allocation of (a) the Employer’s contribution, (b) Plan earnings, and (c) forfeitures of terminated participants’ non-vested accounts and charged with an allocation of Plan expenses. Allocations are based on participants’ earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting. Participants are immediately vested in their rollover contributions plus actual earnings thereon. Vesting in the Employer contributions portion of their accounts plus earnings thereon is based on years of service and is determined as follows. A participant becomes fully vested in the portion attributable to the Employer contribution if employment is terminated because of death, normal retirement age, or total and permanent disability.

Completed Years of Service	Percentage of Account Balance Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balances, whichever is less. The loans are secured by the balance of the participant’s account and bear interest at the rate defined in the Plan document at the date of issuance. Principal and interest is paid ratably through payroll deductions.

Forfeited Accounts. A terminated participant’s non-vested account balance is forfeited on the earlier date of such a participant’s fifth consecutive one-year break in service or the date the participant receives a distribution of the participant’s vested interest. Forfeitures are used to restore any prior account balances pursuant to Section 5.4(b) of the Plan document. Any remaining forfeitures are used to reduce Employer contributions. Approximately \$84,000 of forfeitures were used to reduce Employer contributions for the year ended December 31, 2023.

Benefits. Benefits representing the vested portion of a participant’s balance are payable upon termination, retirement, death or disability. Benefits to participants whose employment has terminated are payable after the end of the Plan year in the month following the issuance of the Annual Report.

Distributions may be made as an eligible rollover to an IRA, an eligible rollover to another plan, a lump sum payment or substantially equal installments, paid at least annually over the participants’ life expectancy.

GRAHAM C-STORES CO. PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Party-in-Interest Transactions. Administrative expenses of the Plan, consisting principally of accounting and trustee fees, are paid directly by the Employer. Various administrative, legal and accounting services are performed by the Employer personnel on behalf of the Plan for which no charges are made to the Plan, and the Employer's management has no plans to obtain reimbursement of these expenses from the Plan.

Administration of the Plan. The Employer is the Plan's sponsor and administrator. Correll Company is the Plan's third-party administrator. The Plan custodian is UBS Financial Services, Inc. (the "Custodian").

Recent Legislation. The SECURE Act 2.0 was signed into law on December 23, 2022. The SECURE Act 2.0 allows more part-time workers to participate, increases the age for required minimum distributions and reduces the penalty for missed minimum distributions, permits plan participants to elect to receive vested employer contributions on an after-tax basis, and allows penalty free withdrawal for terminal illness, effective January 1, 2023. Additionally, it will allow for higher catch-up contributions, allow for matching contributions on student loan payments, permit plan sponsors to add an emergency savings account to their retirement plans, increase the availability of penalty-free withdrawals, and add automatic enrollment error relief provisions, effective January 1, 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Concentration of Credit Risk. Substantially all of the Plan's investments are held by UBS Financial Services, Inc. and 98.0% of these investments are in common stock. However, no more than 9.3% of net assets is invested in any one stock at December 31, 2023 with the majority being less than 5.0%.

Basis of Accounting. The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Estimates and Assumptions. The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits. Benefits are recorded when paid.

GRAHAM C-STORES CO. PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENTS

FASB *Accounting Standards Codification* (“ASC”) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022:

Common Stocks and Partnership. Valued at the closing price reported on the active market on which the individual securities are traded.

Government Money Market Fund. Valued at amortized cost. Fund’s Board of Trustees periodically reviewed and monitored the valuation of the securities held by the Fund to ensure that amortized cost approximated fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Total investment assets at fair value	<u>\$ 12,222,578</u>	<u>\$ 153,781</u>	<u>\$ -</u>	<u>\$ 12,376,359</u>

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 – TAX STATUS

The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the restated prototype plan document was in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator timely adopted the restated prototype plan. The Plan Administrator believes that the Plan is currently being operated in accordance with the applicable requirements of the Internal Revenue Code.

NOTE 6 – RISK AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2023 through September 10, 2024, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
